WOMAN'S CLUB HEARS MR. HENDRICKS

Youngsville. — The Rev. Garland C. Hendricks, professor of Church and Community Development at Southeastern Seminary, Wake Forest, was the guest speaker for the regular meeting of the Youngsville Woman's Club last Tuesday evening. In his discussion of the topic "Family Life and Religion", Mr. Hendricks emphasized the importance of the family unit as a part of the christain heritage upon which our democratic way of life has been built. He told the group that Communist Russia and Nazi Germany had tried to abolish the family life as a unit. In their failure to do so they had realized the value of the family pattern and have reestablished it with such strength that it is more difficult to secure a divorce there now than it is in the United States.

Mr. Hendricks cited the many advantages which we now enjoy because modern inventions have taken the drudgery out of living, medical science has increased the life span, and more vocational opportunities are available than ever before. All this presents such an appeal to materialism that our family life is greatly endangered unless we can arrive at the right answers to the following four questions which every family group must face: What about God? What about the church? What about right and wrong? How can the family practice religion in the home?

Mrs. J. T. Moss, president conducted the routine business session at which time the various committee chairmen reported on the project activities sponsored by the club.

Hostesses for the meeting, Mrs. Archie Brown, Mrs. W. R. Evans, and Mrs. J. J. Hart served dessert refreshments with fruit punch and mixed salted nuts. The community house in which the meeting was held was decorated with lovely arrangements of mixed spring flowers.

MAY

Mr. Beasely, an interior, decorator spoke for us in May,
And his expert advice was helpful in every way.
He said the right technique and color scheme
Can make any home a perfect dream.
Of all the speakers we have had as a guest
We thought Mr. Beasely was one of the best.

Mr. Beasley Speaks To Club

Youngsville—Youngsville Woman's Club held its May meeting at the Community House last Tuesday evening with Mrs. Elton Mitchell, Miss Lucy Mitchell, Mrs. Mary Hight, and Mrs. Hattie Mae Haywood hostesses. Lovely arrangements of roses in mixed colors were used in decorations.

Mrs. Joe T. Moss, president, conducted the routine business session in which Mrs. Elton M. Mitchell gave the secretary-treasurer's report; Mrs. Willard Timberlake and Mrs. E. R. Tharrington announced that the Intermediate Girl Scouts organization had been completed and tentative plans had been made for the Brownies. Mrs. Wallace Mullen, birthday chairman, reported that a gift had been sent to an inmate at Caswell and would be presented at the party conducted by the officials of that institution.

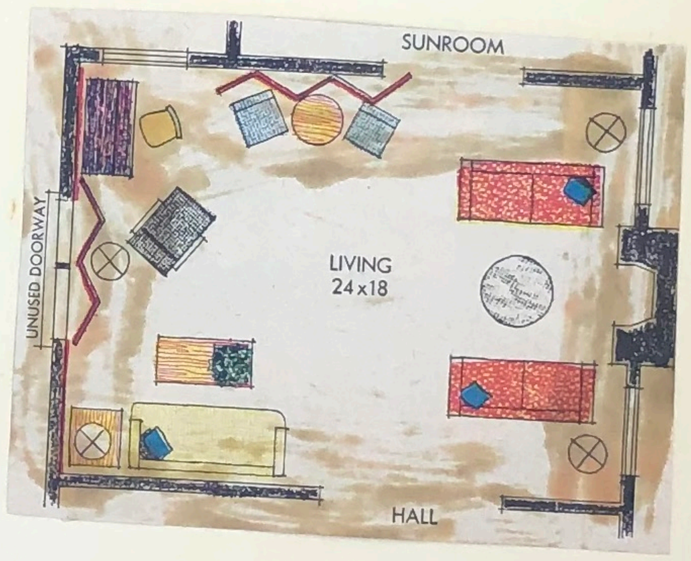

The guest speaker, Mr. Glenn Beasley, interior decorator of Raleigh, was introduced by Mrs. John Parrish, Chairman of the Department of Homes and Gardens.

Mr. Beasley conducted, informally, a most interesting discussion and conference on interior decoration. His points of emphasis were color combinations in painting, drapery, and room furnishings; room individuality; and furniture arrangements. He stressed the fact that the one essential for pleasing effects in any room is balance which is to be achieved through carefully selected colors and furniture arrangements.

Mr. Beasley displayed a varied selection of drapery and upholstery materials, calling attention to color and fabric combinations. He also presented a display of rug samples in nylon, rayon, wool, and combination materials in a variety of colors and patterns. .

The hostesses served a combination sandwich-dessert plate with mixed salted nuts and Coca-Colas.

Mr. Beasley gave an interesting talk on carpets, draperies, upholstering and furniture arrangements.

YOUNGSVILLE WOMAN'S CLUB

The Youngsville Woman's Club was organized in January of this year. The forty-two members of the club have shown much enthusiasm and interest in the newly formed club.

Projects chosen by the club are (1) organization of the Girl Scouts, (2) sponsoring the Teen-Age club and (3) care and upkeep of the Community House, in which the club will hold its meetings.

We sponsored a turkey supper on March 12. Proceeds from the supper, which totaled $160.25, are to be used for club projects.

Improvements on the Community House have already begun. Material for draperies has been purchased and will be made by members.

Although we are an "infant" club, we look forward to the different phases of club work, and hope that we may be of real service to our community.

WOMAN'S CLUB NEWS

Youngsville—The Youngsville Womans Club will meet Tuesday night, September the twentieth at eight o'clock in the Community House.

The Educational Department of the Club is in charge of the program. Mrs. Arthur Hall and Mrs. Katherine Allen, program chairman, announce that they have been fortunate in securing as guest speaker, Dr. Amos Abrahams who is Editor of the North Carolina Education Association.

Special invitations have been extended from the Club to the Youngsville School Faculty, County Supt. Mr. Wiley Mitchell, and President of the Parents Teacher Association, Mrs. James G. Lye.

Dr. Abrams Speaks To Woman's Club

Youngsville — Dr. Amos Abrams of Raleigh, editor of the State Teachers Magazine, spoke to the Youngsville Woman's Club Tuesday evening on "An Editor Looks at Contradictions."

Well versed in the field of child education, Dr. Abrams cited the ways of education that are contraditions to the principles of nature. First, there should be interest for all children in North Carolina, not just one's own. It is the parents' obligation to get and keep all children in school, yet this has become the teachers' duty. Second, it should be the parents who discover the child's talent and watch it grow; this the teachers now do. Third, the parents should be helping to get special courses in the schools to aid the children in developing these talents; this has become the teachers' campaign.

Dr. Abrams stressed aid for professional people, in order that these professional paid people could do the professional work for which they were employed. There is a shortage of teachers, he stated, and you can't buy first rate teachers and education at bargain prices.

The biggest business in town, Dr. Abrams said, is the school. The teachers need an extended time to prepare for this business and to complete the reports of the business without using the 180 days that should be the childs. This is efficient business.

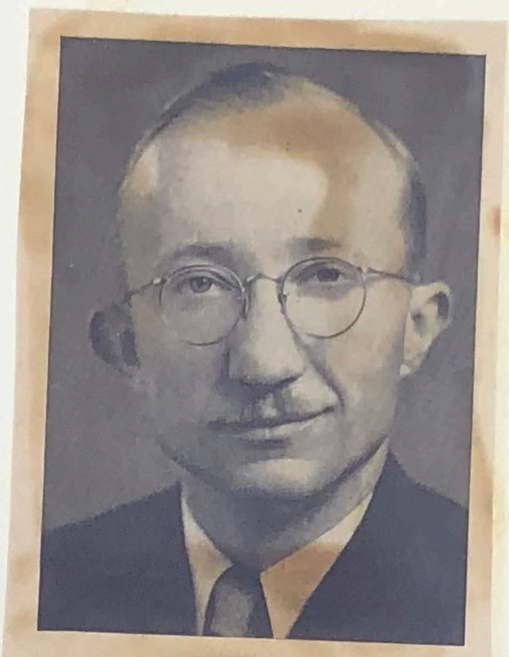

Dr. Abrams was introduced by County Superintendent W. F. Mitchell.

Mrs. J. T. Moss, president of the Womans Club, welcomed the guests and two new members, Mrs. Pattie Justice and Mrs. J. W. Weathers.

Mrs. Moss gave a report on the summer activities which were: the Executive Committee had met twice to discuss various projects; a cafeteria style supper was sponsored; delegates attended a conference in Warrenton; a new sign had been obtained and placed at the front of the Community House; and requested that the secretary send a note of thanks to the Lions Club for their assistance in this.

Mrs. Wallace Mullen discussed "Help a Home" project. This is a new project of the N. C. Federation of Women's Clubs in cooperation with County Departments of Welfare and just another opportunity for the clubs to be a good neighbor. The N. C. State Board of Public Welfare and the 100 county departments of public welfare work with the clubs in this and other projects concerned with strengthening family life.

Mrs. Harold Reddick reported on the Brownie Troop, their organization and progress so far. Mrs. Willard Timberlake announced that the Girl Scouts would have their Investiture Ceremony in approximately two weeks. Mrs. Ollie Roberts speaking for Mrs. Kathleen Croom, asked that the motion "to refinish the tables" be withdrawn and void, for a committee was now working on the purchase of new tables which seems to be the better and cheaper way out.

Mr. Duncan was introduced by Mr. E. J. Pearce, Town Commissioner.

Dear Club Presidents:

For the past few days, I have been resting at home and reflecting on the value of the District Meetings and have come to the conclusion that the response this year has been most gratifying. As I have thought, I have been aware that out of the 358 clubs, both Junior and Senior, that perhaps without having kept a record, there were 342 Presidents attending these meetings. This is an amazing figure and I dare say that 350 were represented by either you or your representative. The reports that you gave showed enthusiasm and vitality that is bound to be recognized and valued in your respective communities.

I am proud to have had the privilege of working with such a fine group of women and to realize that with a program such as ours your enthusiasm can never burn out. Please accept my humble thanks for carrying out the program of our organization and keep your lamps filled with the oil of understanding, that your lights may send out beams of service to your community.

Devotedly,

GIRL SCOUT NEWS

Youngsville—Under the leadership of Mrs. W. C. Timberlak and Mrs. Kathleen Croom, Troop No. 1 of the Youngsville Girl Scouts have certainly had a busy week end, reports Marilyn Jo Timberlake.

They attended the Veterans Day Parade in Louisburg on Friday. Saturday at 4 p. m. they met for a hike to Scout Rock which is 1 1-2 miles west of Youngsville.

Upon return, each scout went to the Community house for an overnight camp. This camp was named Fort Hillcrest and carried out as much as possible as if they were under the open skies. Meals were prepared camp style.

Artificial respiration was taken up in the first aid course. Square dancing and singing were enjoyed, movies were made and two scouts were on guard, alternating each hour for the entire night.

May we express our sincere appreciation to the entire club for making possible our troop flag. It is beautiful and we love it. We used it in the parade last week and received many compliments. May we expecially thank Mrs Elton Mitchell for purchasing and making the flag. She is indeed a great asset to your club.

FINER CAROLINA PROGRAM PROGRESS

Youngsville — As the conclusion of this years' Finer Carolina Program draws near, the town of Youngsville is still at work on community improvements.

Work has recently been done on one phase of work which has dealt with the lawn and shrubs around the Community House. During the past few weeks, the Finer Carolina Committee Chairman, Mrs. Margaret Moss, in cooperation with the Woman's Club and Town officials has made commendable changes in that area

Serving on the Woman's Club Committee are Mrs. Bob Cheatham, Chairman; Mrs. Mabel Timberlake and Mrs. Evelyn A. Freeman, Co-Chairman. Mayor James Pearce and the Town Commissioner were of great assistance with their cooperation and by offering use of the town trucks and tractor. Mr. Robbie Robinson volunteered his time and equipment to disc the land. After this was done, dirt was hauled in and spread, in order to level the land. Credit goes to Chief of Police, Mr. Alton Green for his help in this project. He supervised some preliminary work of removing large weeds, bushes and rocks as well as other work.

Mr. Rudy Evans and Mr. Bob Cheatham have raked and sown grass seed in the area around the building; the seed having been donated by Mr. Joe Moss.

The Finer Carolina Program is again this year bringing about splendid community cooperation as well as physical improvements in our town.

REPORT ON INTERNATIONAL CONVENTION

DECEMBER

We all love this season of the year,
Plenty of snow and Christmas spirit.
We wreathe the door and make good cheer,
Sing carols so all may hear it.
But when we really absorb the meaning
Of Christmas and its cheer.
The Hope, the Light for all, we're thinking,
Who made this World so dear.

WHAT IS "HELP-A-HOME"?

"HELP-A-HOME" is a joint State-wide project of the N. C. Federation of Women's Clubs and the 100 county departments of public welfare. This project supplies needed items for homes of people who do not have resources for home improvement since their limited funds must be used for basic needs of food and shelter.

The "Help-A-Home" project meets a very real need of families receiving public assistance because the small public assistance grants do not provide for securing the items generally associated with home improvement. Where such needs remain unmet, the whole process of helping people help themselves is handicapped.

WHAT IS THE PURPOSE OF "HELP-A-HOME"?

First, to help raise the level of living for a group of families in the community who, through no fault of their own, are unable to supply their homes with the items necessary for the maintenance not only of pride and self-respect but also of health and decency;

Second, to help put to use many household items that are no longer needed, but are too good to discard.

Household items needed and frequently available in homes where they are no longer in use include:

Through the Help-a-Home program a needy family was helped. Members Contributed Clothing, bedding, food and toys.

Dear Mrs. Moss,

This is to remind you that your club officers for the coming club year are to be elected in January and please be sure to turn in the names of these new officers with your annual report which is to be in my hands on or before February 1st. You will remember also that you are to send me at that time a report of your club's activities for the State Yearbook, which report is not to exceed 150 words. You will, of course, make three copies of this report, one copy for yourself and two to be sent to me.

I have received a letter from our District Director, Mrs. Raymond Dent, asking me to remind each club of the Council Meeting in Raleigh in January. I hope you will make every effort to attend. You will be notified by card later as to the date of the meeting. Mrs. Dent also expressed her desire for our clubs to erect more GFWC road signs and to organize new clubs in the district. I know that we can count on your club for cooperation in all of these matters.

With Christmas Greetings to you and your club,

DR. RICHARDS SPEAKS TO WOMAN'S CLUB

Youngsville—Dr. Claud Richards, Professor in International Relations Department of Wake Forest College spoke to the Womans Club Tuesday evening on "The United States Faces the Future in World Affairs."

Dr. Richards said that first, the basic concern of the U. S. in world affairs, were Peace, Hatred of Aggression, Opposition to Imperialism; Respect for Moral Principles, Aid to Others an Open Diplomacy. Second: Reasons for fear of war and present crisis are: The scapegoat tallacy, (because of Russians), Acceleration of the decline of Western Europe and transfer over of center of gravity in the western world to our side of the Atlantic. Elimination of Germany and Japan as barriers to communism, leaving a vacumn to be filled by Russian and countered by the United States.

Third: Economics Aid. We need a long range program. Food surplus to be taken care of by increasing purchasing power and using food as capital. To prevent Colonialism we must promote gradual independence on basis of ability to govern through UN and in trade reduce tarriffs. Fourth: The need for realism, it necessitates change in attitudes. To deal with the problem would be by Military power and military alliances. Dr. Richards closed quoting the lady Senator from Oregon, Mrs. Edith Green. "If we cannot fight economic injustice and disease because we hate them as we hate communism, then let us fight them because healthy men and secure men make better friends of democracy than do desperate men. If we cannot be generous then let us be prudent—To those who would say that we cannot maintain the level of our foreign aid because it is too expensive, I would suggest that they comtemplate for awhile the figure of the richest man in the graveyard."

Dr. Richards was introduced by the Chairman of International Relations Department, Mrs. J. W. Weathers, Jr.

YOUNGSVILLE WOMAN'S CLUB
3rd TUESDAY 8 P.M.
COMMUNITY HOUSE

Youngsville

In the first year of existence the Youngsville Woman's Club has worked diligently to accomplish the goals set up upon organization of the club.

The Community House, in which meetings are held, has new draperies, nine new Monroe folding tables, outdoor sign and yard landscaped. Girl Scout and Brownie Scout Troops have been organized since the formation of the club, and the Teenage Club has chaperoned weekly meetings. Leaders of all three youth organizations are active club members, and are to be commended for their outstanding service to our community.

At Christmas each of the groups sponsored by the club were honored at a party. Boxes of mints were given to shut-in friends, and through the Help a Home program, a needy family was helped.

We successfully sponsored the March of Dimes Drive in January, and will also sponsor the Easter Seal Drive in April. A GFWC Road sign has been purchased and will be erected in the near future.

In cooperation with the Finer Carolina Program, the club will sponsor the building of a Girl Scout hut. This presents a challenge to each member, and there is much interest as definite plans are being formulated.

Financial needs have been met by having two suppers, soliciting ads for yearbook and a womanless wedding.

Washington Duke Hotel - Durham
April 24, 25, 26, 1956

STATE THEME

"Your Self Discipline, Understanding and Faith Will Light The World"

GENERAL FEDERATION THEME

"You Are The Light Of The World"

IMPORTANT! Delegates must bring Credential Cards to Convention and present at Registration Desk.

Dear Clubwomen:

We have accepted the invitation of the Woman's Club of Durham to hold our Annual Convention in the City of Durham on April 24, 25 and 26, 1956. We anticipate great enjoyment from all the wonderful plans that they have made for our pleasure. A great deal of thought and work has gone into the planning of the Convention program. We have sought to bring to your attention the important subjects as they are related to the work of our organization. The workshops, the dynamic speakers, and the cultural entertainment we hope will stimulate you as much as it has your committees in developing the over-all program. We will have an opportunity to renew old friendships and to make new ones as we work together on a common goal for the improvement of our individual lives and for those of our fellowman. The election of a new President and Executive Board members will bring a thrill and a new impetus to this, our Fifty-Fourth Annual Convention.

We open Tuesday morning, April 24, at 10:30 a. m. with a meeting of the Board of Directors. At noon Tuesday, there will be luncheons for special groups: Pages, Department and Division Chairmen, District Presidents and Vice-Presidents. The opening business session will take place at 2:00 p. m. in the Crystal Room of the Washington-Duke Hotel. At this meeting, reports will be heard and Mrs. Harry W. Schaal, Chairman of the Music Department of the General Federation. The formal opening will take place at 7:45 p. m. in the Durham High School Auditorium. Dr. J. B. Rhine of the Parapsychology Laboratory of Duke University will be the main speaker. A young concert two piano team written up recently in the **Ladies Home Journal** will present a concert of piano music. This famous young couple is known in the concert world as Nelson and Neal. A reception at 10:30 p. m. at the Washington-Duke Hotel will be given by the courtesy of the Clubs in the Eighth District.

On Wednesday morning, there will be a business session. The Junior Clubs will have a luncheon at the Washington-Duke Hotel followed by a business session. In the afternoon we shall be guests of the local clubs for a garden tour of Duke Chapel, the Duke Gardens. Tea will be served at the Allied Arts Building in Durham, and we will be guests of the local clubs. On Wednesday night, the District Presidents will present their annual reports. The three State Music Winners will be presented. Mrs. Theodore S. Chapman, President of the General Federation, will be our guest speaker.

Thursday morning, there will be a business session with a very special announcement of interest to all club women. At 12:00 noon, we will have memorial service. The Department and the Division chairmen will make their reports and present the awards at a very new and unique Awards Luncheon. On Thursday night, the Convention will close with the Annual Banquet. This will be held at the Washington-Duke Hotel. The Banquet will be unusually exciting because we shall present the State Clubwomen Chorus. The Winners in the Community Achievement Contest will be announced, and finally, but the real highlight - the Installation of our new President and officers for the years 1956-1958. Hurry and make your plans and join us in Durham for work, play and fellowship.

Until Convention,

Devotedly,
Dorothy H. Brown
President
