W. Randall Lolley
President

Autumn 1984

Dear Southeasterns,

Daniel Boorstin speaks of "homo-up-to-datum," the work-it generation, whose minds are a flood of information but a desert of knowledge.

We are close to developing eyes the size of grapefruit and brains the size of English peas - we see so much and think so little about what we see.

This Directory is superb medicine, providing information which leads to know-it and visuals which lead to relationships.

Use it and connect with the people on its pages.

Happy lessons to you!

Randall Lolley

Gerald E. Worrell
President, Student Council

Dear Friends,

Another year is underway - a
year full of growth and excitement.

Within the pages of this book
lies a family striving to serve God.

Let me encourage each of you
to also serve those around you.

Get to know them, love, and
learn with them. Please take
time to explore your own
soul and to let God truly
work through you.

In Him,

Gerald E. Worrell

The medical services include, among other things, a program of prevention of illness through physical examinations and immunizations, and treatment of illness under the direction of the campus physician.

In order that students may understand the health care program and know their own responsibilities in seeking the services provided, the following statement of policies has been formulated:

General Policy

The Seminary Health Center will be open as follows:

Monday through Friday
8:00 a.m.-1:00 p.m.

Doctor's Hours—By Appointment
9:30 a.m.-11:30 a.m.
