## Accreditation

Southeastern Baptist Theological Seminary is accredited by the Association of Theological Schools in the United States and Canada and is a candidate for accreditation by the Southern Association of Colleges and Schools.

## Curriculum

The curriculum consists of courses for students continuing in the M.Div./MRE program, or entering candidates for those degrees. Th.M. or D.Min. students may take advanced electives. Applications for admission to summer school are welcomed from alumni or others who want to pursue post-M.Div. studies.

The maximum course load permitted is four semester hours. Students who elect language study or one of the other three semester hour courses may take only that course.

Classes meet four days a week, Tuesday through Friday.

The seminary reserves the right to limit the size of classes in order to maintain a reasonable student-teacher ratio.

In addition to courses offered on campus, students may earn up to eight semester hours credit for the completion during the summer of a basic unit of clinical pastoral education at an accredited training center as provided in the *Catalog, 1978-79*, p. 74. In order for credit to be received, the student must register with the Registrar prior to the beginning of the program and the supervisor must file a grade report form at the conclusion of the course (M 390s-M 391s).

## Admission

Currently enrolled degree students need only to register on the designated days.

Students applying for admission to degree programs who plan to begin studies in either term of summer school should follow the admission instructions as outlined in the *Catalog 1978-79* (p. 36f.) and register on the designated days.

Applications for admission to the summer school on any other basis should be received in the Registrar's Office at least fifteen days prior to the registration date. For additional information, write: Registrar, Southeastern Seminary, Wake Forest, North Carolina 27587.

## Registration

*First term:* Monday, June 12, 1978. Orientation activities will be held for entering students. Enrollment in classes closes at 4:00 p.m. on Wednesday, June 14.

*Second term:* Monday, July 10, 1978. Orientation activities will be held for entering students. Enrollment in classes closes at 4:00 p.m. on Wednesday, July 12.

Students wishing to withdraw from a course or from enrollment should consult the Registrar for guidance. A student enrolled for only one course who withdraws from that course must complete the process for withdrawal from enrollment.
