OLIN T. BINKLEY  
PRESIDENT

October 8, 1966

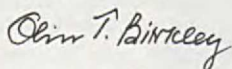

Dear Friends:

It is a privilege to greet the students, faculty, and administrative staff of the Southeastern Baptist Seminary. You and I are members of a beloved community of faith and learning and this Directory will enable us to locate one another quickly this year. It will also help us to remember one another in the years ahead.

On this campus we have the duties and the delights of Christian scholarship. The central purpose is the education of qualified students for the ministry and we are grateful for the resources available to us here.

In the processes of worship and work, we have a concern for the well-being of every person. It is hoped that in this stimulating and friendly environment we shall grow in the grace as well as in the knowledge of Jesus Christ.

Sincerely yours,

Olin T. Binkley

Dear Fellow Students:

The Student Coordinating Council joins me in wishing for you a real experience in learning and in spiritual maturity. In this spirit we have joined in the work of this student directory in hopes that you will make full use of it in getting to know your fellow students.

For this year our aim is toward experiencing meaningful depth in Christian community for Southeastern Seminary. Because of our function in this community we hope to be a valuable agency to each student, and we hope that our support of this directory recommends it to your use.

We hope that at any time during the year you will utilize the Student Coordinating Council in your expression of concern for our community. We stand ready to serve you in any way possible, and we wish for you a fine year in your preparation for your life's work.

## Health Center Program

In the interest of attaining the highest possible level of health among students, faculty and their families, the Seminary makes available a program of health care and medical services for all members of the Seminary family. The medical services include, among other things, a program of prevention of illness through physical examinations and immunizations, and treatment of illness under the direction of the campus physician.

In order that students may understand the health care program and know their own responsibilities in seeking the services provided, the following statement of policies has been formulated.

### General Policy

The Seminary Health Center will be open as follows:

Monday through Friday  
8:00 A.M. until 3:00 P.M.

Doctor's Hours:  
Monday through Friday  
12:00 P.M. until 2:00 P.M.

Students needing medical care are asked to report to the Health Center for treatment. Appointments to see the campus physician should be made before 12:00 P.M. each day, and several days in advance if no acute illness is involved. Students are seen by the physician without charge, but are responsible for cost of drugs prescribed by the physician. All appointments with the physician must be kept punctually.

After the Health Center closes each day, **NO NURSE WILL BE ON CALL.** If medical attention is essential before the Health Center opens the following day, persons must call the office of the campus physician or another physi-

cian of choice for an appointment. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

#### **Purchase of Medicines**

All students may secure general medicines and medical supplies through the Health Center at prices which cover cost plus handling. As a general rule, the sale of prescription medicine is limited to medicine prescribed by the Campus Physician. Drugs prescribed by the Campus Physician and which are not in stock will be ordered at the request of the student. The student is asked to pay cash for all medicines at the time he receives them.

#### **Health Center Location and Personnel**

The Seminary Health Center is located at 337 West Pine Street (adjacent to the Trailer Village).

Dr. George C. Mackie, Campus Physician  
Mrs. Martha W. Janes, Registered Nurse  
Mrs. Mildred Taylor,
