

The "dog days" of August have settled over the Forest of Wake. Yet, there is no doubting that early September will bring the people back to campus. New students, in record numbers, arrive September 1 for orientation and matriculation. Classes begin September 6.

"DOG DAYS"

The annual N. C. Ministers' Wives Retreat convened on campus August 1-3. Sixty women attended the three day workshop, receiving information and inspiration pertinent to their lives and work. The group elected Mrs. Richard (Jane) Eskew of Yadkinville, North Carolina as the chairman of the Retreat for 1978.

The faculty workshop was held August 24-26 in the beautiful retreat setting at Caraway (N. C. Baptist Convention Conference Center). The faculty and their spouses, along with administrative officers and their spouses, were able to reflect at their leisure on the work ahead.

FACULTY WORKSHOP

Among the substantive work done by the faculty was the adoption of two papers, one describing the post for the endowed Professorship in Evangelism, the other outlining the structure for formation in Ministry (field education).

The Executive Committee of the Board of Trustees have unanimously endorsed, by mail ballot, the recommendation of the Instruction Committee to employ Dr. Furman Hewitt, Christian Ethics, and Dr. Robert Dale, Pastoral Leadership and Church Ministries. Both teachers will be teaching this fall.

During August all cost center supervisors have met with Administrative Council members for an evaluation of the year past and goal-setting for the year ahead. The President has met a minimum of four hours with each member of the Administrative Council evaluating every facet of the seminary. Institutional objectives for fiscal 1977-78 have been negotiated and contracted by the Council.

EVALUATION CONFERENCES

John McCulloch, consultant for master campus planning, will join President Lolley to present Southeastern's request for capital funds for the next five years. They will meet with a special committee of the Program Committee of the Southern Baptist Convention Executive Committee in Nashville, September 2. At that time the funding requests approved by the Trustee Campus Planning and Executive Committees will be presented and explained.

CAPITAL NEEDS

\*\*\*\*\*

Richard Tumbleston, Jr. has just completed a 12" x 16" oil painting entitled, "Deep Summer." It is now being framed and will be placed in the Faculty Lounge. Richard has been a delight around campus these past three years and he has shared his enormous talent in art and in music with the seminary family.
