

SEMINARY LIBRARY

A steering committee for the next long range planning cycle has been appointed. The self-study provides significant data for planning. The focal time frames for the planning work will be the trustee meetings in 1982 and 1983.

The Lilly Grant sponsored program for trustee education and development is practically complete. The program has featured:

TRUSTEE  
DEVELOPMENT

- Trustee/Administration/Faculty Retreat
- New Trustee Orientation Program
- New Trustee Manual
- President's Visit With All Trustees
- Expert Consultation (5 persons)

The trustees meet on campus March 15-16. A special feature of the meeting will be a victory dinner celebrating over-the-top completion of Southeastern's "Equipping for Bold Mission" Campaign. The trustees will be joined for the celebration by numerous friends, as well as members of the Development Council and Public Relations Council.

Southeastern's annual Missions and Ministry Conference was held the week-end of February 19-21. Although attendance was down from last year, the college students attending were treated to a superb program. Their response was overwhelmingly positive. Dennis Testerman was general chairman of this year's Conference. Chris Gambill has been selected chairman of the 1983 Conference.
