NEW TENNIS
COURT POLICY:

Beginning Tuesday, April 20, a new policy for the use of the seminary tennis courts will become effective, making the courts more available for the seminary family. The policy will be on a trial basis through July 31 at which time a review of its effectiveness will be made. The full policy will be published in a future issue of the Enquiry. However, following are some of the basic guidelines.

FOLLOWING ARE SOME OF THE REASONS FOR THE...
THE BOTTOM LINE IS THAT THE...
EFFECTIVE... MAKING THE... MORE... FOR...

- (1) Students, faculty, and staff members may reserve the courts for one hour sessions during supervised hours. Reservations are made through the Director of Student Activities office and will insure the person of a court. Reservations can be made one day in advance. Supervised hours are: Monday - Friday 2:30 - 7:30 p.m.
Saturday: 9:00a.m. - 12 noon; 2:00 - 7:30p.m.
Sunday: 2:00 - 7:30 p.m.

At other hours, a key may be checked out from the Director of Student Activities office, Mackie Hall.

- (2) Seminary persons may have guests provided that no more than one court is occupied at any one time and guests may use the courts only while the seminary member is present.
- (3) Valid seminary I.D. cards will be required when a positive identification is needed. Children and youth of seminary students, faculty and staff will need a tennis court I.D. card. Parents may obtain these from the Student Activities office after Monday, April 13.
- (4) A student supervisor will be present to maintain court reservations and the general court area.

Comments, suggestions and evaluations are welcomed and should be brought to the Director of Student Activities.
