ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

DIRECTOR OF MISSIONS REPORT

The wonderful thing about the association is that it is a fellowship of churches working together in missions in their local setting. Each church, regardless of size or location has a significant role in the total response. God unites each of us as a local body of believers to accomplish His great task of evangelism and missions. We believe the Lord is doing "great things" for us in

Randolph.

This has been a good, full, and busy year in the life of Randolph Baptists. This year's reports show a significant growth in mission giving, church development through B.T.N., outreach awareness through ACTS to the community and a strong feeling of togetherness as Baptists in Randolph County. This has been a year when we have put strong emphasis on evangelism through Good News America Revivals and Mission Involvement through the Pastor's Exchange Day in West Virginia. These events have opened our eyes to the spiritual needs around us and to the needs of others in different areas of the world.

As to my personal stewardship and accounting to the association, I have had the privilege of preaching and teaching in many of our churches. During this associational year, I have supplied for sixteen of our pastors, conducted two revivals, spoke at two homecomings and brought several missionary messages at special emphasis. I have had a part in training conferences for Sunday School, Key Leadership, Deacons, Brotherhood, W.M.U., Pastors, VBS and Mission rallies. I have held studies in churches relating to associational, Foreign, Home and State Missions. Some of the other services for churches were publishing bulletins, newsletter, and preparing revival materials. Along with these printings was our associational newsletter, 800 monthly to leadership and interested persons in the association.

This year has also afforded me the opportunity to attend leadership conferences, state convention, director of missions conferences, evangelistic conferences, regional meetings and a number of other meetings in reference to my work. In the association, conferences have been many, such as Executive Committee meetings, Missions Committee, Evangelism Committee, Budget and Finance Committee, Nominating Committee, Committee on Committees, Pastor Conference, Pulpit Committees, group and individual conferences. A great deal of time this year was given to individual counseling and pastor referral. It has been a busy and rewarding year. Over all, I have driven over 20,000 miles in my work and ministry and have visited and shared in 31 of our

churches.

SOME OF THE HIGHLIGHTS OF OUR ASSOCIATION:

1. 28 of our churches participated in the Good News America revivals in April, through a county-wide promotion and witness involvement. Truly, there were some wonderful results from these days.

2. 18 of our churches are using weekly or occasionally, BTN for their church and there are 140 permanent video tapes in the associational library for

use in the churches. Weekly we are recording new tapes.

3. ACTS, the American Christian Television System, was officially launched on January 1, 1986 on channel 25 of Cablevision of Asheboro. This is our Southern Baptist television system, telecasting 24 hours daily, programs for all the family. We have a potential audience of 10,000, and the local board hopes to use this channel for local programs in the near future.

1986 Annual 27

4. The Pastor's Exchange Day in West Virginia was a great highlight for the year. Ten pastors and churches participated in this day. Our pastors exchanged pulpits for one Sunday, September 21. It gave our pastors the opportunity to see the needs and churches in West Virginia. It gave us a deeper concern and commitment to pray and help more.

As we prepare for another year, our emphasis will be a World Missions Conference in September, 1987. Our prayer and hope is that 30 or more of our churches will participate in this week long involvement. This will give our churches an opportunity to hear fresh reports from around the world from our

missionaries.

We rejoice in what has been accomplished this year. However, we should strive to grow toward a greater faithfulness, effectiveness, and efficiency in fulfilling our ministry of developing believers, reaching the lost for Christ, and strengthening missions in our churches. Your church, with every church in the association has a vital, strategic role in meeting this challenge. May God give us the vision and dream for the year ahead.

My deepest thanks and appreciation go to the wonderful people in our churches and to the splendid pastors who make up our association. I am indebted to prayers, support, cooperation and encouragement you have given me through this year. It has been my joy and privilege to serve Randolph Baptists for nine years. My family and I have come to love and appreciate you so very much. We begin our tenth year with great anticipation and commitment to the Lord for his will to be done among us.

May God bless each of you as you hold up the hands of the pastors, church leaders and others in prayer and support in these days of frustration, complacency and fear. Let us encourage one another and support one another

in the year to come. May God bless our association.

V. WHY:

Have a World Missions Conference?

1. Because the Lord has commissioned us to go and tell.

2. Because of the encouragement and support needed for our missionary enterprise.

3. Because of the unity and cooperation of the churches in our

association.

4. Because of Bold Mission Thrust — Our effort as Christians to give every person in the world the opportunity to hear the Gospel and to respond to the Gospel by the end of the century.

VI. CHALLENGE:

In Acts 14:26-28, Paul and Barnabas shared about their work with those people who sent them out, the church at Antioch. The missionaries that we are supporting through our Cooperative Program and our special offerings are coming to us to share about their work. Our churches should be different as a result of our participation in the World Missions Conference.

BROTHERHOOD REPORT

The associational year of 1985-86 was a good year. But we hope the 1986-87 year will be even better.

1. We were able to attend the North Carolina Baptist Men Convention at First Baptist Church, Charlotte, November 8-10, 1985. Speakers were Dr. Findley Edge, Author of the book Doctrinal Study on the Laity, Jerry Clower, renowned humorist, and Dr. Denton Lotz of the Baptist World Alliance.

Crusaders.

3. We attended the N.C. Baptist Men's Board Meeting at Caraway

Conference Center on February 21-22, 1986.

4. Pinewood Crusader cars, Cross Road Church. We hope we will have more participation in this event next year. All awards went to Cross

Road Baptist.

YOUTH REPORT — LOOKING AHEAD

On September 8th at First Church, Asheboro, Key Youth Leaders gathered from across our association. This meeting was well attended and we came away with a renewed vision and sense of purpose for the youth across our county.

Highlights of the discussion centered around activities that have "worked" in various churches and forthcoming ideas that we could do on an associational basis to reach youth for Christ. These would include a Ski-Bible conference, Saturday night youth gatherings, associational wide youth revival next spring and youth camp next summer.

The importance of an active youth council was discussed, not only in every church but in our association as well, for the purpose of prayer, planning, and participation. A mailing list of youth leaders has been put together and mailed

to churches throughout our association.

1986 Annual 33

We also want to extend a warm welcome to Mark Hall, Minister of Education and Youth at First Church, Asheboro who will be an important addition to our planning team.

BUILDING AND GROUNDS REPORT

The following is a list of needs met through our committee in 1986. (1) septic tank replaced by connecting on to the city system. (2) work on and reseeding the lawn due to having it torn up in replacing the septic tank. NEEDS: No. 1 priority is the paving of the parking lot to make it more appealing and useful. No. 2 would be to landscape banks and around the building. These two things would add beauty to our associational office and pride in its outside appearance.

SUNDAY SCHOOL REPORT

The Convention theme for Sunday School work is now the 10/90 campaign. This simply means that Southern Baptists plan to have ten million people enrolled in Sunday School by the year 1990. It is a worthy goal but will take

much work on the part of every Sunday School member.

Our Randolph Association Sunday School program is set to help meet the challenge of the 1980's and 90's. Various workshops and training sessions offered workers in every church an opportunity to expand their efforts for the Lord. In January two members of the Assist Team participated in a workshop at First Baptist Church, Asheboro dealing with the "How to Guide Books." A full team from the association taught this series of books at a two-night school on September 15-16 at the Balfour Church.

Members of the Assist Team (which is also the association Sunday School Leadership) attended special meetings at Ridgecrest for the State Key Leadership Conference, May 12-14. On August 26 the Assist Team traveled to Montgomery Association to conduct a Literature Workshop for the churches

of that area.

As these events reveal, the 1985-86 Sunday School year has been filled with opportunities for study and growth.

CAMPUS MINISTRIES

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. A growing number of churches are also

finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist Colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about \$50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry

on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSUs joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student

Convention involved over a thousand young people in Christian growth and

challenge to stewardship of life.

Teams of students from BSUs and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus ministry! On behalf of these who, in God's power, are our future, thank you!

CHRISTIAN EDUCATION REPORT

CAMPBELL CHOWAN GARDNER-WEBB MARS HILL 1887 1848 1905 1856

MEREDITH WAKE FOREST WINGATE 1891 1834 1895

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest

and concern, are listed for the benefit of the associations:

CAMPBELL — During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

CHOWAN — Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid,

scholarship assistance and program support.

GARDNER-WEBB — On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

MARS HILL — A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

MEREDITH — "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

WAKE FOREST — Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1934 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

WINGATE — Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

BAPTIST RETIREMENT HOMES REPORT

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder*, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and

Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over \$900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided \$785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.

— Jim Saul was appointed Assistant to the President for Personnel.

— Don Peiffer was appointed Assistant to the President for Business Affairs.

- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. 8 patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four

types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation, but is equipped and staffed to provide

emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent). These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients,

families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's \$150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, and an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave \$566,307 through the Cooperative Program and \$374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

CHILDREN'S HOMES REPORT

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry.

The mission is to care for dependent, neglected, homeless and troubled children, unwed mothers and their children, and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

The new Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty-percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was 1.6 million dollars. We encourage you to help promote the new offering in your church during May, 1987.

UPDATE/THOMASVILLE AREA:

During the past year, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church. In addition, the children/youth on the Mills Home campus participated in January Bible Study, Vacation Bible School, Chorus, Sunday School, Worship, R.A.s, G.A.s, Acteens, Drama and the Christmas Cantatas. Many of the children/youth in care availed themselves to the opportunity of attending our denominational camps.

The ARTS & CRAFT FESTIVAL honoring the youth of our state was held in May. Youth under 18 years of age were invited to participate in a juried art show that was judged by well-known artist, Bob Timberlake. Plans are for a repeat of this festival in April or May, 1987.

Homecoming on the Mills Home campus witnessed more than 800 alumni

returning to their "home."

The staff on the Mills Home campus annually plans an awards night during which time every child/youth in care is given a certificate of achievement. Every child/youth is recognized as having made progress in one or more areas of their life.

The staff, trustees, children in care and our president are grateful to the Baptists of North Carolina for their faithfulness as expressed through their financial support. Thirty-seven percent of our daily operating budget is derived from the Baptists of North Carolina. We believe our ministry is a fulfillment of the mission mandate of the Great Commission. The Baptist Children's Homes of North Carolina have existed for 101 years for one reason, to serve children and their families . . . in your stead . . . in Christ's name.

CHRISTIAN LITERATURE REPORT

Perhaps it would not be untrue to say that the greatest force in our Southern Baptist life in leading people to Christ and inspiring people to commit their lives to Him and serve Him is our Christian literature. Of course, in our Southern Baptist Convention the agency that produces the most Christian literature of all is the Sunday School Board. Every year it gives great support to Southern Baptists by making available many Bibles, lesson courses and materials, books, audiovisuals, music and recordings, and church supplies by fostering education and service programs which help the churches to establish, conduct, enlarge and improve their ministries of Bible teaching and Christian training.

During 1984-85, the Sunday School Board committed its programs and resources toward the successful achievement of Bold Mission Thrust. Major goals and accomplishments have already been reported in this area.

Records show that some 78,408,697 million pieces of Christian curriculum literature have been published and sent to churches and individuals in all 50 states and to 50 foreign countries. Also a BTN has been established as a department within the office of publishing and distribution. Thus, as an agency of the Southern Baptist Convention, it is the Sunday School Board's intention to serve faithfully in all areas of its work with Christian literature so that lives are touched and changed by the power of the gospel through Christian literature and built up in Him.

Perhaps the most important means of communication in the current expansion program called Bold Mission Thrust are the Baptist press and the 37 Baptist newspapers. These news medias are at the forefront of a thriving denominational press now serving Southern Baptists. Circulation among these state papers is 1,705,800. A long sought goal of 2 million circulation is within

sight.

For us who live here in North Carolina, our own state Baptist paper, the *Biblical Recorder*, is an excellent means of communication as it brings reliable and accurate reports on missions, evangelism, benevolences and education and gives good support to the causes of the whole denomination. Thus, may we one and all stand together in our appreciation of the Biblical Recorder as our chief ally in the total work of our Lord.

REPORT TO THE ASSOCIATIONS — 1986

The Biblical Recorder

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more

important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians — fewer persons in North Carolina are members of any church than are not — and the rising spirit of secularism make our task more difficult but at the same time much more

imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (\$96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the Recorder have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, \$5.00 per subscription for every resident family; Club Plan (four or more), \$6.00; and Individuals, \$7.00. If your church does not have the Every Family Plan, special introductory offers

are available. Please contact:

The Biblical Recorder 232 W. Millbrook Road Raleigh, NC 27609 919-847-2127

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

Through its three departments — Christian Citizenship Education, Aging, and Christian Family Life — the Council on Christian Life and Public Affairs has provided a variety of events and resources of North Carolina Baptists on social and ethical issues. As requested by the annual state convention, the Council has given equal time to promoting the Sanctity of Human Life Sunday in January, 1986, and World Hunger Day, October 12, 1986. The Christian Life Commission (SBC) provided material to aid in these observances along with material for Race Relations Sunday, Christian Citizenship Sunday, and Day of Prayer for Peace.

THE DEPARTMENT OF CHRISTIAN CITIZENSHIP keeps us informed on primary issues in the General Assembly, such as the state budget and liability insurance. Other laws passed were those making it easier for parents to collect child support payments, setting up ways to help victims and witnesses of crime, and encouraging the preservation of farmland. At the same time, the General Assembly let die bills which would have extended the dram shop liability in alcohol laws, provided greater protection against hazardous wastes, and set up standards of dealing with children endangered by their home environment. In

the coming year, for the first time, membership in the Legislative Network will be available to all Baptists at a normal fee.

Hunger continues to be of great concern to North Carolina Baptists. Recent rains in some areas of Africa have eased the crisis for millions. However, a handful of countries still live on the edge of disaster, and the rains provided only short term relief. Long-term, small-scale development is still desperately needed. Unfortunately, with the easing of the crisis conditions, Baptists cut back in gifts.

In September, the Council co-sponsored (along with North Carolina Baptist Men) a week-long emphasis on pornography. Regional meetings were held in Asheville, Charlotte, Jacksonville, and Winston-Salem, concluding with a day-long symposium in Raleigh.

THE DEPARTMENT OF AGING held eight regional senior adult rallies with more than three thousand attending. Six conferences/retreats held at Caraway Baptist Conference Center attracted capacity crowds. In May a seminar for pastors, "Pastoral Care of Older Members and Their Families," was conducted at Caraway. The Department assisted many churches in special seminars, dealing with such topics as "You and Your Aging Parent," and they offer training opportunities in development of senior adult ministries. Senior adults are responding to the challenge to fulfil God's purpose in their lives.

THE DEPARTMENT OF CHRISTIAN FAMILY LIFE worked with the Division of Evangelism to promote an "Evangelism Through the Home" conference in conjunction with the "Good News America — God Loves You" emphasis. Also, they offered a workshop and leadership training opportunities on "Parenting By Grace." Five Marriage Enrichment Retreats were held in churches. These are aimed at enabling couplas to develop skills to "make good marriages better." Three area-wide single adult seminars were held; two video-tapes ("The Perils and Possibilities of Mid-life" and "Discipline that Disciples") were made; a training session on battered women (domestic violence) and a workshop on "Divorce and Step-Parenting" were held. Two conferences for pastors' wives were underwritten by the department's budget.

The Department has worked hard to provide North Carolina Baptists with resources that would aid them in the crucial task of strengthening family life.

EVANGELISM REPORT

With less than one half of the people of Randolph County in church, it makes us more aware that the Great Commission is so very important to us. We need to start at home, by winning the lost to Jesus Christ here as well as around the world. This past year has been dedicated to the "Good News America, God Loves You" revivals. We had about half of our churches taking part in the March and April meetings. Many training courses were held in the Association. Much prayer and work went into the preparation for our churches. God blessed our churches with many professions of faith in Jesus Christ.

The State Evangelism Conference in Greensboro was great. They also had a session of training in connection with the conference. Many efforts were put forth by many people at home. We had good publicity, and good planning was done by many churches. Good preaching, and then God gave the increase. The

preparation time for some of us was about as fruitful as the meetings

themselves. I hope the baptisms are up considerably this year.

I want to thank God for His blessings, too, for giving to us liberally the spirit of revival, and blessing our churches during this time of preparation. Thanks also, to those who worked so faithfully in the revival effort. To Rev. Rotan for being there and leading us so faithfully. To our churches who had revival. May God bless our churches and continue to give us a spirit of revival. There is still a great need for our churches to continue growing and the best way to grow is for persons to be born into the family of God regularly. I want to urge every church to pray much, train their laymen, and commit themselves to winning the lost to Christ. Let us resolve to do our very best for the Lord, the unsaved all around us, and the church of Jesus Christ in which we are privileged to work until He comes again.

MISSIONS REPORT

The Missions Committee met four times this year to discuss several items of mission interest. Among these items discussed, were new mission possibilities in the Level Cross Area, along with progress reports of the Cedar Grove Mission. Also, the Missions Committee presented to the Pastor's Conference the need for mission volunteers in Togo, West Africa. This request was made from our State Brotherhood Department. The challenge was given to every association to have one pastor involved in this mission partnership.

Our committee was instrumental in encouraging participation in the Pastor Exchange Day with the West Virginia Churches. There were nine pastors that

participated in this mission awareness and encouragement project.

The Missions Committee has discussed several needs that we presented to our Randolph Fellowship. First, there is a need to secure an individual, (preferably a retired person) who will serve as a MAP (Mission Action Project) Director. This would involve spending one day a month to help communicate with those of our churches who support MAP.

Also, our committee is concerned about our financial commitment to our West Virginia churches. At present, we are several months behind in our support and would ask the churches of our association to help alleviate this obligation for the remainder of 1986. We project that 15 churches giving \$100

or 30 churches giving \$50 would dismiss this debt.

Finally, our committee will be contacting a resource person in each church to help recruit involvement in our MAP program. This person will be instrumental in helping to recruit those from their churches who are interested in missions. A meeting of all these people will be planned later to discuss various mission projects.

APPRECIATION COMMITTEE REPORT

We the Appreciation Committee of this 52nd Annual Session of Randolph Baptist Association express our heartfelt thanks to God who is the ultimate gift giver.

We say "Thank You" to All who have used their gifts to bring us these

enlightening and challenging programs.

Thank you to the speakers, the musicians, the officers, committee members, our Director of Missions and the Moderator who has presided so effectively over our meetings.

We express our gratitude for the hospitality and thoughtfulness shown us by our host churches: Oakwood Park, Forest Park and First Baptist, Ramseur.

We want to thank God for the past 10 years of Bold Mission Thrust with its accomplishments. May we again be electrified with excitment in a unified effort to evangelize our world. With 66% unchurched and unreached in our association, let the effort begin with each of us as we go back to our respective places of service to use our God given gifts.

A BRIEF HISTORY OF FOREST PARK BAPTIST CHURCH

Forest Park was organized as part of the "30,000" Movement of the Southern Baptist Convention under the presidency of Dr. C. C. Warren. It was his goal to

establish 30,000 preaching missions or churches during his tenure.

In the early weeks of 1959, the Mission Department of the State Baptist Convention sent a survey team to the area south of Randleman to determine if there was enough interest there to establish a new Baptist Church. With the aid of Balfour Baptist Church it was decided to form a Baptist Mission for the area. A Missions Committee composed of Carl King, A. G. Memory, and Wade Snider was elected. The pastor of Balfour and Mr. John C. Pearce were also helpful in the early formation of the "Mission Church."

The first service was conducted on May 3, 1959 with about 50 in attendance. Rev. Talmage Smith, field worker for Randolph Baptist Association delivered

the first sermon.

Rev. Smith preached during the first months of the Balfour Baptist Mission until Rev. B. L. Gupton, a retired army chaplain was called as pastor. He resigned in 1961 and Rev. Doyle Moore was called and served until 1963.

The Mission department of the Baptist State Convention contributed \$1,000 to help purchase the land on which the present church building is located. On April 2, 1961, the Balfour Baptist Mission moved into its new home.

In the early part of 1964, the Rev. John Kizer was called as mission pastor and on October 4, 1964, with approximately 114 members present, Forest Park was constituted as a church.

In 1965, the second building program was completed, and in 1974-75, the third phase of a building program was undertaken. At this time the sanctuary, fellowship hall with kitchen, two bathrooms, two additional classrooms, a nursery, two choir rooms and a pastor's study were constructed.

The church has full program of ministries with an active Sunday School, Church Training, WMU and Brotherhood. There is also a music program of

Adult, Youth and Children's Choirs.

A BRIEF HISTORY OF RAMSEUR FIRST BAPTIST CHURCH

In the year 1851, a group of Christian lay people interested in the spiritual welfare of their families gathered to organize a church in the little mill village of Columbia. This group joined fellowship with Missionary Baptists and became

known as the Missionary Baptist Church of Christ of Columbia, North Carolina. In 1889, the name was changed to Ramseur Baptist Church because the town was renamed Ramseur after a confederate general.

The people met in a brush arbor while the church building was being constructed. This first church building was the first church built in the village.

The earliest records show that there were sixty-six members in the charter membership. By the year 1893, the congregation had outgrown the small building and plans were drawn up for a new site and a new structure.

The second building for the Baptist fellowship was built in 1895 on the site of the present church, near the center of town. During the years of 1897-1912, the

wings of the church were added and Sunday School rooms built.

In 1851, the church drew up a petition for admittance into the Sandy Creek Baptist Association. The church remained a member of this historic association until 1895 when it joined the Piedmont Association. In 1934, the churches of Randolph County organized the Randolph Baptist Association and the Ramseur Church joined, along with twenty other churches.

Sunday School work began in 1885 or 1886, as the first church organized its own church school program. Prior to this event, a union Sunday School served the whole town. The Sunday School has grown through the years and has become perhaps the strongest teaching and evangelistic arm of the church.

The Woman's Missionary Union was organized in 1897. It was then called the Ladies Aid Society. The W.M.U. and its auxiliaries have held a prominent

place in the mission and stewardship work of the church.

Special emphasis has been placed upon programs for children and young people. A strong Vacation Bible School has been held through most of the years since Sunday School was organized. A church nursery program has been developed to introduce children to church attendance and to give their parents more opportunities for worship and service. In the year 1972-73, the church held kindergarten classes for children four and five years old. A high point was reached in the work for youth when in 1973 the church began hiring a summer youth worker to coordinate youth activities and music.

The Choir and program of church music has played a leading role in our

church during all these years.

In the early part of 1900, B. G. Leonard, Sr. was licensed to preach and in 1983, Charlie R. Stutts was ordained as a Baptist Minister. In 1965, former pastor, Jack Gentry and wife and daughter left the church to go as missionaries to Formosa.

During the lifetime of the Ramseur Baptist Church, many consecrated men and women have held their membership in this church. The current church membership is 373 with a Sunday School enrollment of 200. Our present congregation is still active in the programs of study, missions and worship that were begun by the early members of that small village fellowship that has evolved from the Missionary Baptist Church of Christ at Columbia into the First Baptist Church of Ramseur.
