**CONSTITUTION AND BY-LAWS OF RANDOLPH BAPTIST ASSOCIATION**

**Article I—Name and Object**

Section 1. The name of this organization shall be the Randolph Baptist Association.

Section 2. The objects of this organization shall be:

- a. The promotion of harmony, fellowship and cooperation among the churches of the Association.
- b. The propagation of the Gospel within the territory of the Association and to the uttermost part of the earth.

Section 3. The promotion of the missionary, educational and benevolent causes of Christ within the Association and in cooperation with the State Baptist Convention of North Carolina and the Southern Baptist Convention.

**Article II—Membership**

Section 1. The membership of the Association shall consist of messengers of Baptist churches regularly affiliated with the Association. All churches desiring affiliation with the Association shall present to the Committee on Organization of New Churches proper petitions, accompanied by satisfactory evidences of doctrinal regularity and general acceptability. After one year under the watchcare of the Association the said Committee will report to the Association its recommendation. Upon a favorable vote of two-thirds majority of the messengers present at the annual associational meeting the petitioning church may become regularly affiliated with the Association.

Section 2. (A) Fellowship may be withdrawn by the Association at any annual meeting, upon recommendation of the Executive Committee, from any church in its membership that has been found, by due investigation, to have departed from the Missionary Baptist faith and practices, or has failed to abide by the provision of this Constitution and By-Laws.

(B) Such a church may, upon recommendation of the Executive Committee and vote of the Association, be placed on probation until the conditions prompting such action have been corrected. Messengers from any church on probation shall not be allowed to vote in the meetings of the Association.

Section 3. It shall be the duty of each church to furnish to the Association each year a letter, on the form provided by the Clerk, giving full information and statistics provided for on the form, and to send with the letter or by messenger a contribution toward the cost of printing the minutes and other expenses of the Association.

Section 4. It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

**Article III—Meetings**

Section 1. The Association shall meet annually on Wednesday and Thursday following the third Sunday in October.

Section 2. The annual meeting shall be composed of messengers chosen by the respective churches of the Association from their membership. **Each church shall be entitled to three messengers and one additional messenger for each fifty members, or fraction thereof, above one hundred it has enrolled.** All pastors in the Association and the Associational Field Worker are messengers in all the Associational meetings, each having but one vote.

Section 3. The Association may hold a Mid-Term meeting each spring at such time and place as may be determined by the Association or its Executive Committee. The purpose of the Mid-Term meeting shall be that of information and inspiration without the transaction of business, except that urgent matters of business which cannot well be delayed until a later meeting may be considered and acted upon.

Section 4. Other meetings of the Association may be held when called by the Executive Committee.

Section 5. A church may withdraw from membership in the Association by a vote of the church according to its own by-laws, regulations or procedure.

#### Article IV — Officers

Section 1. The officers of this Association shall be Moderator, Vice-Moderator, Clerk, Treasurer and three Trustees.

Section 2. These officers shall be elected on the first day of the regular annual session. They shall take office at the close of the Annual Session and serve through the next Annual Session. Any officer may be re-elected with the exception of the Moderator, who shall not serve more than two years in succession.

Section 3. Duties of the officers:

- a. The Moderator shall preside over the meetings of the Association and discharge such duties as are incumbent on the presiding officer of a deliberative body.
- b. The Vice-Moderator shall perform the duties of the Moderator in the absence of or at the request of the Moderator.
- c. The Clerk shall record and preserve the proceedings of the Association, together with the reports and statistics, and have the same printed and distributed. The Treasurer shall preserve all money paid into the treasury, pay the same to the order of the Association, and make a full and complete report of all receipts and disbursements at the Annual Meeting.
- d. The duties of the Trustees shall be to transfer or hold title to any properties for the Association. All transactions of said Trustees shall be authorized by the Association or its Executive Committee.

Section 4. The Association endorses the continued operation of organizations among the churches of the Association for the promotion of the various phases of their work including the Sunday School, Baptist Training Union, Baptist Brotherhood and Woman's Missionary Union. The officers of the Associational Sunday School, Associational Baptist Training Union, and the Associational Baptist Brotherhood shall be nominated by their Nominating Committee and the Nominating Committee of the Association, and approved and elected by the Executive Committee of the Association, and shall serve from October 1 to September 30. The Woman's Missionary Union shall be recognized as an auxiliary organization of the Association.

#### Article V — Executive Committee

Section 1. The Association shall have an Executive Committee comprised of the Moderator, Vice-Moderator, Clerk, Treasurer, Trustees of the Association, Associational Sunday School Superintendent, Associational Baptist Training Union Director, Associational Baptist Brotherhood President, Associational Woman's Missionary President, the Associational Field Worker, all pastors, all church educational directors, and one member of each church in the Association desiring representation on the Committee.

Section 2.

- a. The Executive Committee shall hold meetings once each quarter during the second month of the quarter, the date to be set by the Board itself, and at such other times as may be required at the call of the Moderator, or at the call of not less than five members of the Executive Committee.
- b. Twenty members of the Executive Committee shall be required to be present to constitute a quorum.
- c. To act for and on behalf of the Association between sessions.
- d. To carry out the orders and resolutions of the Association pertaining to it.
- e. To superintend the Associational Mission work, employ a missionary and determine the salary to be paid.
- f. To fill vacancies which may occur during the year in the personnel of the Associational officers or workers for the remainder of such unexpired term.
- g. To investigate any report of complaint that may be brought to its attention about irregularity of doctrine, practice, or conduct on the part of any individual or group in the Association and report its

- finding with such recommendations as it considers advisable, to the Association in a regular meeting.
- h. To make such recommendations as it may deem wise for the strengthening and upbuilding of the churches and the work of the Association.
  - i. The Executive Committee shall not involve the Association in debt to exceed one hundred dollars for necessary operating expenses of the Association.
  - j. To appoint and elect the officers for the Associational organizations of the Sunday School, Baptist Training Union and Baptist Brotherhood.

**Article VI — Committees**

Section 1. The Moderator shall appoint a Committee on Committees some weeks before the annual meeting of the Association. This Committee shall prepare its report and shall be given the opportunity to submit its report early on the program of the first day of the annual session. The Committee shall name the following committees to report during the annual session: Committee on Place and Preacher, Committee on Memorials, Committee on Appreciation, Committee on Goals, and such other committees as may be requested by the Association or Moderator. It shall also name a Nominating Committee, and a Committee on the Order of Business for the next annual session. The following Standing Committees shall also be named: Committee on Ordination, Committee on Organization of New Churches, the Radio Committee, and such other committees as may be requested by the Association or by the Moderator.

Section 2. Duties of the Committees:

- a. The Committee on Place and Preacher will receive all invitations of churches which desire the Association to meet with them the next year and will recommend to the Association the place to meet, without regard to the order in which the invitations may have been received. This Committee will also recommend a preacher and an alternate for the annual sermon at the next session.
- b. The Committee on Memorials will prepare a list of those members of the churches who have died during the year and present suitable memorial resolutions for adoption by the Association.
- c. The Committee on Appreciation will prepare and present appropriate resolutions of appreciation.
- d. The Committee on Goals will present some suitable goals for the work of the Association during the ensuing year.
- e. The Committee on Order of Business will prepare well in advance a suggested order of business for the annual meeting. The committee will notify those who are to make reports or have parts on the program. This suggested order of business will then be presented to the Association at its regular meeting.
- f. The Nominating Committee shall nominate a complete slate of officers for the next year, excepting the Moderator, Vice-Moderator, Clerk and Treasurer.

**Article VII — Ordination and Calling of Pastors**

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the said Committee to act as a presbytery for the purpose of examining the brother as to his fitness for the Baptist ministry, and, if he is found qualified, to assist in the ordination.
