PROCEEDINGS

Wilkesdale Baptist Church,
 Sylva, N. C.
 August 14, 1947

MORNING SESSION

The one hundred and eighteenth session of the Tuckaseegee Baptist Association met with Wilkesdale Baptist church, Sylva, N. C.

Song: "How Firm A Foundation."

The moderator read the 95th Psalm and made suitable comments.

Prayer by Rev. W. C. Reed, of the Kennedy Home.

The enrollment of messengers, Rev. J. E. Brown and W. T. Rogers acted as tellers. Ninety messengers and fourteen visitors were present.

The moderator recognized the following visitors: Rev. S. L. Lamm of Bryson City, Lee Crawford, of Macon county, W. C. Reed, of the Kennedy Home, Dr. W. K. McKee, from the Baptist hospital, Winston-Salem, and Rev. J. F. Gaddy, Raleigh.

On motion the program was changed, so that the report of the Sunday Schools was considered at this hour. The report, prepared by Edwin Allison, was read by C. O. Vance, who also made the report on Daily Vacation Bible Schools.

SUNDAY SCHOOL REPORT

The report of the Sunday School work in the Tuckaseegee Association, while showing good work in some instances and in some churches, it is never-the-less made with a feeling of regret that more has not been accomplished during the past year.

With our Sunday School Convention, which meets on the 2nd Sunday of each month, we have been into twelve churches during the year. Our attendance at these meetings has only been fair with an average of ten churches being represented. Our secretary sends a report card to each Sunday School for a monthly report and we have only been having a report from about half of our churches; and it is from these reports that we are able to tell the effectiveness of the work. Those churches where we have been able to carry our convention have received us most graciously. During the summer months we have tried to go into the rural churches where the roads might not be so good during the winter.

During the past year our Association cooperated with the Southern and State Boards in "Presenting Our Program to Every Church." While we have not been able to reach each church of our association we have been able to contact most of them. This program is planned during the winter months, which is the hardest time of the year for many of our people to attend or for our churches to cooperate.

The brightest part of our Sunday School work has been in our Daily Vacation Bible Schools. Mr. Clarence Vance, our Associational Missionary, with Miss Doris Green, a special worker who has been in our association during the past two summers, have made it possible to have these Bible Schools for our children in many churches where it would have been almost impossible except for their help. Other churches have held their Bible Schools with their own teachers and leaders. From the reports, which your Sunday School Convention president has received, a great work has been done and many of our boys and girls have found Christ as their personal Savior during these schools.

There is still a great need for trained workers in all of our Sunday Schools, and during the year before us may this be first in our hearts and minds, that we may glorify Christ and His work in our Association.

Respectfully submitted,
EDWIN W. ALLISON,
Associational Sunday School Pres.

The report on the Orphanage not being present, Rev. W. C. Reed, upon motion, spoke on the orphanage, pending the receipt of the report. Mr. Reed made an inspiring address, and the report was adopted, to be inserted in the minutes.

AFTERNOON SESSION

Rev. J. E. Brown presiding.

Song: There Is A Fountain. Prayer, Rev. S. L. Lamm.

The report on the North Carolina Baptist Hospital was read by D. J. Bryson; and, on motion was adopted.

Remarks by D. G. Bryson and Dr. W. K. McKee, who spoke on the hospital.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The true value of any Institution is determined not so much by its structural achievement but rather by the program it offers and the services it renders. Our Baptist Hospital has the distinction of having achieved unparallel success in structural growth, a ministering program and excellent services rendered.

Founded in May 1923 with a bed capacity of 100, the Hospital had expanded to 247 beds and 55 bassinets in 1947. An Out-Patient Building was opened on July 1, 1946.

The underlying purpose of the Hospital has always been the medical care of the poor. Since the day it received its first patient on May 28, 1923, it has offered a high type of hospital care on a state-wide basis. When the Wake Forest Medical School became a four-year school in 1941 and was located adjacent to the Baptist Hospital, it then attained its twofold mission—teaching and healing—the twin endeavors of Christ.

Thru the facilities offered by the Out-Patient Diagnostic Clinics, 18,000 patients were given diagnostic examinations at an average cost of \$5.00 per patient unless some patients required special X-ray and laboratory work. After these examinations have been completed and a true diagnosis has been established, these patients are sent back to their home communities and their cases are turned over to the local doctors. This is one of the many distinctive Christian services that the hospital is rendering. On July 1, 1946, a \$250,000 out-patient building was opened to accommodate the increased demand for these services.

Each year the hospital is able to admit approximately 8,000 patients as in-patients, or bed patients, 20,000 are given out-patient diagnostic examinations and 20,000 were given private examinations, making a total of 48,000 people throughout the state who were relieved of pain by our Baptist Hospital.

Included in the above number of bed patients, 4,000 were service patients and paid no medical fees and none or only a part of the hospital cost. The cost to the hospital for free services for the year 1946

was \$159,115.47. Mother's Day offerings and Baptist contributions together with other contributions made possible the huge amount of charity work. The North Carolina Baptist Hospital was the largest dispenser of charity medical care of any denominationally controlled hospital in the south during 1946.

The Board of Trustees has passed a rule giving full hospitalization free to ministers, missionaries and qualified ministerial students. This is not considered as charity but is a contribution to our ministers and missionaries. 50% discount is given to all work done for dependents of ministers and missionaries.

The hospital maintains a School of Nursing which has an enrollment of 120 young ladies who receive the highest type of training under Christian auspices. All enrollees are selected under the highest standards and represent the highest type of womanhood—mentally, physically and morally—in North Carolina. Also, the hospital operates a School of Graduate Dietetics and a School of Laboratory Technology, and a School of X-ray Technology.

Respectfully submitted,

D. G. BRYSON,
For The Committee.

The report on Christian Literature was read by B. S. Hensley. Mr. Hensley and Rev. J. F. Gaddy, of Raleigh, spoke on the report. On motion it was adopted.

REPORT ON CHRISTIAN LITERATURE

In making a report on Christian Literature, it is necessary for us to realize that intelligent understanding is based on knowledge. Knowledge comes through reading and study. We have at our finger tips the material that makes us world citizens, though we live in a remote cove, far removed from our neighbors.

We hope that all our churches use the splendid literature published by our Sunday School Board, at Nashville, Tenn. Some of the finest men and women in our denomination spend their lives in study and writing, that we may have the benefit of that study.

Then, we have our own papers, the Biblical Recorder and Charity and Children. Well may we be proud of them.

The Recorder has had a marvelous growth in the last few years. The circulation has now reached forty five thousand. The Recorder has three subscription plans: \$2.00 per year for a single subscription; \$1.50 a year in clubs of three or more; or \$1.20 for every family in the church. We suggest that every pastor, or leaders in every church, encourage this club plan in the churches. A good Baptist is an informed Baptist. It goes free to every pastor.

Then, we have Charity and Children, which should come to every Sunday School in our Association. This paper keeps us abreast of the happenings at our Orphanage, in which we are all vitally concerned.

We would speak a word in behalf of our church libraries. The public news stands are filled with all kinds of literature, that is leading our young people away from all that is good. We need to sacrifice if need be, that our people may have the best reading material possible. Our Sunday School Board has set up a library department, and has a full time worker, who is ready to give assistance to any church that is willing to cooperate.

There has been a new magazine added to the list, The Home Life. This magazine is destined to meet a long-felt need of the people in our churches, who are shut in. We sincerely recommend all these periodicals, and the many others that are published and sold in our Association. Our people are in grave danger of being misinformed. Our young people who have served their country in the far away places will never be satisfied to live in the confines of their own communities. They have seen the peoples of the world, and all their needs. Let us "Lift up our eyes and look," through all the splendid literature that is ours.

Respectfully submitted,

B. S. HENSLEY.

Motion that Baptist Training Union take the place of Christian Education, at this hour. Motion carried. The report, prepared by Miss Hattie Hilda Sutton, was read by C. M. Warren. Motion to adopt was made. Remarks were made by J. B. Coates and Brother Gaddy. The report was adopted.

BAPTIST TRAINING UNION REPORT TO THE ASSOCIATION

As we look back over this year's work in our Training Unions and the association with our different churches in this great training program we feel deeply grateful for God's Blessings and Leadership.

There are 15 churches in this Association with active B. T. U. and my how we need this report to be 100%. What about those churches without any sort of Training Agency other than Sunday School. Are we satisfied to let these boys and girls, men and women sit idly by and miss the important part of Christian living?

During this past year we held two Associational Meetings. One at Sylva and the other at Lovedale. Mr. Everitt White from the Macon Association visited with us in one of these meetings and gave us a challenging message.

There is no finer place for our church people to study better how to serve than through the work of our Training Unions. It is just what the name says it is—a Training Union—with a purpose primarily designed to train a life to better serve his Master.

Is your church without a Training Union? If so help to make this report next year show a B. T. U. in every church.

Respectfully submitted,

HATTIE HILDA SUTTON.

Report on Woman's Missionary Union was read by Mrs. B. S. Hensley. Motion to adopt was made. Mrs. Hensley spoke on the report; and the report was adopted.

REPORT ON WOMAN'S MISSIONARY UNION

The Woman's Missionary Union and the Young People's Organizations are very humble and thankful that God has blessed us in His service this year. We have deep gratitude in our hearts to Him for the privilege of doing a little in His great name.

Our lives have been greatly enriched as we have given ourselves in praying and in personal service.

There has been a great desire in our hearts to tithe what we have and to give ourselves entirely to His will.

Under the consecrated leadership of our officers, Mrs. D. G. Bryson, Stewardship, Mrs. Rufus Phillips, Community Missions, Mrs. Frank Cowan, Mission Study, and Mrs. Roy Reed, Young Peoples' leader, our gifts to all objects of our convention were greatly increased.

The leadership conference held at the Sylva church under the direction of the planning committee, Mrs. C. M. Warren, divisional superintendent, and Mrs. Harry Ferguson, assistant, was well planned and presented. The annual meeting held with Hamburg church was well attended, and we had the privilege of having with us and hearing Miss Ruth Province, our state secretary, Mrs. E. H. Corpening, divisional superintendent, and one of our missionaries to China, Miss Bertha Smith. All of these visitors brought helpful and inspiring messages.

For the first time, there was held in our churches a school of missions, with a large attendance of about fourteen hundred. This is very gratifying.

We have eleven organizations in our association, and these gave, through the cooperative program, and special objects, \$1964; while the association as a unit, with Mrs. Dennis Higdon, secretary, reports financial gifts to Indian students, to Christian schools, Bibles distributed in hospitals, divisional expenses, linens for our local and Baptist hospitals, special love offering to Miss Bertha Smith, and associational missions.

In our closing report, in spite of discouragements all around, the Woman's Missionary Union does have a gospel message of hope to tell that Jesus saves, to sing His praise, and to give this in our church, association, state, and the whole world everywhere.

Pray, let us be faithful to this work!

MRS. B. S. HENSLEY, Superintendent.

The Report on Temperance was read by F. P. Blankenship. Motion was made to adopt the report. Remarks were made by T. F. Deitz, J. E. Brown, and L. S. Lamm. The report was laid over until tomorrow for discussion. Motion to adjourn.

A standing vote of appreciation to the Wilkesdale church for the fine way in which the association was entertained during the day, was given.

Song, I'm Bound for the Promised Land.

Dismissed by L. H. Harwood, of Bryson City.

AUGUST 15, 1947

MORNING SESSION

The Association reconvened with East Sylva Baptist church.

The session opened with the congregation singing "What a Friend," and "How Firm a Foundation."

The moderator read Psalm 15.

The minutes of the previous day were read and adopted.

The committee on Time, Place, and Preacher made the following report:

We, your committee, recommend that the 1948 session of the Tuckaseegee Baptist Association meet on Thursday before the third Sunday in August, 1948. Place, first day, Hyatt's Chapel; second day, Shoal Creek. Introductory sermon, Joe Bishop; alternate, C. O. Vance.

The moderator recognized the following visitors: M. H. Kindall, Mars Hill, Earl Bradley, representing State Missions, from Raleigh, Dr. Sankey Blanton, from Wake Forest, representing Christian Education, R. M. Hauss, Shelby, representing Allied Church League, G. W. Bullard, Associational Missions.

The report on Cooperative Program was read by J. E. Brown. Motion to adopt the report was made. Rev. Earl Bradley, speaking to the report, gave an inspiring address on State Missions and the Cooperative Program. The report was adopted.

REPORT ON COOPERATIVE PROGRAM

The Cooperative Program of giving is nothing more than just a good, sound, business plan. We contribute to a number of objects in our denomination. They are all more worthy than many people think. The plan is not something foreign to the Bible. It is the New Testament Plan, and our capable, business-like Christians, who fill our posts over the South, use it and save time, money and energy. This is the way it works:

I. State Convention Objects:

State Missions	13	per cent	
Hospitals	7	per cent	
Christian Education	30	per cent	
Total			50 per cent

II. Southern Convention Objects:

Foreign Missions	23	per cent	
Home Missions	9	per cent	
Seminaries	8.5	per cent	
W. M. U. Training School	0.5	per cent	
Relief and Annuity	7.6	per cent	
Radio Committee95	per cent	
Baptist Brotherhood5	per cent	
Southern Baptist Hospital05	per cent	
Total			50 per cent

Totals 100 per cent

A tithing church member is helping answer his need in this plan.

J. E. BROWN.

Motion was made that Dr. Sankey Blanton speak on Christian Education, pending the arrival of the report, which had

not been received. Further remarks were made by M. H. Kindall, of Mars Hill.

REPORT ON CHRISTIAN EDUCATION

Never before in the history of the world, and certainly not in the history of our country, has there been such a need for Christian education as there is today. The leaders of our nation, and of the world, need to be genuinely Christian at heart and trained under Christian leadership in order that their thinking and action may be sincerely Christian. This must be done through Christian education under church-controlled schools.

Christian education can only be given under and through Christian leadership, and this instruction can come only through teachers who know the Lord Jesus Christ as Saviour. Such education must be given through church-controlled schools. Our Baptist educational institutions need to be more whole heartedly supported by our Baptist people. It is in these schools that our Baptist boys and girls will receive Christian instruction and go out into the world into the respective places of leadership and become the leaders of tomorrow. If they are Christian at heart and have received Christian instruction, then they will instill Christian principles in their homes, churches, schools, and daily environment.

Baptists in North Carolina must NOW awake, as never before, and realize our opportunity through our church-supported and church-controlled schools. Our church schools are older and have the precedence over our state schools, and from them our state educational system was born. Education without Christ Jesus is not Christian. Boys and girls are going to get an education somewhere. Baptists of N. C. have a challenge as never before, and must support our schools in order that our boys and girls who will be the leaders of tomorrow may receive the right kind of education.

If our thinking and actions are right, they must come from hearts that are Christian who have been instructed in the principles of the New Testament. This must be done through church-supported and church-controlled schools. Baptists of the Tuckaseegee Association have a duty, and an obligation, under God, to support with our cooperation, our money, and our backing in every respect, our Baptist schools . . . Wake Forest College, Meredith, Mars Hill, Campbell, Gardner-Webb, and Wingate. Let Baptists educate in New Testament principles. Let us make stronger our Sunday Schools, and our colleges that our people may receive a Christian education for the glory of God.

Respectfully submitted,

JOHN CORBIN.

An inspirational address was made by Rev. C. M. Warren, using as his subject, "Faith Life."

Prayer, by Rev. T. F. Deitz. The congregation joined in singing, "Faith of Our Fathers."

The association adjourned for lunch.

AFTERNOON SESSION

The session opened with the congregation singing, "Make Me A Channel of Blessing." Prayer by Prof. A. C. Reynolds.

A discussion on temperance was made by R. M. Hauss. The Report on Temperance was adopted.

REPORT ON TEMPERANCE

We recommend that our Association express our appreciation of all the forces that are cooperating and working against the forces of evil in our county and State. Especially do we commend the Allied Church League, of which Brother L. A. Martin is director in our State.

We also urge upon our pastors the importance of providing for our young people a sound program of temperance education, teaching the evils of alcohol upon the body, mind, and soul; that in the pulpit and in study classes, efforts be made to fortify our people against the immoral, evils, and habits of our day.

We also urge that total abstinence pledges be signed, especially among our church members. We do believe that if our church members would practice what we preach, that those places which sell "liquid fire" would lose half their business.

We further urge an uncompromising condemnation of the liquor advertising in newspapers, periodicals, and on the radio. We further urge that the people of our county stand together and fight to the last for a complete control of the liquor business. That means that we will not allow a drop to be sold, legally, in our county. We pray that God will give us the grace to go all the way with Him. Do we feel that we are doing our best?

Respectfully submitted,

F. P. BLANKENSHIP.

The report on State Missions was read by Rev. Edgar Willix, and was adopted.

Our State Mission program continues to move forward, and distinct gains have been registered in many departments, in our State.

The work of State Missions concerns itself with the teaching, training, enlistment, and development. And, all this work is pointing toward evangelism, the winning of lost souls, and then training each saved person in His service, in all the good causes for our Lord's work, such as Sunday Schools, Baptist Training Unions, and pastoral aid in needy fields, State Missions is doing a great part in our fine schools, such as Mars Hill, Gardner-Webb, Fruitland, Wake Forest, and others.

Too, we need to always remember that North Carolina is a mission field, in a post war-scarred world. True it is that the field is this moment white unto harvest. May we, as Baptists in North Carolina, never stop until the great task Jesus our Lord gave us in Matthew 28:18-19-20. Go ye into all the world and teach and preach to all people. Our motto in State Missions should be:

Go with our prayers.
Go with our influence.
Go with our money.

May every church in our Association go forward with great speed in our offerings, through the years that are ahead. May it all be done in our Master's name.

Humbly submitted,

EDGAR WILLIX.

The report on Home Missions was read by W. N. Cook, and was adopted.

The Home Mission Board, located in Atlanta, Georgia, with Dr. J. H. Lawrence as secretary, is doing a momentous work throughout the South, Cuba, and Mexico.

The world will move religiously as home missions move. The field is white. The task is great; but we are a great people, numbering nearly six millions.

The Home Mission Board sponsors workers in 587 churches and mission stations, and needs 332 more.

We have, on the field, 700 missionaries, and need 388 more. We need two million dollars for property, and over one million for operating expenses.

We have more than ten million people as our constituents; and multiplied millions are looking to us for help. What shall we do?

Respectfully submitted,

W. N. COOK.

The report on Foreign Missions was not presented for consideration.

Walter Zvoda, director of the Palestine Prophetic League, made a fifteen minutes address.

Rev. C. O. Vance gave his report as Associational Missionary, and was accorded a rising vote of appreciation of his work, as the association adopted his report.

Rev. George C. Snyder spoke briefly.

Rev. Edgar Willix made announcements concerning the deacons' meeting.

The treasurer's report was read and adopted by the body.

TREASURER'S REPORT

We have received for all purposes from August 1, 1946 to August 1, 1947, \$2,200.96. Paid out for associational missions and other objects, \$2,091.77. Balance on hand, \$109.19.

W. N. COOK, Treasurer.

On motion of the resolutions committee the association gave a vote of thanks to the East Sylva church for the fine way in which it had been entertained during the day's session.

Rev. C. M. Warren requested that the association stand behind the executive committee in planning the work for the year.

Rev. T. F. Deitz and Rev. W. N. Cook, retiring officers, made remarks about the work they had tried to do during the years of their service. The minutes of the day were read and adopted.

The congregation joined in singing, "Blest Be The Tie."

This closed the One Hundred and Eighteenth session of the Tuckaseigee Baptist Association.

T. F. DEITZ, Moderator.

W. N. COOK, Secretary.
