 3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.

 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church co-operating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the said Committee to act as a presbytery for the purpose of examining the brother as to his

fitness for the Baptist ministry, and, if he is found qualified, to assist in the ordination.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

Baptist churches may be organized and established in localities within the territory of this Association when such new churches are seen to be needed. Those interested in organizing a new church may seek the Counsel of the Executive Committee and the Missions Committee of the Association.

ARTICLE X — RULES AND ORDER OF DECORUM

This Association shall be governed in its meetings by such rules and by-laws as may be adopted, amended, or set aside by a majority vote of the messengers present. *Robert's Rules of Order* will be the guide in all parliamentary matters.

The vote on any proposed amendment so presented may be deferred until the second day if requested by a majority vote of the messengers present.

7 The Executive Committee report was presented by the Clerk, Fred Lane.

Executive Committee Report

This past year your committee attendance has been much better than it has ever been, the highest in the history of the Association.

Your association lost two churches this past year. Fayetteville Street Baptist Church and High Rock Baptist Church withdrew during the year.

The Moderator appointed a committee to look into the possibility of securing an office for the association separate and apart from the field worker's home.

This committee has been working and has located one building in the Balfour area that can be used, with some remodeling, and checked on some rental property. A recommendation will be presented for your approval.

Respectfully submitted,
 Fred Lane

8 The Chairman of the Planning & Building Committee, Bro. Carl King, gave the following report.

Planning & Building Committee Report

In view of the Executive Committee Report just presented the Planning & Building Committee hereby request from our Association in its 41st. Session that we be empowered with the authority to seek out one of the following.

1. Rent associational office facilities (with the possibility of these facilities being located in a church with sufficient room for such).
2. Buy a structure and then remodeling the building to meet our associational office needs.
3. Build new associational office facilities.

All the above would be separate and apart from the field worker's home.

RANDOLPH BAPTIST ASSOCIATION

Once the committee, under the Lord's guidance, arrives at a situation which would best suit our associaton a special meeting of the association will be called for you to consider our recommendation.

Respectfully submitted,
 Carl King, Chairman

born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER, is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketing postage costs, and the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all of their families are the ones which have an informed membership. It is our hope that North Carolina Churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

Respectfully submitted,
Carl Zeigler

18 The State Missions Report was presented at this time by Otus Thomas.

State Missions Report

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and to teach, enlist, and train the saved in giving, living, and serving through the churches unto all the world.

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories:
(1) *strengthening* ministries and (2) *lengthening* ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential. Workshops, seminars, and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these

programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "mission stations" across the state as a foundation for the overall support of world missions, christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.

Continue to pray and to give that these ministries may move forward.

Respectfully submitted,
Otus Thomas

19 Mr. Mark Sink presented the report on Home Missions.

Home Missions Report

This convention year was another fruitful year in evangelism. For the fourth straight year the total number of baptisms exceed 400,000. The Board's evangelism staff works closely with state convention evangelism in seeking to provide a spiritual climate and spiritual motivation for faithful sharing of our Christian faith, magnifying both personal and mass evangelism. We are encouraged by the growing involvement of lay persons, including youth in serious witnessing.

The Board has adopted a set of broad goals titled "Direction '79". 1976 will be a time of preparation for the denomination's "Bold Mission" emphasis of 1977-79. The Board has approved these objectives for the "Bold Mission" thrust:

- . Let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ.
- . Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

A series of Bicentennial projects, supported by a budget of \$76,000 will focus on encouraging people throughout the nation to reevaluate their spiritual heritage and to help strengthen the spiritual and moral foundations of our nation.

At year's end the total number of missionaries under Home Mission Board appointment was 2,171, six less than twelve months earlier.

The board received \$6,939,380 through the Cooperative Program during 1974, including the generous amount of \$556,040 from Advance Funds after all budget commitments were met, and the final \$25,000 on a \$1 million Capital Funds allocation for the Board's Church Extension Loan Fund. The 1974 Annie Armstrong Easter Offering was incredible, climbing to \$8,130,142 a gain of 18.1 percent over the record offering of the previous year.

Thanks be to our Loving God for dedicated Christians that spend time and money to see lost souls come to Christ Jesus.

20 The Foreign Missions Report was presented by William Bridges of Balfour Baptist church.

Foreign Missions Report

No statistical report can tell the full story. What really happens must be understood in terms of patience, courage, stability, and dedicated service on the part of missionaries and national Christians as they reach out in the Master's name.

For the first time, the total number of Southern Baptist foreign missionaries has gone above 2,600. The 250 reinforcements for the missionary staff were the second highest ever in a calendar year. Net missionary personnel gain for the year was 68, the largest net gain in five years, resulting in a total staff at the end of the year of 2,606.

Financial support for foreign missions by Southern Baptist resulted in a record \$41,359,127.00 given through the Cooperative Program and Lottie Moon Christmas offering in 1974 (January through December). This is an 11.4% increase over 1973 and demonstrates a determined response to the challenge of inflation.

Evangelism remains the heart of mission activities which result in significant gains for the Kingdoms work. Many preachers and laymen from the U.S. traveled to mission points to share in evangelistic opportunities. Typical was the series of Crusades in Nigeria which involved preachers and laymen in addition to hundreds of Nigerian Christians. More than 20,000 decisions, including 13,000 first time professions of faith, came from this crusade.

Indigenization, a term used to describe the process whereby national Christians assume greater responsibilities from missionaries for the work of the church is continuing. Missionaries literally work themselves out of jobs in areas by assisting in training and preparing national Baptists for leadership roles. When indigenization occurs, missionaries move on to work in other areas where the Gospel message is needed.

In summary, the prospects for Christian witness by Southern Baptist missionaries today are bright, in spite of increasing pressures and international crises. New approaches, innovative ideas, and organizational adjustments may be needed and, if so, will be implemented. But never must change occur for the sake of change. Full evaluation of long range and worldwide effects must precede change.

Only by working cooperatively under God's leadership can we realize our ultimate goal of bringing people in all nations to a saving knowledge of Jesus Christ.

28 Nominating Committee report was presented by Mrs. Calvin Brower and will be found in the Directory portion of the Minutes.

29 Rev. Andy Grose presented the Sunday School Report at this time.

Sunday School Report

This past year in Sunday School we have put the emphasis on adults. We have had leadership conferences for Vacation Bible School Workers, for Pastors and Sunday School Directors, and for our Teachers preparing to teach more effectively.

This next year will be an exciting year. *High Attendance Sunday*, set for November 2, will hopefully find ½ million North Carolina Baptists in Sunday School on that date. Also included in this project will be an intensive period of visitation, a "Singleout" hunt for single adults to be enlisted, and a baby hunt designed to reach small pre-schoolers for the church.

Read the Bible in 1976 is a challenge for all adults in 1976. The Bible readings will appear in 24 SBC periodicals, including *Open Windows*, *Home Life*, and most Sunday School teacher and member magazines.

Bicentennial Class — In an attempt to increase Adult Bible Study, the Sunday School Department is sponsoring "America '76", a plan to organize at least one new adult class in each church during 1976. The project begins immediately. A beautiful red, white, and blue certificate, suitable for framing and display, will be awarded to each new 1976 adult class.

Pastors and other individuals planning to teach Hosea in January could find invaluable help at a Preparation Seminar, November 21, 3:00 to 9:00 p.m. The seminars may be attended at Southeastern Seminary, Campbell College, Wake Forest University or Gardner Webb College.

Bible Memory Plan for 5th and 6th Graders is a simplified plan to encourage children to memorize Bible verses, passages, and the books of the Bible, and is available from the church literature department of the Baptist Sunday School Board.

Called "Bible Searchers Memory Plan", — the program is designed for children to participate and achieve "at a level comfortable to the individual". The first level of achievement is memorizing one to 25 weekly memory verses.

Let's see our Sunday Schools grow this year, and our members "increase in wisdom and stature, and in favor with God and man."

30 The Church Training Report was presented by Mr. Jim Hare of Oakhurst.

Church Training Report

Church Training — the Sunday night place — is an important part of our church program. Two areas of new interest in church training has been implemented in some of our church programs this year. They are New Member Orientation and Leadership Training classes and are surely an asset to any church training program.

The annual "M" Night was held on November 25, 1974 at First Baptist Church in Ramseur. Rev. Cecil Baughman, Pastor at Oakhurst Baptist Church, delivered a challenging message.

The Associational Children's Bible Drill was held on May 25, 1975 at Oakhurst Baptist Church. We had two churches representing our Association with a total of 15 boys and girls participating. Oakhurst Baptist Church entered 11 and First Baptist Church of Asheboro entered 4. All 15 participants were local winners and qualified to enter the Children's Bible Drill on the State level.

Camp Caraway was the location of the Associational Youth Night on August 25, 1975. An estimated 200 young people and their counselors enjoyed a hamburger and hot dog outing and heard Rev. Dwight Morris present a special message to young people.

31 B. C. Owenby gave the report on the Cooperative Program.

Cooperative Program Report

Please advance the goal of EVERY BAPTIST COMMITTED TO PREACHING THE GOSPEL TO EVERY CREATURE! Will you lead the church where you serve nearer to this goal during the October Cooperative Program Prayer Month?

Every church is requested to prayerfully consider making an increased commitment to missions support through the Cooperative Program on that day for the year 1976, by using one of these methods:

1. If you are giving less than 10% of your total undesignated offerings, begin giving this ten cents out of each dollar.
2. Churches that are currently giving from ten to twenty cents of each undesignated collection plate dollar will desire to prayerfully consider increasing their giving by two more cents of each budget dollar. Churches giving more than 20 cents of each dollar, should prayerfully consider increasing this by one more cent out of the collection plate dollar each year

until that church reaches its goal for Cooperative Program giving.

3. If the church where you serve is giving on a dollar basis, you will desire to prayerfully consider giving 15% more through the Cooperative Program than your current contributions.
4. If your church does not have a budget, you could receive a special offering for the Cooperative Program on the first Sunday of every month.

Are you committed enough to preaching the Gospel of Christ to every creature on earth that you will:

- (1) have a special prayer for one or more Cooperative Program ministries during each service in the month of October;
- (2) share some information about one or more Cooperative Program ministries in each service during the month; and
- (3) climax the observance of Cooperative Program Prayer Month with ONE GREAT DAY on Sunday, October 26 by increasing your giving through the Cooperative Program?

32 The Brotherhood Report was presented by Bill Applewhite.

33 Speaking to the Brotherhood Report was Mr. Ed Bullock, Brotherhood Director from the State Convention.

Brotherhood Report

On every hand we are seeing a decline in the moral and spiritual fiber of our society and nation. Nearly every Christian that I meet and talk with shows some concern for the future of our children and grandchildren. From these ranks of young people must come tomorrow's church, community, and national leadership. Denomination-wise, our future local, home and foreign missionaries are in our churches today. Our future pastors, teachers, evangelists, ministers of education, youth and music, deacons, and all future servants and witnesses of our Lord and Saviour Jesus Christ, are in our churches now.

Brotherhood, which encompasses the total mission program for men and boys in our churches, can be one of the greatest instruments of God that our Association has ever known, now and in the years to come, if we will be faithful with what God has given us. Our Brotherhood program can be most effective in molding, shaping, and even re-shaping lives into effective servants of God.

The Baptist Men's program is specifically designed for men eighteen years old right through senior adults. The Royal Ambassador program is for boys from grades one through grade twelve. These programs can work effectively at every age level to instill in the heart of every man and boy a greater degree of concern, love, and compassion for lost souls in Randolph County and around the world. Less than one third of our Association churches are reporting any Brotherhood work at all. This means that so far as our men and boys are concerned, that over 66% of our churches have no organized programs for studying, teaching, and becoming actively involved in Mission outreach in the Randolph Baptist Association.

I truly believe that God will bless a sincere dedicated, prayerful effort. I likewise believe that unless we give our very best, it is not worthy of God's blessing. The question facing every pastor and church member in the 1975-76 church year is this: What steps are we willing to take to win for Christ the thousands of lost souls in Randolph County alone? A Baptist Men's program and a Royal Ambassador program in every church could be the best beginning. Please let your Association help.

Respectfully submitted,
W. J. (Bill) Applewhite

34 Mr. Wayne Hill presented, at this time, the report on Christian Education.

35 Speaking to the report on Christian Education was Dr. Eugene Poston, President of the Gardner-Webb College.

Christian Education Report

Baptist Colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, a significant number of Baptist college trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational missions throughout the Southern Baptist Convention. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

It is accurate to say that the ministry of North Carolina Baptist colleges, as we know it today, is the direct result of Cooperative Program support.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, \$416,066; Chowan College, \$263,333; Gardner-Webb College, \$329,166; Mars Hill College, \$360,776; Meredith College, \$360,776; Wake Forest University, \$639,900; and Wingate College, \$263,333.

Another way the churches help to relieve the colleges' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist college. Information is available in brochure form, free of charge, from the Council on Christian Higher Education of the Baptist State Convention in Raleigh. Each of the colleges pledges to North Carolina Baptist young people that no qualified student will be turned away for purely financial reasons. Through grants, loans and work scholarships, an education is available for anyone who seriously seeks it.

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

Wayne Hill

36 The report on Temperance & Morals was presented by Neal Cockerham.

Temperance and Morals

NOTE: Below is a statement from the *Biblical Recorder* that says what I wanted to say in this report.

Speaking to a workshop for school counselors on the subject of youthful alcoholism, Donald E. Shaw of Denver, Colo., documented serious drinking problems among fifth and sixth graders. Interviewing groups of 100 fifth graders, he said an average of 84 indicated they had tried alcohol at least once and as many as 50 said they had tried it 10 times or more. Shaw said that he saw the first fifth grader come to school drunk two years ago and that it set off a pattern involving fifth grade students. In a survey of sixth graders, he said six to nine per cent had experienced sex and almost all of those surveyed had been allowed unsupervised dating by the time they were 11 years old. Unless steps are taken first in the home and then in our educational system, it is impossible to predict the number of teenage alcoholics in the future. Already the number of youngsters age 16 and under who are alcoholics number almost a half million.

37 Mr. Carl King gave the report on Annuity at this time.

Annuity Board Report

The Southern Baptist Convention Annuity Board serves as a life-line of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15½ million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over \$125 million in retirement and protection benefits.

The Annuity Board also holds in trusts and invests retirement contributions from 38,000 pastors, other church staff and denominational employees — which will be converted into annuity benefits when they retire.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than \$675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

38 The Children's Home Report was presented by Rev. T. W. Nelson.

39 Speaking to the Children's Home report was Mr. Phillip Morrow from the Mills Home in Thomasville.

Children's Homes Report

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were effected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress

is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterized the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Let us join our hearts in prayer for our workers who serve our Homes for our children and give a generous Thanksgiving offering that this great work of God may go onward.

Respectfully submitted,

T. W. Nelson

40 Rev. H. C. Neathery presented the Baptist Hospital Report.

Baptist Hospital Report

The past year has been one of continued growth and progress for our Baptist Hospital. There have been many significant developments, in several different areas.

The new ambulatory care unit is now being opened, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the west wing will be complete and renovation of the south wing began in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter family practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received \$258,898

through the Cooperative Program and \$392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

Another group that deserves high commendation are the volunteer workers that provide many hours of free service to the patients. The total hours of volunteer service increased again this year for the third consecutive annual period. There are now nearly 400 people who serve as volunteers in the Baptist Hospital. They worked more than 40,000 hours for the period of July 1, 1974 through June 30, 1975. These hours represent the equivalent of 20 fulltime employees.

The largest segment of volunteer work is in the area of patient assistance. This includes visitation, obtaining of diet information, delivery of flowers and mail, writing letters, and running personal errands.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving the hospital administration for 29 years.

Respectfully submitted,
Hansel C. Neathery

41 The report on the Homes for the Aging was presented by Reginald Dawkins.

Baptist Homes For The Aging

There has never been a year in the history of our Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of our five resident Homes and the Skilled Nursing Care Facility of the homes.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, our homes served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Homes, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Our love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for us.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of

the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise \$1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that our gifts bring. Know that our ministry to even one of these dear older people is a ministry as unto Christ Himself.

Respectfully submitted,
Reginald Dawkins

42 Rev. Justus McKeel presented the report on Evangelism.

43 Speaking to the report on Evangelism was Mr. Kenneth Ridings of Fruitland Bible Institute of Hendersonville.

Evangelism Report

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders will attend the 5th Statewide Youth Evangelism Night — August 15 — at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest preacher, and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

On April 17, the Randolph Associational Evangelism Rally was held at First Baptist Church, Asheboro. Dr. John Tresch, pastor of First Baptist Church, Cherryville was the speaker. The inspirational music was given by Paul Robbins, minister of music at the Cherryville Church.

Plans for 1976 include participation in a joint revival effort in the spring and a meeting on the associational level with Dr. Vance Havener as speaker.

Appreciation Committee Report

1. That we express our gratitude to God for His divine leadership in and through the Randolph Association and for the true Christian fellowship which prevails among us; and further, that we seek His continued blessings and guidance in all our laudable undertaking in our never-ending task of His Kingdom's work.
2. We express appreciation to Our Associational Missionary and to all officers of the Association who have worked so diligently to make the past Associational year and the present session a most gratifying contribution to the glory of the Kingdom of God.
3. Our sincere appreciation to our Moderator, the speakers and singers who challenged us to a deeper commitment to the Lordship of Christ, and of the unmeasurable love of our Heavenly Father.
4. Our thanks to the host churches, Deep River and Union Grove for the use of their facilities and for their cordiality, Christian fellowship and the fine food.
5. Finally, in view of the fact that these are critical times in which we live, that the 43 churches of our association be encouraged to restudy and recommit themselves to the basic purpose and function of the New Testament church, with special emphasis during 1975-76 to covenant together to work and pray for a great spiritual revival in our area.

Respectfully submitted,
Mrs. Ruth McNeil
Mrs. Lela Carter
