NOTES OF APPRECIATION:

I want to thank the Seminary community for being so thoughtful and understanding during this difficult period. Your concern and willingness to help has been encouraging and very much appreciated.

- Kevin Dyer

My family and I would like to thank you, my seminary family, for your thoughts and prayers during this time of our bereavement. A kind word, a pat on the back, a Godward sent prayer, and your simple presence are all ways in which you have meant so very much to us. My brother, sister, and I have experienced the pain of separation and temporary loss of our father, but through your actions you have in some way eased the pain. Truly God has used each of you as instruments of His love. We thank each of you for your concern.

- Wayne Clay Harrison

Bulletin material is due in the Student Activities office by 12 noon each Thursday.
