Dear Elder and Sister Hewitt.

It has been on my mind for some time to write you a few lines, so many of the friends at 86.th have expressed anxiety, as to how you and Sister Hewitt, are, and so I will begin by sending you their Love. for I never thing clearer it to you, and hope to hear from you very soon. for myself I have longed with intense longing to see you and Sister Hewitt, about 2 weeks. my mind was led back to the time when I had an opportunity of seeing you often, and did not avail myself of it and I felt if I had another opportunity, I would not on account of Diffidence, or fear, keep myself away, from you again as I did. While I was

P.S. Please give my Love also to Mr. & Mrs. White. & to Mr. & Mrs. White.

Staying only, across the way, from
you at Mrs. Hubble's, oh how many
times I felt, so cast down I felt I
woud. like to have a talk with
you but I was afraid, to Presume
by the times I did come here,
Previous they were out, are to me,
and when I came over feeling all
hope was gone you spoke about,
the blessedness of those who walk
uprightly, and, when I said I did
not see in any way, I did walk
thus, you showed how it was the
Desire, that the Lord gave, that
we should be enabled, to walk in
the way, in Him who is our
Righteousness our uprightness, our
strength our only hope, oh dear
Eliza Hewitt those were I trust
the Days of, the first Love, how
much since then I have felt of
my own sinfulness and, weakness
and utter, weakness condition &c

much so. I have been cut. am
afraid to look up or claim any
of the Promises as for me. yet
as was led back to that morning
when you preached. in the little
School house at Bray Hollow. from
those Words. ~~And~~ upon all Hills
that shall be cligged with the
mattock there shall not come thither
the fear of Briers and thorns But it
shall be for the sending forth of
of oxen and. for the treading of
lessen beattle. oh how the Lord did
enable you to. show to the People
the order and beauty of Zion. how
you were enabled to walk about Zion
yourself that day and enjoyed it too.
You. you showed the Building when
the toptone shall be brought
forth when He shall have
accomplished all His Purposes and
It shall be brought forth. with crying

Grace grace unto it. and, how you
spoke of the ministry and of the
People's, begun by the oven & the
lessen. battle. oh that, was a sweet time
to me. may. He who. Has sustained
and kept you. Keep you and
comfort you now is the Prayer
and, longing of one who. feels you
are in trouble. but oh. has He not
always been better to you than all
your fears and creeds you to say.
though an host. should encamp
against me yet will I not fear, "has He
not and will He not enable you to stand until
He shall say. it is Enough" oh forgive me
if I presume in writing you it has been
and is my longing to hear from you will
you accept these few lines. and. Give my
Love to Sister Hewitt and Sister Roberts
oh how often I have longed to see them
again. Hoping we all as a little branch shall
hear you again I would remain

Dear Brother Beebe Please Publish
The following obituary in the
Signs of the Times Died at the
residence of her husband ^{x in Roxbury, Del. Co. N.Y.} sister
Esther Barlow wife of Burr
Barlow 2nd and Relict of Orrin
G. Bouton and Daughter of
Reuben and Mary Kelly in the
55th year of her age in 1832 the
as she states in her Memorandum
the Lord granted her repentance
unto life and a full and
free pardon of all her sins through
the Blood and Righteousness
of a crucified risen Redeemer, in
1834 was Baptised by Elder
David Mead in the fellowship
of the 2nd Baptist Church of Christ
in Roxbury the Doctrin advocated
by the old School Baptists
was that which she Believed

and contended for and what she lived on many years she was a worthy and faithful member as long as she enjoyed health and when she was deprived of meeting with the church (as her disease was consumption) she would oft send an expression of her mind to the ch. some times a hymn to be read and in meeting and as the writer of this notice often visited Sister Barlow and once by her request to preach at her house from the words as for me I will behold his face in righteousness when I awake in thy likeness then I shall be satisfied and I felt almost like preaching her funeral, she would talk of her Departure as composed in her mind and stated death had no terror she longed to Depart and be with Christ she said the Doctrine of the "old school Baptist

was that which she enjoyed in poor
 health when her life was drawing to
 a close she said it is what she
 expected to die by and to ^{be} saved by if
 ever saved and then she broke
 out in the language, Praise the
 lord for his goodness that he ever
 taught me a poor sinner, the joyful
 sound it is all grace free,
 rich unmerited sovereign, and
 reigning grace would without
 end, she continued when I contem-
 plate these eternal realities I
 think I can say: "To die is gain," -
 Fly swiftly round ye wheels of time
 and bring the welcome Day
 She requested me to write
 her obituary and preach her
 funeral discourse and selected
 1248th number to be sung, and the
~~and~~ 148 psal to be read and
 she to preach from revelation
 14th chapter and 13th verse

And accordingly I tried to
 preach to a large assembly on
 the occasion may the Lord
 sustain the Bereaved and
 Afflicted Husband as we trust
 that god has taught him the
 Doctrin his Beloved companion
 contended for was the Doctrin of
 the everlasting gospel and his
 loss is her everlasting gain and
 that he does not mourn as those
 that have no hope

Died, May 11th 1862

Esther Barlow Wife of Burr Barlow 2nd and Relict
of Orrin C. Bouton, and Daughter of Reuben
and Mary Shelley, in the 55th year of her age.

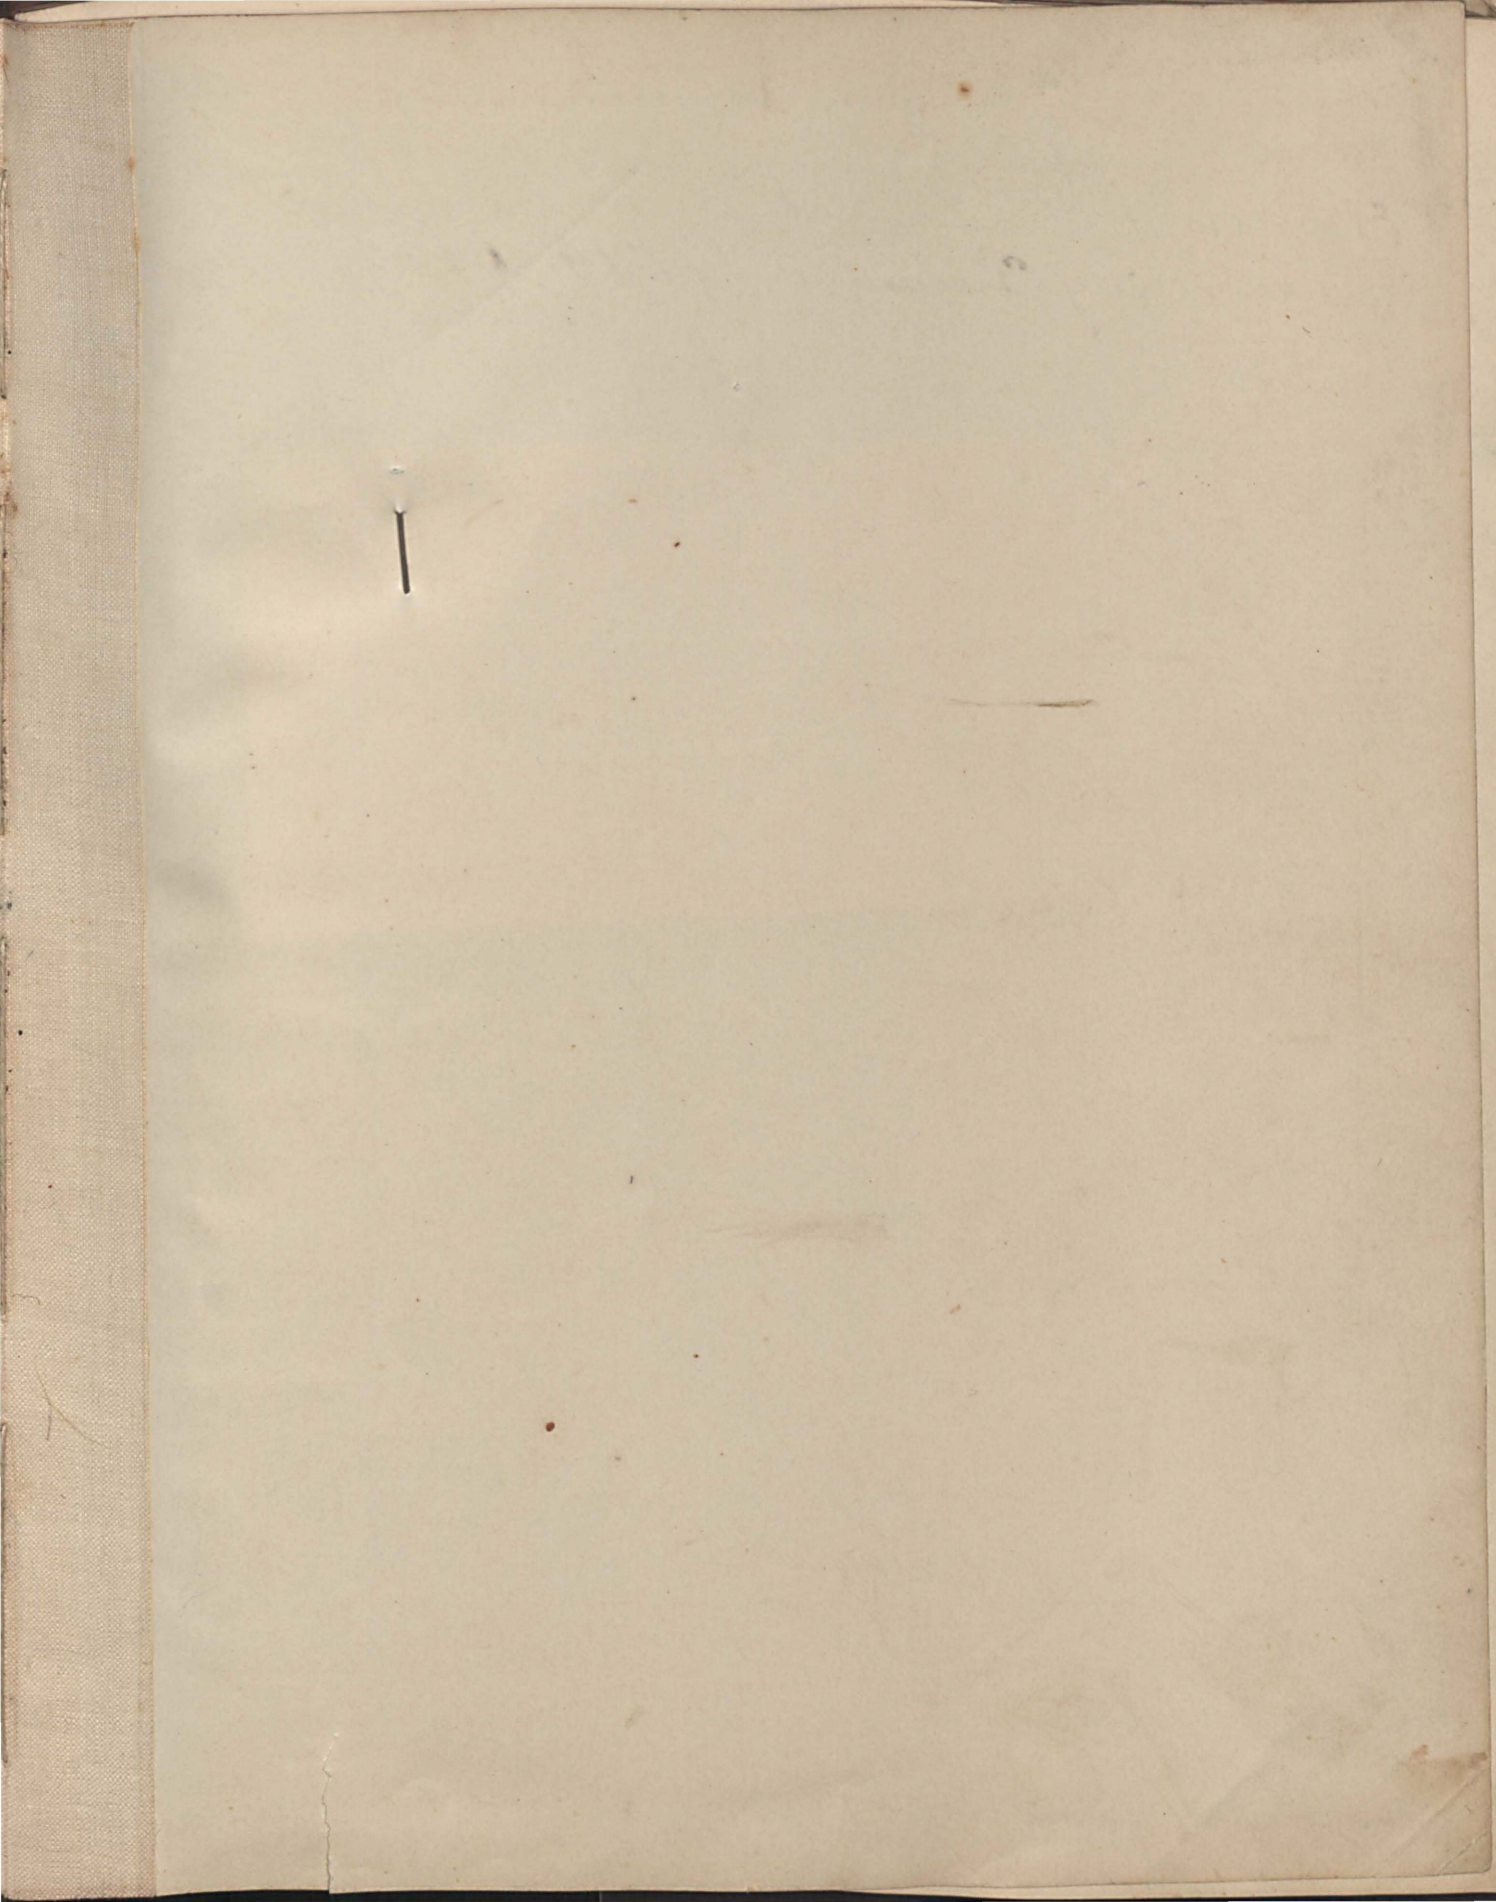

In—32 The Lord granted me repentance
unto life. and a full and free pardon of all my
sins, through the blood and Righteousness of a
Crucified risen and exalted Redeemer. In—34
was Baptized by Elder David Mead, into the
fellowship of the 2nd ~~1st~~ Old School Baptist
Church of Christ in Roxbury, where I hope to
remain ~~until~~ I go hence to be here no more.
The Doctrine advocated by the Old School Baptist,
I believe to be corresponding with the scriptures; it is
what I have lived on many years, it is what I now en-
joy in poor health, and my life drawing to a close; it is
what I expect to die by, and to be ^{saved} by if ever saved.
Praise the Lord for His goodness, that He ever taught
me, a poor helpless sinner, the joyful sound. It is all

of Grace. Free, rich, unmerited, sovereign, and
resigning Grace, World without End. When
I contemplate these Eternal Realities, I think I
can say: "To Die is gain!" — Fly swiftly round
the wheels of time, and bring the welcome Day.

Church Meeting of the Old & New
 We select that church
 held at the same time as the last day
 in the month and place
 chosen with singing and prayer
 by Elder David Case
 organized by making choice of 2 cars
 for moderator and

The Moderator then proceeded to organize
 of the minds of the brethren & sisters
 in relation to their tract of ^{your} minds
 after hearing from them it was agreed
 that the church go forward in
 communion the next day (Sunday)
 Elder Case dismissed them

asked for a letter of commendation
 from the church for the reason that the
 was expecting to leave this place and move
 to the State of Kansas & therefore it was
 unanimously agreed that one order be
 be written out for her by the clerk of the
 church

It was then concluded that

October the last Saturday in the month
 being our regular Church Meeting day
 And there being no visible separation of members
 the regular clerk was present and
 kept the minutes of the Meeting which
 are supposed to be in his possession

Nov 26th 1887 Church Meeting held as usual
 And supposed to be in union
 the regular clerk also kept the minutes of
 this meeting which we as yet have not had
 access to.

But our memory of the Meeting is
 as follows - it was organized as usual
 opened with singing and prayer I think by
 Elder James Miller
 after which the Moderator proceeded to enquire
 of the minds of the members in relation to their
 Christian travel and they expressed themselves
 as being in union and fellowship and having
 a desire to travel on together in hope of
 life eternal after which Bro^r J. V. Bunchell
 read a copy as he called it of a Resolution (the
 Author was withheld) and urged its passage
 by the Church but failed in the effort to get it
 The purpose of the Resolution was that the Church
 withdraw from the Lexington Association
 and from such members as uphold four Ministers
 of the Association namely Eld^r Herbert Miller &
 Earl and refuse to sustain Eld^r J. V. Bunchell &
 over

after failing to get the Church to withdraw from the Lexington Association

Bro J W Winchell announced that they hold a Church meeting on the 3^d Saturday of December next at half past one P.M. And all that wished to go with them in person could come & Bagast adds All that do not could stay away

Dec. 3

Accordingly on the said 3^d Saturday of December 1889 about 17 members of the Church came together at the Meeting House - organized and held then so called Church Meeting

R W Sanford B. Secor J W Binney & J Matthews were present but were not recognized as members with them after they were through with their business J Matthews was permitted to present to them and read in their hearing as follows

We do hereby express our heart felt sorrow and deep regret for the course pursued by you as brethren & sisters with us in that you have departed from the order of the Household of Faith and from the rule and discipline of the Gospel and from the union and fellowship of your Brethren and sisters - at the expense of the peace and welfare of the Church in that of assisting in worship with ~~the~~ called churches made up

partly of members heretofore excluded from churches composing the Lexington Association and partly from churches dividing in disorder who have framed and so constituted themselves into so called churches and from thence into an Association calling it the Roxbury Association

Not in fellowship with the Lexington

And that some of you have declared your intention to separate from us and unite with the said Roxbury Association

And again we mournfully regret your departure from the discipline of the Gospel and your evident bad faith in the teaching of our Lord and Master - in proposing by a copy of a resolution (the real author being withheld) offered and its passage urged the purport thereof being to withdraw from the Lexington Association and from such as uphold four misstatements of the Association

And from such as refuse to sustain Elder J D Hubble who has himself personally withdrawn from the aforesaid Lexington Association

Furthermore we regret that our Brethren and Sisters should manifest such bewitched and confused ideas in supposing that the Church can justly withdraw herself from her own Brethren and Sisters when they are not charged with any transgression

And we regret the apparent disposition to use your best skill in sacrificing your

Brethren and Sisters upon the altar of your devotion
 to one man for the purpose of enlarging his borders and
 promoting his person which you cannot do unless
 the Lord approve it &c
 and again we deeply regret to witness
 the apparent deception in expressing your minds
 one to the other as is usual in our church Meeting
 in a manner that leaves the general impression
 that you in union and fellowship with
 the Church and have a desire to travel on
 together when at the same time you have
 in your possession an article before prepared
 which if executed, to your knowledge would
 send the Church in two - and you come
 prepared to execute it
 and again we regret your departure from
 the rule of the Church and discipline of the
 Gospel in - that after failing to carry your
 resolution and your receiving no expression
 from the Church in its favor. you
 through Bro J. W. Birchall Moderator announce
 that you will hold your meeting on the
 3^d Saturday of Dec next at half past One P.M. and
 all that wish to go with you in peace can
 come &c Members of the Church opposed
 the more as it was to force them or the
 Church to with draw from their association
 without opposition An Act which they claim
as peace - on this day there was no expression of the
 Church as a body no record read
 meeting broke up in great confusion

What is the nature of the constitutional meeting
 May be we protest against it as being the
 basis of disorder and without any shadow of
 authority from the Church of Christ and Kingdom
 and again we charge that you
 have departed from the faith of the old Scotch Baptist
 and from the belief of the "inerrancy" given in the
 New Testament - in that you claim that you
 are part of the membership of the Church are the
 Church - while the rest of the congregation is that
 an element of one part of the body cannot constitute
 the whole. Hence it is written - the body is
 but has many members and the eye
 cannot say to the hand I am need of thee nor
 again the hand to the foot I am need of you
 hence your claim is not only incorrect but
 a disavowal of the word of truth

the rest to the members holding their fir-
 st meeting after withdrawing from the
 Church and going out from us

of God

we therefore solemnly tell you of your failure
 to receive your gifts and churchfully invite
 you to return to the fellowship of your brethren
 and bring and to the order of the House

Special Meeting held pursuant to
Appointment

Organized by making choice of
Dr William Wain for Moderator and J. M. Clerk

The object of the Meeting was then stated as
follows. in as much as a number of Brethren

And Sisters have gone out from us and
set up a Separate Meeting independent of the
Church of Olney & Hurley receiving Ministers
to serve with them who are not in fellowship with
this Church - some of them who have gone out
from us claiming as a reason for doing so that
four Ministers of the Lexington Association have
withdrawn their fellowship from Eld J. D.
Hubbel as a Gospel Minister and we suffer
the said ministers to come and preach for us
after we become knowing to their act
also after receiving notice of the said act. And the
church acting upon it rejected it and yet
still suffered the said four ministers to
continue their services with us
where this is true yet we were always anxious
that proper steps should be taken to investigate the
matter of difference
furthermore those who have gone out from us
take the liberty to appoint their meetings
at the same place and hour of the regular
and long appointments of the Church
we now desire to submit our situation

to each other (at this time) in the church as a body
 specially collected together to receive each other
 after hearing one from the other with affection
 to our edification

It was unanimously decided

that the error pointed by them going out
 from us was wrong and was not according
 to the order of the church regarding the
 union and fellowship of each other

Therefore we recommended and requested

each other to still continue to receive and

Regular Church Meeting held at the usual time and place

Opened with singing and prayer by Elder J. Miller (J. Miller clerk organized by choosing Elder Miller for Moderator)

After appropriate remarks by Elder Miller he proceeded to enquire the minds of Brethren & Sisters and they seem to be strong in the faith trusting in the Lord and looking forward in hope.

After this Bro Secor reported to the Church that himself and Bro Wm H Bush had visited Sister Whittle the second time on his part and they are satisfied that she has no desire to go with the Church on motion the Church received the Report as satisfactory. A motion was then made and unanimously carried to drop Sister Whittle from the fellowship of the Church - (a minute submitting)

The Brethren and Sisters having become satisfied that Sister Kate Diderick has left the communion of the Church and has united with the Reformed Dutch Church at Shokan so unanimously agree to drop her from the fellowship of this Church.

- 1 Alone with him i find
a balm for every grief
tis he can calm the troubled mind
he only brings relief
- 2 Alone with God in converse sweet
my sorrows i impart
and while i trust his sacred word
he soothes my aching heart
- 3 Alone with God i silence keep
and hear him say to me
i "m strong my child tho thou art weak
tis i thy strength must be
- 4 Alone with God i there repose
upon his sacred breast
and with what joy my soul overflows
as sweetly there i rest
- 5 Alone with God my cross i wear
and hide myself therein
tis there i find a sovereign bliss
redeemed by him from sin
- 6 Alone with God may i not meet
in peace the stroke of death
find in his heart a sweet retreat
to yield my parting breath

7 Alone with God when called away
before his bright throne
May I then hear my Saviour say
Come dwell with me ~~in heaven~~
at home.
