Pledge To Woman's Club

I pledge my loyalty to the Woman's Club;
By doing better those things which are for me to do,
By thinking more on the subjects that are brought to view,
By saying better those things which are for me to say,
By being a better woman day after day,
By taking each hour as it comes out of the past, and
By living each one as if it were the last.

Street markers are going up in Youngsville for the first time in the town's history. The streets were named years ago, but a great many citizens were not even aware of it until recently.

The only names in general use are those leading to out of town, such as Wake Forest Rd., Zebulon Rd. and Franklinton Rd. and one other street Hillsboro St.

Town officials are now working on plans for a town directory with every house to be numbered and listed.

The Woman's Club Chose as a major project the purchase of street markers. Funds were obtained by the sale of of knives and club members conducted a house to house canvass.

Members of the local Home Demonstration Club have been invited to attend this meeting of the Woman's Club.

Mrs. O.T. Binkley

Miss Binkley Speaks To Club

Mrs. Wiley Brown, chairman of Family Life and Religion Department of the Youngsville Womans Club introduced Mrs. O. T. Binkley of Wake Forest, N. C. the speaker for the evening at the meeting Tuesday night. Mrs. Brown stated that Mrs. Binkley, the wife of Professor O. T. Binkley of the Wake Forest Seminary, had traveled quite a bit, thereby making her well versed on the subject of changes in the christian family.

Mrs. Binkley spoke on "Building a Christian Home", and said, regardless of all the outward signs of a religious home we do not have one unless Christ is the spiritual center of the home. There are many beautiful houses, but can we call all of these beautiful homes. We have to have the inner spirit that gives the outward sign meaning. Many changes in the family life are because of social adjustments, smaller families and mothers employed outside the home, but regardless of the changes the function remains the same, of giving and receiving affection, appropriation for children and providing culture development. Emphasis usually is placed on military strength, today in most places the emphasis is placed upon the family strength.

Members of the Youngsville Home Demonstration Club were special guests for the evening. Mrs. George Barnes, President of the club expressed their appreciation for the invitation to hear Mrs. Binkley and to enjoy the evening with the club.

Mrs. Joe Moss, President of the Womans Club was in charge of the business routine, and announced that the G.F.C. sign had been erected at the intersection of main street and U. S. No. 1. Mrs. Moss, expressed her appreciation to the committee for preparing the Club Scrap Book which will be on exhibit next week at the convention in Durham, and on exhibit at our May meeting.

The "Crazy Hat Party" announcement was made by Mrs. H. H. Reddick on the plans for the party, Mrs. Arthur Hall on the prizes and judges, Mrs. J. T. Allen on the refreshments, and Mrs. Willard Timberlake on the entertainment. These ladies wore sample crazy hats to relumine the spirit for the party. The party is being sponsored for the building fund of the Girl Scout Hut.

Hostesses for the evening were Mesdames Leelan Woodlief, E. R. Tharrington, J. T. Allen, W. F. Mitchell, Sr., and Joseph Hart. Refreshment theme of spring was carried out with assorted sandwiches, cookies and punch. Favors were petite umbrellas.

Women's Federation Hears National President

God, Family Cited In Unifying Role

"The most unifying forces in the world today are God and the family," Mrs. Theodore S. Chapman, president of the General Federation of Women's Clubs, asserted here last night in an address before the 54th annual convention of the N. C. Federation of Women's Clubs.

She told the several hundred delegates present that world peace depends on a true understanding of the brotherhood of man and listed three "lights" which she said should serve as guides — (1) the light of the world (global responsibility), (2) the light of "our own organization" and (3) the individual light or the light of the spirit. "I believe that the solution to our world problems will come through women and religion," she stated.

Mrs. Chapman noted that the organization which she heads is larger than any army ever known (11 million members) and said, "If smaller groups could win wars and reshape the destiny of the world, what is the potential of an organization such as ours."

She urged the club women to take an inventory of their communities and to evaluate their clubs in the light of what needs to be done, keeping in mind the two goals of the organization—community service and adult education.

Mrs. Edwin P. Brown of Murfreesboro, state president, introduced the speaker and presented her with three gifts on behalf of the host Durham Woman's Club —sheets from Erwin Mills, a commemorative plate of Duke Chapel and a copy of "Good Morning, Miss Dove," written by Mrs. Frances Gray Patton of Durham.

Another feature of last night's program was the presentation of scholarship certificates to the winners of the State Federation's 1956 Fine Arts Awards competition. The winners are: Miss Nancy Nylund, Raleigh, violin; Charles Fussell, Winston-Salem, piano; Jere Starling, Jacksonville, voice (baritone); and Robert Burns, Roxboro, a student at N.C. State College, art.

Earlier in the day, at a junior business session, Miss Marjorie Yokley of Mount Airy was elected Director of Juniors, succeeding Mrs. J. M. Jenrette Jr. of Raleigh; and Mrs. Stine Isenhour of Conover was elected secretary of the Junior Section, succeeding Mrs. Donald W. Blanton of Kings Mountain.

Mrs. Chapman is scheduled to serve as moderator at a Sunrise Breakfast for club presidents this morning at 7 o'clock at the Washington Duke Hotel. Mrs. C. E. Landon, president of the Durham Woman's Club, will serve as hostess.

The final business session is set for 9:15 a.m., following a series of workshops at 8 o'clock. Election of officers and a report on the Community Achievements Contest are the major items on the business session agenda.

An awards luncheon is set for 1 p.m., and the concluding convention banquet session is set for 7 p.m., also at the hotel. Features of the banquet program will be the installation of officers, announcement of Community Achievement Contest winners, and recognition of North Carolina's Mother of the Year.

New Federation Officers

On Thursday morning, April 26, delegates to NCFWC Convention in Durham elected five new officers for the coming biennium. They are: Mrs. Aubrey Mauney of Kings Mountain, President; Mrs. C. Gordon Maddrey of Ahoskie, First Vice President; Mrs. James M. Harper, Jr., of Southport, Second Vice President; Miss Marjorie Yokley of Mount Airy, Third Vice President and Mrs. Leslie Barnhardt of Charlotte, Corresponding Secretary. These officers are pictured to the left of this column with Mrs. Brown, retiring President and Mrs. Earl Brian of Raleigh, winner of the Community Achievement Contest Sweepstakes Award. They are, front row left to right: Mrs. Brown, Mrs. Mauney and Mrs. Brian; Second row, Mrs. Maddrey, Mrs. Harper, Miss Yokley, and Mrs. Barnhardt.

Women's Clubs Get Reports

Reports on the wide and varied activities undertaken by local units during the past year were presented at this morning's business session of the 54th annual convention of the North Carolina Federation of Women's Clubs at the City Armory.

Meeting today also was the junior organization with a luncheon and an afternoon business session scheduled for the day. The Rev. Charles L. Brown, pastor of the White Memorial Presbyterian Church, Raleigh, was the luncheon speaker and the business session presented reports on statewide projects such as the Caswell Training School, the children's clothing closet and stamps for wounded veterans.

District president's night will be observed tonight in a session at the Durham High School, beginning at 7:45 o'clock. Mrs. Theodore S. Chapman, president of the General Federation of Women's Clubs, will be the guest speaker.

Dr. J. B. Rhine of Duke University, was the speaker at last night's session at the high school. "Science and Woman's Intuition" was the topic of his talk. He told his audience that woman's intuition is one of the basic illustrations of extrasensory perception and he defined woman's intuition as "just knowing, without knowing how you know." All women do not have a woman's intuition, Dr. Rhine said, and men do not possess this "phenomenon" because they are too methodical and rational.

Delegates took time out this afternoon from their busy schedule of meetings for a tour of Duke University, including the chapel and the gardens, and visited the Allied Arts Center where they were guests at a tea.

The delegates gave consideration to a number of resolutions at this afternoon's session. They dealt with numerous issues and problems.

One resolution dealt with the problem of juvenile delinquency and the extension of the jurisdiction of the juvenile court to children 16 years of age. It also called for the strengthening of the marriage law with respect to age, by requiring a birth certificate or other proof of age.

MRS. TOBIE HOLDEN

Members of the Youngsville Woman's Club are looking forward with great eagerness to the June meeting. This is to be the outstanding social event of the club year's activities.

Mrs. E. M. Mitchell, Chairman of arrangements, announced that a banquet will be held at the Community Building at seven o'clock on Tuesday night, June 19th. Husbands of club members are to be special guests.

We are indeed fortunate to have her at the meeting.

Present also will be Mrs. W. L. Wood, of Warrenton, President of District 14 of the North Carolina Federation of Women's Clubs. There will be several guests of honor from neighboring clubs.

The Installation service for the incoming officers will be the highlight of the evening's program.

Please express my sincere appreciation to the club for their splendid cooperation in making the banquet a success. Special praise goes to Mary Mitchell, chairman of banquet arrangements, and to "Dosta" Heathen, who served so graciously as toastmistress.

Woman's Club Hears Rev. Ray K. Hodge

Youngsville—Members of the Youngsville Woman's Club held their first meeting of the year on Tuesday night, September 18, at the community house, with Mrs. H. H. Reddick presiding. Meeting opened with responsive reading of the Litany followed by the Lords Prayer, after which the President offered words of welcome. Mrs. Lucy Gray Freeman, Mrs. Hattie May Haywood and Mrs. Charles Tabor were recognized as new members. Minutes were read by Mrs. Elsie Timberlake and Treasuary report by Mrs. E. M. Mitchell.

Mrs. Reddick told of summer activities including executive meetings, attendance at district meetings, the compiling of the Yearbook, and continuing work on some projects, Mrs. A. E. Hall, as Troop Committeee Chairman, gave report on Girl Scouts. Mrs E. R. Tharrington, as Brownie Leader announced that they had resumed meetings after a summer vacation. Mrs. W. F. Mitchell gave report from Teen Age Club.

Following the discussion of several items of busness, Mrs. E. M. Mitchell introduced as guest speaker, the Rev. Ray K. Hodge, Raleigh, who is Associate Director of Extension Work of the Southern Baptist Theological Seminaries. His topic for the evening was "Family Life and Religion." He spoke of problems in general which now are facing the modern home. Among these are, improper outside influences, recreational patterns, roll of parenthood in control of children, alcohol, petty issues or minor irritations, economic problems, and triangular love.

Mr. Hodge pointed out that if religion is given the proper place in the home, many problems can be completely solved and others can be better coped with; for when we have personal faith, are church-going and prayerful people, we are able to gain the strength and character necessary in having a happy home and life.

Mrs. J. W. Weathers, Jr., Mrs G. W. Barnes, Mrs. Florence Preddy and Mrs. N. A. Brown were hostesses for the evening. They had the serving table covered in a green cloth centered with silver candlebra holding yellow tapers. At one end of table was a silver tray containing lemon tarts and at the other a silver service from which coffee was served. Nuts and mints were the accompaniments. An arrangement of flowers decorated the speakers table. Mrs. Ray Hodge was present with her husband.

Dear Club President:

At the President's Institute of the 14th District, which was held in Oxford, on Friday, July 6, at the Woman's Club, after a brief discussion a motion was made that a committee be appointed to work out a provision for a portion of the expenses of the District President.

Such a committee was appointed and met after the adjournment of the Institute. The following proposal was decided by the committee subject to your approval.

> "That each club in the 14th District pay
> a sum of $5.00 annually, to the Secretary,
> this amount being to help defray the expenses
> of the District President."

Since this is a district matter, we would appreciate your discussing this with your local club and come to the District Meeting on Nov. 9th, prepared to vote on the proposal. We would like to handle this with as little discussion as possible at that meeting since our State Officers will be there and also to save embarrassment to the District President. Also the program will be quite full and we would not want to take up too much time with a lenthy discussion.

Thanking you for your cooperation, we are

Yours for a better 14th District,

Tilly O.

Woman's Club Seeks Civic Improvements

The Youngsville Woman's Club has begun this year's fund raising projects. Last week the club served the dinner which the Occoneechee Council sponsored for the Boy Scout Drive. Finance Chairman Catherine Allen, with the help of Mrs. Mary Mitchell, planned and prepared the meal. They had the cooperation and assistance of other members.

Funds received will go in the Club Treasury to be used towards projects as they are needed. One of the first jobs undertaken by the club is to purchase street markers for all corners within the town limits. It is hoped that money for this particular project may be secured by solicitations from persons living on all streets where signs will be placed. Means of further fund raising for the various other projects to be undertaken, are now in the discussion and planning stage. The club is looking forward to an interesting year of community improvements.

The President welcomed members and recognized special guests: Mr. W. F. Mitchell, County Supt.; Mr. E. R. Tharrington, Youngsville Principal; Mrs. Walter Combs, Mrs. Winston, and Miss Olive of the school faculty. There were other teachers present who are regular club members.

The President appointed Mrs. Kathleen Croom, Mrs. Margaret Moss and Mrs. Gertrude Parrish to serve on a commitee to discuss with the Lions committee, the subject of co-sponsorship of the Ground Observer Corps Observation Post.

Announcement was made in regard to the District meeting to be held in Roanoke Rapids on November 9th. Members were urged to attend. Solicitations for street markers are incomplete but reports to date are encouraging.

As Chairman of the Program Commitee, Mrs. W. F. Mitchell introduced as guest speaker, Miss Flossie Marshbanks of Raleigh, Administrative Assistant from the Department of Public Instruction. She presented an interesting speech on the "Organization of our Public School System." She discussed the complete system including all its division, stating that good schools are a cooperative accomplishment. Each community is responsible for a successful system, with individuals having an important part in the support by their cooperation with the schools. They can do so by: (1) Becoming actively school minded. (2) Becoming acquainted with the whole school program. (3) Exhibiting and promoting at home interest and suport of school activities. (4) Participating in time, talent and means. How effectively is each of us meeting these requirements?

Following the speech, Miss Fuchsia Virginia Marshbanks, sister of the speaker, was introduced as a guest of the club.

As hostesses, Mrs. Kenneth Tharrington, Mrs. W. R. Evans, Mrs. J. E. Underwood, and Mrs. Bob Cheatham, served refreshments of strawberry ice cream pie, nuts and coffee. The dining table was covered with a green cloth centered with a large arrangement of red and gold mums interspersed with pine and accentuated by autumn leaves used at the base. This centerpiece was flanked by two golden pheasants. Autumn decorations were used elsewhere about the building.

Dear Mrs. Reddick,

I am forwarding to your club your first Birthday Remembrance name. In case you are not familiar with the Birthday Remembrance program, I will explain it to you.

Each club in the District will get the names of children in our N. C. Training schools who have birthdays the month which you receive it. You buy a gift for $1.00 for this particular child. Wrap it as a gift, put the childs name and the name of the club sending the gift on the outside. Then wrap it to be mailed to the President of the School the child attends.

These gifts are to be at the school before the 30th of the month. A party is given for all the children who's birthday comes that month on the 30th.

You can find the names of the Presidents and School on page 63 of your State Yearbook.

Remember this child is counting on you for her only birthday present. Don't disappoint her.

Love,

Aleine

Woman's Club To See Film

Youngsville—"Your Community" is the title of a film to be shown at the next meeting of the Woman's Club to be held on Tuesday night, November 20, at the Community House.

The movie is being secured by the Public Affairs Department of which Mrs. L. R. Evans is Chairman and Mrs. Kathleen Croom co-chairman. Also on this committee are Mrs. Mabel Timberlake, Mrs. Evelyn Freeman and Mrs. W. G. Scarboro.

Members are looking forward to the presentation of this film which is so highly recommended by the North Carolina Federation of Women's Clubs. Mr. James Thomas Moss will be in attendance to run the film at this meeting.

MOVIE IS SHOWN TO YOUNGSVILLE CLUB

Youngsville — "Your Community" was the title of a film shown at the Woman's Club meeting on Tuesday night November the 20th.

The movie unfolded picture stories of civic improvement projects undertaken by clubs in various sections of our country. It revealed that Woman's Club members can cope with and overcome surprising obstacles when they put forth their time and effort. Seeing these accomplishments gave inspiration and challenge to the club members.

During the business session the President, Mrs. H. H. Reddick, called for the Secretary's report by Mrs. W. C. Timberlake; Treasurer's report, by Mrs. Elton Mitchell; Financial report, by Mrs. Catherine Allen. A new fund raising project among club members will be the sale of some excellent kitchen knives. Anyone interested may contact any club member.

The President announced that two birthday gifts had been sent to homes during the past Month. The amount of money needed for purchase of street markers has been secured and is available for town use whenever the signs arrive. A letter from the Louisburg Club President was read inviting members to a dance being sponsored by their club.

Mrs. J. T. Moss told members about the district meeting held at Roanoke Rapids this month. Mrs. A. E. Hall, as a member of the Scout Troop Committee, gave a report of recent activities and also presented ten dollars from Troop No. 1 to their sister Scouts, the Brownies, this being to defray expenses involved in their Christmas project.

The Community House will be decorated for the Christmas Season by a committee of club members with Mrs. B. H. Patterson as chairman. This arrangement, being of benefit to everyone using the building during the holidays, has proved most satisfactory.

The Woman's Club will again have Christmas parties for the Young peoples organizations which they sponsor. Mrs. W. F. Mitchell, Mrs. Patterson and Mrs Reddick will have the Teenage Party; Mrs. E. M. Mitchell, Mrs. Thelma Hall and Mrs. Bob Cheatham, the Girl Scouts; Mrs. Clellie Brown and Mrs. Estelle Pearce the Brownies.

Hostesses for the Evening were Mrs. G. C. Holden, Mrs. Joseph Hart, Mrs. A. Y. Allen and Mrs. Hattie Mae Haywood. They served cakes iced in green, ice cream and coffee. There were favors of little turkeys.

The serving table was covered with a green cloth, centered with a horn of plenty from which flowed a graceful arrangement of fruit. This was flanked by green candles. Bronze and yellow chrysanthemums were used as floral decorations.

National Guard Served Barbecue Supper

The Woman's Club served a pork barbecue supper to the men of the Youngsville Service Battery, N. C. National Guard Monday evening.

Mrs. J. T. Allen, club finance chairman and Mrs. Elton Mitchell, Mrs. Mary Hight, Mrs. Harold Reddick, Mrs. J. T. Moss and Mrs. A. E. Hall were in charge.

The pig was furnished by Mr. B. E. Roberson and other items in the menu of potato salad, slaw, homemade cake and drinks were contributed in part by members.

Proceeds of the supper will be used to purchase street markers, a project of the Woman's Club.

Youngsville School Trophy Case Is Completed

Youngsville — The Trophy Case at the Youngsville Gym has now been completed. A bit of remodeling was done at the gmy entrance with the trophy case being built where the former ticket office was.

The Woman's Club was asked to design and decorate the interior, so President Matt Reddick apointed Mrs. J. T. Moss, Mrs. W. F. Mitchell, and Mrs. N. A. Brown to serve in this capacity. They have done an excellent job. They secured plate glass for shelving, a flourscent tube for lighting and used royal blue velvet for making drapes and decorating. Expenses were borne by the school except for the few donations.

Financially, the Woman's Club contributed ten dollars last season to be used towards expenses of this case when it was planned.

Hanging in the case is a large framed picture of the boys basketball team whose members are responsible for winning many trophies. The picture was a contribution by Mr. Danny Kurz.

Community House Decorated For Christmas

Youngsville—Mrs. H. H. Reddick, Mrs. Irene Mitchell, Mrs. Lucy Gray Jones, Mrs. J. T. Moss and Mrs. Willard Timberlake, representing the Woman's Club, have most attractively decorated the Community House to be used throughout the entire Holiday Season by citizens of Youngsville and organizations.

The color scheme used is that of red and green, the old and well-love traditional custom. The piano top is banked with mangolia leaves and holly accentuated with a row of graduated red candles. Passing in front of this is old Santa and his reindeer. Leaves and holly are used on the mantle with two giant candles at each end. In the center above hangs a Santa Claus lamp adding a bright and gay sparkle to the setting. The same basic arrangement is used on the bookcases but with the holly boughs banked high and shaped to provide an appropriate background for a large replica of jolly old Saint Nick and some of his helpers.

The large green Christmas tree is predominately adorned with ornaments of red and silver.

Woman's Club Has Xmas Party

Youngsville — The December meeting and Christmas party of the Youngsville Woman's Club was held on Tuesday night December the eighteenth. There were approximately thirty-seven members present for this annual Yuletide celebration. There were two out of town guest present who were former members Mrs. Wallace Mullen of Oxford, and Mrs. Lucy Deporter of Winston Salem.

Words of welcome by the President Mrs. Matt Reddick were followed by a brief business session. At this time a report was heard from the help-a-home Chairman, Mrs. Clellie Brown, who discussed plans for the Christmas projects undertaken by the club. Following this, the meeting was turned over to the hostesses for the Christmas program, these being Mrs. Lucy Gray Freeman, Mrs. Ellen Woodlief Mrs. Catherine Allen and Mrs. Margaret Moss. Mrs. Boots Weathers presented a most fascinating reading of "Christmas Gossip", which put everyone in a gay and humorous mood. Games and contests were played with two of the winners being Mrs. Kathleen Croom and Mrs. Pattie Justice.

After this, members had a great deal of pleasure in exchanging untagged gifts which they had brought. Everyone enjoyed singing Christmas Carols under the direction of Mrs. Potts.

The hostesses served attractive refreshments of open-faced Christmas tree sandwiches; ribbon sandwiches, tied in red; cranberry salad, white cakes decorated with red and green; and coffee. There were favors of Christmas bells.

The serving table was beautifully decorated by Mrs. Jones. It was covered with a white cloth, and centered with two large red candles, which were placed diagonally. Gracefully swirled by these, were two tinsel trimmed silver mesh Horns-of-Plenty holding glistening Christmas balls. The silver service was at the head of the table and serving trays elsewhere.

On the officers table was a green wreath holding an arrangement of red floral tapers, accentuated by satin ribbon. Yuletide decorations in traditional colors were used elsewhere. The refreshments were enjoyed by the warm glow from the flickering holiday gifts.

Youngsville Group Hears Mr. Green

Youngsville — The Youngsville Home Demonstration Club had a special meeting at the Community house on Monday night February the eleventh, with a large number of members and their husbands present. Invited guests for this occasion were ladies from the Woman's Club and their husbands.

After the opening song of "America", a Devotional was presented by Mrs. Frances Burgin, followed with prayer by Rev. R. F. Potts.

During the business session at which President Gladys Barnes presided, minutes were read by Secretary Mr. E. M. Carter and Treasury report by Mrs. R. E. Timberlake.

Mrs. Carter introduced as guest speaker for the evening, Mr. Charles P. Green, Attorney At Law, from Louisburg, who spoke on "Legal Affairs." He emphasized matters with which a woman would be most concerned, stressing the importance of women acquiring relative knowledge. Highlights of his discussion were in regard to household business, wills, accounts, personal property, real estate, mortagages, and social security. After an enlighting presentation on these matters, Mr. Green held a question and answer period.

At the conclusion of the program, the hostesses, Mrs. W. R. Evans and Mrs. R. E. Timberlake, served refreshments of sandwiches, cookies, pretzels and coffee.

On the serving table was a beige lace cloth and a five-branched candelabra holding white tapers. In decorating elsewhere, attractive arrangements of dried flowers were used.

WOMAN'S CLUB TO MEET

Youngsville — "Children's Theatre" is the title of the speech to be presented at the meeting of the Woman's Club which will be held Tuesday night February the nineteenth at the Community House at eight o'clock. The guest speaker for this occasion will be Mrs. Gail Edwards of Wake Forest.

The Literature and Drama Department of the club is sponsoring this program. Mrs. J. W. Weathers, Jr. is head of this department and serving on the committee with her are Mrs. B. H. Patterson, Co-Chairman, and Mrs. W. R. Evans, Mrs. W. C. Timberlake and Mrs. J. W. Weathers, Sr.

Mrs. Gail Edwards

WOMAN'S CLUB HEARS OF NEED FOR DRAMATIC TRAINING OF YOUTH

Youngsville — The February meeting of the Youngsville Woman's Club, held last Tuesday night, opened with the singing of The Club Woman's Hymn followed by club Litany and the Lord's Prayer.

Mrs. J. W. Weathers, Jr., Chairman of the Literature and Drama Department, introduced as guest speaker, Mrs. Gail Edwards of Wake Forest. "Children's Little Theater" was the topic Mrs. Edwards chose. Speaking from a background of personal dramatic experience, she told of the wonderful emotional outlet that drama offers for children, as well as adults. In encouraging organization of a community Little Theater, she outlined detailed steps for such a movement. As dramatics in various forms can mean so much and be so beneficial in individual lives, parents are urged to interest their children in as much public speaking as possible; and to provide dramatic opportunities for them.

President Mrs. Matt Reddick presided over the business portion of the meeting. Mrs. Frances Jarman of Radio Station WDNC in Durham has accepted the invitation to be guest speaker for the June banquet.

This year the club again will cooperate in the Finer Carolina Program by sponsoring a community project. Mrs. A. E. Hall and Mrs. E. M. Mitchell were selected as Chairman and Co-chairman of this project.

The President announced that the annual club report had been sent in and that this is a one hundred percent organization.

During the past month two birthday gifts were sent to boys who are in state institutions.

Hostesses for this meeting were Mesdames R. F. Potts, S. E. Tharrington, C. V. Timberlake and Kathleen Croom. Refreshments of strawberry shortcake, nuts and coffee were served. Colors of red white and blue were used carrying out a patriotic motif. On the serving table was a white lace cloth over a red base. The centerpiece was red and white, flanked by blue tapers in crystal holders.

Dear Club Members:

Thank you for the nice gift sent to Eastern Carolina Training School for Jerry Jenkins. I know he will greatly enjoy it.

We are grateful for clubs such as yours whose members take an interest in our youth. It is very helpful in the rehabilitation of our boys for them to realize there are people who are interested enough in them to provide a nice gift for their birthday.

Very sincerely,

William D. Clark,

Woman's Clubs to Cut Short Annual Meet In High Point

By KATHERINE H. HOLOMAN.

Days have been cut and hours trimmed from the usual Convention schedule of the N. C. Federation of Women's Clubs with the result a stramlined, 24-hour Convention to be held in High Point on April 2 and 3.

The decision to cut down the activities at Convention followed the announcement that the General Federation of Women's Clubs would hold its Convention in Asheville in June. Realizing that it is a once-in-a-lifetime opportunity to attend a General Federation Convention as a hostess clubwoman, the Board of Directors is urging clubwomen all over the state to plan to go to Asheville in June, and is further encouraging them by abbreviating their State Convention obligations.

Mrs. Aubrey Mauney, State Federation President, has said, "Without sacrificing the essential, we shall be compelled to omit most of the 'frosting on the cake."

Business Sessions.

Two business sessions on Tuesday afternoon and Wednesday morning will be packed with the necessary business matters. A new Recording Secretary, Treasurer and Trustee will be elected and later installed at the concluding luncheon on Wednesday. Resolutions, Revisions to the Constitution and By-Laws and all other annual business matters will be dealt with at these two business sessions. All delegates have been asked to study pending issues in order that discussion may be kept at a minimum.

Reports on the year's activities and accomplishments will be coupled with featured speakers for two festive occasions. On Tuesday night, the work of the departments of the Federation will be featured at a banquet. Mrs. Gordon Maddrey of Ahoskie, Chairman of Departments will also present the winners of the State Music Contest at this time.

A closing luncheon on Wednesday highlighting the work of the Districts will have Mrs. Carroll Miller, Third Vice-President of the General Federation as speaker. Following a separate luncheon and business session for the Juniors, both groups will combine for Mrs. Miller's address and installation of officers.

Details concerning reservations and accommodations at the High Point Convention have been sent to all club presidents in the state and are also included in the current issue of the "Clubwomen." Convention chairman is Mrs. C. G. Mackintosh of High Point.
