Liberty Baptist Church

Liberty Baptist Church, the most recent addition to the Association, was host to the one-hundred forty-sixth Annual Session of the Tuckaseegee Baptist Association. A delicious meal was very efficiently served by the ladies of the church. At 7:00 P.M. the Moderator, Robert Blanton, called the group into session. The congregational singing of the hymn "Faith of Our Fathers" was followed by a welcome and devotion given by Rev. Joe Smith, Pastor of the Church. John Hyatt requested that the ladies of the church come to the sanctuary, he then expressed appreciation for the Association for the delicious meal and for their hospitality.

1. Robert Blanton asked for and received the approval for the organization of the session.
2. A quartet from the Scotts Creek Baptist Church sang a special number.
3. A motion made by Walter Middleton, seconded by John Hyatt, that the BOOK OF REPORTS with the exclusion of the Addenda be adopted was passed.
4. The Superintendent of Missions, Walter Middleton, recognized Delos Blanton, Jr. as a new preacher in the Association, Rev. Joe Bishop was recognized for his 54 years of preaching and pastoring of churches.
5. Woodrow Hill spoke on Christian Literature, emphasizing the importance of the BIBLICAL RECORDER. He stated that it should be a part of the church budget with a copy sent to every church family. "An informed people is the bulwark of Baptist Democracy," he said.
6. Walter Middleton introduced Dr. Lowel Spivey who spoke on the "Importance of the Local Association." Dr. Spivey used Acts 2:1-14 as scripture to support his dynamic and informative message. He said that in order for the Association to remain vital it must be able to adjust to the changes that come.

7. Lewis Keener, Financial Chairman, spoke to the proposed budget. He encouraged the churches to give monthly in order that bills and salaries might be paid on time. Keener made the motion, that if sufficient funds are made available from the churches, the Finance Committee with your approval, will make recommendations to the Executive Committee that our Missionary be granted an 8% cost of living increase and that the items in parenthesis be added—\$456.00 per year. The motion was passed.

8. The Moderator announced that 171 messengers were present, representing 31 churches of the Association, and 3 visitors.

9. Rev. Alvin Loiry, Chairman of the Constitution Committee, presented the proposed changes in the constitution as suggested by the Constitution Committee. According to the Constitution changes to be made must be presented to the Association at its first session and voted on at the business session on the following day unless two-thirds of the majority of the members in session were in favor of action at the first session.

Rev. C. H. Greene moved, seconded by Rev. Lester Sutton, that the Constitution changes as proposed be voted on in this session. The motion passed.

A motion to extend the time ten minutes was made and passed in order that this item of business which was not included in the original "Order of Business" schedule might be presented.

The proposed items for change were presented—see "Book of Reports" for proposed changes. All proposed changes in the Constitution were passed by more than the 2/3 majority vote required. All changes will be made in the Constitution for the Minutes of the Association.

10. Rev. Delos Parris gave a prayer followed by the song "Love Lifted Me." An offering was taken, Rev. Tommy Owen used scripture from Matthew 16. The quartet from the Scotts Creek Church sang a number. The Rev. C. H. Greene delivered the sermon, after which the first session of the Annual meeting adjourned.

Friday, August 15, 1975
New Hope Baptist Church

1. The second session of the Association meeting was called to order by the Moderator, Robert Blanton, with the singing of the song, "More About Jesus" at 9:30 A.M. in the New Hope Baptist Church. The devotional and welcome were given by the Pastor, Rev. Hardin Nicholson.

The following reports were given:

2. Truett Camp: Rev. Kenneth Crawford, Camp Director stated that so far this summer 566 people had used the camp. He extended a hearty welcome to all interested persons to visit the camp and see the improvements made. He pointed out that the next year he wanted to use mature women to serve as counselors to the girls. He will be needing two counselors for each of the girls' weeks. An urgent need at present is a new dormitory with space for 100 additional campers.

3. Christian Education: Rev. Robert Abrams from Gardner Webb College expressed appreciation for the support being given to the Baptist institutions by the Association through its gifts through the Cooperative Program and the Fathers' Day offering, prayers and the sending of young people as students. He mentioned some of the ways in which many of these young people are serving their state in the several different vocations.

4. Children's Homes. Hugh Starnes brought the report from the Children's Homes in North Carolina. He told of the emergency Care Center opening and how it has been able to serve 17 children since its opening date. A new office has been opened. He left literature on the Homes for those persons interested. He also announced the area meeting at Broyhill Home on September 4, 1975.

5. Baptist Hospital: Calvin Knight spoke of the work of the Baptist Hospital. He asked J. D. Parker, Associational Hospital representative, to speak on the work done in the Association on this. Mr. Parker pointed out that the Tuckaseegee Association had increased its giving \$1000 over the previous year. Mr. Knight then read a list of the churches giving the percent of increase in giving in each church. He shared with the assembly the information on how the Mothers' Day offering was used.

6. Home for Aging: Kenneth Mullins spoke to this report emphasizing the need for more facilities and telling of the plans for the proposed home in Asheville. He left literature on this project. He stated that at least 80% of the inmates of these homes are unable to pay for their full care.

7. Cooperative Program: Harry Clarke pointed out how the Cooperative Program was a part of many things. He complimented the association on its increase in giving and told how the Baptist could do so many things together that they could not possibly do separately.

8. Treasurer's Report: Lewis Keener, Financial Chairman, referred to the treasurer's report in the "Book of Reports" and stated that it had been accepted with the other reports in the "Book of Reports."

The attendance report showed 66 messengers present, representing 25 churches with 7 visitors.

Rev. Hardin Nicholson brought the message using Joshua 3:5 as the scripture. Robert Abram led in prayer.

9. Rev. Ben Cook returned "Thanks" for the bountiful and delicious meal served by the ladies of the church.

10. The afternoon session was called to order by Rev. Alvin Loiry, vice moderator. Rev. Glen Blanton gave the Devotional using as scripture Luke 5:4.

11. The Credential Committee report was presented by Rev. Alvin Loiry. He also spoke to the Annuity Report and encouraged all churches to consider action to supply Annuity for their pastors.

12. Tommy Owens presented the Time, Place and Preacher's Report and suggested that the Executive Committee present some definite order of selection in order that the Committee would have some guide in its planning.

13. Walter Middleton made a motion that the minutes for the year 1975-1976 be dedicated to the late Rev. J. E. Brown and that his picture and a short history of his life be published in these minutes. This motion was amended by Lester Sutton to include pictures of Rev.

Millsaps, Rev. Crawford and Rev. Welch, all of whom had passed away during this same period, with a short statement and dedication along with that of the Rev. Brown. The motion and amendment were passed. Rev. Sutton assumed the responsibility of collecting the pictures and writing the dedicatory statements for publication.

14. Rev. Ted Reeves spoke on the urgent need for a chaplain for the C. J. Harris Hospital. He stated that approximately 20% of the afflicted people in the hospital were without any church. Only 11 of the churches in the Association had supported the project in the past. If each church would pay \$5.00 per month the program could be carried on successfully.

15. James Ridgeway presented the Nominating Committee report. The report had previously been approved. He requested that the clerk make a survey of all the churches and request the pastors to submit names of their congregation that would be interested and willing to serve on Associational committees. He requested prayer and support for the association work.

16. The Calendar of Activities was presented by Walter Middleton.

17. Rev. Ray McCall moved that Rev. James Blevins be invited to conduct a five night Bible Conference beginning March 22 at the Webster Church. The motion was passed.

Rev. Dan Ward suggested that the Missions Committee assume the responsibility of publicity and promotion.

18. Rev. Lester Sutton read a list of members deceased during the year and rendered a beautiful and most appropriate tribute using scripture from the 116 Psalms.

19. Rev. Walter Middleton thanked the church and the ladies who prepared the meal for their service and for their hospitality.

20. Richard Bowen dismissed the 146 Tuckaseegee Baptist Association with a prayer.

AMERICAN BIBLE SOCIETY REPORT 1975

The world's population reached an estimated total of four billion people in 1974—most of them without ready access to the Word of God. The single most ambitious program the Bible Societies have ever undertaken, "Good News for New Readers" was launched in September, 1973 to provide special Scripture Literacy Selections on graded reading levels, for people just learning how to read. To date this program has already reached people in 70 countries.

As a primary supplier of Scriptures, the American Bible Society has for years maintained a close and continuing relationship with the Southern Baptists and their state and local organizations. During 1974, 252,956,174 Scriptures were distributed throughout the world by the United Bible Societies.

A 13-minute color film was produced in 1974 telling the story of the Good News for New Readers program. Membership in the Bible-a-Month Club reached nearly 200,000 in 1974.

In addition to scores of other areas, the American Bible Society maintains a strong and effective program in countries where the Southern Baptist Convention has missionary activities. Last year in such countries as Nigeria, Indonesia, Japan and Brazil production of Scripture Selections and new common language translations of the New Testament highlighted Bible Society activity.

The Bible cause in Eastern Europe embraces all aspects of Bible work: translation, production, and distribution. At the present time there are some twenty translation projects in progress with the printing of Scriptures being carried out in a number of Eastern European countries.

The American Bible Society gives special thanks to the Southern Baptist Convention for its close and continuing cooperation with the ABS in supporting the Bible cause.

ANNUITY BOARD 1975

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15-1/2 million in retirement and other protection

benefits to these annuitants. In the Board's 57-year history, it has paid a total of over \$125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees—which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record \$353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

In North Carolina 2134 churches and associations and 2616 staff members are currently participating in the Southern Baptist Protection Program.

Fifteen churches of the Tuckasegee Association participate in the basic annuity retirement plan. Two of these churches are listed as "open field." This means that the dues are being paid; however, the pastor is not receiving the retirement credit to which he is entitled. Of the fifteen churches which participate in the program, one, Balsam Baptist Church, is new in the program this year. In addition to the basic retirement plan, three churches of the association participate in Plan B which is a supplemental retirement plan.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED REPORT 1975

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

Without the cooperative support of our Baptist people, along with many other friends, the Homes could not have come into being. These relationships are vital to the future of the Homes and all who are served through them. The investments which we have made in the lives of hundreds of children are today paying rich dividends. These are some of our finest citizens for whom you provided a Christian home and way of life.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,681 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working rela-

tionship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress in Western North Carolina. The beautiful Broyhill Home campus will have a fifth cottage for children constructed during the next year. The Thermal Belt Youth Shelter, at Forest City, was opened last spring and is meeting a vital need for children needing immediate help. Several young girls are receiving care through the Maternity Home in Asheville.

Hugh Starnes, administrator of our work in Western North Carolina and other members of the staff are anxious to have you and members of your church visit Broyhill Home. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those for whom we accept responsibility.

Respectfully submitted,
S/Tom Clayton

NORTH CAROLINA BAPTIST HOMES FOR THE AGING 1975 REPORT

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Today there are some 21,000,000 Americans 65 and above, and this number will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albermarle, Hamilton, and Yanceyville. As God continues to bless us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible.

Gifts for 1974—1975 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. Plans are in the making now to raise \$1,000,000 for the construction of this new proposed Western North Carolina Baptist Home.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and get first-hand personal joy that your gifts bring.

s/Dot England

BAPTIST HOSPITAL REPORT 1975

There have been many significant developments, in different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on

the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received \$258,898 through the Cooperative Program and \$392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

THE CHRISTIAN ACTION LEAGUE REPORT 1975

The Director of The Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in The Tuckaseigee Baptist Association. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the league has in its efforts. With trustees and friends and supporters in every Association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and for the wonderful way in which you have supplied our needs.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor discretionary power in the matter of the adversary hearing, and would have defined hardcore pornography in the Public Nuisance Section of the Law. This bill also failed.

We continue to need your support. The most dependable thing to do is to place the Christian Action League in the budget of your church for a definite amount each month.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred.

CHRISTIAN HIGHER EDUCATION REPORT 1975

Baptist Colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist Colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, a significant number of Baptist college trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational missions throughout the Southern Baptist Convention. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, \$416,066; Chowan College, \$263,333; Gardner-Webb College, \$329,166; Mars Hill College, \$360,776; Meredith College, \$360,776; Wake Forest University \$639,900; and Wingate College, \$263,333.

Another way the churches help to relieve the colleges' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptists churches, making an education on a Christian college campus possible.

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern.

Council on Christian Higher Ed.

BIBLICAL RECORDER REPORT 1975

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 59th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's CHRISTIAN INDEX, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The Biblical Recorder is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and sky-rocketing postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina Churches will take seriously the

recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this.

The BIBLICAL RECORDER has covered many sensitive issues this past year. It has continued to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

At present only a very few of the churches in the Tuckaseegee Association have the "Biblical Recorder" included in their budget. However, several churches do have clubs with many member subscribers. Many Baptist people have individual subscriptions. If we meet the challenge presented more churches will include this paper as a budget item this next year.

EVANGELISM REPORT 1975

Evangelism has definitely had a favorable movement in the Association this year. One of the outstanding evangelistic events was the Bill Sauer Evangelistic Crusade held last fall at the Sylva-Webster High School gymnasium. It was held for eight days, and the attendance and response were heart-warming. There were more than 150 baptisms resulting from the crusade in addition to some 300-400 other decisions.

Many of our churches are reporting outstanding revivals that haven't stopped when the meetings were over. Several decisions for Christ have been reported as a result of these ongoing revivals. This has been a record year for a number of our churches. We had approximately 2799 baptisms in our Association this year.

Next spring, our Association will be involved in "Simultaneous Revival '76." We anticipate most of our churches actively supporting this associational-wide effort to evangelize our communities. This is only a portion of the total evangelistic emphasis during "Proclamation '76."

A major emphasis of Baptists during the Bicentennial celebration of our nation's birth should be prayer. With this in mind, monthly prayer themes have been developed beginning October 1975 and continuing through September 1976. The prayer themes will be given to all pastors so they can emphasize them from the pulpits. In addition, the WMU has agreed to give these themes publicity. Prayer is the powerline to powerful proclamation.

GEORGE W. TRUETT BAPTIST CAMP

This has been a very good year at Truett Camp. We have ministered to an estimated four-hundred campers, and all things have gone exceptionally well.

We have made improvements on the grounds such as black-topping the walks and we have built a new activity shed. Some badly needed additions have been completed in the kitchen consisting of a new cabinet and serving window. We still have some needs for the Camp which include a new dormitory and an additional staff cabin. We have had very generous donations this year from individuals, churches and from the Baptist State Convention which enabled us to pay for the pool, thus leaving the Camp debt free.

We want to thank all the people and the churches who have helped us to make Truett Camp such a success this year. We invite you to come see the Camp and use it anytime you can.

Due to calendar conflicts it was necessary to cancel the Preacher's Camp Meeting, but we plan to have it next year.

S/George Kenneth Crawford,
Camp Director

LONG RANGE PLANNING 1975

Some significant steps are under way for a self study of the association to study the association to determine what the needs are, especially from the long range perspective. Mr. Roy Smith was here to help organize and motivate such a move. The Long Range Planning Committee intends to use the conclusions and recommendations of this Study Group for some sound ideas concerning our future work.

FOREIGN MISSION REPORT
1975

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Amen. Matt. 28:19-20.

We know there are more than 2500 who are serving in 77 countries who felt the call of these great words of Jesus. It is up to the rest of us, more than 10 million, to support these with our love, prayers, and money.

We live in a land of great opportunity. We have opportunity daily to pray for those missionaries whose names are on our calendar of prayer. They depend on our prayers. Let us not forget to pray for them daily.

We have opportunity each Sunday to give our tithes and offerings, a part of which goes for Foreign Missions, through the Cooperative Program. I am proud of our churches in the Tuckaseegee Association for their fine support in this area.

Also we have opportunity once a year through the Lottie Moon Christmas Offering for Foreign Missions to share in this great work. The Churches in the Tuckaseegee Baptist Association gave \$9,105.07 this year. The total for Foreign Missions from the Tuckaseegee Baptist Association from January 1, 1974-December 31, 1974 was \$12,017.32.

Let us not grow slack but make this year the best ever. As we are nearing our 200th birthday,

let us be thankful for all the blessings we have had and be ready to share with those who have never heard and have not had the opportunities we have here in America.

HOME MISSIONS REPORT

"But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto Me both in Jerusalem and in Judea and in Samaria, and unto the uttermost part of the earth." Acts 1:8

God's word tells us to begin. Yes, just where we are and to let Him take our whole being—our prayers and our money to the uttermost part of the earth as it is His will.

The number of new home missionary appointees dropped in the last four years from 92 to 73; however, Southern Baptist work is broadening. The Home Mission Board (1845) sponsors work in the 50 states and Puerto Rico. At the beginning of 1975 the missionary force totaled 2,171 with most of the personnel employed under cooperative agreement with state conventions. Work is done with language groups, evangelism, church extension, pioneer and rural-urban missions, National Baptists, chaplaincy, metropolitan missions and others. The Cooperative Program provided \$6,806,954 for work in home missions in 1974.

Today, the fellowship of Southern Baptist extends from Key West and Cape Cod to the Puget Sound and San Diego and on to the Hawaiian Islands and Alaska. There are now Southern Baptist churches and missions north of the Arctic Circle in Alaska.

The Annie Armstrong Easter offering reached \$6,884,357 for this we are grateful. This is an increase of 12% over the previous years. May God's Children continue to give as He blesses us. Together we can "Let Christ's Freedom Ring."

MISSIONS COMMITTEE
REPORT 1975

The Missions Committee is scheduled to meet quarterly or more often if the need arises. At these meetings the Superintendent of Missions gives his progress report of the Associational work. Following reports of the other committee members plans are made for activities to be initiated or placed in action.

Some areas in which the committee and Association have been involved this year are: The appointment of Brother Bruce Alexander as Director of Evangelism in the Association. The Simultaneous Revival has been scheduled for April 25 to May 2, 1976. Requests of the Nominating Committee for Directors of Youth Work and of the Brotherhood Work were made. Plans were made to work with a neighbor association in planning and carrying out the School of Missions. Reminders for services scheduled in the Rest Homes are being sent to the churches responsible each week. A full core of Associational workers attended the Vacation Bible School Clinic held in Wingate. The Associational Vacation Bible School Clinic was well attended. More churches than ever have held VBS this summer. The Deacons and Pastors' Organization are working on a list of the needs of the Tuckaseegee Association. The Camp Ground Ministries are going well this summer. More churches and more workers are involved than ever before thus serving more Camp grounds. The Woman's Missionary Union is continuing to stress missions and giving and to be actively involved in several phases of the associational work.

The work of the Tuckaseegee Association is definitely moving forward.

Respectfully submitted,
s/C. H. Greene

SUPERINTENDENT OF MISSIONS REPORT 1975

It seems that God is continually opening new areas of service to mankind and the Christian Ministries for Southern Baptists are constantly growing and taking on new meaning. Specialized training and research in every field has brought us new ideas as well as better methods.

Crisis after crisis in the past decade has caused us to restructure much of our total program in order to meet the needs of a "World in Conflict." The Associational work is no exception.

All that Southern Baptists are doing around the world and how they are doing it has its grass roots in the local association of Baptist people. We take on new and varied responsibilities as circumstances and people change or opportunity opens doors. Human needs, both spiritual and physical, create an almost constant emergency even at our own door steps.

Tuckaseegee Baptist Churches are responding to God's call for help as never before. People are seeing that we must either work together or die apart. There is no alternative.

As your Associational Missionary, I am doing everything within my power to make this Association equal to other Associations over the state that are meeting the needs best. It is my constant prayer that I might have ready resources to share with each of you when you ask. It is the deepest joy of my heart to be able to serve you under God in one of the most exciting experiences that a person could have. I expect us to reach new horizons together in the coming year.

Respectfully submitted,
s/Walter Middleton, Missionary

WMU REPORT 1975

This year—1974-75—marks a most interesting year in the work of the WMU of the Tuckaseegee Association. There has been much interest expressed in mission work. At present there are 23 WMU organizations with two in the process of reorganizing.

The WMU Council, composed of the Director and age level leaders, has held quarterly meetings for planning. Some of the activities resulting are: A Leadership Training Conference at the Ochre Hill Church in the fall; a general Associational wide conference held at the Cullowhee Church in January; and in June a visit to Camp Truett. A Day Camp for GAs and Mission Friends is being planned for September 6 at Camp Truett. The annual meeting which was postponed in the spring is scheduled for September 22. Three of the Council members attended the Leadership Conference in Fruitland in August. At least two of our WMU's are sponsoring services at Rest Homes on a regular basis. In an effort to have a more informed WMU membership "Go-Tell" was created. At present it is limited in circulation to the presidents and directors. Hopefully, in the future some such instrument can be mailed directly to each member.

As usual the WMU sponsored the Weeks of Prayer for Foreign Missions, Home Missions and this year for the first time Associational Missions. The Lottie Moon Christmas offerings went "over-the-top" in most every WMU. As a first, the Week of Prayer for Associational Missions was well received. Gifts from this are used to further mission work in our own Association. The WMU presented the Chaplain at the C. J. Harris Hospital with a cassette player for use with the patients in the hospital. A small beginning has been made in the establishment of a "WMU KORNER" in the Associational Missions Office.

The field is "white." Let us make haste and do the Lord's work. Let us rejoice in the leadership of the Holy Spirit.

Respectfully submitted,
s/Annie K. Hoyle
