My dear Fellow Students and Friends:

Each year in which this valuable Directory has been published I have had the privilege of writing a brief introduction. Every time I have written I have tried to extend the welcome which I know is in the hearts of all faculty and administration folk to all our students. We stand ready to do the best we know how to do to help each one become a better servant of God. But this year is a very special one with me. We are celebrating our TENTH YEAR of operation. We are all looking back critically upon our nine years of experience and trying to learn from it how to plan and work better in the future. Help us, please. Say the best words you can for Southeastern. Be cooperative as we all work to improve our Seminary. Help with the Library Campaign. Pray and worship and study.

God will guide and bless if we are willing in heart.

I pray that every one of us will always remember the blessings of being at Southeastern during her TENTH YEAR.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'S. Stealey', is written over the typed name and title.

Sydnor L. Stealey
President

September 16, 1960

Dear Fellow Students:

This year we celebrate the Tenth Anniversary of our Seminary and there are many things for which we are grateful. Among them, we are thankful for the growth of our student body which in turn has strengthened our Seminary. Yet, as is so often true, growth has been accompanied by a degree of anonymity.

The Seminary staff and the Student Coordinating Council have cooperatively prepared this edition of the Directory in order that we might become better acquainted through its pages.

A warm fellowship of sharing is indispensable to the life of our Seminary family. Those who have completed their seminary work ahead of us have often reminded us of the deep appreciation they have had for friendships that were kindled during their seminary days. Let us be on guard, lest the pressures of school, church, and family responsibilities prevent us from forming deep and abiding friendships here at Southeastern Seminary.

Cordially,

Kenneth A. Burnette

SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY MEDICAL SERVICE PROGRAM

In the interest of the highest level of health among students and families, the Seminary provides a medical care program, available to all registered students. In order that all such students may understand what they may expect from this medical service and what is expected of them in co-operating with the campus physician and nursing staff, the following statement of prevailing policies has been formulated.

General Policy

Students needing medical care are asked to report to the Infirmary for treatment. Appointments to see the campus physician at the Infirmary must be made with the nurse before the physician's duty hours. Appointments must be kept punctually. Should a person need emergency medical care after the Infirmary closes, *for acute disorders or accidents only*, the nurse on call will give the attention needed. The nurses are off duty at the times when the Infirmary is closed and are only available in the *case of emergency*.

A weekly schedule indicating which nurse is on call will be posted at the Infirmary and with the telephone operator. You are to call the number of the nurse on call. The "on call" nurse is on call from 5:00 p.m. to 8 a.m. the following morning; on weekends from 8:00 a.m. Saturday until 8:00 a.m. Monday.

No student will under any circumstances call the campus physician without first consulting the nurse on call. If a campus visit by the campus physician is necessary, the nurse will then notify the campus doctor. If you choose to call someone other than the campus physician you are, of course, free to do so at your own expense. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

The nurse on call for emergencies is not to be called to the dormitory or apartments to give injections merely for the convenience of the student or his family. Such injections are to be given during Infirmary hours in the Infirmary only.

Purchase of Medicines

All students may secure general medicines and medical supplies through the Infirmary at prices which cover cost plus handling. Drugs prescribed by a physician and not in stock will be ordered if the patient so desires. Since drug service is rendered on a non-profit basis, the student is asked to *pay cash for all medicines at the time he receives them.*

If it is necessary for a patient to be hospitalized in the Infirmary, a charge of \$4.00 per day will be made to cover room and board. Hospitalization other than in the Infirmary is solely the responsibility of the student.
