The Seminary Hymn

Ordained of God, His Prophets rise,
They seek not gain nor earthly prize,
They heed the challenge of Christ's call,
They ask to give and spend their all.

Our message be the gospel plain,
Our joy its power o'er sin's dark stain;
Born from above the sinner lives,
New life in Christ the Spirit gives!

Bind us together now, we pray,
As from this place we go today.
And keep our feet in paths made light,
By Jesus' truth and glory bright! Amen.

Ed Young - Guest Speaker

Dr. H. Edwin Young, who served as president of the Southern Baptist Convention from 1992-1994, is pastor of the Second Baptist Church in Houston, Texas. He earned his B.A. degree from Mississippi College; a B.D. from Southeastern Baptist Theological Seminary; and received a D.D. from Furman University. Dr. Young has served in a variety of positions within Southern Baptist life, including trusteeships at the Sunday School Board, Houston Baptist University, and Southeastern as well as serving as president of the 1982 SBC Pastor's Conference. Dr. Young served as pastor of churches in North Carolina and South Carolina prior to coming to Houston's Second Baptist Church in 1978. Second Baptist, one of the ten fastest growing churches in the United States, baptized 946 people in 1994 who professed faith in Jesus Christ for the first time. Dr. Young and his wife, the former Jo Beth Landrum, have three children: Ed, Ben, and Cliff.

Academic Regalia

The hoods, gowns, and caps worn in academic ceremonies today are modified versions of clothing worn by ecclesiastics and students in the 12th and 13th centuries. They wore gowns and hoods to their lectures, probably for warmth in the damp, unheated halls where classes were held.

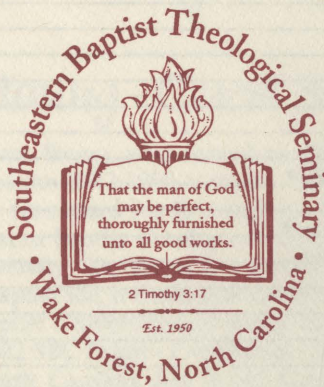

The designs and colors of these costumes have come to symbolize the level of academic attainment and the institution attended.

Robes - The bachelor's robe has an elaborate yoke but is otherwise a plain garment with a closed, pleated front and long, full-pointed sleeves. The master's robe is identifiable by its sleeves, cut for the arm at the wrist and just above the elbow, which have a distinctive oblong back and are squared at the ends. The doctor's robe, full cut and with voluminous long sleeves, is distinguished by its rich velvet trim. Robe-length front panels and velvet sleeve bars are either black or symbolize, by their color, the field in which the doctorate was obtained.

Caps - Graduates of American colleges and universities wear a stiff mortarboard that matches the robe in color and material. European universities are somewhat less rigid in the style of their caps. Tassels are usually black but may represent the degree held by the wearer. Tassels worn by doctors may be black or gold.

Hoods - The color or colors symbolize the college or university granting the degree, and the velvet trim denotes the field of study. A long hood with velvet trim represents a doctor's degree. The hood trim colors most frequently seen are signified by the following:

Scarlet.....	Theology
Light Blue.....	Education
White.....	Arts, Letters, Humanities
Purple.....	Law
Dark Blue.....	Philosophy
Pink.....	Music
