Proceedings

Qualla Baptist Church, Aug. 14, 1924.

The ninety-fifth annual session of the Tuckaseegee Baptist Association met with the Qualla Baptist Church at 10:30 o'clock this morning.

Devotional services were led by Rev. W. F. West. The moderator, T. F. Deitz, called the Association to order.

At 11 o'clock, Rev. R. L. Cook preached a powerful and inspiring sermon, using as his text "Missions." He pointed out the different phases of mission work and urged that this Association support missions in the future more than it has in the past.

The delegates to the Association were then enrolled and visiting delegates were then recognized by the moderator, and extended the courtesies of the floor.

It appeared from the program that the subject of Christian Literature was to be taken up at 1:45 p. m., but on motion duly made, the Association decided to transfer the topic of State Missions to 1:45 p. m., due to the fact that Bro. Hamby could not be present tomorrow.

At 12 m. adjournment for dinner.

AFTERNOON SESSION

At 1:30 p. m. the devotional services were led by Bro. A. C. Queen, after which the Association was called to order by the moderator.

The moderator then called Bro. Hamby to the floor to discuss the topic of State Missions. Bro. Hamby gave a very clear and earnest discussion, pointing out the necessity of finishing the 75 Million Campaign and launching the 1925 program with determination.

Brother Barnette then gave a very interesting discussion of Rural Sunday Schools, pointing out their problems and opportunities.

The report of the Orphanage was then read by Bro. R. L. Cook.

REPORT ON ORPHANAGE

We, your committee, submit the following report. Under the blessings of God we have moved another year forward. The work of the past has given many experiences, and in spite of discouragements, many encouraging successes have been achieved. One of the discouraging things was an epidemic of measles. This would have been a record breaking year in health at the Orphanage had it not been for the prevailing scourge that broke into the Orphanage Home and swept our ranks.

We are grieved to report the death of two children—a little

girl and a little boy within a few hours of each other.

There are 550 children in the Orphanage—at Thomasville 460, at Kennedy Home 90. Three years ago the Thomasville Orphanage began mothers' aid work and now the Orphanage is helping 300 children with 68 mothers. It costs about \$238.18 to support one child in the Orphanage a year. This includes everything. So for the cost of aiding these mothers with their children, it is less than one-third of the cost of keeping them in the Orphanage. While we are preventing the breaking up of homes, we are working in the interest of economy also.

The churches of the Tuckaseegee Association should magnify Thanksgiving Day as Orphanage Day. The Pull now and the Pull altogether is to make that thank offering equal to one day's work or one day's income.

Respectfully submitted,
R. L. COOK.

After discussion by Bro. Cook and Bro. R. F. Jarrett, the report was then adopted.

The moderator then appointed the following committees:

Foreign Missions: R. N. Dietz, R. L. Cook, Mrs. W. C. Reed.
Hospital: John Hoglen, R. F. Jarrett, Dr. P. A. Roberts.

Pastoral Support: D. G. Bryson, R. L. Randolph, J. K. Allen.
Christian Literature: W. C. Reed, Ingle Cope, W. R. Beach.
Christian Stewardship: Rev. W. F. West, R. W. Green, Bro.

Painter.

State Missions: F. A. Brown, A. C. Queen, G. C. Snyder.

Home Missions: W. Ross Yokley, Phillip Morgan, J. B. Hooper.
Christian Education: T. C. Bryson, J. C. Hough, Dilliard

Jones.

Orphanage: R. L. Cook, Z. V. Watson.

Finance: A. W. Davis, R. W. Fisher.

Obituaries and Changes: A. C. Queen, Ransom Hyatt.

The committee on arrangements then announced the places where visiting delegates to the Association would be entertained.

Due to the fact that there was a revival meeting at Shoal Creek Church it was decided that there would be no night service.

Brother Maddry was then recognized, and he gave a very interesting discussion of the Seventy-Five Million Campaign. After this the Association adjourned to meet at 9:45 tomorrow morning.

FRIDAY MORNING

At 9:45 the Association was opened with the devotional services led by Bro. W. C. Reed.

At 10 o'clock the moderator called the Association to order and appointed the following committees:

Time and Place: J. W. Hooper, John Franks, R. W. Fisher.
Digest and Church Letters: W. F. West, W. Ross Yokley.

Report of Christian Literature was called for and read by Bro. W. C. Reed.

CHRISTIAN LITERATURE

Many of the Baptist people of the Tuckaseegee Association do not read any religious literature. Since this is true a great number of our people know very little about the religious conditions of the world, and about what steps our great denomination is taking in trying to meet world needs.

Believing that the campaign conducted by the B. Y. P. U. during the months of September and October 1923 shed much light and advanced the Master's cause by placing the Recorder in many homes, we recommend that this Association put on a similar campaign during the months of September and October, and that we have for our motto: "The Recorder in every Baptist Home in the Tuckaseegee Association, and one hundred percent increase in the subscriptions to the 'Home and Foreign Fields' and to 'Royal Service' and to 'Charity and Children.'"

Respectfully submitted,
WESTON C. REED.

After able discussion by Bro. Reed and Bro. Beach, the report was adopted.

The report on Christian Stewardship was then read by Bro. W. F. West.

CHRISTIAN STEWARDSHIP

The greatest single blessing that has come to the Southern Baptists from the 75 Million Campaign is the ever increasing appreciation of the true meaning of Stewardship. So firmly has this great scriptural truth of God's ownership of all things, and of our trusteeship, gripped the hearts of Southern Baptists that at the recent convention in Alanta it was unanimously agreed that our future program after the completing of the 75 Million Campaign should be one that would emphasize this fundamental doctrine.

The simple law of possession which asserts that "That which a man makes belongs to himself" is recognized the world over—and God's word declares "Know ye that the Lord He is God: It is He that hath made us, and not we ourselves: we are his people and the sheep of his pasture." Psalm 100:2.

Therefore since we are God's own creation we belong to him—and not only are we his by right of creation but also by right of redemption. "For as much as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers; but with the precious blood of Christ, as a lamb without blemish and without spot." I Peter: 18, 19.

Hence all that we are, or have, or may ever possess rightfully belongs to God our owner. Just as in the days of slavery,

not only was the slave the property of his master, but all that he ever produced belonged to his master also, so is it true of every child of God who has been redeemed by the precious blood of Christ. Paul says: "I am the bond-slave of Jesus Christ." (Rom. 1:1). "One who of his own free will, out of love and gratitude for what has been done for him gives himself to a life long servitude." Ex. 21:4-6.

God has not only created and redeemed us, but has also entrusted to us time, talents, influence, power, wealth and life itself, to be administered for Him. Time is allotted to us by God Himself and we should be faithful and loyal in using our time for Him. What is true of time is also true of our talents, our influence, our power, our opportunities, our money.

Some people may argue that it is needful to lay aside in store for a rainy day or against old age. This is fine sounding, but absolutely contrary to the teaching of God's word, and manifests a spirit of distrust, and reveals a spirit of covetousness.

There is but one instance in God's word where laying in store is justified, and that is not for ourselves, but for the Lord's work. I Cor. 16:2. And everywhere else it is mentioned or referred to it is condemned and forbidden. Read carefully the parable of the Rich Fool, Luke 12: 13-34.

As Christians we are also stewards of the word, which has been committed unto us, and of the manifold grace of God. I Peter 4:10. Therefore it is our duty to administer the Gospel of the Grace of God to all the world. If we cannot take the Gospel ourselves, then we must see to it that others carry the message.

"Moreover it is required in stewards that a man be found faithful." I Cor. 4:2. It is needful that we bear in mind the fact that we must give an account of our stewardship when the Master calls upon us for a reckoning as he clearly teaches in the parables of the pounds and the talents.

Our desire is that there may be throughout the Association an ever increasing appreciation of the Lordship of Jehovah and an increasing faithfulness in the discharging of our stewardship. Therefore be it resolved:

1. That we urge the brethren of our Association to give themselves to prayer that we may experience a revival of apostolic Christianity.

2. That we urge the pastors and preachers of our Association to preach and teach the doctrine of Christian Stewardship.

3. That this Association accept and endorse the program as mapped out by the Southern Baptist Convention.

4. That our Association heartily co-operate with our Baptist State Convention in fostering and contributing to our various denominational enterprises.

Respectfully submitted,
W. F. WEST,
W. L. PAINTER.

After a discussion by Brothers Randolph, Elliot, West and Dr. Hunter, the report was adopted.

At 12 m. adjournment for dinner.

AFTERNOON SESSION

At 1:45 p. m. after a song service led by Bro. Ben Cook, the Association was called to order by the moderator.

The following committee was appointed on Resolutions of Respect: A. C. Queen, R. L. Cook, Z. V. Watson, W. C. Reed.

The report on Home Missions was read by W. Ross Yokley.

REPORT ON HOME MISSIONS

Brethren of the Tuckaseegee Baptist Association, your committee on Home Missions begs to submit the following report:

No year has been filled with greater perplexity and anxiety, for the Home Mission Board than the past twelve months. And while the receipts for the year are far below what was at one time anticipated, yet there is a reduction in the indebtedness of the Home Mission Board. The sad part about this reduction is that drastic retrenchments have taken place in the operations of this Board.

Some notably hard fields where the Home Mission Board has been laboring for years, laying the foundations, toiling through gloom and anxiety are coming to self-support and in turn having a joyful part in our denominational work.

In every department of this work there is need for enlargement. The calls are many and heart searching from weak churches needing help, from destitute fields needing missionaries, and from city and countryside for the work of evangelists.

The mountain school work which is under the control of the Home Mission Board of the Southern Baptist Convention is very dear to the hearts of the constituents of this Baptist Association, for we in a large measure are the recipients of the favors bestowed upon us for this work, one of the mountain schools,—Sylva Collegiate Institute, being located in the bounds of our Association.

Foreigners, Indians and Negroes: The report of this work through Dr. B. C. Henning bears testimony to the efficiency of this work, to its growing success and the need for enlargement.

Then there is the department of Evangelism and Enlistment, the fields of Cuba and Panama; the department of church extension; our work among the Jews; and among the deaf-mutes; and our work among the soldiers, seamen and marines, etc.

For a fuller report of the Home Mission Board, brethren, we refer you to the Minutes of the Southern Baptist Convention, 1924, pp 318-373. Also we most heartily commend to you the

great man of God, who is the Corresponding Secretary of this Board, Dr. B. D. Gray, of Atlanta, Ga.

Respectfully submitted,
W. ROSS YOKLEY,
P. J. MORGAN,
J. W. HOOPER.

After a short discussion by Bro. Yokley the report was adopted.

The W. M. U. report was then read by Mrs. W. Ross Yokley.

REPORT OF THE W. M. U.

With gratitude to our Heavenly Father for His blessings upon the work of our Union, we present our annual report.

The Woman's Missionary Union of the Tuckaseegee Baptist Association is now composed of 16 societies. Of these 5 are Sunbeam Bands, 2 are Girls' Auxiliaries, 2 are Young Woman's Auxiliaries, and 7 are Woman's Missionary Societies. These societies are working in 8 of the 38 churches in the Association. They are endeavoring to aid the churches in every advancement, to promote the spread of knowledge in regard to mission work and world needs, to give as the Lord has prospered them and to teach others proportionate and systematic giving, to uplift by personal effort the people of their own communities, and to uphold the hands of their pastors by prayer and consecrated service. Wherever we find a Missionary Society, there we find a company of women who study to inform themselves about all phases and departments of our denominational work, and having learned, they become loyal, often times sacrificial in their support.

In the Juunior societies the children are taught to love the righteous life, they are informed about the progress of the Kingdom in all the earth, and they are trained to become laborers in the Master's vineyard.

During the past year from May, 1923, to May, 1924, our societies gave \$184.36 to the objects of the convention. Of this amount the Sunbeams gave \$35.95, the Y. W. A. \$16.35, the G. A. \$27.95, and the W. M. S. \$604.11. Our new societies were organized and plans for a larger year's work werelaid.

Some one has said that the good is the enemy of the best. A church may be doing a good work without the aid of the organized efforts of the women, but it is certain that it is not doing its best. The Woman's Missionary Union is anxious to organize a Woman's Missionary Society in every church, and it is urged that every minister in the Association who is pastor of a church not having a Woman's Missionary Society, give their sympathy and co-operation in organizing the women of our Association.

Respectfully submitted,
MRS. W. ROSS YOKLEY, Supt.
MRS. W. F. WEST, Y. W. A. Supt.
MRS. JNO. B. ENSLEY, Junior Supt.

The report was discussed at length by Mrs. Yokley, Bro. Cook and Bro. Gribble, after which it was adopted.

In the absence of the committee, Bro. W. C. Reed read the report on B. Y. P. U.

REPORT ON B. Y. P. U. WORK

The B. Y. P. U. has grown very fast in North Carolina. It has grown faster than its father, the State Convention, or its mother, the Woman's Missionary Union. There are over 1375 unions in the state with a membership of over 50,000 young Baptists.

Why have a B. Y. P. U.? Its purpose is threefold: To develop the young people spiritually; to train them in essential church activities; to give them a broader knowledge of the Scriptures. The real B. Y. P. U. spirit is that of unselfishness, more than any other church service. The B. Y. P. U. "Lives to die." It trains up workers, not for itself but for other lines of church work.

We, as a committee, urge that every pastor in the Association better acquaint himself with the B. Y. P. U., and take steps to place the B. Y. P. U. in every church, so our young people may receive the proper training to enable us, as Baptists, to meet the tasks of the future, and be able to do more effective work for our Master.

Realizing the importance of the young people's work, and the vast amount of material to develop, we further recommend that this Association authorize someone to act as leader or director of B. Y. P. U. work during the coming year, and this director call a meeting of all the B. Y. P. U.'s and pastors at a convenient date for the purpose of organizing the Tuckaseegee Associational B. Y. P. U.

Respectfully submitted,
CARL FISHER, Chairman.

The report was adopted.

The Association then appointed Bro. Ben Cook to preach at the church at 8 o'clock.

Upon motion, the Association adjourned to meet at 9:45 tomorrow morning.

SATURDAY, AUGUST 16

At 9:45 a. m., the devotional services were led by Bro. J. C. Hough. The moderator called the Association to order and the clerk read the minutes for the two previous days, which were adopted.

Visitors were then welcomed to the Association by the moderator.

The nominating committee was appointed as follows: Bro. J. C. Hough, Bro. J. T. Gribble, Bro. D. G. Bryson, Rev. W. Ross Yokley.

The report on Christian Education was called for, but no report having been prepared, Bro. J. C. Hough read the report on Sylva Collegiate Institute.

REPORT ON SYLVA COLLEGIATE INSTITUTE

Twenty-six years ago, the Tuckaseegee Association which at that time embraced Macon county, together with the Tennessee River Association, co-operated with the Home Mission Board in establishing Sylva Collegiate Institute. Two years later in the session of the Tuckaseegee Baptist Association, it was decided to establish a school of higher grade where the youth within its borders could have the best possible educational advantages under distinct Christian influences. The plans proposed were intrusted to a board of trustees. This board after much deliberation selected Sylva as a most logical site for the establishment of such a school. After some years of efforts on the part of loyal supporters together with the co-operation of Dr. A. E. Brown, Superintendent of Mountain Schools, there was erected a brick building consisting of six class rooms. Since that time there have been many improvements from year to year. Two dormitories having been built, remodeled and enlarged until we can accommodate approximately 100 boarding students. In the meantime, we have erected an administration building, consisting of twelve class rooms, well equipped, and an auditorium which will seat six hundred people. The property is now valued at \$75,000.

Today our school has grown until we have ten well trained teachers, six of whom are college graduates, who are full time teachers for an accredited high school, and three of whom are college trained teachers for the grades, and we have a student body of 229, 126 of whom are high school students.

The 1923-24 session was very successful. The work done by both faculty and students was recognized by the state authorities as being efficient to the extent that our school was placed on the accredited list in group 1, class B. Our aim is to reach the highest, which will require another whole time teacher.

For the past two years, we have excelled in athletics. The spirit of our athletics was unusually good. They always held a short prayer service before each game. This, we believe, is in keeping with our school.

Last year we graduated a class of twenty-nine, a large per cent of whom are now teaching in the surrounding counties, others entering different colleges.

We stress thoroughness and emphasize the religious side of life. During the revival service held by Dr. Q. C. Davis, of Albemarle, ten of our students were converted, making a total of 135 conversions in our school within the last four and a half years.

We have application after application from worthy students who are not able to enter our school, but desire to work their way through. I would to God that our Baptist people would wake up

to the realization of the great need of Christian education, and give of their means to make possible such men as Dr. Truett, and other leaders of our denomination.

Pray that God may lead in our work.

Respectfully submitted,
J. C. HOUGH.

The moderator then ruled that the discussion of Sylva Collegiate Institute and Christian Education should be combined. Brother Hough and Brother Gribble pointed out the things for which Sylva Collegiate Institute stands and the possibilities for the coming year. Just at the close of the discussion Bro. O. S. Dillard presented to the Association the plan of the Coleman C. Cowan Bible Class of the Sylva Baptist Church to raise a fund to be known as the Brown Memorial Fund to be used for the benefit of boys and girls in this and surrounding counties who do not have money to attend Sylva Collegiate Institute, and asked that the Association endorse the plan adopted by this class. The Association went on record as endorsing the movement of the Coleman C. Cowan Bible Class in their attempt to raise the Brown Memorial Fund.

The moderator called for the report on Foreign Missions, which was read by Bro. W. F. West.

REPORT ON FOREIGN MISSIONS

Foreign Missions are the highest expression of Christian grace and character. Anything short of a world wide conception of redemption is not worthy of the church of Jesus Christ. Jesus said the world is the field, and God so loved this world that he gave his Only Begotten Son to die for its redemption. Then too, Jesus Himself went to Calvary's cross and poured out his life blood that the world might be redeemed. The last command from the lips of Jesus was that we, His followers, should go into all the world and proclaim the good tidings of the Grace of God as manifested in the redeeming work of Christ.

Therefore, be it resolved that we urge the brethren to give themselves to earnest prayer and faithful endeavor to the fulfilling of the Lord's will in bringing this lost world to the saving knowledge of Christ Jesus.

Furthermore, that we urge upon the brethren to press the payment of the pledges to the 75 Million Campaign that our work may not suffer embarrassment and that the 95 missionaries who are now unable to go to their fields of labor on account of the lack of means, may be speedily sent forward.

Respectfully submitted,
W. F. WEST,
W. ROSS YOKLEY.

The report was then adopted.

The Association then elected officers for the year as follows:

Moderator—T. F. Dietz.
Treasurer—J. T. Gribble.
Clerk—Hugh Monteith.

At 12:30 p. m. adjournment for dinner.

AFTERNOON SESSION

At 1:30 the devotional services were led by Bro. A. C. Queen.

Bro. W. F. West read the report on Hospitals, and after a short discussion, the report was adopted.

REPORT ON HOSPITAL

The North Carolina Baptist Hospital begins its second year of ministry under most favorable conditions. The first year exceeded our highest expectations in the number of patients, in the amount of charity work, and the extent of the influence and blessings of our great Home of Healing. Fourteen hundred patients were treated, nearly 200 charity patients came to us from every quarter of the state. With joy we received these and gave them our best. It may be said that all were not cured. Some were unimproved. Some came and we had to say that we could not do them any good. Some went away disappointed, because we could not cure them of their troubles. Our physicians fail sometimes to diagnose the case, as do all physicians. Some came too late. Some had incurable troubles. But after all this has been said, the record of our work for healing those who came has been wonderful. Surely the good Lord has guided the mind and the hand of the physician who has treated these sick and suffering ones from many places of our state. The percentage of cures has been unusual, and for this we rejoice. We believe prayer contributed no little to the results of our efforts. For the last two months our earnings have equalled our expenditures—a fact that was far beyond the expectations of our Board. The prophesy was that this would not be reached in two years. The second year began with the hospital full of patients as far as we are open. We have 86 available beds. The fifth floor is still being used for graduate nurses because we have no Nurses' Home. We are expecting to increase the number of patients at least 50 percent this year. The second class of pupil nurses has been organized and is at work. Now we have 22 pupil nurses. After this year these will largely substitute the number of graduate nurses necessary to run the hospital and this will greatly cut our expenses. These girls are all Christians and are willing, courteous, pleasant and earnest. They are in the profession for a high purpose and they give the patients their best. They love the cause, and service is their motto.

The grounds have been greatly beautified by the splendid coat of grass, the shrubbery and trees. We have the prospects for a most attractive and delightful campus in the near future.

We have increased our field of endeavor and added to our efficiency and equipment during the past months. We have built up a constituency and cultivated a reputation which will greatly contribute to our growth.

NEEDS—

We have urgent needs at this time. We need money to carry on our charity work. Mother's Day offering amounted to about \$10,000, which did not pay the indebtedness for the supplies and expenses for opening. This left us with the debt for all the charity work already done and facing the necessity of borrowing every cent for charity for the next 12 months. We are urging churches to make offerings in the Sunday school from time to time to raise contributions to help pay the expenses for the patients they send so that we may be able to care for them. Our charity work averages about \$750.00 a month. If the churches will help by raising half the expenses of those they send, we will be able to meet all demands. Otherwise, we shall be compelled to turn many away.

We need a Nurses' Home. We are deprived of 18 of our best beds because we must keep these nurses on our fifth floor. We do need some one to think out a way to build this home and relieve this situation. For the sake of the wonderful work we could do and for the sake of those who will be turned away unless we have these rooms we ought to build this home.

We need radium. Many patients come to us with cancers and other malignant diseases who cannot be cured unless we have the radium. Our experience has convinced us that in many cases we can save life with radium, and yet we must get the consent of the city to let us use the radium in the City Hospital to save our patients. Ten thousand dollars will buy us an ample supply. Some good brother who loves the Lord and suffering humanity ought to give us this and bless our people for the next three thousand years.

We bless God for our progress. We thank our people for their support. We pray for your interest and co-operation. Come to us, send your friends to us, tell others about our hospital, and it will mean infinite blessings in health and life and for many a suffering one it will become a Home of Healing.

The report on Digest of Church Letters was called for and explained at length by Bro. West and Bro. Yokley.

The report on Pastoral Support was read by Bro. D. G. Bryson.

REPORT ON PASTORAL SUPPORT

There are now thirty-eight Baptist churches in the Tuckaseegee Association—last year's enrollment 3524. These churches are served by eighteen pastors. The highest salary paid by any church during the years 1922-23 to a pastor in the Association was \$1000.00, the lowest salary paid by any church, reporting to

the Association, was \$20.31. The average salary received by the pastors of the Association was \$294.21. Since the churches pay their pastors such small salaries, they are unable to secure men capable of rendering efficient service.

Your committee recommends: First, that the churches form fields and locate their pastors as near the center as possible. Second, that the fields thus formed pay their pastors adequate salaries, and demand of them full time study and service, for we believe with Paul that "The Lord hath ordained that they which preach the gospel should live of the gospel," and we also believe that Paul's advice to Timothy—Study to show thyself approved unto God—is applicable to every one whom God hath called into His service.

Respectfully submitted,
D. G. BRYSON.

After a brief, but interesting discussion by Bro. Bryson, the report was adopted.

The report on Obituaries and Changes was read by Bro. R. L. Hyatt.

The moderator then appointed the following delegates to the Southern Baptist Convention: W. F. West, W. Ross Yokley, T. F. Deitz.

RESOLUTIONS

Whereas, upon invitation of the Qualla Baptist Church, the 95th annual session of the Tuckaseegee Association met with the Qualla Baptist Church, and

Whereas, the members of the Qualla Baptist Church and people of the community have been very courteous and kind in providing the visitors with entertainment during our stay with them—

Therefore be it resolved: First, That we feel greatly indebted to the members of the Qualla Baptist Church for their many kindnesses and courtesies. Second, That we have greatly enjoyed the dinners spread by the ladies of the church and community. Third, That we extend to the people of this church a rising vote of thanks.

RESOLUTIONS OF RESPECT

Whereas our Heavenly Father in His all wise providence has called from us our beloved Dr. A. E. Brown, superintendent of the Mountain School Work, and Rev. J. L. Owen, a member of the Tuckaseegee Association, and our beloved sister, Mrs. R. F. Hough, one of the teachers in the Sylva Collegiate Institute, Be it resolved first: that the Tuckaseegee Association feels that God had a purpose in removing them from our midst, but we bow in humble submission to Him who doeth all things well; second, that we realize that their place in the hearts of our people will be hard to fill, for as they loved us, so we loved them, and the bonds that bound us together are inseparable. They believed every word in the Bible, and they spoke the truth fearlessly; third, that their ministry with us was to win lost souls for Christ and to dispense their Christian influence in our midst which they accomplished with favor, and won the respect and friendship of men and women in the walks of life, hence we realize that our loss is great, but we have the consolation of knowing that our loss is their eternal gain; fourth, that, their preaching and teaching brought to us the message of life that shall live on, the life they lived was an exemplary one and worthy of our emulation; fifth, that a copy of these resolutions be spread on the minutes of the Tuckaseegee Baptist Association.

Respectfully submitted,

R. L. COOK,
A. C. QUEEN,
A. W. DAVIS,
W. C. REED,

The report on Temperance was read and adopted.

REPORT ON TEMPERANCE

Temperance is a New Testament doctrine. We are commanded to be temperate in all things. The spirit and teachings of the Bible enjoin upon us to be temperate in food, dress, pleasures and in fact in everything.

Temperance in its restricted sense means refraining from intoxicating drink. The temperance and prohibition forces in the United States, working for many years in the interest of national

prohibition, finally succeeded in securing the passage of the eighteenth amendment, which makes illegal the sale and manufacture of intoxicating drinks in the United States or any of her possessions. This amendment has been a part of our national constitution since 1921.

To carry out the provisions of this amendment, Congress enacted the so-called Volstead Act which prohibits the manufacture and sale of beverages containing as much as one-half percent of alcohol or more. National prohibition is succeeding despite the protests of its enemies that it is a failure. Agitation once heard on every hand for the repeal of the eighteenth amendment has almost ceased, but the whiskey forces are now concentrating their efforts towards a modification of the Volstead law, in such a way as to make legal the sale of light wines and beers.

We, your committee, recommend that this association go on record as unalterably opposed to any modification of the Volstead law, and furthermore, that we go on record as favoring the strict enforcement of all state and federal laws relating to prohibition and that we recommend that in every neighborhood where there is a Baptist church that the membership back up the prohibition forces in the execution of this law.

Respectfully submitted,

Z. V. WATSON,
E. H. STILLWELL,
W. C. REED, Committee.

Bro. McMillan, secretary of the Alumni Association of Wake Forest, then gave a very interesting discussion on Christian Education and pointed out what the Baptists of North Carolina are doing in the way of education.

On motion of Bro. J. T. Gribble, the Association passed a resolution to have a rally day for Sylva Collegiate Institute in every church in the Association, the time to be announced later, by the teachers and trustees of Sylva Collegiate Institute.

On motion, the Association adjourned to meet with the Hamburg Baptist Church on Thursday before the third Sunday in August, 1925.

T. F. DEITZ,
Moderator.

HUGH MONTEITH,
Clerk.

Woman's Missionary Union

Lovedale Baptist Church, July 18, 1924.

The eighth annual session of the Woman's Missionary Union of the Tuckaseegee Association was held in this church August 18, 1924. The Union assembled at 10:30 a. m., with Mrs. W. Ross Yokley, superintendent, presiding. Devotional services were conducted by Mrs. B. O. Painter, after which the meeting was called to order.

A gracious welcome was extended by Mrs. G. E. Painter on behalf of the Lovedale Society, and Mrs. Chas. Allison responded for the Union.

A roll call of societies showed that 10 societies were represented and all made very interesting reports on the year's work.

The Personal Service Superintendent, Mrs. E. P. Stillwell, made a short report on her work, which was followed by a very clarifying talk on "What is Personal Service" by Miss Mary Warren, State Corresponding Secretary.

In a short talk by the Superintendent, using as the basis of her remarks, "Lo I am with you always," she reminded us that before we assembled in another annual meeting the great 75 Million Campaign would have passed into history and that by having Christ with us we could attain the goal that has been set. As a most fitting close to these remarks, Miss Carry Jay Bryson, of Beta, sang "No Never Alone," which was followed by a prayer by Mr. J. C. Hough.

The Standard of Excellence was discussed in three interesting and very helpful talks by Mrs. Eugene Parker, Mrs. Etta Morton and Mrs. T. C. Bryson.

Mrs. H. T. Hunter made a very stirring address on "State and Foreign Missions" touching on the outstanding activities of these Boards.

In a talk on "Foreign Missions", Mrs. Nancy Brown set forth the attitude of the ladies of the Tuckaseegee Association by pledging both our sons and daughters and our means for carrying the gospel to the foreign fields. In her peculiarly earnest manner, Mrs. E. P. Stillwell touched our hearts in a paper on Stewardship.

At this point, Mr. J. C. Hough, the newly elected principal of Sylva Collegiate Institute, was given a few minutes to speak to us about the school.

The climax to the morning sessions was brought in an address by Miss Mary Warren. In her own interesting and impressive way, she brought a message of service to God according to our talents. She closed with a beautiful illustration about two little boys who ran to greet their father, one carrying arms full of beautiful flowers and the other, though feeble of mind and faltering of speech, wanting to show his love too, carrying arms

full of sticks. The father gave due appreciation for the flowers, but as the little lad with his sticks reached him, he gathered the boy and his offering in his arms and poured out his love upon him. Just so does our Heavenly Father put the valuation upon the gifts of His children.

The chairman then appointed the following committees:

Nominating: Mrs. Chas. Allison, Mrs. Dan Bryson, Mrs. Nancy Brown.

Time and Place: Mrs. H. T. Hunter, Mrs. I. H. Powell, Mrs. Bob Cook.

Resolution: Mrs. J. R. Jones, Mrs. T. F. Deitz, Mrs. Bob Fisher.

Obituary: Mrs. J. B. Ensley, Mrs. W. F. West, Mrs. T. C. Bryson.

As a token of gratitude and appreciation of the seven years of untiring effort in organization and in leadership the association then presented Mrs. Charles Allison with a gold W. M. U. pin, to which she responded with words of sincere gratitude.

At the suggestion of Mrs. Allison, the secretary was appointed to write Mrs. W. C. Reed, reminding her how keenly we missed her presence and her help in the work and assuring her that our prayers and our interest follow her in her new work.

A collection was then taken for the expenses of the coming year, which amounted to \$5.10.

Visiting brethren and sisters were recognized by the chairman, after which the society was dismissed with prayer.

Adjournment for lunch.

AFTERNOON SESSION

Miss Hattie Whitaker, of Sylva, conducted the devotional services, after which the chairman called the meeting to order.

A report of the Y. W. A. Encampment at Ridgecrest was then given by Miss Sue Allison. She very vividly described the activities of the camp and urged that many of our girls make plans to attend next summer. Mrs. C. A. Kluttz, the Division Superintendent, followed this with a strong address on "The Need of Enlisting the Young People." Miss Warren then offered a prayer for the young people of our association, and through them for the whole world.

Mrs. Barber, Superintendent of the Haywood Association, then spoke a few words of sisterly love and co-operation in the work of the W. M. U.

The special funds of the Union—State Expense Fund, W. M. U. Training School, Margaret Educational Fund, Bible Fund were discussed by Mrs. Charles Allison, making it clear just how and when these funds are to be sent in.

Miss Mary Warren made a talk on the manner of awarding seals and certificates for Mission Study, urging every society to keep an accurate record and to do everything to relieve conges-

tion and to avoid confusion in the Raleigh office.

A discussion of the standing of the Association as to the 75 Million Campaign pledge followed and the following financial report was read by the former superintendent and adopted by the Association:
