STUDENT COUNCIL

The Student Welfare Committee

In spite of the broad scope of this committee's function described in the Student Council Constitution ("... housing, employment, financial and other personal difficulties of the students and their families." IV, 3, g.), most of its concern in the past has been with the financial difficulties in which students have found themselves.

This year, this committee seeks to provide other ways of aiding students in addition to financial guidance. A Crisis Closet will be maintained on the second floor of Mackie Hall, in the SCC Committee room. At present any donations of clean usable clothing or staple groceries should be left in the office of Director of Student Activities.

If you have a need which the welfare committee can meet, or know of any one who does, please contact a member of the committee. At present, the members are Dr. John Steely, Faculty advisor; George LaDue, Certificate class; Don Morris, Middler; and Eric Rowland, chairman. There is still a need for a representative from the Junior class and from the senior class on this committee. Please see the chairman if you are interested in serving in this manner.

Eric Rowland

Ethics Committee

The purpose of this committee is to present moral issues and ethical concerns as they appear before the student body. So far, we have brought to the attention of the campus information concerning the Liquor-by-the-Drink issue. In the future we are planning to sponsor the Bloodmobile event which will take place on February 7, 1974. We ask you to support our endeavors in order that we may better serve you, the student body. The members of our committee are Patsy Scott, Milt Lewis, and Gloria Kimball, chairman. Our faculty advisor is Dr. Thomas Bland.
