ACME MEETING: The Wake Forest ACME Chapter will meet on Thursday, March 3, 1977, at 7:30 p.m. at the Wake Forest Public Library. Barbara and Dave Hill will be leading the program on personal growth. The growth and development of each partner in a marriage is important in strengthening and enriching the marital relationship, and there are some important questions each partner can ask in approaching personal growth within his/her marriage. How am I different from my spouse? What are our conflicting needs? What can I do to help my partner realize his/her growth goals? What am I doing presently which hinders my spouse's growth? What changes are needed in our marriage? How can I learn to risk more of myself with my spouse? All interested couples are invited to come and consider these and other ideas with Wake Forest's ACME members.

LITERARY ISSUE MATERIALS:

Students are encouraged to submit poetry, prose and short stories for the literary magazine to be published through the Enquiry. A \$5.00 cash award will be made for material judged best in each category. The deadline is March 17.
