REPORT ON PERIODICALS

A child usually grows up with a desire to read, and if allowed to chose its own reading mater, will almost invariably choose that which will not be for its betterment.

With the many worthless and harmful periodicals passing through the mails, parents and guardians cannot exercise too much care in the selection of the reading matter for the children. We recommend such papers as "The Forerunner," "Charity and Children," "Biblical Recorder," "Truth and Baptist Flag," and like publications. We would do well, both young and old, to read the Bible more.

J. B. RAY,

N. M. FELTS.

After remarks by J. B. Ray, N. M. Felts, J. S. Johnson, J. P. McCarter, and N. T. Jarvis, the report was adopted.

REPORT ON ORPHANAGE

The Orphanage is the one vital living department of our denominational work that keeps us in constant touch with the crying needs of our dependent children.

For 39 years this work has been growing until we are now caring for 550 children at Thomasville and the Kennedy Home; and 312 out in the state with their own mothers.

The current fund necessary to maintain the Orphanage is around \$175,000.00 per year, not including buildings and improvements. The contributions of one Sunday in each month from the Sunday Schools, and a great Thanksgiving offering equal to ONE DAY'S INCOME has become the main source of supply. The marvelous way in which the Lord has blessed this big home is a loud call for our continued loyalty. The denomination from mountain to sea has been wonderfully strengthened by the reflex influence of their generous giving to the Orphanage.

The helpless childhood of our state lays upon us the obligation to widen our work and to reach out the hands of help to those who are without a penny, a home, or a friend. And there are hundreds

of children in North Carolina utterly destitute who are as worthy and as promising as those who are already enjoying the blessing and protection of the Orphanage. So the task ever widens and we are therefore asking the Sunday Schools and churches of this association to continue to make larger investments in the Orphanage.

Your committee would again recommend:

(1) A monthly contribution from every Sunday School in this Association.

(2) The plan of setting apart ONE DAY FOR THE ORPHANAGE at or near Thanksgiving by every man, woman or child in this Association.

(3) A club of Charity and Children in the well organized Sunday Schools with an individual copy to as many others as possible.

Respectfully submitted,

GROVER CAUDILL,

GUSS MYERS.

This topic was discussed by Guss Myers, N. T. Jarvis, Grover Caudill, J. M. Hayes, and J. M. Hemric, after which it was adopted.

Business suspended for preaching; sermon by Rev. J. N. Binkley. Text, Matt. 9:38.

FRIDAY AFTERNOON

Business was resumed; prayer by Rev. E. L. Middleton.

Rev. E. L. Middleton of the State Sunday School Board, Rev. J. M. Hayes of the Surry Association, Rev. L. K. Pulliam of the Pilot Mountain, Rev. T. L. Blalock of the Caldwell and Foreign Mission Field in China, and J. C. Pow of the Brushy Mountain were presented as visitors.

The work of the Sunday Schools and their place in the church was made a special order, and discussed by Rev. E. L. Middleton.

REPORT ON MISSIONS

By referring to Romans 3:19, Gal. 3:22, and Eph. 2:11-12, we learn the state of man at the beginning of the grace dispensation. All were guilty before God, (Gal. 3:22) "But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe." "How then shall they call on him in whom they have not believed, and how shall they believe in him of whom they have not heard, and how shall they hear without a preacher," (Rom. 10:14).

The risen Lord (Mark 16:15) said to his sorrowing disciples "Go ye into all the world and preach the gospel to every creature." We

have the last words of our master (Acts 1:8), "And ye shall be witnesses unto me, both in Jerusalem and all Judea, and in Samaria, and unto the uttermost parts of the earth."

There are in all the world about 1646 million people, and about 11,829,000. Baptist. The words of our Lord are in full force today. Our task is great; the laborers are few; but his promise is to be with us unto the end of the world. "Pray ye therefore the Lord of the harvest that he will send laborers into his harvest."

N. T. JARVIS,

J. N. BINKLEY.

This report was discussed by N. T. Jarvis, J. N. Binkley, T. L. Blalock, and J. B. Ray and adopted by the Association.

RELIGIOUS EXERCISES REPORT

Adjourned. Prayer by J. M. Hayes.

SATURDAY MORNING

Devotional service was conducted by Guss Myers.

The Association was called to order by the Moderator, and Minutes of yesterday were read and approved. Prayer by N. T. Jarvis.

OBITUARIES

Todd

Rev. Frank A. Todd was born Aug. 20, 1894. died June 6, 1924; age 30 years.

He professed faith in Christ June 1917, and joined the North Winston Baptist Church; later he moved his membership to Pleasant Grove Baptist Church. On the 15th of September, 1923, he was ordained to the ministry. His life though short was a life of service, Sunday School teacher, preacher, and great Bible student. He often said it was "so sweet to trust in Jesus."

"Thy way, O God, we cannot know,
Thy voice we hear,
At thy command we go."

Henderson

M. J. Henderson, a deacon of Shady Grove Baptist Church, has gone out from among us, and can no longer add his physical presence to our assembly. In his death the church has sustained the loss of a most devoted member, his family a loving husband and father, and the community a loyal citizen. His life of Christian

worship will be long remembered. We feel that he now has a "house not made with hands, eternal in the heavens."

He was born October 5, 1840, and died September 1, 1923.

G. W. SALE.

The report was adopted.

REPORT ON BIBLE SCHOOLS

One great need of our churches today is a more intimate knowledge of the Bible. For several years this Association has engaged in a Bible School, the purpose of which is to help the preachers and laymen of this and the Alexander Associations to read the scriptures with more understanding.

One session of the School has been held this year with Holly Springs church. The next session will be duly announced.

J. P. McCARTER.

After remarks by D. W. Pool, C. C. Holland, J. W. Hemric, J. P. McCarter, J. B. Ray, N. T. Jarvis, and J. M. Hayes, the report was adopted.

REPORT ON EDUCATION

The life of a nation depends upon its schools. The value of a school depends upon its ideals; the ideals of a school have their highest worth only as they are Christian. It is the duty of the church to make these ideals dominant in education.

During the past four years we as an association have given our moral support to Mountain View Junior College, and during that time some thirty or more of our boys and girls have received training there. Who can foretell how much this will mean to the churches of this Association? Who can estimate the value of such training which has come without cost to us?

Mountain View Junior College is controlled by Trustees appointed by the following Associations: Alleghany, Brier Creek, Brushy Mountain, Elkin, Stone Mountain, and the Yadkin.

The following faculty has been chosen for this year: J. C. Pow, President; J. S. Johnson, Bible; S. O. Brandon, English; L. B. Martin, Math and History; Mrs. J. C. Pow, Lady Principal; Mrs. DeAlva Rountree, Domestic Science; Miss Helen Craddock, English and History; Miss Ruby Blackburn, History and Science; Miss Eugenia Gray, Music; Mrs. J. McD. Wagoner, Matron.

There are two standard B. Y. P. U.'s and a Y. W. A. There are six ministerial students in school this year, and several volunteer students. The work of the institution is distinctly Christian, and we recommend that we continue to give it our moral support, and when possible our financial help.

S. G. CRATER,
C. C. HOLLAND.

C. C. Holland and J. M. Hayes discussed this report, and it was adopted.

Business was suspended for preaching. Sermon by D. W. Pool. Text, "Preach the word."

SATURDAY AFTERNOON

Business is resumed; prayer by M. Walker.

REPORT ON GREATEST NEED OF COUNTRY CHURCH

Without any hesitancy your committee begs to submit that the greatest need of the country church today is a mighty coming back to our "first love," and lifting the cause of Christ from a secondary place in our thoughts and lives to the heights of prime importance. The call of the Master comes ringing to us today, "But seek ye first the kingdom of God and His righteousness and all these things shall be added unto you," (Matt. 6:33). Never, never will we do this until we recognize that we are not our own, (1 Cor. 6:19), and then consecrate and yield ourselves to the Lord as did the Macedonian churches spoken of in 2 Cor. 8:1-5.

The conviction that we are not doing this is forced upon us. How will it ever be accomplished? Your committee believes it will come about largely through the right kind of information and leadership. First of all, the right kind of information must be given by a faithful preaching of "the whole counsel of God" by our pastors, and the receiving and searching on the part of the churches to see if these things are so, as did the people of Berea. (Acts 17:11). Second, after getting this information from the Word of God, inform ourselves and our people of what there is to do. This can be done by lifting up our eyes unto the fields around us, and by reading our denominational papers to know the needs of the land. Then, please God, if we go on our knees with this information and obligation, we will there gather the inspiration and strength to perform the task.

C. C. HOLLAND,
J. B. RAY.

After remarks by C. C. Holland, D. W. Pool, M. Walker, Lon Sloan, N. T. Jarvis, and J. B. Ray the report was adopted.

REPORT ON UNITY IN SPIRIT AND PURPOSE

When we as Christians come together in a body, our only purpose should be to honor God, and build up His kingdom here on earth. We ought to come in unity and with the spirit of Christ.

"Behold how good and how pleasant it is for brethren to dwell together in unity," (Psalms 133:1).

M. WALKER,
W. T. COMER.

After remarks by M. Walker and R. N. Garner the report was adopted.
