PRESIDENT'S MESSAGE

Dear Co-Laborer in Kingdom Enterprise:

It is imperative that you not misplace this informative and sometimes humorous publication. It is a far more valuable resource than you might initially imagine. I implore you to take heed of my suggestion as I shall provide several illustrations to demonstrate the possibilities of its significance for the present and future.

First and foremost, this publication will come in rather handy as a source of reference as you attend classes. Study groups will be fashioned throughout each semester and projects may require discussions with fellow classmates. Hence, this book provides all the personal information of those with whom you are in school with the added benefit of a picture. And too, it can be frustrating and even embarrassing to run into someone and not be able to recall their name, but with this handy-dandy publication you have the opportunity to literally "look them up."

Secondly, you will one day greatly appreciate the hard work and diligent preparation your professors have demanded from you. This book will provide the priceless photos of those people who pushed you and demanded the very best, thus providing a precious keepsake of each one who has made some contribution or lasting impression upon your life.

Lastly, your grandchildren will get an absolute hoot out of it. Just imagine how the hair styles and chic fashions of today will be ancient to them. In a few years, this publication has the potential to provide hours and hours of entertainment to those who come behind you. What better way to pass a rainy day than by collapsing on the floor in hysterical laughter at Grandpa way back when?

Thus, my point being that you should keep this book. Hold onto it as you have your old yearbooks and annuals – or church directories, for that matter. These pictures of your colleagues in Kingdom Enterprise will be of tremendous value to you for years to come. Friends that you make here are for eternity; some of them will become accountability partners and best buddies – even if you are halfway around the world from each other. You need at least one good photo to reminisce about how precious they are, because it may be years before you see them again. Just take my word for it – keep the book!

May God bless you as you labor as a student here at Southeastern Seminary!

Until He Comes,

A handwritten signature in black ink that reads "Paige Patterson". The signature is written in a cursive style with a long horizontal flourish at the end.

STUDENT BODY PRESIDENT'S MESSAGE

Dear Brothers and Sisters in Christ,

On behalf of the Student Leadership Team we welcome you to Southeastern Seminary. We as the students of Southeastern are beholding a crucial time in the history of our World. Never before has our nation and World been poised to reach the great majority of its population like we are today. I sense a great working of God that has started on our campus and will spread forth in each of our ministries. On each of these pages you will see the faces of co-laborers for God's kingdom striving to serve God and be a part of God's global mandate to reach all people for his glory. With this in mind I challenge you to strive to keep three visions in perspective.

First, realize the importance of godly friends. Friends are a very integral part of your experience here at Southeastern. On the following pages are the faces of people that are striving to serve God just as you are. Get to know as many of the people on these pages as possible. Allow God to use them to help teach and train you in God's service. The friends that you meet here at Seminary will last for a lifetime. They will be the one's that you call when it seems no one else understands the pilgrimage of service on which God has you. I also strongly encourage you to find one close friend to serve as your accountability partner. Have this person pray with you, memorize Scripture, and ask you personal integrity questions. You will find that as your Seminary experience continues your friends will aid you more than you will ever be able to imagine.

Second, never lose sight of why you are here. A passion for God and a love for others should be that reason. Time is of the essence! Class should never take the place of your personal quiet time with God daily. Chapel should not be your church. Prayer should be a priority in your life. If you have a family, they should also be a priority, above the grades and assignments that are often times so demanding here at Seminary. Time management skills are very needed as your life here will be busy about His work.

Last, but certainly not least, be good stewards of the gifts God has given you. Be involved in a local church. Campus ministries are crucial, also. Upstairs in Binkley chapel are two prayer rooms, one for the NAMB and one for the IMB. Sign up for time slot to spend seeking God's face on behalf of the missionaries out in the World serving God on the front line. There is also the Doulos ministry, where you can be missionaries right here in Wake Forest. There are also many ministries, such as Student Wives' Fellowship, Stewards Club, Homeschoolers in Ministry, as well as many others. Find your niche' here on campus and get involved!

These three things should already exist in your life, if not, plug them in as soon as possible here at Seminary. We on the Student Leadership Team are here to help you in any way that we can. I pray that God will richly bless your life and ministry in this upcoming year.

Because of Calvary,

A handwritten signature in cursive script that reads "James Hilton". The signature is written in dark ink and is positioned above the printed name.

James Hilton
