The 114th Annual Session of the Tuckaseegee Association met with the Hamburg Baptist Church Thursday morning at 10 o'clock. Song—"Jesus, Keep Me Near The Cross".

T. F. Deitz, the moderator, conducted the devotional taken from Psalm 113.

2. N. L. Stephens, Haywood Association.
3. Frank Reed, Macon Association.
4. Lester Sorrels, Macon Association.
5. Dr. and Mrs. I. G. Greer, Liberty Association, from the Mills Home, Thomasville.

The moderator recognized all new pastors in our association. Rev. W. E. Pettit from Sylva Baptist Church was the only one present at this time.

The Rev. T. F. Deitz, moderator, read the program for the association to adopt. Rev. B. S. Hensley, of Beta, moved the program be adopted and George Cope, of Webster, made a second to this motion, and the association program was unanimously adopted.

The moderator called for two minute reports from the different church of the association.

Rev. B. S. Hensley, of Beta, made a motion that the time for the report of the orphanage be changed and that report be at this time.

Dr. I. G. Greer, from the orphanage at Thomasville, gave a very splendid talk on our work there.

Rev. W. N. Cook moved that this report be adopted and Rev. B. S. Hensley made a second to this motion. Passed by motion.

#### Annual Report for 1942

#### NORTH CAROLINA BAPTIST ORPHANAGE

Article I of our constitution says: "This institution shall be known as the Baptist Orphanage of North Carolina, Incorporated, formerly known as Thomasville Baptist Orphanage and later known as the Mills Home, according to its amended charter, and shall have for its object the support and caring for and training of dependent children of the white race."

There are two officials of the Orphanage, a general superintendent and a treasurer. Mr. I. G. Greer is the general superintendent and Mr. R. D. Covington is treasurer. Their offices are in Thomasville and are located on the Mills Home grounds.

The Orphanage maintains two homes, the Mills Home in Thomasville and the Kennedy Home near Kinston. These are not two orphanages but are the two homes of the Baptist Orphanage. Each of these homes has a superintendent but neither has a separate treasurer, for the Orphanage treasurer handles all of the finances of both homes. Miss Sarah E. Elmore is superintendent of Mills Home and Rev. W. C. Reed is superintendent of Kennedy Home.

The Social Service Department, Miss Hattie Edwards, director, receives all applications for the entrance of children into the Orphanage and after investigation makes recommendation to the general superintendent, who makes the final decision. He says whether the child is to be accepted and if so into which home. If it seems best he places the child in a boarding home or establishes a mother's aid home.

We have cared for during 1942, 687 in the two homes, 35 in boarding homes, and 74 in their own homes. We have been able to place a larger number than ever before, thus enabling us to be of service to more children.

Attendance in school reached almost 99 per cent, due to the general good health of the children and the almost total absence of any conta-

gious diseases.

As a result of good food, regular hours and the cooperation of all workers, the health of our children is far above that of the outside population.

Many activities are involved in the production of good food. The farm from which we receive fresh vegetables in abundance along with pork and beef, the dairy from which each child receives a quart of whole milk daily, the poultry yard where all of our chickens and eggs are produced, and the 100,000 half gallon jars that are filled with every kind of fruit and vegetable by our friends all over North Carolina. All of these good things are sent out to our 19 kitchens of the two homes where they are prepared as well balanced meals under the supervision of trained workers.

Clothing to a great extent is made by the children, with the aid of competent supervisors.

More than 10,000 pieces pass through the two laundries each week. The greater part of this work is done by the girls. Colored help is employed for the heaviest of the labor.

The physical education program goes on the year round with trained directors in charge.

A graded Sunday school, B. T. U., and W. M. U. both at Kennedy Home and Mills Home helps in rounding out the lives of our boys and girls.

Charity and Children is published each week at Mills Home and covers the activities of the entire Orphanage. Along with the paper a profitable commercial printing shop is maintained and large numbers of our boys are trained.

The greatest asset of this Orphanage are the many friends who love it. That mighty Thanksgiving offering whose echoes are still sweetly ringing in our hearts was the most heartening and uplifting thing in a financial way that has ever come to our Orphanage life. The continuation of the monthly offerings from the Sunday school climaxed by another Thanksgiving offering as good or better than the one of last year will make it possible for us to meet the demands being placed upon us in these strenuous times.

We must never lose sight of the one chief purpose of the Orphanage, and that is making worth while men and women out of dependent boys and girls.

T. F. DEITZ

At 11:30 the Moderator named the following committees:

- (a) Committee on Finance: W. H. Smith, G. H. Cope, R. F. Jarrett.

 12:30: Adjourn for Lunch.

EVENING SESSION—THURSDAY 1:30 P. M.

1:30 Song: "Blessed Assurance."

The moderator called the association to order.

1:45: Report on our Baptist Hospital at Winston-Salem by R. F. Jarrett.

The report was adopted.

THE BAPTIST HOSPITAL

The Baptist Hospital has completed a full year with its enlarged facilities. Instead of caring for 4,000 patients as formerly, we have had 12,000 the past year, 1942. It is again becoming increasingly difficult to provide for the growing numbers of sick who come for treatment—an average of 33 each day.

Of these 12,000 patients who were treated last year, 4,000 were service patients: That is, were unable to pay a hospital bill. These are the sick for whom our Mother's Day Offering is made. It is also interesting to note that 4,000 of this 12,000 patients were mothers who had, here and there in our state, 12,000 children waiting anxiously for her return. We had also about 175 ministers, returned missionaries, ministerial students and children from our orphanage for whom no change was made.

The Hospital Training School for Nurses has 116 students in training, 51 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aids, making a nursing staff of 189.

It is one of the functions of the Baptist Hospital to educate as many nurses as possible with the Christian ideal of service. These are always selected so as to represent as nearly as possible every section of our state.

Although quite a number of our medical staff are constantly going into the service of our country, we still have a staff of about 75 doctors, almost all of whom are specialist in the several fields of medicine and surgery.

These two institutions—Hospital and Medical School—represent a money value to the denomination of \$2,000,000.

It is with a just pride, we trust, that the American Medical Association has given the Baptist Hospital the highest rating of any hospital in the entire south, save one.

The hospital desires to express to the members of this association their appreciation for the best Mother's Day offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linen.

This hospital was built and has operated for these 20 years with one great fundamental purpose: that it shall be an institution through which the half million Baptist of our state may render a definite Christian service to sick and suffering humanity who could not, in most instances, have hospital treatment otherwise. It is the purpose of the denomination and the management that it shall forever remain true to this one purpose in addition to its wider service.

Motion to adopt the report.

Dr. Smith Hagaman, Superintendent of the hospital, spoke on the work of the hospital.

2:30 P. M.—Report on Charity. Mrs. Charlie Messer of Dillsboro. Rev. B. S. Hensley moved this report be adopted and Mrs. R. F. Jarrett

made a second to the motion.

REPORT ON CHARITY

And now abideth faith, hope, charity, these three but the greatest of these is charity. I Corinthians 13:13. Webster's dictionary gives this definition of charity, "A disposition to relieve the wants of others." It does not say to relieve only the hungry and the half clad, tho' of course it does mean that, too. But there are those who have all the necessities of life, yet are in want of something. Some need friends, some need sympathy and others need help to carry their burdens. When a church helps any of these it is charity, so you see it would be hard to make a report on how much charity has been done by a church. Let's each of us strive to "live (as this little poem, clipped from the Biblical Recorder, says) the way we pray" and I'm sure there will be more charity in all the churches.

Respectively submitted,  
MRS. CHARLES MESSER

LIVING AND PRAYING

I knelt to pray when day was done,  
And prayed, "O Lord, bless every one;  
Lift from each saddened heart the pain,  
And let the sick be well again."  
And then I woke another day  
And careless went on my way.  
The whole day long I did not try  
To wipe a tear from any eye;  
I did not try to share the load  
Of any brother on my road;  
I did not even go to see  
The sick man just next door to me.  
Yet once again when day was done  
I prayed, "O Lord, bless every one."  
But as I prayed, into my ear  
There came a voice that whispered clear:  
"Pause, guilty one, before you pray,  
Whom have you tried to bless today?  
God's sweetest blessings always go  
By hands that serve Him here below."  
And then in penitence I wept,  
"Forgive, for faith with Thee I haven't kept;  
Let me but see another day  
And I will live the way I pray."

#### REPORT ON CHRISTIAN EDUCATION TO THE TUCKASEEGEE BAPTIST ASSOCIATION

When is education not Christian? When has true Christian religion ever failed to be an eternal process of education, growth, and development? Where Christianity has flourished we have always found all those virtues that combine to formulate a true character. We live a threefold life. If we make man only physical in his being and give him all the physical qualities that could be possessed and used by him he would only be a brute. Make him all brain and he still would be only a phantom. Take all his brain, all his bone, flesh, and blood away and give him nothing but spirit and you would have a ghost. We have little use for any one of these three in this world in which we live today. But somewhere there is a happy balance struck. And who knew more where to strike that balance and properly proportion these factors than our Father who breathed the breath of life into our nostrils and made us living souls.

Man has fallen. He is broken. We must remold ourselves into the image of God by a rebirth. This miraculous process requires the work of the divine and of man, too. That type of training which best fits man for his share of the task is education. If it is done in God's plan it is Christian education. Those godly men and women who have done all to attain this likeness are most able to instruct the youth in the quest of this great attainment. Far too many of our parents wait till son and daughter are of school age and hope to turn them over to our schools and have them remade to order. This is an awful mistake.

Fortunately, we live in a land of Christian schools of all levels of training, but they alone can not make Christian men of our boys and girls. The greatest Christian institution in this world is the Christian home. Never in history has this great institution been forced with the momentous challenge as it is now. I am not thinking of the war and the bloody field of battle. That can not destroy the home. Its effects can. Parents, thisday is a warning to you. Are you taking care of your teen-age children? Hell is looking for them. According to Eleanor Lake in Common Sense, May issue, 1943, you are told of some tragedies that to my mind far overshadow Dunkirk or Pearl Harbor. A year ago seventy-five percent of social disease infections in our armed forces was racial to professional prostitutes. Today eight per cent of it comes from young casuals and amateurs. Back of this shocking fact lies the greatest problem of the home, school, and church of today: the frightening rise in the delinquency of the teen-age girl. Reports from more than a score of our towns and cities show that this crime has gone from double to five-fold in one year. Parents, for Heaven's sake pause here and

think. These fourteen, fifteen, sixteen years old girls are paying the greatest prices. More than four hundred thousand are now poisoned with a poison worse than venom which will, more than probably, turn more than on hundred twenty thousand of them over to the undertaker, over another hundred thousand to the insane institutions and leave the others condemned to a miserable life of suffering and early death. Only a few escape to spread the deadly infection to other victims and innocent children.

We need more Christian education.

J. E. BROWN

A report of Foreign Missions were given by E. W. Jamison. Mr. Jamison moved this report be adopted and Edgar Bishop seconded this motion.

#### REPORT ON FOREIGN MISSIONS

We are living in a time when the hearts of men are baffled and confused. We know not what to expect. It would be foolish for us to predict what the coming months hold for us. But we do know a few things that have transpired in the past, some of which are good, and some are bad. The bad of course is the World War which has effected every fiber of our Foreign Missions program. Many of our best Missionaries had to abandon their fields who chose to remain are subject to great danger and persecution. But let us not become discouraged for this has followed the trail of Christianity all the way down.

But the best of all is that we have made an uphill climb burdened with a heavy load of debt hanging over us. Till last February we reached the top and paid off the last dollar of the debt on our Foreign Mission board which opens the way for a bright post-war future for foreign missions. We hope we have passed the crisis when we shall soon say again with emphasis, "The Earth shall be full of this knowledge and glory as the waters that covers the sea." And the kingdoms of this world shall become the kingdoms of our Lord and Saviour.

Respectfully submitted,

E. W. JAMISON

Report on State Missions was given by Hugh Monteith.

Mr. Monteith moved this report be accepted and Rev. B. S. Hensley seconded this motion.

#### STATE MISSIONS IN NORTH CAROLINA

Figures which seem fairly reliable state that of the world population only one out of every 165 is a Baptist. Of all those in the world who are called Christian and belong to any church that bears a Christian name, only one out of fifty is a Baptist. In our own United States about one out of every six who belong to any branch of the Christian church is Baptist. In North Carolina about one out of every two belonging to any church belongs to a Baptist church.

Now these striking figures suggest:

Less than one-third of the total world population belongs to any Christian church. What a marvelous opportunity for world missions, and particularly for Baptist world missions. Of significant import is the fact that about one-half of all those in North Carolina who are called Christian are Baptists. And to go a little further, let it be said that one out of every five of the total white population in North Carolina is Baptist. If we include the total population, almost one out

of four is a Baptist. This means that if Baptists were genuinely Christian our State would be well on the way toward being a Christian state. And yet everyone knows that as a state we are far from being Christian. It means also that Baptists would appear to be at least one-half responsible for the one million human souls in North Carolina who have never yet said yes to Christ.

Now in the face of all these facts the task of State Missions in North Carolina is quite clear. Recently a young preacher remarked that some people he met believed we should make North Carolina Christian first and perhaps forget other areas of the world until that was accomplished. That conclusion is of course incorrect. If we are to try to christianize North Carolina, we must carry on a State Mission program and at the same time a Foreign Mission program. They go together or not at all. Let a church forget state missions and it soon will forget foreign missions or let it forget foreign missions and it soon will forget state missions. At the same time one must bear in mind that the demonstration of the Christian way of life here in North Carolina will be worth to the rest of the world scores or more of arguments.

Through our State Mission program we are attempting to develop a teaching and training program of those already in the church. At the same time through aid to missionary pastors, through help to growing churches in needy and strategic places; and in other ways the State Mission program is seeking to win some of those millions of souls to Christ.

During the present year there is available for the State Mission program about \$150,000. It ought to be at least \$250,000. The war areas in the East are the greatest challenge we face at the moment.

What is the individual to do about this? What is the church to do about it?

The answer is: Support the Baptist Cooperative Program, for State Missions receives 15% of the Undesignated Cooperative Program money. Recently an appeal has been sent out for an extra offering to help in the work around the camps. Churches which have not taken this offering are urged to do so. That it must be remembered that each year on the last Sunday in October the Sunday Schools are asked to make a generous offering for the whole State Mission program. Also the Woman's Missionary Union is laying unusual stress on their State Mission program. They will make their offering in September. **One Dollar**, just one dollar, from each adult member of our churches would give us an offering of about \$100,000.

We Baptists have a tremendous responsibility to aid in growing a Christian state. To this end let us give our prayers and our means with enthusiasm!

Respectfully submitted,

HUGH MONTEITH

Report of Home Missions read by Hattie Hilda Sutton written by G. H. Cope.

Miss Sutton moved this report be accepted and Rev. Hensley made a second to this motion.

#### REPORT ON HOME MISSIONS

We are glad to report to this association that the long uphill pull of the board which has been burdened with debt and discouragement has resulted in reaching the top and we can now report that the Home Mission Board is entirely out of debt, and, that all activities of the

board are still making remarkable progress.

Our work consists in preaching the gospel to the Negroes in our own section and to the Indians throughout the southland; in establishing New Mission in Cuba, Mexico and other nearby islands in the South; in building Mission Chapels; and, in furnishing preachers when and where needed.

"The future of our country is at stake. The future of Christianity is at stake. No work that we can do in America today will mean as much to the rehabilitation of the world as that of making America Christian. Ultimately and fundamentally, the world peace, prosperity and progress is base upon the character of the people who live in the world, and character is rooted in christainity. Spiritual things, the things that christianity produces, are the things that the world needs most of all right now, and if we could bring America to the place where Americans put these things first, to the place where Christian ideals were dominant, we would have rendered the greatest service within our power to render to the world. Let America become a leader in righteousness and she will do more toward the restoration of peace, happiness and prosperity among the nations of the world than she can ever do in the economic and industrial fields. We do not need to stabilize the American dollar half as much as we need to give moral and spiritual stabilization to American life."

The fundamental and underlying cause of this present world conflict is selfishness. The world is now dominated by selfish, ambitious, godless men who seek to satisfy their own selfish desires at the expense of all that right and just and will resort to any means of accomplishing this end. Such a principle is ultimately doomed in the end, but, until Christians in America live and teach Christianity in its purity to the end that their influence and power is felt throughout the world, we shall have failed in this our greatest opportunity and no lasting peace will prevail among the nations of the world. Christ is the only answer to this war-torn world and preaching Christ is the Mission of the Home Mission Board.

Report of Evangelism by C. C. Welch.

Mr. Welch moved this report be accepted and Mr. W. H. Smith made a second to this motion.

#### BROTHER MODERATOR, MESSENGERS AND VISITORS

Among the many worthy investments of the Baptist people is Evangelism. Evangelism is divine.

Through this medium churches are built. Love and fellowship are promoted. Homes are made happy. Civilization is seated and out of evangelism comes spiritual and national democracy. We submit the following recommendations: first: that all pastors should be highly in favor of evangelism in God's own way. Second, that all Baptist churches have at least one revival each year.

Respectfully submitted,

REV. C. C. WELCH

#### THE REPORT OF THE WOMAN'S MISSIONARY UNION TO THE TUCKASEIGEE ASSOCIATION—AUGUST, 1943

With deep gratitude to our Heavenly Father, do we review the work of the Women and Young People that go to make up the Woman's Missionary Union of North Carolina and of the Tuckaseigee Association for the year 1942-1943.

Hearty co-operation all along the line from our State Officers through Division, Association and local societies has made this growth possible.

A hymn of praise ascends to our Father when we read the treasurer's report from North Carolina women. Every aim was realized in the State, surpassing the gifts of 1941 by almost \$50,000.00. Our Heck Memorial offering, which Miss Mallory terms, "North Carolina's Magical Offering", exceeded by \$4,000.00 the apportionment. In all of this your women of the Tuckaseigee Association have had a part, having given to the three objects, Co-operative Program, Special

Offerings, and Hundred Thousand Club \$1,021.60.

Our annual meeting was held with the Sylva church with a splendid attendance, every Woman's Missionary Society being represented. Besides other visitors we had with us Misses Bertha Smith and Mary Herring, both returned Missionaries from China who brought us helpful messages on the needs and our responsibility to these war-torn people.

In spite of the gas and tire cry, we have had our three quarterly meetings. Two of these study meetings, using in September the book written by our own State Secretary, M. A. Huggins, "Kingdom Building in North Carolina", then in November we used "Fellow Helpers to the Truth", the book used by all Southern Baptist Women in preparation for the Week of Prayer for Foreign Missions.

All of our Woman's Missionary Societies observed one or more of the three seasons of prayer, and some of our Young People Societies. If the women of all of our churches had observed these seasons of study and prayer, what might have been our results? "Study to Make Thyself Approved Unto God".

We have nine active societies with our women, but we have lost some of our Young People and Junior organizations because of lack of leaders. Whose responsibility are these Young People? Yours and mine!

These Young People are not in any way responsible for this broken and confused world in which we live. They are the jewels of our homes, our churches, and of our nation. They deserve our best, are we giving it to them, or are we too busy with other things?

Two of our churches were represented at Girls' Auxiliary Camp at Ridgecrest, but think of the fine young girls of our Association who did not have this opportunity.

Our Intermediate boys, who should be our Royal Ambassadors are in grave danger. What are we doing to prepare them for the life they must face, and for the world they must help rebuild?

We would call on our pastors, parents, and church workers in each department to realize "We are Brothers All", and in this new year, may we each be ready to do our part "that all the kingdoms of the earth may know that Thou art the Lord, even Thou only", and say with our beloved Miss Heck—"For we serve the Lord Christ". (Col. 3:24).

Respectfully submitted,  
MRS. CHAS. L. ALLISON

Report on Finance by W. H. Smith.  
Amount on hand at \$94.92.  
Remarks by W. H. Smith.  
Report adopted.

#### REPORT ON FINANCE

This is a personal letter to every member of the forty-three churches which are embraced in the Tuckaseigee Baptist Association, and the Preachers of the Association.

First, I want you to read Proverbs 3rd chapter and especially the sixth verse, which says, "In all they ways acknowledge him and he will direct thy paths".

The only way to solve the church finance question is to come

back to God and his word.

In more than eight books in the Bible we are told how to tithe. In Chronicles 31th chapter, 5th verse, we are told to bring our tithes in at our revival times. We are never told to promiscuously behanding money or other gifts to preachers or any one else, but should be given to the church treasury to be disbursed by the church order.

There is no call for gifts. All Christian church members owe God through the church one-tenth of all earnings, and if that is done there is no need for gifts. God just wants His own, we do not need to give anything, just pay our debt.

There is not a church in the association but could support a full time pastor. We should read Acts 17th chapter, and especially the 28th verse, and believe whot itsays: "In Him we live and move and have our being."

The amount of money received at the Association of 1942 was \$86.58.

The amount paid out for minutes and postage was \$71.58.

For clerk hire—\$15.00,

Respectfully submitted,

W. H. SMITH

Report on Sunday Schools—Clarence O. Vance.

Remarks, Mr. Vance.

Report adopted.

#### SUNDAY SCHOOL REPORT

This report of the Sunday School work in the association is based on the reports from each Sunday School that are brought into the monthly conventions. Not all Sunday Schools attend or report to the convention, so we know very little about them.

We feel very much encouraged about our work, although many of the S. S. do not show an increase in enrollment, yet they do show an increase in average attendance and this shows that our people are working and visiting to bring others into S. S. in spite of the fact that many of our people are away, some in the service of our country, and others on defense works.

In spite of the problems we have had to face this year, we have held our S. S. conventions each month. The attendance and interest at these meetings has been good, and we feel sure that all S. S. workers went away with agreater interest in our work and an inspiration to go and so more for our master.

There has been a Vacation Bible School conducted in twelve (12) of our churches this summer. Some of these were made possible by the help of Miss Gretchen Johnson, a state worker who was sent to us by our State S. S. Secretary, Brother L. L. Morgan.

On April 1st of this year, we held at Sylva Church a one-day associational meeting for pastors, officers and teachers of the S. S. The meeting was conducted by a South-wide worker, sent to us by the Baptist S. S. Board. At this meeting the S. S. represented, made plans and set goals to be reached during this year. Already some of the churches have reported progress made in reaching these goals, such as holding a weekly officer's and teacher's meeting, a training course for workers, awards for the workers, libraries organized in the churches and a growth in enrollment.

In the reports to the conventions, it is interesting to note the many churches, who are building or remodeling their buildings to meet the needs of the Sunday Schools.

Now more than ever we need better and larger S. S. in every church. Now more than ever weneed to come together in our monthly conventions. Now more than ever we need to so teach God's in the S. S. that the lost may be won to Jesus. Now more than ever we need pastors, officers and teachers working together for the upbuilding of God's Kingdom, through the S. S. work.

"If thou faint in the day of adversity thy strength is small". (Proverbs 24:10).

The moderator stated that a report should be given next year on Vacation Bible Schools. Mr. Hugh Monteith moved that H. H. Sutton be named for the report and Rev. B. S. Hensley seconded.

The nominating committee gave their report of the Executive Committee and Committees to report next year. The report was adopted.

Rev. W. N. Cook read the list of the dead.

Memorial address, Rev. T. F. Deitz.

Committee on Resolution read by Carl Corbin.

Report adopted.

#### RESOLUTIONS

Your Resolution Committee begs leave to submit the following resolutions:

1. That we desire to express to the membership of the Hamburg Baptist church our sincere thanks for the fine manner in which this church has entertained the 114th session of our association.

2. That we do commend the action of the Board of County commissioners of Jackson county in banning the sale of beer and wine in our county and we pledge to them the support of the members of the Baptist churches in Jackson county in any effort that may be necessary to sustain thier action in this matter.

3. We are opposed to the manufacture, and sale of any intoxicating beverages in North Carolina and we urge all people who believe in the teachings of Christ, to place theire influence against the liquor traffic. We believe that church members ought to take a firm stand against the use of liquor or other intoxicating beverages.

Respectfully submitted,

CARL CORBIN, GEORGE MILLS, CHAT CRAWFORD, Committee

The moderator recommended that the Executive Committee be at the Pastor's Conference Monday morning to make final plans for Miss Johnson.

The moderator read the report from the iBiblical Recorder.

Report adopted.

#### REPORT ON THE BIBLICAL RECORDER

We are very happy to be able to give a good report on the BIBLICAL RECORDER this year. The circulation of the paper since August, 1942, has increased rapidly. The present circulation approximates 18,000, which means a net gain since last August of more than 7,000. For this increase we are profoundly grateful to God and to the pastors and leaders of North Carolina Baptists who have supported the paper enthusiastically and have done what they could to get it into the homes

of the people. We want to express our appreciation to General Secretary M. A. Huggins and all the State workers for the great help which they have rendered.

The paper has also shown good progress financially. The State Convention very generously agreed to grant to the RECORDER a thousand dollars a month, but we are happy to report that we have had to call on the convention for not more than fifty per cent of this amount, practically all of which has been used to pay for paper on which the RECORDER is printed. We should like very much for the RECORDER to be entirely self supporting; but we are getting out such a high quality paper, and in many cases sending it to the people for less than cost, that it is rather difficult to do this. However, the important thing is to get out a good wholesome paper and to get it into the homes of our Baptist people.

The RECORDER has three simple subscription plans: \$2.00 a year for individual subscriptions; \$1.50 a year for clubs—a minimum of at least three subscriptions is required for every church reporting less than a hundred members, and five subscriptions for every church reporting more than a hundred members; \$1.20 a year for the budget or family plan—one subscription for each active, resident church family is required. We hope that pastors, superintendents, deacons, Training Union, and W. M. U. leaders will do what they can to encourage a good club in every Baptist church; or, better still, to persuade the churches to inaugurate the budget plan.

Our aim is to make the BIBLICAL RECORDER both a good, wholesome, attractive weekly that will be of interest and help to the whole family circle and a solid, substantial denominational journal; and we feel, since it is the organ of our Baptist State Convention and because of the service it will render, that it ought to be in every North Carolina Baptist home. We hope our Baptist people will remember us constantly in prayer and let us hear from them if they have any material or suggestions for the good of the paper, or if we can be of any service to them. One of the great needs for our people is that they be informed, trained, and enlisted in the whole program of the church and the Kingdom of God; and we feel that the BIBLICAL RECORDER is of immense value in this great cause. We want to be a comrade and helper to every Baptist home and church in North Carolina and do what we can for the support of every cause dear to the hearts of our people. We would follow the injunction of Paul to Timothy: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth."

L. L. CARPENTER, Editor and Business Manager

An offering was taken for County Missions. Amount received \$17.80.
