#### REPORT ON EDUCATION.

Your committee desires to offer the following report on Education:

1. That there is a need and strong desire in our churches to educate our young people in Baptist High Schools.

2. That at this time there are no such schools in the bounds of the Tuckaseige Association to meet this needed and desired end.

3. That our Associational schoolhouse at Holly Springs was destroyed by an accidental fire on the 4th of last March. but under the wise management of the trustees, the old building was insured against loss by fire to the amount of \$150 in the Farmers Mutual In-

urance Co., and that \$120 of the insurance money has been paid into the treasury.

4. That the trustees have built a new house near where the old one was at a cost of \$225, and the brethren living near Holly Springs have raised means enough by private subscription to finish paying for the house. and that the house is now up and almost weather boarded and covered.

5. That by October 1st, 1898, our house will be ready for the Tuckaseige Associational High School to start in it. Bro. E. H. Franks is building the house.

6. Your committee advises that it is the duty of our brethren to patronize this school largely, and make it one of genuine worth to our churches.

7. It is earnestly recommended, since Judson College has gone from us, that our young people who desire a higher course of training shall patronize either the Clyde High School or Mars Hill College, located 18 miles north of Asheville, and which is represented here by its worthy president, Rev. S. W. Hall.

8. That Revs. D. M. Presley of Jackson county and W. R. Rickman of Macon county are beneficiaries of the Board of Ministerial education at Wake Forest College; and that Dr. John Mitchell, Secretary of that board, informs us that our Association is doing nearly nothing to help support them. He further requests that this matter be brought before this body at this meeting.

J. R. PENDERGRASS,  
E. H. FRANKS,  
Committee.

#### TRUSTEE'S REPORT—TUCKASEIGE HIGH SCHOOL.

We, the undersigned, Trustees of the Tuckaseige High School at Holly Springs, submit the following:

We had a school in progress at the time the house was burned, under the management of R. M. Ledford.

We expect to have the new house ready for use by Oct. 1st, 1898. The house when completed will be clear of debt. We desire that as many as two additional trustees be appointed.

J. M. CARPENTER,  
JOHN ELMORE,  
Trustees.

The following resolution was offered as a substitute for a previous motion not voted upon:

Resolved, That this Association is not in favor of the dissolution of the W. N. C. Baptist Convention, but will acquiesce if a majority of the associations desire to unite with the State Convention. Remarks by Revs. P. R. Rickman, J. T. Jenkins and S. W. Hall. Prayer by Bro. Cashwell. Resolution adopted. Bro. Bartlett offered the following: Resolved, That this Association ask the Treasurer to take steps to collect the loan fund that is now loaned out and that it be re-loaned to some one of our boys at Wake Forest. Resolution adopted.

A. T. Hord read the report on Periodicals. Discussed by A. T. Hord, J. T. Jenkins and C. S. Cashwell. Report adopted.

#### REPORT ON PERIODICALS.

The Baptists of W.N.C. 50 or 60 years ago may have been excusable for reading so little and consequently knowing so little about each other and their work. But today such is not the case. Before interest and action in any direction can be looked for, knowledge of the facts must be a real possession. To be interested in Foreign Missions we must know something of its work and needs. This information can be had in the Foreign Mission Journal. The same is true of Home Mission work, which is furnished by the Home Field. For our work in Western North Carolina it is indispensably necessary

that we have a medium of communication, that we may get the ideas of each other, the plans of work, what has been done, what is being done now, and what the plans and hopes of the future of our work in Western North Carolina should be. Now, the W. N. C. BAPTIST is endeavoring to meet this deeply felt want. It is a good paper, but may be made many times better. Its circulation should continue to increase until it should number not one or two, but five or six thousand strong. The paper will then be more easily and better made. By our united prayers and persistent and continued efforts it will indeed be a blessing to us and to the glory of God.

A. T. HORD,  
For the Committee.

It was announced that Rev. H. H. Mashburn would preach at 11 a. m. tomorrow. Bro. A. B. Smith was excused and Bro. J. A. Brendle was asked to preach at the church tonight. Adjourned to 9 a. m. tomorrow. Benediction by J. T. Jenkins.

#### SATURDAY MORNING—THIRD DAY.

The Association came together at 9. a. m. Sang, "When I can read my title clear." The Moderator read the 5th chapter of Ephesians. Prayer by A. B. Smith. The body declared in order for work. Minutes of previous day read and approved. Letters from Brush Creek and Oakdale were read and delegates enrolled. T. C. Bryson read the report on the Orphanage. Pending adoption, discussed by S. W. Hall and C. S. Cashwell. Collection for the Orphanage amounted to \$3.15.

#### REPORT ON ORPHANAGE.

We Baptists have an Orphanage at Thomasville, N. C., prepared for our homeless children. They are in the care of Rev. J. B. Boone, Superintendent of the institution. We have 16 buildings there and about 186 children in the orphan's home now. They must be fed

year, but W. R. Rickman and D. M. Presley did, and J. A. Brendle continued in school at Carey. This year Rickman, Pressley and Brendle will all be in Wake Forest. Not one of our ministers have fallen during the past year; for this we thank God.

A. B. THOMAS,  
Historian.

It was announced that Rev. H. H. Mashburn would now preach the 11 o'clock sermon. After singing "How firm a foundation," Bro. Mashburn delivered a very forcible sermon, over which the Association may feel honored, and especially Macon county, for he was one of us, using the text, Romans, 3:26. Prayer by Bro. Cashwell. Collection taken for Foreign Missions. Amount, \$6.09. Adjourned one hour for dinner. Benediction by Moderator.

#### AFTERNOON SESSION—3RD. DAY.

The Association met according to adjournment. After singing and a prayer by T. F. Deitz, the body was declared ready for business. Report on Foreign Missions adopted. Bro. Bradley read the report on State of Churches. Remarks by W. L. Bradley and P. R. Rickman. Report adopted.

#### REPORT ON STATE OF CHURCHES.

We, your committee, submit the following report:

During the past year our total increase as reported by the churches is 422, total decrease is 178, showing a gain of 244. Our advancement in benevolence is shown in the marked advance in our contributions to the various objects, and especially Foreign Missions, being more than five times over last year. For this we are made to rejoice. Yet we are sorry that our churches are not alive to the cause of our blessed Master as they should be. Brethren, let us more fully awake from our lukewarmness and press toward the mark of the high calling of God, as it is in Christ Jesus, our Lord.

W. L. BRADLEY,  
A. B. THOMAS,  
Committee.

Remarks by J. T. Jenkins for W. N. C. BAPTIST.

Letters from Briartown and Coweta were read and delegates enrolled. Report on Home and Conventional

Missions read by A. B. Thomas, and remarks by C. S. Cashwell. Pledges for Home and Conventional Missions: Cullowhee, \$1; Dillsboro, \$10; East Fork, 50c.; Savannah, \$1; Sylva, \$5; Brush Creek, 50c.; Cowee, \$2; Ellijay, \$4; Franklin, \$2; Flats of Middle Creek, 50c.; Head of Tennessee, \$2; Yellow Mountain, \$1; Tesenta, \$1; Sugar Fork, \$2; Highlands, \$1; Pleasant Hill, 50cts. Total, \$34. Report adopted.

#### REPORT ON HOME AND CONVENTIONAL MISSIONS.

We notice from the report of the Home Board that there were last year 467 missionaries employed, against 372 the year before; 4739 baptisms, against 4709. Total additions to the church, 9509, against 9455; the best report the Board has ever made. This field embraces the Southern States, Indian Territory and Cuba. We would call special attention to the condition of things in Cuba, and to our obligation and chance of taking the island for Christ. We urge pastors and churches to give special attention to Conventional Missions. It is about 65 days till the meeting of our convention at Murphy, and we need to go there with all our obligations met. To do this we must have at least seven hundred dollars. We suggest that every church adopt some plan of systematic giving. The Scriptural, weekly, "Lay by in store the first day of the week," put into practice would give astonishing results.

A. B. THOMAS,  
T. F. DEITZ,  
R. R. RICKMAN,  
Committee.

Committee on Finance reports. Report adopted. (See table.)

REPORT ON SUNDAY SCHOOLS.

We, your committee, submit the following report:

We are glad to notice nearly all of our churches of Association have reported Sunday Schools. There is a gradual growth in the Sunday School work of this Association. We consider the Sunday School work one of the best factors in our churches for the training of the minds of our young people, in whom lie the hope of our churches and country. The Sunday School is a work of the church in which every member of the church should be interested, so much that they should be in actual service each Sunday sowing the precious seed of the Gospel of the Son of God which will result in the salva-

tion of precious souls. We wish to recommend the helps of the Southern Baptist S. S. Board, also those of the American Baptist Publication Society at Philadelphia, Pa., as we believe they are beneficial in the study of God's Word. Therefore, we earnestly endorse the Sunday School helps.
