Dear Friends:

One of my most treasured possessions from my Southeastern student days is the accumulated copies of the Directory.

Here are the names and faces of friends — the very human and very personal dimension of what it is all about on our campus.

So, enjoy your Directory now, and store it away for later.

This way you may savor those days for years to come.

Devotedly,

W. Randall Lyle  
President

## Southeastern Baptist Theological Seminary

AN AGENCY OF THE SOUTHERN BAPTIST CONVENTION

Wake Forest, North Carolina 27587

October 7, 1974

Dear Fellow Students:

This directory will provide one of the greatest channels of communication on our campus. We wish to express our thanks to all those who have had a part in its publication, for many hours of work and study have gone into it.

It is our hope that this directory will enable you to become better acquainted with your fellow student who they are, their homes, family and background. We believe that bonds of friendship formed here will last through the years of our service. The directory will aid us in keeping in touch after we leave Southeastern.

In the back of this book you will find the Student Body Constitution and other information governing student conduct. Please read this carefully and use the material to become a better informed and involved student.

Take the time to learn who your fellow students are. Be willing to be a friend. Be willing to care. You will find ties forming that will last through the years, enriching your time here and your ministry in the future.

In His Love,

  
Kenneth A. Smith  
President  
Student Council

THEOLOGICAL SEMINARY  
Wake Forest, North Carolina

## Health Center Program

In the interest of attaining the highest possible level of health among students, faculty and their families, the Seminary makes available a program of health care and medical services for all members of the Seminary family. The medical services include, among other things, a program of prevention of illness through physical examinations and immunizations, and treatment of illness under the direction of the campus physician.

In order that students may understand the health care program and know their own responsibilities in seeking the services provided, the following statement of policies has been formulated.

### General Policy

The Seminary Health Center will be open as follows:

Monday through Friday  
8:30 a.m.-3:00 p.m.

### Doctor's Hours

10:00 a.m.-12:00 noon By Appointment

Students needing medical care are asked to report to the Health Center for treatment. Appointments to see the physician should be made several days in advance if no acute illness is involved. Students are seen by the physician without charge, but are responsible for cost of drugs prescribed by the physician. All appointments with the physician must be kept punctually.

After the Health Center closes each day, **NO NURSE WILL BE ON CALL.** If medical attention is essential before the Health Center opens the following day, persons must call the office of a physician of choice for an appointment. All services of a physician, other than those rendered at the Health Center will be at the expense of the patient.

### Purchase of Medicines

Participants in the Health Center Program may secure general medicines and some medical supplies through the Health Center as prescribed by the campus physician at prices which cover cost plus handling. The sale of prescription medicine is limited to medicine prescribed

by the Campus Physician. Drugs prescribed by the Campus Physician and which are not in stock may be ordered at the request of the student. The student is asked to pay for all medicines at the time he receives them. Prescriptions written by other doctors may not be filled at Health Center.

#### **Health Center Location and Personnel**

The Seminary Health Center is located on Rock Spring Road (adjacent to the Trailer Village and across the street from Wake Forest High School). Off street parking is provided at the rear of the building.
