BOOK OF REPORTS

ASSOCIATIONAL MISSIONARY'S REPORT

In these verses which we have chosen for our theme, Philippians 2:5-11, Paul summed up the Christian character and guide for service. He simply states that to have the mind of Christ in you is to have the cooperation of the Holy Spirit in your life as you give an effectual witness for Him as Lord. Jesus, on one occasion, asserted the emptiness of saying Jesus is Lord without also obeying His word. "Why call ye me Lord, Lord, and do not the things that I say?"

The New Testament makes it plain that obedience of faith is not a mere matter of keeping commandments. It goes deeper than that. To accept Jesus as Lord is to commit one's self to His interests and to receive His principles as the laws of life. Paul set no limit upon the authority of Christ, for he knew to whom he belonged. For churches and individuals alike, to know that we belong to God, to know that we are God's people, brings responsibility and challenge, but to know that God is our God is sufficient reason to bring us hope in the task that is before us.

To possess the mind of Christ simply means to be Christ-like. He called us to be like Him in our service to the world. He said that he "came not to be served but to serve". Local churches to send out world wide Christian witnesses must have a keen interest in each member. It is a great source of strength to know that you have friends who are praying for you and are backing you.

If the church is to give an example of the mind of Christ, it must recognize its responsibility to those who have not heard the Gospel message. This includes people in our own communities, in other communities, in our country, and in other countries. We cannot boast of having the mind of Christ and we certainly cannot say, "Jesus is Lord", unless we are making every effort to share the good news with all the world. Victorious faith will enable you to be used of God in His great plan of salvation for those for whom Christ died. We cannot say that He is Lord meaningfully without being possessed with compassion for those for whom He died.

I wish to express my gratitude for the great trust you have placed in my efforts to make Jesus Christ Lord to the glory of God through Associational missions. To the churches, associational officers, the pastors, to every individual who has contributed in any manner to the work, I express my appreciation to you and to Almighty God for the blessing that has been mine over the past year as I have sought along with you to make Jesus Christ Lord in our Association.

Respectfully submitted,
ALTON HOOPER

ASSOCIATIONAL SUNDAY SCHOOL REPORT

"Speak unto the children of Israel, that they go forward." (Exodus 14:15). These were God's words of instruction to Moses in an age of crisis. This order sets the direction of Christian thought and action. The call to move forward is still gloriously heard. We hope it is heeded and feel that it was through our Sunday Schools in this Association last year. Many have shown an increase in enrollment. Several of our churches have improved and remodeled their present facilities, and others are

adding on new. We hope this is just a beginning.

We all deeply regret the loss suffered by the Scott's Creek Church from fire but are thankful for the spirit of dedication and purpose whereby they are rebuilding even better and bigger.

Our Associational Sunday School meetings have been held monthly with an average attendance of 149 and an average of 21 churches represented. This is an increase of four churches over last year. We are hoping many more churches will participate in this phase during the coming year.

Our Vacation Bible School report is excellent with 41 out of our 50 churches that have already held a school. We hope some of the remaining nine will still be able to conduct one. To all who had a part in this, we are very grateful, and especially to Rev. Alton Hooper and Miss Patsy Dills for their Bible School leadership.

The tasks of teaching and training are so eternally important that we cannot let our Sunday School work lag in any phase. The Bible must be known and loved. It is not enough for it to be just an open book. The messages of God's word must be familiar, and its truths must live in the hearts of all Christians. The underlying purpose of the Sunday School is to help God's people know God's Book and that by knowing it they might practice it diligently and teach it fervently.

In the coming year let us answer God's call through our Sunday Schools and ever move forward. If a life is to glow, it must also grow and go.

Respectfully submitted,
JOHN S. HYATT

ASSOCIATIONAL TRAINING UNION REPORT

We have come to the end of another year and will move into a new one. As we look back over the past year, we can see many things which have been accomplished and also many things which are yet to be done. We hope that during the coming year we will be able to increase our Training Union attendance.

As we move into this new year, these are some of the things we hope can be accomplished. We need more churches with Training Unions. We would like to see an increase in attendance at our Training Union meetings. We need to have more study courses and more trained leaders each year. These things can be accomplished if each one of us will put forth the effort and time it will take.

We would like to take this opportunity to thank each and every one for their cooperation during the past year. We trust that each one of you will continue to support the Training Union in the way you have in the past years. Let us all continue to work and pray for the advancement of God's kingdom through the Training Union.

Respectfully submitted,
WESTON CRAWFORD

ASSOCIATIONAL WMU REPORT

As the retiring president of the Woman's Missionary Union of the Tuckaseegee Baptist Association, let me plead with you to be faithful in prayer and work and that you work with and for Mrs. Davenport, who is to follow me. My work with the church of our Association has been a great blessing to me and I want to thank each for the faithful love and devotion that you have given to the WMU work. We need more

consecrated women to our Lord's work if we are to win the lost for Christ.

Our work for the past year has been very gratifying. Also, devotion to special missions were outstanding. Our women have been very faithful to our Truett Camp for boys and girls.

Our Association, state, nation, and world at this time are struggling with the greatest crime wave ever known to mankind. We as Christians have what the world needs. May God help us to be as faithful the next year in giving this glorious message of peace and love to others as the Communists are in giving their evil influence.

My services are available for anyone who might need me in His service. Please call me if you need me.

Respectfully submitted,
MRS. JOHN R. JONES

ASSOCIATIONAL BROTHERHOOD REPORT

As president of the Brotherhood organization of the Tuckaseegee Association, I am happy to announce that the Brotherhood is active in some of the churches and we held one Associational meeting with the leaders of the State and Southern Baptist Brotherhoods in charge of the program.

The purpose of the Brotherhood is for the discovery and enlistment of the man power of the churches, bringing them into an active witness for the Kingdom work of Christ. There is a great need for the enlistment of this man power in every local church and I would like to impress upon each church the opportunity the Brotherhood offers in growing Christian witnesses.

The urgency is becoming greater each day for using all men who are church members. In helping promote the Christian outreach of the church, there is a great need for more churches in our Association to organize a Brotherhood. The future of the R. A. depends upon the willingness of the men of the churches to serve.

I am grateful to each of you who have been faithful in all phases of the Brotherhood work throughout the Associational year. As your Brotherhood president, I express my thanks to you:

Respectfully submitted,
C. L. PROFFITT

ASSOCIATIONAL DEACONS REPORT

The deacons from the churches of the Tuckaseegee Association met twice during this past Associational year. The October meeting was held with the Webster Church with a good number present. The program for this meeting was furnished entirely by the men who were members of the group using the many duties and privileges of the deacon as the servant of God.

The next meeting was held with the Jarrett Memorial Church and there was a representation of churches present. The program was given by the deacons and pastor of the Sylva Church in a panel discussion of the relationship between the deacon and pastor in the Kingdom work of the Master.

The Deacon organization affords a magnificent opportunity for deacons to become acquainted with other deacons from other churches. There is much good to be found in this association as we are all more

impressed each day with the thought that the Apostle Paul had in mind when he wrote these words to the church at Rome, "For none of us liveth to himself, and no man dieth to himself." We feel and are made to realize that this organization tends to bring about a tightly knit Association.

I wish to express gratitude to each group of men that has given support to the organization in the past year. Let me urge you to continue to support this worthy organization in every respect, realizing that God works through human instrumentality.

Respectfully submitted,
F. I. WATSON

REPORT OF THE PROMOTIONS COMMITTEE

The promotions committee met four times during the associational year.

The following business was transacted during these meetings:

1. Application was made for state convention aid for our associational Missions.
2. The committee voted to enter the Southern Baptist retirement plan for our Missionary, the cost being met by the Association and the date to begin was January 1st, 1962.
3. At the April meeting the committee approved Patsy Dills as Associational Bible School worker with a part of her pay to be met by the Association.

4. At the July meeting the committee approved and accepted the program recommendations for the annual Associational meeting.

May we call to your attention the fact that the promotions committee is made up of the pastor of each church and one lay-member of each church. The committee would urge greater attendance at the meetings.

Respectfully submitted,
JOE L. MEDFORD, Chmn.

REPORT ON EVANGELISM

In looking back over our evangelistic efforts, we can see some progress in what we have been trying to accomplish in the churches in our Association.

It is the known fact, that this increase in Baptisms and decrease in churches not reporting any Baptisms has come about through our Simultaneous Revival Efforts.

Last year we had 13 churches reporting no Baptisms, but the year before, we had 15 churches reporting no Baptisms, and the year before that 16 churches who did not report any Baptisms in a whole year, out of 50 churches in this Association.

Although we are making some progress, there is still much work to be done for our Lord.

The real purpose of the simultaneous revival efforts are, to get church members revived so they can and will do work in our churches and our Association.

When the Church prevails, children will be born into Gods Kingdom. In Isaiah 66-8, we read these words, "When Zion travails she brings forth her children." Just as our mothers went down to the very brink of death to bring us into the world in our physical form, there

must be spiritual birth pangs in our churches if man and women are to be born into the Kingdom of God.

Christ said, "Ye must be born again." So, if we must be born again before we can go to heaven, we as Baptists ought to use every available method to help people to become christian.

Next year will be the last year we have to work before the final year of our Baptist Jubilee Advance Program that began in 1959, and will reach it's climax in 1964.

We as an Association ought to strive harder to do the following things:

1.—Win more people to Christ at home, and support a mission program that will win people around the world.

2.—We ought to train more people to be used in our churches, and associational work. We have by far too many untrained, uniformed, and unconcerned Baptists, in our churches today.

3.—We ought to reach more of the people in our own association. Three fourths of the people in this association, are Baptists, or, would be Baptists if they were going to be anything.

We try to reach these people by the following methods: (1)—Associational Sunday School Meetings in the various churches. (2)—Associational Training Union Meetings in the different churches. (3)—Brotherhood Meetings. (4)—Womans Missionary Union Meetings. (5)—Simultaneous Revival Efforts, and many others, and yet we have failed to reach the rest that Jesus died for also.

It was out of great travail of soul that Christ conceived the church. Out of that same wisdom, compassion and love of that mighty soul, Evangelism was born.

"Come follow me and I will make you to become fishers of men," so said Christ himself.

You become fishers of men by having a part in the different organizations that I mentioned earlier in my report.

The Holy Spirit has always used people who were willing to pay the price. Out of a soul whose hearts desire, and prayer to God was that Israel might be saved, God set fires of Evangelism ablaze all over the known world at that time.

Peter and John said, "How can we but preach that we have seen and heard and our hands have handled of the Word of Life."

I urge that all Churches pledge themselves to this great effort of winning the world for Christ.

Respectively submitted,
LAWRENCE D. JACKSON

REPORT ON THE COOPERATIVE PROGRAM

The Life-line to the Mission Program of Southern Baptist is the Cooperative Program. Through this denominational effort, we are carrying out the commission of Christ to go to preach, and teach the peoples around the world. Therefore, this endeavor being so important, we should do more than just consider it, but give it our whole hearted support. The funds given in the past have done much in the spreading of the gospel, but when we consider the areas in which there are no missionaries and the tremendous load our present missionaries are carrying, we see that the need is still great.

From the fifty churches in the Tuckaseegee Association in 1961, \$8,835.00 were given through the Cooperative Program. This was an

increase of \$2,431.00 over 1960. This is an increase of which our Association should feel proud. We should strive for an even greater increase in the coming years.

Let us, therefore, strive in the future that every Baptist become a tither, and that every church tithe through the Cooperative Program.

With every Southern Baptist having a concern for the winning of the lost to Christ, and showing that concern by supporting the Cooperative Program, the gospel of Christ could be spread at a more rapid pace.

Respectively submitted,
CHARLES E. STEVENS

CREDENTIALS COMMITTEE REPORT

The Credentials Committee has not been too busy since our last Association — Only once have we met for the examination of one Licensed Minister that had been called as follows: The Locust Field Baptist Church requested the Committee to examine Hazen Pangle, a member of their church that was extended calls from Calvary and Dicks Creek Baptist Churches.

Your Committee consisting of C. C. Welch, J. E. Brown and Joseph W. Costner called in the following Ministers to assist in this examination; R. W. Abrams, Lyman Rich, Walter Middleton, Lawrence Jackson, J. F. Cunningham, Ralph Bradley, Joe Medford, regular ordained Pastors, and Lester Sutton a Licensed Minister from Jarrett Memorial Baptist Church.

After all members of the Counsel had questioned the Candidate it was unanimously recommended that Brother Pangle receive ordination at the hands of the Locust Field Church. This recommendation was forwarded to the Church.

Respectfully submitted,
J. W. COSTNER, Chmn.

HOME MISSIONS

Southern Baptists support a missionary force of more than 2,000 on home mission fields. In addition there were more than 500 summer student workers during the summer of 1961.

An increase by the government in military manpower also called more chaplains to active duty, including 25 Southern Baptists. There are 695 Southern Baptist chaplains in the military. There are 174 Southern Baptist chaplains serving in the hospitals of the nation and there are 58 Southern Baptist chaplains in correctional institutes.

The loan funds of the mission board has reached \$9 million. These are used primarily in the areas where Southern Baptists are weak numerically and local financing is difficult to obtain.

During 1961 Southern Baptists mobilized for a Convention-wide ministry of relief and resettlement to the more than 100,000 Latin American refugees in Miami, Fla., most of them from Cuba. Churches gave \$50,000 as a part of the Annie Armstrong Offering for Home Missions to be used in relief work.

By January 1, 1962, the 30,000 Movement goal was near the halfway point. C. C. Warren, director, announced 14,210 missions and churches has been started. The goal for 1962 is 6,000.

Southern Baptists' six missionaries, under the direction of Superintendent Herbert Caudill, remained the largest United States mission

force in Cuba. The Board allotted \$265,000 for the work, which despite harrassment by the government, still continued strong in evangelistic efforts.

Our Baptist Churches are urged to continue giving proportionately to the Coopertive Program that we might fulfill the great commandment of our Lord and Saviour, Jesus Christ, when he said, "Go ye into all the World . . .".

STATE MISSIONS REPORT

State Missions is that part of the work of the Baptist State Convention of North Carolina which provides twenty-two services from Evangelism to a Special Ministry to the Japanese on military bases.

From the peaks of the Great Smokies to the rolling waves of the Atlantic Ocean of North Carolina, Baptists are about the Master's business — preaching, teaching and healing.

A greater percentage of our church members in North Carolina are not really dedicated to the Christian profession. Our people need to be taught. Their spiritual needs should be met. A well organized associational leadership is needed for training local church leadership and helping in carrying out the entire Baptist program. Fifty-four of the 80 associations receive financial assistance for this purpose through State Missions.

The lost people of our state need the Savior. State Missions provide a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities and to promote evangelistic efforts on a wider basis.

State Missions help churches secure good locations for church sites.

A church loan fund has been set up. At the present \$25,000 a year is being set aside for this purpose.

Churches in struggling situations receive assistance in the form of supplements to pastor's salaries. Each year the need in this area increases.

There are many other areas of State Missions work. These include aiding the Pastor's Schools, ministry to the deaf, Brotherhood and Royal Ambassadors Work, Separation of Church and State, etc.

These many needs of State Missions are supported largely through the Cooperative Program and our special offering for State Missions on the third Sunday of September.

May we make this coming offering the best yet that these services of State Missions may increase and that the number of Christians may increase in North Carolina and the world over.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities

of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

REPORT ON BAPTIST CHILDREN'S HOMES

1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Co-operative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

N. C. BAPTIST HOMES FOR THE AGING

The past year in our Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

We have increased, over the past eleven years by eight times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes — Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is still urgently needed. There are 138 applicants on the waiting list. Therefore, we will want to move forward,

as rapidly as funds will permit to meet the crying demands of our ever-growing population of aging people who need care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!" is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

MRS. GRADY NORMAN

REPORT ON THE BAPTIST STUDENT UNION

Our Department of Student Work is headed by two newly elected secretaries. They are Dr. William C. Smith, State Secretary, and the Reverend Mr. Boyce Medlin, Associate whose offices are in the Baptist Building in Raleigh. They are assisted by some 15 full-time and part-time directors who work on the local college campuses. Since there are 52 colleges and universities in our state there are not enough directors to adequately carry on this program. The Convention has partially helped to alleviate this situation by placing an area director in Charlotte to begin Student Work in colleges and schools of nursing where we have no directors.

The B. S. U. program keeps one eye turned toward the student in college and the college church, and the other upon the future college graduate and the leadership he may provide in the church of the community where he may live and work after his college training. There are 25,000 Baptist students in North Carolina who attend places of higher learning and 5,000 of these attend Baptist Colleges while the other 20,000 attend state institutions. The B. S. U. ministry is to all of these students and it is through the generous giving of North Carolina Baptists to the Cooperative Program that allows this important work to go on.

In spite of obvious difficulties in budget, personnel, and facilities, the B. S. U. in North Carolina has a great and challenging program based upon some definite purposes which can be enumerated in outline as follows: It purposes to be,

1. The proving ground in which every college student may discover and develop a vital and personal Christian faith.
2. The atmosphere out of which the denomination may find its leadership for local, state-wide, and world-wide programs.
3. The medium for emphasizing and realizing the relevancy of the Christian faith in all areas of vocational life, both secular and non-secular.
4. The seed-bed out of which the vital elements of the Christian faith and the distinctives of our denomination may be perennially reproduced.
5. The living and life-giving Christian Student Movement for uniting common minds and common spirits in an aggressive Kingdom Building Program throughout the world.

Because of the action of the Special Session of the Convention in

1961 concerning Christian Education Advance a Program has been set up to help our Baptist colleges financially and to allow the building of Student Centers on state campuses. One building has been completed at Woman's College in Greensboro, one is under construction at Duke University, and tentative floor plans have been presented to the Convention for the erection of a Center at Western Carolina College.

Baptist Student Union belongs to North Carolina Baptists. It is a vital part of the Convention's Church Programs Division. North Carolina lives and money are involved. Send your young people to college and urge them to identify themselves with the program provided for the spiritual growth of all. Pray for these student leaders, college pastors, faculty members, and student secretaries who labor for the express purpose of building the Kingdom through a positive ministry to college students.

REPORT ON NORTH CAROLINA BAPTIST COLLEGES 1962

North Carolina Baptist colleges closed another record-breaking academic year (1961-62). They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian concern in their behalf. The colleges are happy to report their stewardship to the associations. All seven opened in the fall of 1961 with their largest enrollments: Campbell — 1,429; Chowan — 752; Gardner-Webb — 611; Mars Hill — 1,099; Meredith — 778; Wingate — 912; Wake Forest — 2,866; making a total of 8,447. (Numbers of other students enrolled during the second semester and summer school of 1962.)

Of this number, approximately 2/3 were members of the Baptist church. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocation, giving their Christian witness to every walk of life.

The past academic year saw many excellent physical improvements and additions to the campuses:

CAMPBELL COLLEGE completed the James A. Campbell Memorial Administration Building, Bryan Dormitory for Girls, and a science building.

CHOWAN COLLEGE began a capital fund drive for \$900,000 to construct a library and classroom-administration building.

GARDNER-WEBB has completed a new science building.

MARS HILL dedicated its new auditorium and fine arts building.

MEREDITH has added a new dormitory and infirmary.

WAKE FOREST has moved into its new life science building and dormitory for girls. The humanities classroom building is under construction.

WINGATE has completed the Budd E. Smith Science Building, boys' dormitory, and is completing the business administration building.

Total plant assets of these colleges are in excess of \$45,000,000. For the past 10 years Baptists have provided about \$500,000 each year to help with these capital outlay needs. To keep these campuses up to date and competitive, several thousands of dollars must be spent each year.

The total operating budget of the seven colleges during the year was about \$12,000,000. Of this amount, the Cooperative Program paid

about 5%. Nearly one-half of operating costs are paid by students and other sources such as endowment, net earnings from auxiliary enterprises such as dormitories, dining room, student center, etc. In the light of spiraling costs and expanded student bodies, these colleges face very crucial financial needs in the future.

The past year has also seen a strengthening of faculties. In every case the colleges have sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies. Faculty salaries are still entirely too low in all of the colleges.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63 and '64. Thirty per cent of this amount is to go to the colleges and construction of student centers on non-Baptist Campuses. Some 400 to 500 churches have made this increase in 1962. The Cooperative Program is somewhat higher at this time than last year, and for this we are grateful. However, in order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the church. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups including the church. A state-controlled monolithic system of education is foreign to our pluralistic society.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that they may do their work and do it well.

Please support your colleges by:

(1) Acquainting yourself with your colleges. Visit them, read about them, invite the students and faculty into your church to conduct services.

(2) Encouraging your finest students to attend. Be sure that they apply early.

(3) Praying for the schools — the presidents, administration, faculty, trustees, and students.

(4) Increasing your Cooperative Program giving 35% this year.

(5) Observing the Christian Education Day, Father's Day — in June.

Respectfully submitted,
C. A. HOYLE

TEMPERANCE REPORT

The world-renowned Dr. Albert Schweitzer has said, "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today.

It is estimated that in the year 1960, there were 68,000,000 American adults who drank alcoholic beverages in some degree. Of these, 5,400,000 were alcoholics and another 4,100,000 were heavy drinkers or problem drinkers (pre-alcoholics). Take into account that for each one of these 9,500,000 there are five additional people whose lives are adversely affected by their drinking. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

But the story does not end here. Alcohol is writing a very shameful and bloody record on the highways of our land. In 1961 there were 37,600 people killed on the highways of the nation and there were 3,057,000 injured in non-fatal accidents. Some estimates go as high as 75% in the relation of alcohol to these accidents. The Highway Patrol says that alcohol was a factor in more than 50% of the fatal accidents on North Carolina highways last year.

No indictment against this No. 1 enemy can be made too strong! "Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise." Proverbs 20:1.

AMERICAN BIBLE SOCIETY

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1961 the American Bible Society —

- rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281 more and a Gospel or other complete book in 674 more.
- distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.
- realized anew, from sharp increases in Scripture distribution in Cuba

- and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.
- continued to enlarge the worldwide ministry of the Finger-Fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people can not read. Records are now available in 40 languages and others are being prepared.
- gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- expanded its distribution of Scriptures to persons of special needs: Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails; reformatories and prisons; migrant farm workers — and many others.

SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptist churches gave \$164,342 to the American Bible Society. Methodist gifts were \$163,593. Gifts from all churches in the U. S. A. totaled \$1,065,649.

Southern Baptists can continue to lead — if every church will give. Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

Smaller churches	\$10 to \$60
Larger churches	\$60 to \$300
Great city churches	\$300 to \$600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

REPORT ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

1962

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches, an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being

a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4¢ a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or \$2.50 a year.

Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists. Keep them in your prayers during the coming year.

REPORT ON SOUTHERN BAPTIST CONVENTION

"The 1962 session of the Southern Baptist Convention was held in San Francisco, California, June 5-8. 'Frisco is truly Nature's air-conditioned city, with no mosquitoes or gnats whatever. There are only three screens in the city, which a new-comer put up, and when the entire populace began driving by to see this "oddy", he ceased his venture, after learning belatedly that such are not needed there. Without a doubt, San Francisco is one of the most wicked cities in the world, leadin gall others in the U. S. in number of suicides per year (195 in a recent year), and having 17% of its population as alcoholics (4 times the national average), plus harboring a great number of deviates among its constituency. Church membership in the city is 17% of the population, while the national average is 63%. There are 23 Southern Baptist churches and 4 missions in the San Francisco association, with a total membership of 2,950. The Baptist work there is very weak generally.

At the same time that it is a very wicked city, San Francisco is a breath-takingly beautiful city, with it storied Chinatown, quaint cable-cars, matchless parks, water-front activity, and unique Golden Gate and Bay Bridges. We would mention in passing that Southern Baptists own, just across the bay from San Francisco, on Strawberry Point, some of the most beautiful land and buildings in the area, where our Golden Gate Seminary is located.

It was predicted by some that this session of the Convention would perhaps bring a split in the ranks of the Convention. At times, it might have easily become fulfilled prophecy, but in actuality we in N. C. have experienced stormier sessions without disaster. In my opinion, the Convention was a good, wholesome one, because it cleared the air of some very thorny problems which probably for some time to come, will not prove nearly as troublesome as in the past.

To me, the most significant thing that happened at the session was the President's message by Dr. Hobbs. I think Convention Historians will regard his message as equal to, in significance, any ever brought. He stated thoroughly the historical background of the theological issues that now loom large before Southern Baptists, and gave sage counsel as to the proper approach to these issues. His tremendous ability as presiding officer also contributed enormously to making the Convention smoother running.

Some of the major actions dealt with were: The controversial book on Genesis by Dr. Ralph Elliot, Professor at Midwestern Seminary. It was decided not to recall the book. Undoubtedly a direct result of

this book, a motion was passed to reaffirm the belief of Southern Baptists in the Bible as God's Word. Another matter having to do with whether we as a Convention should officially work in and affiliate with churches in Canada was referred to the Executive Committee, thus possibly beginning the slow death of this issue. The Convention approved the formation of a special committee to make an exhaustive study that could result in a revised Southern Baptist statement of faith and message. The merger of Carver School with Southern Seminary was approved. Indiana was accepted as a full-fledged S. B. C. state. A record high Cooperative Program budget of \$19,792,500 for 1963 was approved, with most of the increase going to the Foreign Mission Board. These are the most important matters dealt with, but of course there were many other significant things, coverage of which time and space will not here permit."

FOREIGN MISSION REPORT

"Why do they go?" This is the question so often asked when a pastor, a surgeon, or a teacher leaves a comfortable and profitable place here in America to minister to the impoverished multitudes of the world. All of these missionaries go because they have experienced personal salvation and feel compelled to obey the command of Christ in taking the gospel to the lost.

They go to preach. During the year 1961, our 1,563 missionaries reported 34,364 baptisms in 3,627 churches.

They go teaching. In our 38 seminaries and Bible institutes we are training some 1,191 students. More than 162,000 students are enrolled in 984 mission related schools ranging from kindergarten to college. All these schools help dispell illiteracy and superstition. They prepare young people to live triumphantly, to serve effectively, and to influence society positively for Christ.

They go healing. Medical mission reports listed 300,000 patients treated in our 18 hospitals and 56 clinics. We have 56 doctors and 55 missionary nurses trying to meet this need.

These missionaries minister in varied ways, but we need an ever increasing number of qualified people to meet the spiritual needs of our exploding population.

"What can we do?" is a vital question for each of us. Pastors can be a tremendous help in presenting the biblical basis of missions and sharing information about world needs. Churches can help by prayer and Bible study, increased offerings for mission causes, and by an emphasis on young people committing themselves to the claims of Christ for missionary service.

May each of us remember that our theme for the coming year is, "Sharing Christ with the Whole World."

WILLIAM E. PAYNE

HISTORIAN'S REPORT

As we review the progress of the churches of the Tuckaseegee Baptist Association over the years, we marvel at the things that have been done and admire those who have so earnestly and constantly striven to give us such a glorious heritage. Our generation must remember with gratitude the contribution of other generations and must also recognize the debt we owe to our own and future generations.

In this area Baptists constitute more than sixty per cent of the total church membership. On every hand there is evidence of great material progress. During the decade 1951-1961, statistical records of this association show \$9,701.00 spent on new buildings and equipment in 1951, and \$47,287.00 in 1961. The total valuation of church property in 1951 was \$312,600.00, in 1961 \$1,115,709.00. Such facts make us wonder if comparable spiritual development is being made.

Since spiritual values are not measurable in dollars and cents, how then may spiritual growth be indicated? We must be constantly reminded that things have value only as they serve people, and only to the extent they are desired. People contribute ultimate values. Lincoln, when he spoke of government of the people, for the people and by the people, did not place the emphasis on the prepositions of, for and by, but rather on the word people. What spiritual impact are our church programs having on the people, whom they serve?

Our answer to this question is that the local church and all churches working together through their ministry must penetrate and permeate every phase of our complex lives. The religion of Jesus, not about Jesus, must be concerned with the life of the people as they work, as they read, as they study, as they travel, and as they play. Thus through statistical records we may make partial deduction of spiritual growth by comparison of data on our church programs in relation to the number of people taking part in them and that are being affected by them.

Again we will use statistics from our association's minutes for the years 1951 and 1961 for a comparison. In 1951, of the 47 churches listed, only 17 were having church services four or more Sundays each month, 23 were having service twice a month, and 7 had services only once a month. In 1961 of the 48 churches listed, 15 had services every Sunday, 7 four Sundays each month, 3 three Sundays a month, 21 twice a month and only 1 as having just one service. In 1951 the total resident church membership reported was 4,469; in 1961, 6,043. In 1951 baptisms reported were 199, in 1961, 308. Fifty revivals were held in 1951, 60 in 1961. Number of tithers in 1951 were 145, in 1961, 524. The Sunday School report of 1951 showed an enrollment of 5,620 with an average attendance of 2,787. The enrollment of 1961 was 6,180 with an average attendance of 3307. In 1951 twenty-one vacation Bible Schools were held, with an average attendance of 1,065; in 1961, 41 schools with an average attendance of 1,878. Twelve churches had Training Unions in 1951, with an average attendance of 575. Twenty churches had Training Unions in 1961 with an average attendance of 656. In 1951 eleven Woman's Missionary Societies, with 18 young people's auxiliaries, had an enrollment of 522. In 1961 there were 28 Missionary Societies with 32 young people's organizations, with 778 enrolled. Four Brotherhoods had been organized in 1951, and two churches had R.A.'s. Seven Brotherhoods with an enrollment of 122 were reported in 1961, and there were eleven R.A.'s, with an enrollment of 102. The total contribution for all Missions was \$10,458.00 in 1951, in 1961, \$20,701.00. Additional church activities reported in 1961 were January Bible Study Courses in nine churches and Church Music with special minister of music or choir director in three churches, with an enrollment of 226 in 16 departmental choirs.

Just how much these figures denote spiritual growth in our churches is debatable, but they do indicate the interest of people in the church program.

GEORGE W. TRUETT BAPTIST CAMP REPORT

The best camp season of which I am aware was held this year from June 25 - August 17. The associations of Region X were given the responsibility for the camp program this year. Without exception they have done a wonderful job in carrying out the programs. The camp manager has been responsible this year for the meals and for other physical necessities.

329 people have attended camp, including the week now in progress. Forty-two of these were counselors and 287 were campers. This is the largest number in the last three years.

Twenty-six conversions to Christ have been reported. 115 rededications or dedications to full time Christian service have been made. \$13.25

has been given to the Foreign Mission Board. \$25 was given to a missionary.

\$216.09 was in the camp operating fund at the beginning of the camp season. \$2,300.16 has come into the fund through campers' fees, canteen profits, and gifts. At the present time \$1,871.18 has been spent leaving on hand \$645.09. There are still a number of bills outstanding. A full account will be made to the camp committee of the income and expenditures.

Improvements have been made in the cleaning and clearing of the grounds of the camp. A lake has been built for swimming and for beauty.

The Camp Staffers from the Tuckaseegee Association have done a wonderful and inspiring job in the one week at camp. We owe them our gratitude for their work with our children.

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were \$245,131.32. The total assets as of June 30, 1962, were \$303,186.66. In these past three years our total assets have gained \$58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

- (a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.
- (b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his gift at work.
- (c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the

Foundation to place the income from it to one or more Baptist agencies.

- (d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.
- (e) Through LIFE INSURANCE. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

C. GORDON MADDREY,
Executive Secretary
