Dear brothers and sisters, it has been almost a year since you gave me liberty to speak. I appreciate the opportunity to make sure of my calling. I'm sure now that I don't have the call. Just wanting to preach is not enough. The last two or three months I have not been as happy or at peace here as I was before I started speaking. I believe my real calling is to learn to be a good church member and a good Primitive Baptist. I felt I had to make another effort to preach or I would have always wondered about whether or not I was called. It's with love I ask the Church to take back my liberty to speak. I'm sorry if I have offended anyone. It's my desire to continue my fellowship here in peace and joy in the Spirit. My hope and prayer is to become a dedicated Church member.
