## Dedicated in Honor of Lloyd Vernon Fish, Jr.

The 2015 Annual Minutes are dedicated in honor of Lloyd Vernon Fish, Jr. Lloyd was born on September 18, 1943, at the Haywood County Hospital in Waynesville. He grew up in the Spring Creek Community of Madison County. Lloyd's life was one of a very humble beginning. The family – parents and 4 children – lived in a 2-room log house. In sharing his testimony about his growing up years, Lloyd has shared of a barrel for a heating stove and of his dad putting pieces of old tires on his shoes for soles.

Lloyd grew up in the Ball City Baptist Church on Spring Creek where he made his profession of faith and received Jesus Christ as his Lord and Savior at the age of 11. In 1960 at the age of 16, Lloyd rededicated his life to Jesus Christ. Out of that rededication he heard God's call to preach. He was licensed by the Ball City Baptist Church on July 23, 1961.

Lloyd graduated from high school in 1961. With no money for college, but with the certainty of God's call upon his life, Lloyd enrolled at Fruitland Baptist Bible College that year. In 1964, Lloyd graduated from

Fruitland in the top one-third of his class. While a student at Fruitland, Lloyd was ordained to the Gospel ministry by the Ball City Baptist Church on June 24, 1962.

Lloyd married Linda Rathbone of Haywood County on August 3, 1963. To their family two children, Angela Denise and Timothy Lane, were born.

Lloyd's ministry began with bi-vocational pastorates. In 1965, he was called to his first full-time pastorate at the Shoal Creek Baptist Church in Whittier. Later in the 1960's, Lloyd was called to his second full-time church – Buff Creek Baptist Church, also in Jackson County.

In his 43 years of full-time ministry from 1965-2008, Lloyd pastored churches in Jackson, Haywood and Macon Counties (37 years), served as a Director of Missions (1 year) and worked with the Baptist Children's Homes of North Carolina as Director of Planned Giving (2 years) and as the BCH Western Area Director (3 years). During his time of full-time ministry, Lloyd enrolled at Mars Hill College (now University) and graduated cum laude with a Bachelor's Degree in Religion in 1982. He also completed some graduate work toward a Master's Degree in Religion.

Following retirement as a full-time pastor in 2008, Lloyd has served as interim pastor in 8 churches. He currently serves as interim pastor of the Buff Creek Baptist Church, a position he has held since April of this year.

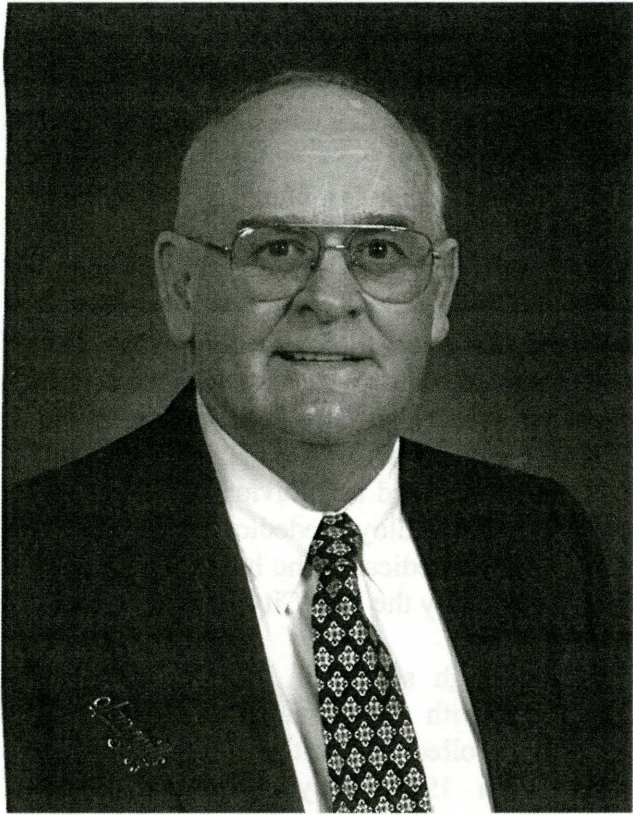

Lloyd has held places of leadership at the associational, regional and state levels throughout his ministry. Currently he serves on the Public Relations Board of Angel Community Hospital and on the Steering Committee for a new cancer treatment center in Franklin.

Throughout his ministry, Lloyd has been active in the community in various ways. Currently, he is on the Angel Medical Center Community Board.

In 2010, Lloyd published a book, ...And Then The Spirit Spoke!, a celebration of the joy, peace, warmth, victory and direction that comes when our life is as open to God as the beach is for whatever the tide brings in!

Lloyd and Linda currently reside at 324 Mashburn Street in Franklin. During his spare time, Lloyd's personal hobbies are fishing, fly-tying, gardening and woodcarving.

This humble servant of God who first said an "eternal yes" to Jesus more than 60 years ago has blessed countless lives with his ministry as he has called people to follow Jesus and be a "voice of hope, a face of grace and a sawdust servant" to a world that is lost and without hope aside from Jesus Christ.

## Dedicated in Memory of Bob Parker

The 2015 Annual Minutes are dedicated in memory of Bob Parker. Bobby Talmadge Parker was born on May 7, 1938, in Sylva, North Carolina, to David and Frances Parker. He passed away into the "Beulah Land" he loved to sing about on June 7, 2015. Daddy was given eternal life through our Lord and Savior Jesus Christ and then followed Jesus' command in baptism on May 30, 1948. He was a life-long member of Lovedale Baptist Church and throughout his life spent as many hours as possible in church or performing service for the Lord outside the church walls.

He highly regarded the Tuckasegee Baptist Association and its work. Often he spoke fondly regarding the fact that the association building site was the home to the prior Lovedale Baptist Church building (I can vaguely remember that old Lovedale building). My dad also liked the fact that the association building today is located so close to our home place just up the hill. I write for Mom (Sara) and my brother (David) when stating that we are honored with this recognition of Daddy. He would have been humble about it....but deep down it would have meant so much to him.

Sincerely—Robert Parker

## **Executive Committee Report**

### **Gracella Morris, Clerk**

**October 6, 14, 2014** The quarterly meeting, of the Tuckaseegee Baptist Association was called to order by Chuck Norris, Moderator and was held at the Baptist Center. There were 15 executive committee members with eight churches represented. Rev. Jason Buchanan led the group in prayer after prayer requests. Grace Morris led the group in singing "*Are You Washed in the Blood*". Rev. Lloyd Fish of Lighthouse Baptist had the devotion. The July 14, 2014 executive committee minutes were presented in the Book of Reports and approved. The October through September 24, 2014 financial statement was presented in the Book of Reports and approved.

Rev. Gerald Morris presented his quarterly Director of Missions report. He had the privilege to teach at Rockdale Baptist's Vacation Bible School Adult class. They had a great attendance and a wonderful time learning about how God wants to use us to make disciples. Gerald also got to go on two mission trips. One was for a week to Wheeling, WV with Ochre Hill Baptist Church. While there they worked in two VBSs, a soup kitchen, did light construction and worked with the Salvation Army. 3 people came to know the Lord. He led a second mission trip to BookLink in Eubank, KY. They were able to pack and process over 100 boxes to be shipped overseas.

Gerald led a group of 8 people to the Creation Museum in Northern Kentucky. They spent two days touring a wonderful facility that teaches one message, God created everything in six literal days a few thousand years ago. He also reported that he was able to give the organ to the pastor of Lincoln Street Baptist Church in Greenville, SC. It will be returned to working order and used in the church. As a reminder that the world has come to our doorstep, he shared about the opportunities to witness to a Buddhist, a Wiccan, and four Muslim men here Jackson County. He encouraged everyone to keep their heart open to the opportunities that God is sending their way. The Baptist State Convention of NC has made available to all of the churches a new ministry tool called MissionInsite. It is a wonderful free demographic tool that can give your church detailed information about the people living near you.

The Annual Children's Rally was a great success. The "3Ms" performed Gospel Illusion and music and Pastor Lloyd Fish led the children in devotion about how we are all wonderfully made. We had several churches participate and about 50 children attended. The Migrant Ministry is off to a great start with two trips. The first one was at a packing house in Franklin, NC to reach the workers that live there and work in Jackson County. At least one man was saved. At least seven churches were represented that night with many more helping in other "behind the scenes" ways. The Hispanic churches of the Jackson and Macon Counties have begun to work out a plan to start Bible studies in these camps as follow up to the gatherings. The fourth annual Campus Prayer journey was a success even though turnout was down this year. Approximately 81 people gathered at all the schools to pray for faculty, staff and students.

He reported 14 visits to churches, 9 preaching and 17 meetings. The association received a grant for \$1,000 from the North Carolina Baptist Foundation to purchase a sno cone, popcorn, and cotton candy machines with supplies. This will be loaned to churches for outreach events.

#### **Old Business:**

- The Wall Estate Property is still not sold.
- It was approved to present the changed Proposed By Laws at the annual meeting on Thursday, Oct. 16, and be voted on the next day. The proposed By Laws have been mailed to each church and presented at this meeting and July's Executive Committee Meeting. There was no discussion.

#### **New Business:**

- It was approved to change the beginning time of the executive committee meeting to 7:00 p.m. each quarter instead of 7:30 p.m.

Rev. Mike Moore led the group in closing prayer.

**January 5, 2015** The quarterly meeting, of the Tuckaseegee Baptist Association was called to order by Chuck Norris, Moderator and was held at the Baptist Center. There were 21 executive committee members with ten churches represented. Roy Young led the group in an opening prayer. Grace Morris led the group in singing "The Solid Rock". Rev. Tim Reeves of Hyatt's Chapel Baptist Church had the devotion. The October 6, 14, 2014 executive committee minutes were presented and approved. The October through November 30, 2014 financial statement was presented and approved.

Rev. Gerald Morris presented his quarterly Director of Missions report. The annual meetings in October were a great time of worship and fellowship. The messengers voted on two important votes: The first being a resolution to stand against homosexual marriage. The response he has personally had has been all positive. Several people have approached him in public and thanked the Association for their stand on the issue. The second vote was to change the By-laws of the Association to streamline the committee structure to better efficiency. The finances of the Association have improved some with churches increasing their giving and others taking up special offerings. He encourages everyone to pray that the Wall Property on NC 107 would sell. In October they reached out to the second Migrant Camp in Glenville with food, fellowship, and the Gospel. The Hispanic churches in the area are now formulating a plan to begin Bible studies with the migrants while they are in the area each year. A few men were saved.

The work to start a BookLink chapter here in Jackson County is progressing. We now have a small building to process the material and ready it for shipping. At this time, this ministry is a separate entity from the Association that Gracella and Gerald are working on. It will take about 50 cents per pound to process and ship the material. Help is needed to sort and pack the materials that are received.

Gerald reported 12 visits to churches, 14 times at 8 churches preaching and 10 meetings.

Betty Dean, WMU Director, reported that the "Now I Lay Me Down to Sleep" project to collect bedding materials for the North Carolina Baptist Children's Home was a success. They wanted to thank everyone for their help with their need. The following churches contributed: Locust Field, Scotts Creek, East Fork, Long Branch, New Hope, Greens Creek and other. The WMU is asking churches for a donation to go to the Heck Jones Offering.

#### **New Business:**

- It was approved to send \$1,000 Annie Hoyle Funds to the La Primera Iglesia Bautista de Amor for a mission trip to Mexico. Rev. Felix Villarreal from La Primera Iglesia Bautista de Amor and Karen Burnette from Faith Baptist Churches are participating in this mission trip from March 7-15, 2015.

A time of announcements and prayer requests was held. Rev. Mike Moore led the group in closing prayer.

**April 6, 2015** The quarterly meeting, of the Tuckaseegee Baptist Association was called to order by Chuck Norris, Moderator and was held at the Baptist Center. There were 18 executive committee members and two visitors with nine churches represented. Rev. Clemmey Queen led the group in an opening prayer after taking prayer requests. Grace Morris led the group in singing "*Leaning on the Everlasting Arms*". Rev. Jason Buchanan of Locust Field Baptist Church had the devotion. Rev. Brandon Lewis, new pastor of Wilkesdale Baptist Church, was recognized as a new member. The January 5, 2015 executive committee minutes were presented and approved. The October 2014 through March 31, 2015 financial statement was presented and approved. Gracella reported that the Hispanic class that meets on Saturdays at the Baptist Center built the two handrails for the Baptist Center. They only charged for the materials (\$88.57).

Rev. Gerald Morris presented his quarterly Director of Missions report. He was able to briefly visit with two host churches during the spring singing. It was a great time of worship and fellowship. He reported that Cashiers had sponsored a Chili cook off between the pastors to benefit the Association. 10 pastors entered chili and 85-90 people came sampled the chili, donated money and had a great time visiting with each other. Over \$1900 was raised for the work of the Association (\$2,010.54 is total after check received that night). The response of the churches and people to help close the budget gap has been great. With the money from the chilli cookoff, love offerings and increases in regular contributions, the financial situation looks better than it has since I began serving. Hopefully, by the end of the May emphasis on the Alton Hooper memorial offering, the Association will be able to end the year in the black.

His quarter has been filled with several meetings to make plans for this summer and fall. The Mission/Evangelism committee met and discussed plans for mission opportunities this summer. This year they

will be offering three mission trips of varying lengths along with local missions opportunities. The first, and shortest, trip is to Book-Link Int. in Eubank, Ky. People will be gone June 19-20 to help them sort, pack and wrap boxes of literature for shipment overseas. The second trip will be to serve at the Kentucky Raceway July 9-11. People will be mainly working at the children's tent but may be asked to serve in other areas as needed. The third, and longest, trip planned will be to Vermont. People will be going to assist NAMB church planters in this very unchurched state. He also encouraged churches to participate in Operation Inasmuch to do local missions. This is a one day local missions' blitz into your church's community to share Christ through service. He has a list of ideas of how you can reach your neighbors with the Gospel.

Something new this year in the works is a Global Mission Conference coming in September. Expanding on the one night missions' conference that we have had in the past, multiple churches will host missionaries for services from Sunday morning to Wednesday night (five services). The format is similar to a revival with a different missionary speaker each night in the host church. Host churches are still needed. Ginger Patrick from Cashiers Baptist Church shared about her experiences of a Global Mission Conference when she was an International Missionary. It is a great way to hear about how our Lottie Moon Christmas Offering dollars are being spent to support the missionaries in the field.

In May the Association will have the annual National Day of Prayer at the Justice Center on May 7th. In preparation for this event, the State Convention is holding Prayer Walking Training at Lighthouse Baptist Church April 28th with Chris Schofield, prayer coordinator for the Baptist State Convention.

Gerald reported 15 visits to churches, preaching 6 times at 5 churches and 10 meetings.

Betty Dean, WMU Director, reported that their Annual Associational WMU meeting will be on April 9<sup>th</sup> hosted by Lovedale Baptist Church. It will start with a salad supper at 6:00 and the program will begin at 7:00 p.m. On April 12 Lovedale will also be hosting a retired missionary couple (The Hinsons) to speak about their missionary experiences.

**Old Business:** \$1,000 from Annie Hoyle Funds was sent to La Primera Iglesia Bautista de Amor for its combined mission trip to Mexico with Faith Baptist. Over 100 people were saved.

**New Business:**

- It was approved to spend up to \$350 of Annie Hoyle Funds on transportation costs for an Associational mission trip to Book Link International in Kentucky.
- It was approved to spend up to \$475 of Annie Hoyle Funds on transportation costs for an Associational mission trip to work with the Kentucky Raceway Ministries on July 9-11.
- It was approved to spend up to \$1,300 of Annie Hoyle Funds on transportation costs for an Associational mission trip to Vermont.
- It was approved to send \$1,000 of Annie Hoyle Funds to the Ochre Hill Baptist Church for a mission trip to Shelby, NC to do construction and/or sports camps. The youth from Ochre Hill Baptist and Buff Creek Baptist Churches are participating in this mission trip from July 20-24, 2015.

Rev. Brandon Lewis led the group in closing prayer.

**July 13, 2015** The quarterly meeting, of the Tuckaseegee Baptist Association was called to order by Chuck Norris, Moderator and was held at the Baptist Center. There were 20 executive committee members and one visitor with eleven churches represented. Rev. Jason Buchanan led the group in an opening prayer after taking prayer requests. Chuck led the group in singing "Nothing But the Blood". Rev. Brandon Lewis of Wilkesdale Baptist Church had the devotion. No new members were present. The April 6, 2015 executive committee minutes were presented and approved. The October 2014 through June 30, 2015 financial statement was presented and approved.

Rev. Gerald Morris presented his quarterly Director of Missions report. In April we served as a collection point for the Broyhill Food Drive. He enjoyed watching as the food came in from many of our churches and several individuals. The youth from Scotts Creek and New Savannah came to help sort and pack the donated items. Volunteers hauled the collection to Broyhill. The National Day of Prayer event held each year in front of the Justice Center was attended by the "faithful few. The first week of May saw churches throughout the county participating in Operation Inasmuch. This one day missions blitz was designed to motivate people to move out of the pews and into their community. Each church did a variety of projects to reach their community. He said

that he and Gracella have been working hard to iron out the details for three mission trips to various parts of the US. In June a group of eight people from four churches went to Book Link in Eubank, Ky. The next shipment is destined to be shipped to Zimbabwe very soon. Eleven people from two churches just returned from the second trip to the Kentucky Speedway to help the 200 strong KY Raceway ministry witness to over 100,000 race fans and Speedway employees over the weekend. They worked in the "Kids Zone" and throughout "Vendors' Row" (just outside of the track) passing out New Testaments to race fans and event staff. Four churches baked homemade cookies to send them. The third mission trip is planned for the last week of July. They are planning to go to St. Johnsbury, Vermont to work in a soup kitchen and thrift store. Gerald has also been meeting with others to help them plan missions work here in our "Jerusalem" and beyond to the "uttermost parts" of the earth. The Association has been helping the Tuckasegee WMU in their plans to reach the residents of low income housing with the Gospel through a one day "Backyard Bible Club" to be held July 18th at the Cullowhee Recreation Park. He has also been helping a couple of member churches as they plan a trip to Romania to hold "Backyard Bible Club" during the summer of 2016. This quarter has been busy, and the next few months will be also, but he is glad to be busy serving the churches of the Tuckasegee Baptist Association because they are "On Mission" to share Jesus Christ with the lost. Gerald reported 19 visits to churches, preaching 10 times and 18 meetings.

Mrs. Lee Lillard presented the WMU report. Virginia Pangle had led a trip to Camp Truett to plant flowers in the Prayer Garden. The new associational leadership have been meeting to plan several activities. Some plan to attend the August 1st annual training in Waynesville. The WMU sent around 300 packages of cookies for the KY Raceway Ministry. They are encouraging churches to collect lotion for the Red Box Prison Ministry by October. The TBA WMU will also be organizing a Day of Compassion for local nursing homes on August 8th. Churches are asked to plan to go and visit and pray with residents. Participants can also provide gift baskets for the staff. They will also be planning an outreach with Broyhill. Currently they are involved in getting ready for a Backyard Bible School at the Cullowhee Recreation Park on July 18th. They will have multiple stations for the kids to rotate through. The goal is to reach out to the lower income housing areas and invite them to this and ultimately involve them in surrounding churches.

**Old Business:** None

**New Business:**

- The Doctrinal Committee presented a letter of withdrawal from the association by Shoal Creek Baptist Church. It was approved to present this at the Annual Meeting. Dennis Proffitt recommended that a letter of acknowledgement be sent to the church since Gerald has been unable to speak with Rev. Steve Jamison. They will also present information that Big Ridge Baptist Church is no longer meeting and another nondenominational church is using the building.

- Six Ministry Partnership Agreements for 2016 were presented and approved. Now we wait for approval from the Baptist State Convention.

- Mrs. Lee Lillard spoke about Backyard Bible School on July 18th. It is a multi-church outreach to the lower income housing areas. It has incurred expenses of approximately \$1,400 and have had donations to help cover some costs, leaving a remainder of \$1,000. Several churches at the meeting collectively promised \$700. Then it was approved by the Association that up to \$300 of Annie Hoyle Funds be used as needed for the Backyard Bible School on July 18, 2015. Lee requested that everyone bathe this Saturday in prayer to reach these kids for Christ.

Rev. Tim Reeves led the group in closing prayer.

## **Director of Missions' Annual Report 2015, Rev. Gerald Morris**

This has been a year of changes. The first of several changes in the Association developed directly from last year's Annual Meeting. The vote to change the bylaws helped streamline much of the committee work needed to run the Association. This has resulted in less time meeting and more time doing the work of God.

Another change that came directly from the actions of last year's Annual Meeting is unfortunately a sad one. At last year's meeting, the Association voted unanimously for a resolution standing against Homosexual marriage. Unfortunately, the pastor and members of Shoal Creek Baptist Church took offense to this stand on Biblical principles and voted to remove themselves from the membership of the Association. I am saddened that they have taken this route and I pray for them.

One of the happiest changes is that I am able to report that the Association is ending this fiscal year "in the black." For the first time in many years, the Association collected more funds than needed to operate. This is all while continuing to expand the services we offer to the churches. This new financial standing is coming about because of several reasons. The first is that several churches have increased their regular giving. This is great because it provides stability to the Association and makes it possible to plan for the future. The second way giving increased was from several churches and individuals responding to the First Annual Alton Hooper Offering for Associational Missions. I am grateful for all who gave generously. And lastly, the March Chili cookoff between the pastors was a great success. The attendance at the cookoff fundraiser was one of the highest of the year with everyone having a great time tasting chili and fellowshiping. Thank you for your support.

We held several events that brought the churches together in worship, prayer and fellowship. The Spring Worship Rally in May was wonderful again this year with Rev. Johnny Tiller preaching, Rev. Robert Fernandez translating and Grace Morris, Brady Powell and Rich Petty bringing special music. The September Children's Rally was hosted by Scotts Creek and well attended with the Cashiers' Puppet Team emphasizing doing missions. In March the Youth Rally was hosted and sponsored by Faith. Brian Allen of Maggie Valley brought a challenging message to the youth. The Spring and Fall Associational Singings were, and always are, great times of fellowship and worship for most of the churches in the Association. I love to see the churches come together to worship our Lord. We also gathered together on two occasions for times of prayer. In May, several gathered at the Jackson County Justice Center for a time of prayer for our governmental leaders. The crowd is always much smaller than I wish but those that attend are sincere in their call to God. In September, many gathered at the schools throughout Jackson County to pray for the students, faculty and staff of those schools. We prayed that God would move in the hearts of everyone touched by the schools.

The Broyhill food drive was a success again this year. The collection started out slowly but the churches of the Association came through once again and gave generously to the children.

The last event held by the Association this year, was the September Missions Celebration. After two years of holding one day Missions events we expanded the conference to three days (four days were planned but one of the missionary couples had to back out). The Missions Conference was hosted by Faith, Lovedale, Hyatt's Chapel, Buff Creek, Scotts Creek and Cashiers Baptist Churches. The missionaries (one couple from Peru, one couple from Chili and a couple and single missionary from East Asia) rotated around to each of the churches sharing what God is doing through the International Missions Board.

The final change that has come to the Association this year was an increase of missions work. The churches of the Association came together to do missions work in their Jerusalem and beyond. Last Fall, several churches came together to reach out to the migrant workers that work in the fields of Jackson County. We did this by visiting the migrant camps at night (after the men finished working) and eating a meal with them that had been prepared by El Centro del Senor. After the meal was eaten, one of the men from El Centro preached a Gospel message. At least three men were saved. In Jackson county, several churches participated in Operation Inasmuch. This is a one day mission blitz of the community doing good deeds to earn the right to share the Gospel. This included preparing goodie bags and baskets for local teachers, emergency workers and rest home workers, visiting and having communion with shut ins, preparing small bird feeders to hang on trees at Skyland Care and Morningstar Assisted Living for the residents to enjoy and singing for the residents while they were there, fixing a floor for an elderly person, and doing cleanup in the community.

The churches of the Association came together July 18th at the Cullowhee Recreation Park for a one day Vacation Bible School/ Backyard Bible Club. In the weeks before, invitations were distributed to the multifamily housing throughout Jackson County. Several Associational (at least 10) and some non-Associational churches participated. There was over 200 participants (workers and students) involved. This was a great success and plans have been made to do this again next year at an earlier date so that this event can be used as a "kickoff" for area churches' VBSs.

Reaching out further from home, the Association offered three different mission trips out of state. The first, and shortest, was a return trip, June 19-20th, to Book Link International in Eubank, Ky to help sort, pack, and wrap Christian literature to be sent to Zimbabwe. We had eight people go from Greens Creek, Locust Field, Jarrett Memorial and Ochre Hill Baptist Churches. The next trip was to the Kentucky Speedway on July 9-11th. We joined over 200 raceway ministry volunteers to reach over 100,000 NASCAR race fans that descended on Sparta, Ky for the weekend. We worked primarily in the children's tent (Kids Zone) and passed out New Testament to the crowds. We had 11 people go from Calvary and Ochre Hill Baptist Churches.

The longest and furthest mission trip that we undertook this year was to go to St. Johnsbury, Vermont to work in the Mustard Seed Soup Kitchen and thrift store. We had seven people go from Greens Creek, Long Branch, Ochre Hill and Scotts Creek Baptist Churches. We did a variety of jobs to help this ministry. We also talked to and encouraged the new minister that was working to plant a church (named "The Bridge"). This would be the only Baptist church within 30 to 45 minutes. The Baptist State Convention of NC is working to help plant churches in Vermont because it is the least churchd state in the nation with only 3-4% of the people claiming to be Christians. The trip was from July 24 to August 1. The hope is to go back and work next summer to help this new church plant grow and reach this city that needs Christ so bad.

As I stated above, this year has been a year of changes. It is great to see what the churches of the Tuckasegee Baptist Association can do when they come together to serve Jesus Christ. I am excited at what was accomplished this year but more so about what God is going to do next year.

## WMU Ministries April 2014-September 2015

**Truett Camp:** In the spring, Virginia Pangle leads teams in planting flowers in the Mildred Cowen Prayer Garden.

**Migrant Ministry:** Last summer (2014), Lee Lillard continued the partnership between local churches and Vecinos. Churches provided empty detergent bottles and new shampoo bottles. 5 people were saved.

**Broyhill Children's Home:** WMU ladies and churches provided desserts for the Broyhill Connections Conference. Long Branch took the children to a WCU football game. The kids were appreciative and well behaved. We filled up a truck inside and out with bedding (Operation: Now I Lay Me Down to Sleep).

**Red Box-**Last fall, 500 bars of soap were collected for the Christmas boxes given to NC's women inmates. This fall, we are collecting 500 bottles of lotion: 8-11oz., no pumps.

**Book Link WNC:** \$300 donated from the TBA WMU account. 10 churches participated in the pastor appreciation Bible Drive, purchasing/donating over 1,000 Bibles.

**Backyard VBS:** The TBA WMU worked with churches in our county to host a Backyard Vacation Bible School on July 18th at the Cullowhee Recreation Center . This was a huge success as Christians came together to show the love of Jesus and share the Gospel with children from our county (and others). We worked with more than 25 churches to provide lessons, crafts, music, activities, prizes and food to over 200 participants. The Gideon's also came to give out New Testaments in Spanish and English.

**Day of Compassion:** Churches visited local nursing homes to visit with residents, pray and sing with them, and in some cases, have the Lord's Supper with them. They also showed gratitude to the staff. Locust Field sent Bibles to the residents through the Gideons.

The following members were elected to the **WMU 2015-2016 Leadership Team:**

**Co-Directors:** Lee Lillard and Karen Burnette;

**Secretary-Funds Consultant:** Karen Burnette;

**Mission Action and Adult Missions Consultants:**

Melissa Jones, Virginia Pangle, Betty Dean, and Lois Monteith.

**Students, Children, and Preschool Missions Consultants:** Lead Consultants, April Buchanan and Debbie Hooper;

**Assistant Consultants:** Betsy Clifton, Carla Millsaps, Tiffany Frady, Mary Barnes

**2016 Nominating Committee:** Cathy Farmer and Frankie Harris

## **WNC Baptist Hispanic Ministries, by Rev. Robert Fernandez**

During the past year the Lord has continued to do great things in the Hispanic community:

Primera Iglesia Bautista de Amor has been focused on spreading the Gospel and church planting. Pastor Felix Villarreal continued traveling to Mexico throughout 2015 preaching the Gospel in several communities. Several members of our local churches have assisted Felix on these mission trips. Many have been saved through these trips. Also, Pastor Villarreal has been working with Fruitland student Sergio Barranco to plant a Hispanic church in Highlands. They have partnered with First Baptist Highlands to the Spanish speaking people living in that area of Macon County.

El Centro del Senor has also been focused on Great Commission work. We have been partnering with Pastor Oniel Rojas, serving in the eastern part of Cuba. Our church has also continued to work with Fruitland graduate Martin Irias. Martin is currently working with three different church plants in Jinotega, Nicaragua. One of those groups is composed of families living in that city's garbage dump.

Casa de Dios in Haywood County was a church plant that came out of El Centro del Senor. Luis Segura and myself began working in the Bethel area approximately five years ago. About a year and a half ago, Luis began leading a group in the Candler community. El Centro del Senor's Jose Moctezuma and Jesus Rosario (both Fruitland graduates) have been assisting Brother Segura.

Fruitland Baptist Bible College's Sylva Campus has been meeting at the facilities of our association for four years. Our first cohort of students just completed their course of study. Ten Hispanic Fruitland students have applied for graduation, scheduled for December 11th! Thank you Tuckasegee Baptist Association for allowing us the use of our building. These graduates have committed their lives to serve the Lord Jesus Christ. To God be the glory.

# Baptist Children's Homes of NORTH CAROLINA

**80%** of children & families we serve are unreached for Christ

**20** BCH has 24 facilities in 19 statewide communities plus an orphanage in Guatemala

**100** BCH serves all 100 North Carolina counties

## WHO ARE THE CHILDREN?

The children who live at Baptist Children's Homes (BCH) are not strangers. They come to us from your community. They attend schools in your area. They are often your neighbors. In addition to offering care for these precious children, BCH also provides group homes for developmentally disabled adults, services for aging adults and an orphanage in Xela, Guatemala that cares for impoverished children.

## WHY DO CHILDREN COME?

**Family Crisis.** Sometimes children come to BCH because of challenges within their family. We have the privilege of working with children and their families to help them overcome the specific issues that threaten to tear the family apart.

**Abuse.** Children also come because the adults in their lives have let them down. Far too often, boys and girls suffer abuse, neglect and abandonment at the hands of the adults they have trusted to love and care for them.

## HOW ARE CHILDREN REFERRED?

Do you know a child or family who need help overcoming the challenges they face? A referral to Baptist Children's Homes is not difficult or risky and it can be made by anyone. Children and families are referred by themselves, departments of social services, pastors, educators, juvenile services, concerned friends and family members. A referral can be as simple as a phone call or email. *To refer a child or family, call 1-800-476-3669. ## 2015 BAPTIST STATE CONVENTION BOOK OF REPORTS

Our 2015 annual meeting theme, "Echo: Reproducing Gospel Life in Others," is based on II Timothy 2:2, where the Apostle Paul wrote: "And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." What a wonderful theme for our annual meeting and a theme that goes hand in hand with the 2015 NC Baptist Foundation theme of "Pay the Blessings Forward." Both themes have to do with the responsibility of believers to leave a legacy that will result in reproducing Gospel life in others. We can accomplish this mission both through our witness and our wealth, and both are necessary for reproducing Gospel life.

The mission of the NC Baptist Foundation is "to serve North Carolina Baptists and others in generating an increased awareness of Christian stewardship principles as a means of financially undergirding Baptist churches, institutions and mission endeavors on a permanent basis." In 2014 the Foundation was blessed in our efforts to accomplish our mission as:

- 40 new accounts were established, most of which will permanently support Kingdom work in North Carolina and around the world
- Total gifts to all accounts reached a record \$16,704,409.77
- A total of \$9,027,404.27 was distributed (\$7,091,292.96 to mission endeavors and \$1,936,111.31 to individuals through charitable trusts)
- Assets under management grew from \$146,579,201.35 to \$152,648,455.47

### TRUE STORY OF A CHARITABLE ANNUITY TRUST

In 1994, through a Christian estate plan, one of our Foundation donors established two twenty year term Charitable Remainder Annuity Trusts. This type of trust pays a fixed income based on a set percentage. The payment remains the same for the duration of the trust, regardless of investment returns. In this case, each trust was established with a gift of \$175,000.00 and paid the recipients 5% annually. At the end of the twenty years, whatever remained of the original gift was used to fund a permanent endowment for the benefit of one of our NC Baptist ministries.

At the end of the trust term of twenty years, the two trust beneficiaries had received slightly more than the value of the original gift that totaled \$350,000.00; they just received it over a period of years rather than in a lump sum. But here is the good news: after paying the beneficiaries more than the value of the original gift, the amount remaining to fund the permanent endowment totaled \$512,000.00. So the two trusts paid out more than the original gift, but because of investment returns, the gift remainder was considerably larger than the original gift. Now there is \$512,000.00 invested to support a Baptist ministry in our state until the Lord returns. Obviously, we cannot predict future investment returns, but this is a true story.

Our newest ministry, NC Baptist Financial Services, continued to thrive in 2014. By the end of the year NCBFS had provided 62 loans to churches totaling \$33.6 million. The total invested in Certificates of Participation, which provides the resources for loans, had reached \$46.8 million.

**North Carolina Baptist Hospital/Wake Forest Baptist  
Medical Center  
2015 Report to Baptist Associations**

**North Carolina Baptist Hospital - A Mission to Care. A Mission to Cure.**

When North Carolina Baptist Hospital opened its doors to the first patient in 1923, a vision that was dreamed a few years earlier to "expand the Christian Mission to include healing, particularly to the needy" became a reality. The new hospital's stated purpose was: "To bring the healing art more definitely under the dominion of the Great Healer."

We are grateful for over 90 years of partnership with North Carolina Baptists and the opportunity to continue working together to expand the work of faith and health

**The Mother's Day Offering - A Source of Hope**

North Carolina Baptists gave \$500,000 to the Mother's Day Offering in Fiscal Year 2015. For over 90 years individuals and churches have given to this offering in the name of Jesus Christ and His love to make a life-changing difference for hurting patients and their families. Recovering from devastating illness and facing a frightening financial burden, God touches patients and families through gifts to this offering, resorting hope, producing heartfelt thankfulness, and leading them closer to Christ in genuine gratitude. Every dollar of the gifts to this offering are used as a source of hope.

Please visit [www.mothersdayoffering.org](http://www.mothersdayoffering.org) to see stories of recipients of the offering, like Betsy Simpson, who is featured in the 2015 Mother's Day Offering Materials.

Thank you North Carolina Baptists, for your gifts that make this life-changing difference in so many lives each year as the financial burden is eased from their hospitalization.

**FaithHealthNC - A Shared Mission of Healing**

FaithHealthNC is a dynamic partnership between churches, health systems and other health care providers focused on improving the health of the most vulnerable by helping them get to the right door at the right time, ready to be treated. The partnerships are built on webs of trust that combine the caring strengths of congregations, the clinical expertise of health providers and a network of community resources.

Please visit our website, [www.faithhealthnc.org](http://www.faithhealthnc.org), to learn more about the work of FaithHealthNC and how your church can be involved.

**CareNet of North Carolina - Lifting Spirit. Holding Hope.**

It is estimated that we will provide \$725,000 of free care this fiscal year (July 2014-June 2015), which expands access to many of our Baptist brothers, and sisters who have fallen on unemployment, have high-deductible insurance plans, and disability. Our 37 CareNet sites spanning 83 of the 100 NC counties (new site in Alamance County and one projected in Marion) will provide approximately 51,000 hours of care representing 7,200 people. Of those receiving care approximately 47% designate affiliation with a Baptist congregation. Baptist pastors remain one of our major referral sources and we have seen a growth in demand from our Baptist pastors and their families who need our services. Thanks to the generosity of our Baptist Ministers Care Plan we are able to subsidize their care. Our health ministry partnership with the Baptist State Convention of North Carolina fulfills our vision to "**Lift Spirits while Holding Hope.**" We are deeply grateful for this partnership.

**FaithHealth Chaplaincy and Clinical Ministries**

The Department of FaithHealth Chaplaincy and Clinical Ministries and the Department of FaithHealth Education served as one department, the Department of Chaplaincy and Pastoral Education. This department has provided chaplaincy ministry to Wake Forest Baptist Medical Center for more than 50 years and is the oldest chaplaincy program in the Southeast region, and one of the largest of its kind

anywhere. The chaplaincy ministry program combines ministry with education. Crisis ministry and routine visits to patients, families and staff are provided by ministers who are learning to become more effective servants of the people. These chaplain interns and residents provide routine visits Monday through Friday during regular business hours and an on-call chaplain provides coverage for emergent and crisis calls 24/7. Staff chaplains specialize in providing services to the Medical Center in the areas of Advance Care Planning and Advance Directives, support to the hospital staff and other areas.

The Department of FaithHealth Education provides a wide range of educational resources for chaplain residents, interns, hospital staff, and community clergy, congregations, and community organizations.

### **Additional WFBMC Highlights**

Wake Forest Baptist Medical Center is a nationally recognized, fully integrated academic medical center and health system. The theme, "Mission to Care. Mission to Cure." is seen and practiced throughout the Medical Center

- The release of the 2015-2016 rankings from U.S. News & World Report again places **Wake Forest Baptist Medical Center** among the best hospitals in America – this year with seven adult specialties ranking in the top 50. The specialties are: Cancer, Nephrology, Urology, Ear, Nose and Throat, Gastroenterology and GI Surgery, Pulmonology, and Neurology and Neurosurgery

## IMB Report Fall 2015

**GOD IS WORTHY of the worship of all people**, yet billions have yet to hear of Him. That's why we go. That's why we send to the growing global cities and the hard-to-access places. We go into a dark and broken world to share the only hope: the gospel of Jesus Christ.

IMB has been helping churches to participate in God's global mission since 1845. In the 21st century, we are equipping churches to send in new and creative ways. IMB exists to empower limitless missionary teams to make disciples and multiply churches among unreached peoples for the glory of God.

Redeemed and made new in Christ, we have a missionary identity that compels us to take the gospel even to difficult places and hard-to-reach peoples. In a beautiful partnership, IMB helps churches send ordinary Christians, empowered by God's extraordinary presence, to make disciples and multiply churches among unreached people for the glory of God.

Toward this end, last year Southern Baptists gave \$94.7 million through the Cooperative Program (\$94,736,418.32) and \$153 million (\$153,002,394.13) through the Lottie Moon Christmas Offering® for International Missions, supporting more than 4,700 missionaries sent out by Southern Baptist churches through IMB.

In addition, Southern Baptists gave \$6.6 million (\$6,556,271.02) for hunger relief and development ministries around the world.

Together, these gifts enabled IMB missionaries to report:

- **274,888 people professing faith in Christ**
- **190,957 new believers expressing their faith through baptism**
- **13,824 new churches planted**

And yet today, more than 6,000 people groups and 2.8 billion people have never heard the good news of the gospel and currently don't have access to this good news. God is sending church planters, professionals, students, retirees and others to major global cities, where millions of unreached people flock to seek better lives. We can give them hope in Christ.

He is also sending His followers to the extremes – deserts, jungles, war zones and other places that are hard to access because of culture, geography and tough living conditions.

As IMB mobilizes Christians and churches to join God's mission through evangelism, Bible translation, disaster relief, sustainable development and more, it is with one goal in mind: to make disciples and multiply churches in fulfillment of Christ's commission.

“The local church is the agent that God has promised to use for accomplishing the Great Commission,” said IMB President David Platt. “How can we as the IMB come alongside you to equip and empower and encourage you to send and shepherd missionaries? We want to say, ‘You can do this, and here’s how we can help.’”

God spoke through the prophet Hosea saying, “*My people are destroyed for lack of knowledge*” (Hosea 4:6). People need to know!

Since Thomas Meredith launched the *Biblical Recorder* in 1833, the material published in print or posted on our website has been a vital part of Baptist history. We have kept Baptists informed. We believe church members and attenders are better equipped to fulfill their life’s mission when they have the right information. Where is your church family getting their information from Sunday to Sunday? Are they feeding from unreliable news sources that have an unbiblical agenda, or are they getting the *Biblical Recorder*? Is the secular media their only source? If so, that needs to change. If Christians are going to impact the culture with the gospel, accurate information is essential. Your *Biblical Recorder* staff is serious about equipping our readers to impact lostness. We serve you from the perspective of a biblical worldview. We believe North Carolina Baptists need to know!

But judging by the number of subscribers to the *Biblical Recorder*, there are not enough Baptists in our state who are depending on us for reliable news and information. Many Baptists don’t even know we exist. In five years we will not exist unless North Carolina Baptists allow us to serve them.

Our survival is beneficial to you and your church. In other words, North Carolina Baptists need the *Biblical Recorder* for many reasons. Here are a few.

1. We inform church leaders so they can lead the church and community better. No other news source is doing what we do.
2. We inform church members and attenders so they will be strong Christian citizens in this challenging culture, and so they will be healthy, active supporters of the local church.
3. We belong to North Carolina Baptists and are accountable to you. The news we report is tailored to the needs of our Baptist audience.
4. We write from the perspective of a Christian worldview with a focus on the Great Commission.
5. We report news about your Southern Baptist mission agencies, seminaries and related entities.

In order to survive the *Biblical Recorder* needs your help.

1. We need pastors and church staff who will tell the church family about the *Recorder's* ministry. We support the ministry of your church 24 hours a day, seven days a week. We are your partners.
2. We need lay leaders who will tell their friends about us. If your church does not have a group plan, please subscribe individually.
3. We need church group subscription plans. This has historically been the lifeblood of the *Recorder*. Over the past 20 years churches have reduced or eliminated group plans for financial reasons or from dissatisfaction with the *Recorder*. We have worked hard to rebuild the *Recorder* into a meaningful, effective source for Baptist news and information. We hope we have eliminated the dissatisfaction factor. The cost of a group subscription plan for your leaders is very inexpensive. Will you consider expanding your church group plan or begin a new group? Put a *Biblical Recorder* subscription plan in your budget. Send the *Recorder* to every deacon, teacher and other key leaders. The return on your investment will be strong. It will prove to be very valuable to your church and to kingdom ministry around the world.
4. We need team players who support the Cooperative Program. We are on “the team” with you and more than 40,000 Southern Baptist churches. We are supported by the Cooperative

Program, subscriptions, advertising and gifts from donors. Thank you for your support in each of these areas.

People need to know! North Carolina Baptists need to know! There is no reason to live in the dark, unaware of news and information that could make you a stronger follower of Christ. We believe God is glorified when His church is strong, healthy and living out both the Great Commandment and the Great Commission. So, your *Biblical Recorder* staff works diligently to provide church leaders with articles, stories and information to that end.

Here are the main tools we use to get the news to you:

- The *Biblical Recorder* **in print** is a great value. Individual members can subscribe or the church can provide for its members at a discounted rate. A copy will be mailed directly to their home. Bulk copies can be mailed to the church for distribution. Visit [BRnow.org/Subscribe](http://BRnow.org/Subscribe).
- Get the *Biblical Recorder* in a **digital format**. This is the full version of the printed copy, in an easy-to-read digital format. Subscriptions are very affordable.
- Our **website**, [BRnow.org](http://BRnow.org), is packed with over 10,000 pages of valuable information. It is one of the highest ranked websites among Baptist newspapers. Averaging between 20,000 to 35,000 visits per day, visitors around the world trust [BRnow.org](http://BRnow.org) for up-to-date news and information.
- Download the *BR* **smartphone app** today. It is a free, easy way to get important news items at your fingertips. The new app has become a popular way to stay close to vital information.
- *BRweekly* is a free, **email newsletter**. Sign up today and every Wednesday morning you will receive an email summary of the week's important news and brief comments from the editor in your inbox.
- Follow us on Twitter, Facebook and other **social media**. We'll give you breaking news and important information quickly.

We want to help your members grow stronger in every way: stronger in their personal walk with God, stronger in their support of their church, stronger in their involvement with Baptist missions and ministries in North Carolina, stronger in their work with international missions. This blesses your church and honors God. Regardless of what you have perceived the *Recorder* to be in the past, this is our present focus and commitment.

Please visit [BRnow.org/PromoteBR](http://BRnow.org/PromoteBR) to learn how you can inform your church about the many ways the *Biblical Recorder* will help the people in your congregation stay informed.

## **GUIDESTONE**

The GuideStone Team of the Baptist State Convention of North Carolina (BSCNC) has remained strong in its efforts to serve North Carolina's more than 4,300 affiliated churches. We have weathered the many governmental changes and updates that have impacted our churches regarding employee benefits and retirement plans. Our goal continues to be keeping our North Carolina Baptist Association offices and churches up-to-date on these changes that impact them. The following information is a summary of those efforts.

### ***Retirement***

The GuideStone Team works with church staff and lay leaders in an effort to assist them in the restructuring of pastor and staff compensation packages to include retirement benefits. Many pastors and staff members do not see the benefits of participating in the Church Retirement Plan, and they will opt out of the plan if given an opportunity. Therefore, a continued effort is being made to challenge churches to be responsible employers and to assist their pastors and staff by contributing to their retirement plans in addition to their salaries and other benefits. For the calendar year ending Dec. 31, 2014, employer contributions increased approximately \$253,000 or 2.3 percent as compared with the 2013 calendar year. Total 2014 contributions by employer, employee, and convention matching dollars to employee retirement accounts increased \$675,200 (total \$20,123,925) or 3.47 percent. Nevertheless, nearly 1,900 of our 4,300 churches continue to have no participation in the plan.

### ***Convention Protection and Matching Benefits***

The following disability and survivor benefits were in place for retirement participants: 107 people received a total of \$557,667 in disability benefits, and 26 beneficiaries received \$224,640 in survivor benefits. In 2014, 4,870 North Carolina Baptist church staff received state convention matching contributions, and 5,612 church staff members received protection benefits, respectively.

The BSCNC continues to receive frequent requests for financial assistance when someone in our convention family becomes disabled or passes away. Many of these people had opted not to participate in the Church Retirement Plan; therefore, there is no financial assistance available from GuideStone and the BSCNC. However, when the church takes the lead by contributing into a pastor's or staff member's retirement plan, beneficiaries are allowed to receive the protection benefits provided by your state convention.

### ***GuideStone Funds***

The nation's largest Christian-screened mutual fund family continues to be recognized by top industry ranking firms for its outstanding fund performance. On March 31, 2015, two of GuideStone's mutual funds were awarded the Lipper Fund Awards for their outstanding performance. The Lipper Fund Awards are among the most prestigious provided by the industry ranking firms, and the 2015 awards represent the fourth year that a GuideStone mutual fund has been recognized by the rating agency.

### ***Health Insurance***

Health Care Reform Law – GuideStone remains a leader in providing detailed information regarding the impact that new tax laws have on our churches and their staff. Timely and

thorough updates of changes in the tax law can be found on the GuideStone website ([guidestone.org](http://guidestone.org)). Major impacts for 2014 and 2015 associated with the implementation of the Affordable Care Act (ACA) include an IRS notice issued in February 2015 that waived any assessment of the \$100 per day penalty for violations of the ACA and the requirement to include in an employee's income any financial assistance the church provides for 2014 through June 30, 2015; churches are able to amend 2014 wage statements (Form W-2) if they had originally included any payment of, or reimbursement for, an employee's health care premium as gross wages (single-employee churches are not subject to most ACA mandates). GuideStone continues to issue new individual health care plans for new employees of eligible ministries, and they began writing new group health care plans for churches with as few as two employees beginning July 1, 2015.

### ***Church Staff Compensation***

Church staff participation in the 2014 Lifeway biannual Church Compensation Survey was completed on May 31, 2014. The results of the 2014 compensation survey are available online at [compstudy.lifeway.com](http://compstudy.lifeway.com). Much of the year has been spent educating churches on the tax implications of the "lump sum pay packages" for pastors and churches. The taxability of such pay packages continues to be a concern.

### ***Mission Dignity***

GuideStone Financial Resources continues to provide financial assistance to elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one-time assistance through Mission Dignity. During 2014, GuideStone assisted 182 North Carolinians financially.

For assistance, call the BSCNC at (800) 395-5102, ext. 5604 or 5637; visit our website at [ncbaptist.org](http://ncbaptist.org); call GuideStone at (888) 984-8433; or visit the GuideStone website at [GuideStone.org](http://GuideStone.org).
