FREE HELP:

Do you sometimes find it difficult (or time consuming) to locate information on various subjects of concern to Baptists? Are you in a hurry to gather data for a term paper, D.Min. project, or class presentation? Well, let the Baptist Information Retrieval System (BIRS) do it for you - FREE! For a LIMITED time only (through Nov. 4), the Historical Commission of the SBC is dismissing its normal \$4.00 processing charge and inviting you (FACULTY, STUDENTS, STAFF) to test the ability of BIRS to provide recent ('73-76) and useful information for your study. If you are interested in this service and would like further information concerning it, please stop by the Reference Office at the Library and Mrs. Jean Allen or Mrs. Arlene Macon will be glad to assist YOU!
