Dear Dr. Montgomery:

Thank you for your response to our invitation to join the MARS HILL ASSOCIATES Board of Advisors. I trust your summer in Strasbourg is progressing well. As your Strasbourg address was obscured on the duplicated reply you sent, I am forwarding this communication to your Orange, California office. Should this again be delayed in reaching you, please accept my apologies.

I appreciate your reticence to endorse a venture with which you are unfamiliar, and your care in asking the questions you do ask. I shall leave the point regarding our assets (an entirely fair and expected question) to my colleague, Tim Jenks, who should be corresponding with you shortly. He is much more able to answer that question than I.

You further ask of other invitees and acceptances to the Board. We have invited several individuals to serve from whom we have not yet heard, and several again have responded with tentative "yes" answers. In neither category do I feel free to share the names. Thus far, however, we have received affirmative responses from the following: Donald Bloesch, of Dubuque; Warren Benson, of Trinity; Herbert Byrne, of Asbury; Glenn Goss, of Philadelphia College of Bible; Ed Hindson, of Liberty Baptist; Kenneth Gangel, of Miami Christian; and Robert Webber, of Wheaton. We anticipate several more in the next weeks. Should have additional questions, please don't hesitate to write.

We are seeking a strong Board, representing a broad Christian platform. May we welcome you to it?

Sincerely yours in Christ,

Leonard George Goss
