

SOUTHEASTERN BAPTIST

FEB 06 1979

The Spring semester began January 16. Dr. John Steely delivered the convocation address entitled, "Southern Baptists and World Christianity: Time For A New Examination." David Shirley was presented the Culler Award in Theology for his paper entitled, "Faith, Revelation, and the Silence of God."

SPRING TERM

Enrollment for the Spring term is 1008.

The Administrative Council were in a two-day retreat, January 3-5. The primary purpose of the meeting was to review institutional objectives. Several decisions were made regarding the recently completed Consultation on Support Services. These will be communicated and implemented within the following months.

ADMINISTRATIVE
COUNCIL RETREAT

The consultant from The Ketchum Company arrived on campus January 3. John Courtney, campaign coordinator, has completed a master plan for the special effort to raise \$3,500,000. Enlistment of leadership is now underway. The publicity materials are being prepared.

KETCHUM
CONSULTATION

A contract for construction of 100 student (townhouse) apartments was signed January 25, 1979, with The Fortis Corporation, subsidiary of the Daniels Construction Company, Greenville, South Carolina. The contract calls for at least 50 of the apartments to be available by Labor Day. All apartments will be available by January 1980.

STUDENT
APARTMENTS

All contracts have been let for completion of the seminary subdivision (tentatively named "Heritage Woods"). The work should be finished by late Spring. Three different companies have contracts for components of the work which, when completed, will yield 21 building lots for seminary personnel.
