## Monday, September 30

5:30 p.m.

Women's softball practice - Athletic field. All women students and seminary wives are invited to participate.

## NOTICES

OPPORTUNITIES IN INDIANA: R.V. Haygood, Director of Missions for the Indiana Baptist Convention, will be on campus September 26-27. Seniors and other students interested in serving in Indiana may make appointments in the field education office to talk with Mr. Haygood.

MINISTRY TO THE AGING: The North Carolina Council of Churches would like to find a pastor in Vance, Warren or Halifax counties to participate in a pilot project on ministry to the aging in a rural community. This would involve a group of churches ministering to the total needs of the aging. If you are interested, call Richard McLeary at 833-4465 (Raleigh) or 688-3819 (Durham).

RECREATION OPPORTUNITIES: Family night (Tuesday night) is volleyball night at the gym. If you or your family, best girl or fellow like this fast, exciting game, meet at the gym on Tuesday evening, September 24, 7:30 p.m. Each member of the seminary family is invited to take advantage of the facilities available in the gym and on the athletic field. Tennis courts are also available each day. Please consult the gym schedules posted on the bulletin board in Appleby.

RUN FOR FUN: Anyone interested in joining a "run for fun" track club should meet at the gym on Tuesday afternoon, September 24 at 3:15. This will be for both men and women (for those who want to keep in shape or run on a competitive level). Instruction and running aids will be offered.

BUILDING AND GROUNDS:

1. Grass cutting has been slowed down considerably due to heavier rains and the return to student status by our summer manpower force. The tractor will continue to cut the large areas on a five to six day cycle; trim work in the housing areas will be accomplished when manpower availability allows. Lawnmowers and other lawn care tools may be checked out from the Buildings and Grounds Office by any Seminary occupant who may prefer to keep his own housing area cut on a more regular basis.
2. All persons who have stored items in the gym or in Lea Lab are asked to contact the Buildings and Grounds Office (556-3101, ext. 260/261) in order to identify their property. Ownership that cannot be determined will result in items being considered as Seminary property and handled or disposed of as necessary in order to rework available storage space in these areas.
3. REMINDER - Seminary regulations specify that no vehicles are to be parked or driven on Seminary grounds. This restriction includes all mini-bikes or motorcycles, regardless of the age of the driver, and is especially important in the housing and recreation areas of our campus.

GOLF CLINIC: Seminary students and all other interested persons are invited to attend a free golf clinic to be held at Pascal Golf course on Monday, September 30. Sessions will be held at 10:00 a.m. and 2:00 p.m. Tips on the use of different clubs; a tour of the course; golfing etiquette and other items will be presented.

KEESEEE REMINDER: Applications for financial aid for the spring semester must be received by Keesee no later than November 1. Information and applications may be obtained by writing to: Mr. W.R. Broaddus, Jr.  
Charles B. Keesee Educational Fund, Inc.  
P.O. Box 226  
Martinsville, Virginia 24112

All Bulletin material should reach the office of Director of Student Activities, second floor, Mackie Hall, by Thursday noon of the week preceding the event to be noted. Material may also be placed in the Student Activities box, second floor, administration building.
