ENQUIRY CORRECTION:

In the Enquiry story on the Ethics Conference, it was incorrectly reported that money was being "solicited" from local churches in support of the Conference. In fact, money will be solicited from individuals but not from churches (an action prohibited by SBC rules). Rather, voluntary contributions will be accepted from churches, and \$300.00 has already been pledged, but not collected, to date.

Material for the Campus Bulletin should reach the Student Affairs office by 12 noon Wednesday.
