## Reports

### REPORT ON SUNDAY SCHOOL

Your Committee believes that our Sunday school work is not appreciated because its power for good is not understood.

Religious instruction is given to the children from three sources. It comes from the home, from the day school and from the Sunday school.

Many homes give but little instruction in the Scriptures to the children; the parents are too ignorant or too worldly.

The day school does not undertake to teach the Word of God. It is not the business of the state to teach religion.

The one source which is left is the Sunday school. If we fail here sad will be our failure.

We need to take our Sunday school work more seriously. It is largely the one place where children and grown up people study the Scriptures. To be ignorant of the Word of the Lord is a calamity.

We, as an Association, need to bestir ourselves.

We want to call the attention of the Association to our Annual Sunday School Convention. Our Sunday School Associational Convention has had two helpful sessions. Your committee urges the churches to see to it that the Sunday school is represented in these annual meetings. They always help the ones who attend, and those who fail to attend miss much valuable information which they could carry back to their schools.

Respectfully submitted,

H. E. STEVENS,  
*Committee for Bethlehem Church.*

### REPORT ON ORPHANAGE

We, your Committee, submit the following report:

"Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction and to keep himself unspotted from the world."

We have now 350 orphan children at the Connie Maxwell Orphanage, who are dependent on us for support, with 150 more knocking at our doors for admission. Brethren, shall we take those in who are knocking at our door or shall we turn them out and let them starve for parental kindness that we can give?

May God help us to remember the words of Jesus, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,

P. B. COATS,  
*For Pleasant Meadow Church.*

## REPORT ON AGED MINISTERS

The minister is the man of God who carries the Gospel message to a lost world. He is the shepherd to feed God's little flock on spiritual food.

Then the flock is commanded to feed and sustain the shepherd or minister, but oh how scant they are sustained. They have to toil all the weeks, months and years for support, but they can never secure an income for old age.

What shall the old minister do now? The flocks are not supporting the young shepherd any more than they did those who have grown old.

There is a way. We are so glad that God did put it in the hearts of some good men to organize the Aged Ministers Relief Board, where they can draw systematically.

May God help us all to do our very best for that great object, so it may meet the increasing demands.

W. H. CAINS,  
*For Beulah Church.*

## REPORT ON TEMPERANCE

Your Committee holds that we, as an Association, must be concerned in law enforcement along every line.

We believe that the law regarding prohibition is being constantly violated. We believe, further, that our churches are largely responsible for the spiritual and moral condition of the communities in which they are located. If the light that is in the churches be darkness, how great is that darkness?

We do not mean to say that our churches encourage or approve of the selling or drinking of intoxicating liquor. But we do mean to say that many of our members are careless about the matter of law enforcement against whiskey. The dignity of law and the enforcement of law ought to be constantly impressed on our people.

We recommend that our pastors preach prohibition and our churches condemn intoxication in every form until the outlawed liquor traffic and the blighting drink habit are banished from our land.

We fear that prohibition is not seriously and successfully in force in every community in our bounds. Much has been accomplished by prohibition but much remains to be done, and great and grave is the responsibility of our churches.

*Committee.*

## REPORT ON CHRISTIAN EDUCATION

We mean by Christian education an education that gives a child training by a Christian teacher in a Christian environment. We believe that is

what is being done in our denominational schools. We heartily commend them every one to the prayerful consideration and hearty support of every member of our churches. As a denomination we can not too highly esteem our schools. We believe we have as good as the best, and we need to encourage our young people to attend these schools which we, as a denomination, have pledged ourselves to support.

*Committee.*

We have been called to Pleasant Hill to investigate and adjust a matter existing between the church and one of her deacons; also we were called to Live Oak to adjust a trouble pending between the church and a minister of the same church. REPORT ON BAPTIST HOSPITAL

We, your Committee, beg to submit the following report:

We find that this institution has been a great blessing to hundreds of our feeble people and is doing a wonderful and almost miraculous work. God's blessing is resting upon it and is enabling it to reach out its arms of love and sympathy to those who are suffering untold pain. And by our co-operation and the widows' mites it is able to put the price so low until it is within reach of all, both poor and rich. In many cases it renders medical attention free of charge to those who are not able to pay.

Brethren, if we should be like our blessed Savior and follow His example we will have to give more of our means to this great institution that it may widen out and its arms made longer so it may reach farther out to aid those who are needing our help. Jesus went about doing good, helping the suffering of humanity. Go thou and do likewise.

Respectfully submitted,

L. M. JOHNSON,  
*For Edon Church.*

REPORT ON PRAYER

Dear Brethren: We beg to submit the following report on prayer:

We can not find words sufficient to express the power of prayer. Prayer, in a true sense, is the desire of the heart and it brings great joy to our souls. We believe that real prayer will bring to us the things we so much need. It is the only medium whereby we can reach a throne of grace. Oh the privilege of prayer when we are burdened down in trouble and sorrow; when sin presses so hard to draw us from the presence of God. Let us take it all to the Lord in prayer; let us all stand near the cross and continue in prayer as long as we live; let us say when troubles arise, I will hasten to His throne.

Then prayer is the key that unlocks heaven's doors. When we need to get near the throne let us always pray, yes let us pray more—even daily.

Respectfully,

*For Macedonia Church.*

### REPORT ON OBITUARIES

Dear Brethren and Sisters of the Carolina Association: We, your Committee on Obituaries, beg leave to submit the following report:

It seems to us that this earth is God's flower garden to raise flowers to decorate the heavenly mansion above.

According to His will and way He has removed from our midst nineteen of our members, namely:

#### BRETHREN

W. Fipp  
D. J. Stevens  
Julius Cox  
Y. N. Powell

J. J. Hardee  
H. J. Mishoe  
N. M. Todd

#### SISTERS

Olympia Livingston  
Trissie Chestnut  
M. A. Powell  
Nancy McDowell  
Alvainia Mishoe  
Mary Hardee  
Milzie Huggins  
Ella Todd  
Mary E. Prince  
Carrie Hardee

J. W. TODD,  
W. A. WILLIAMS,  
R. B. CHESTNUT,  
*Committee.*

### REPORT ON FOREIGN MISSIONS

The Carolina Association is recognized as a missionary body, and we need to be true to our name. The great Head of the church has given us our orders: "Go, ye, into all the world and preach the Gospel to every creature." The task which confronts us is great and glorious, and the promise of our Lord is equally glorious: "Lo, I am with you always even to the end of the world." "One shall chase a thousand and two put ten thousand to flight."

May the Lord give us a vision of our work, and then give us of His abounding grace that we may not be disobedient to the heavenly vision.

*Committee.*  
*Mt. Sinai Church.*

### REPORT ON HOME MISSIONS

We realize the fact that of every dollar we pay on our pledges, sixteen cents of it goes to Home Missions. When we realize the great work of the Board and the great needs of the Board it ought to encourage us to do our best to round up our pledges. The Home Missions Board has a great task with its great force of workers and its needs are great, and it needs the co-operation of every Baptist in South Carolina.

Brethren, let us rally 'round the old flag and come to the front as Baptists and save our Home Missions Board. If we save the Home Board we will save all the Boards of our denomination.

While the souls of men are dying,  
And the Master calls for you,  
Let none hear you idly saying,  
There is nothing I can do.  
Gladly take the task He gives you,  
Let His work your pleasure be.  
Answer quickly when He calls you  
Here am I, send me, send me.

Respectfully submitted,

W. A. WILLIAMS,  
*For United Church.*

### REPORT ON 75 MILLION CAMPAIGN

We, your Committee on the 75 Million Campaign, beg leave to report: We find that the campaign work has done and is doing much for the extension of the Gospel in foreign fields, establishing hospitals, building academies and colleges in foreign lands and in our homeland also. The Boards of our convention are supplied and extended work through the Boards is being done.
