Dear Southeasterner,

You have probably been to an old-time memorial service where they sang "Precious Memories." When we are young, or before we have lost friends and loved ones to the passing of the years, it is difficult to imagine how precious a picture can be.

One of the most precious memories that you will have throughout your ministry is the memory of your fellow students with whom you shared classroom and living experiences during your years at Southeastern. In addition to that, having the pictures of those of us who are your professors will also be interesting to you and your children in later years. Most of us remember going through books such as this one and pointing out to our children one professor or another and saying, "This one really helped; this one was terribly difficult," etc.

Therefore, I commend this book to you and urge you to protect it and keep it as a valuable resource for years to come. Periodically I find myself coming across someone who was influential in my college or seminary days. I go back to my "funny book" and find their picture and remind myself of the happy days there.

May God bless you during this year as you walk with your fellow saints of God who are pictured in this book.

Until He Comes,

A handwritten signature in cursive script that reads "Paige Patterson". The signature is written in dark ink and is positioned above the printed name.

Paige Patterson

Dear Southeasterner,

I hope that this semester will be a refreshing time for you and that you are looking toward the upcoming academic year with an immense anticipation of the great things ahead of us. This year God is blessing Southeastern Seminary with an increase of students. Some of the names are both familiar and unfamiliar. As you scan the pages of this book, I would like to share this devotional outline with you.

The Type of Person God Uses

- I. People's availability is more important than ability.
- II. People who dare to be different.
 - A. A relationship with God.
 - B. Conformity to the world is the enemy of Christianity.
 - C. Can we stand alone.
- III. People who follow Him completely.
 - A. Obedience is another word for faith.
 - B. O.K. Lord, whatever you say.
- IV. People who never give up.
 - A. Patience, Hard-working.
 - B. It took Noah 120 years to build the ark.
 - C. Three things that will tempt you to give up:
 1. Problems
 2. Pressures
 3. People
- V. How do I become useful for God?
 - A. Make yourself available.
 - B. Dare to be different.
 - C. Commit yourself to God's plan.
 - D. You never give up.

God Uses Ordinary People

Get to know the precious people in this book. The people that are here in these pages have the ability to bring revival to our desperate land through Jesus Christ who strengthens us.

Eternally His,

Stephen D. Angell

Notes

Southeastern Baptist Theological Seminary

Statement of Purpose

Southeastern Baptist Theological Seminary seeks to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world. This purpose is implemented through programs of spiritual development, theological studies, and practical preparation in ministry.

Statement of Mission

Southeastern Baptist Theological Seminary is an institution of higher learning established and supported by the Southern Baptist Convention in order to "contend earnestly for the faith which was once and for all delivered to the saints." The Seminary maintains an administration and faculty of God-called members whose convictions and calling reflect consistent adherence to the institution's Articles of Faith. The Seminary's administration and faculty are qualified by personal commitment to Christ, by academic preparation, and by personal and professional experience to provide guidance in spiritual, intellectual, and practical endeavors. Through its administration and faculty, the Seminary offers a program of instruction which focuses on three primary areas: (1) spiritual development, (2) theological studies, and (3) practical preparation.

I. Spiritual Development - The Seminary seeks to foster spiritual growth in the grace and knowledge of the Lord Jesus Christ as essential preparation for Christian ministry and service. The foundation for spiritual development is an unqualified commitment in obedience and faith to the person and work of the Lord Jesus Christ. Spiritual development also requires seeking and following the Holy Spirit's guidance in the formation of Christian thought and character and in the pursuit of one's Christian calling.

II. Theological Studies - The Seminary seeks to prepare men and women for Christian ministry and service by helping them discern, defend, and proclaim God's revealed truth. The Seminary pursues high academic standards in providing courses of study for understanding the Bible and the history, content and contemporary relevance of the Christian faith. The Seminary is committed to the complete veracity, inerrancy, and infallibility of the Bible as an essential foundation for effective Christian ministry and service.

III. Practical Preparation - The Seminary emphasizes a wholesome, intelligent and intentional evangelism in obedience to the Lord Jesus Christ's commission to make disciples of all nations. Spiritual development in Christlikeness and Bible-based theological studies will produce a compassionate desire to minister to the human suffering caused by individual, social and spiritual evils. The Seminary program provides practical preparation for a wide variety of Christian ministries, with special focus on proclaiming the Gospel and extending the ministry of the local church.
