The Organ Prelude

The Choral Call to Worship

"The Lord is in His
Holy Temple"

The Spoken Call to Worship:

O God, how great You are! You have made the world and everything that is in it. You have made us, O God. How glad we are that you did! We have come to church today to say thank you that we are important enough to be a part of what you want in your world. This is a good time to rejoice that we are alive. Today is a special day to be glad.

The Response by the Congregation:

THIS IS THE DAY THE LORD HAS MADE.
LET US REJOICE AND BE GLAD IN IT.

The Invocation Vennoy Shields

*The Opening Congregational Hymn . "How Great Thou Art"

"O Lord my God! When I in awesome wonder
Consider all the worlds thy hands have made.
I see the stars, I hear the rolling thunder,
Thy pow'r throughout the universe displayed.

REFRAIN: Then sings my soul, My Saviour God to thee:
How great Thou art, How great Thou art!
Then sings my soul, My Saviour God to thee:
How great Thou art, How great Thou art!

When Through the woods and forest glades I wander
And hear the birds sing sweetly in the trees:
When I look down from lofty mountain grandeur
And hear the brook and feel the gentle breeze:"

Statement of Our Faith

"I believe that I belong to the family of God.
I believe in God, My Father,
the one I can trust,
Even when He is hard for my mind to understand.
I believe in Jesus, My Brother,
in whose life I see the goodness of God.
I believe in myself
with the Spirit of gladness alive in me
I believe in this unfinished world,
where both the joys and hurts are real.
By faith I try to look out of myself
to see this world as best I can.
By faith I try to move myself
to live in this world as best I can.
By faith I try to give of myself
to help in this world as best I can.
By faith I try to share myself
to stand by others as best I can.
And when my life is nearly done,
I will look back to see
that whenever I walked by faith
in God my Father,
Jesus my Brother,
And the Spirit of gladness within me,
I will see it has been good.....Very good. Amen.
