MISSIONS CONFERENCE FOR ALL STUDENTS:

From February 28 through March 2, our seminary will sponsor the 1975 Conference on Missions and Ministry on our campus. This conference is for all people interested in the many areas of genuine Christian ministry: seminary and college students and families, community members, and members of your church, as well as others who will be coming from other states. Barry St. Clair, Bob Tremaine, and Elmer West will be the keynote speakers. Silver Spring Mountain and Bloomsbury Park will offer musical entertainment. Also, the conference features 12 seminars, from which you can choose 3 to attend on Saturday. If you are interested in attending, there is no charge for seminary students, and you may pick up a complete program at any of the following places: (1) Switchboard and Information Desk, (2) Office of Student Activities, (3) Office of Conference Chairman, Mackie Hall. Also, we would like for you to make a special effort to attend the Mixer on Saturday, March 1, in the Bethea Room, from 8:00 until 8:45. This activity is designed to give outside visitors a chance to meet some seminary students and perhaps ask questions. Refreshments will be served, so please make a note on your schedule to come and enjoy the fun and fellowship of the entire conference.

SHARE WORKSHOP:

On Monday, March 3 from 7 - 9 p.m., any seminary parents or students are invited to the Child Care Center to learn how to put scraps into service by helping child care staff members make teaching aids games. Please bring some sharp scissors.

NEW GYM

AVAILABILITY:

The gymnasium is now available to students at hours other than when the gym is open under supervision. Students who are willing to assume responsibility for any activities undertaken in the gym may sign out a key from the Business Office. Keys are to be returned promptly. Other gym hours may be arranged on request. Contact Jim Sample (556-2718) or Richard Moretz (556-1107). At all times, the gym is to be closed during Chapel services.

FOUND:

A Timex watch was found in the Recreation Room on Tuesday, February 11. The owner may claim it in the Student Activities office, Mackie Hall by describing the watch.
