RE: Assembly Bill Nos. 2965, 2966 and 2988;
Senate Bill No. 1231;
Senate Constitutional Amendment No. 40
Conference Resolution Nos. 2-2 and 2-7

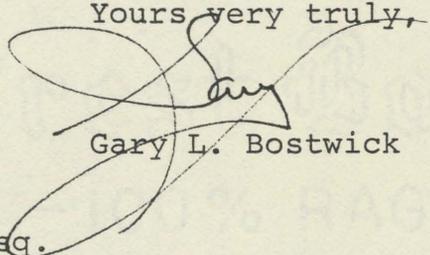

Dear John:

The above-referenced bills and, in some cases, 1982 Conference Resolutions are assigned to you for your review and report to the Committee by the next meeting presently scheduled for April 17, 1982.

As you may sense, we have a very heavy load of legislation and resolutions to report on by the next meeting. I hope everyone is able to complete their assignments and attend the meeting.

If anyone has not received any of the bills or resolutions that I have assigned, please call me as soon as possible so that I can forward a copy to you. If you have any other questions, please feel free to call me as soon as possible. This is definitely the heavy legislative season, and we appreciate all of the time and cooperation you contribute.

Yours very truly,

Gary L. Bostwick
