## Dedication

**ANNIE KNOTTS HOYLE**

Annie Knotts Hoyle was born in Wadesboro, North Carolina. She is one of 10 children born to Thomas Hendrix and Lois Smart Knotts. At age 16 she responded to an invitation to become a Christian with a group of other young people who had been permitted to leave school and attend revival services. As she later reflected upon her decision during her high school years, she committed herself to Christian service.

With sacrifice and personal discipline, she prepared herself for a career in education. She attended Appalachian State University, UNC-Greensboro, UNC-Chapel Hill and graduated from East Carolina with a degree in Elementary Education. Later she earned two master's degrees from George Peabody College, now Vanderbilt University. Her degrees are in Elementary Education and Supervision and Psychology. She has also done post-graduate study at the University of Vermont, University of Nevada, and San Diego State Teachers College in California.

Her teaching career spanned the state of North Carolina. She began in Anson County in a two-teacher school where she also served as Principal. She taught the first grade in Bladen County. She came to Jackson County in 1948 and taught at Camp Lab School. In 1950 she married the School Principal, Mr. C.A. Hoyle. Mr. Hoyle died in 1971.

She left the public school system at the invitation of Western Carolina University to teach in the Education School and the English Department. After leaving there, she founded the Child Development Department of what is now Southwestern Community College.

Through the years her Christian witness and influence upon children and teachers of children have been both profound and immeasurable. Many of her former students continue to keep in touch with her by mail, telephone, and personal visits.

When she moved to Cullowhee, she joined the Cullowhee Baptist Church. Her impact and contribution to that church is beyond measure. She has been Sunday School Director and teacher, WMU Director, Church Training Worker, Deaconess, Church Treasurer, and she has served on numerous committees through the years. She has given generously both in time and of resources to help the church fulfill its ministry.

Her contributions to the Tuckasegee Baptist Association are widespread and significant. She has the vision of the Kingdom of God being greater than just her own local church. She has a burden to see churches work together and a willingness to help churches grow in their awareness of mission and ministry.

To that end, she has served the Association as Clerk for 17 years. She has served in leadership capacities in the Association's Mission work as both WMU Director and GA Director at

different times. She has volunteered her time and talents in serving on the Sunday School ASSISTeam, VBS Team, and Church Training Team.

She has served as Secretary for two Directors of Missions, Walter Middleton and John Reid. For the past six years she has served as Secretary and Assistant on a part-time staff basis and volunteered on a part-time basis to provide the Association with a full-time person in the office five days a week. She also served on the Memorial Committee and for many years concluded each annual meeting with an inspiring tribute to deceased church members. Her courtesy, helpfulness, and integrity continue to contribute to the efficiency and effectiveness of the Associational office in serving the churches and the county. The Annie K. Hoyle workroom is a visible reminder and lasting tribute to her generosity and to her love for the Association.

Her ministry has extended beyond the local church and Association. For five years she was BSU Director on the campus of Western Carolina University before the new building was completed. She served on the Executive Committee of the WMU of North Carolina. She is a member of the I.G. Greer Society of the Baptist Children's Homes of North Carolina.

Beyond her church work she has served as Brownie Troop Leader in Scouting and has done volunteer work in the infirmary at Western Carolina University.

She is a member of Pi Delta Kappa, and a Past President of Delta Kappa Gamma. She is Past President of both the Southeastern Region of Association for Student Teaching and Southeastern North Carolina Education Association.

All of these accomplishments are the result of a fruitful life that is committed to Jesus Christ. Simply stated, Annie Hoyle loves the Lord and lives for Him. She understands the spiritual principle that to serve God we must become each other's servant. Her availability and her capability have been recognized and appreciated and often have brought her to the forefront in leadership. She offers help and encouragement where it is needed and wanted. She is comfortable on either the back seat or the front seat. She lets the need determine her action. She has the spiritual gifts of giving and of helping. She has been faithful to exercise her gifts. She continues to be an example in her servanthood, her leadership, her giving, her commitment, and her love for the Lord.

With deep gratitude and profound admiration and respect, the Tuckaseegee Baptist Association joyfully dedicates the 1987-88 Annual Minutes to MRS. ANNIE KNOTTS HOYLE.

# Proceedings

Thursday, October 13, 1988

1. The first session of the 159th Annual Session of the Tuckaseegee Baptist Association was held at the Jarrett Memorial Baptist Church with the Little Savannah Baptist Church serving as co-host. A delicious meal was served in the Jarrett Memorial Fellowship Hall, beginning at 5:00 p.m.

2. The Reverend Roy Burnette, Moderator, called the meeting to order at 6:00 p.m. He extended a welcome to the messengers and visitors and thanked the host churches for the meal and accommodations.

3. The Moderator reminded the messengers that they were in session to do the Lord's business.

4. The Reverend Harry Vance directed the singing of "Amazing Grace," accompanied on the piano by the Reverend Tommy Land, pastor of the Ochre Hill Church.

5. The Reverend L. Pangle, father of the Reverend Hazen Pangle, sang a solo and made several apt remarks concerning the marvels and wonders of the Saviour, Jesus Christ.

6. The Reverend Glenn Blanton, serving as interim pastor of the Black Mountain Church, led in a prayer then delivered a strong message using as his text scripture from I Corinthians 2. The title of his sermon was "The Things We Have Left Undone in Our Lives."

7. The Reverend Harry Vance led the singing of "Stand Up, Stand Up for Jesus."

8. A motion to accept the agenda as it appeared in the "Book of Reports" was voted on and carried.

9. The Moderator asked all visitors to stand and be recognized; two stood. A call for pastors new in the Association this past year revealed that there were none.

10. The Reverend John Reid, Director of Missions, thanked the churches for their meal and hospitality. He congratulated the Jarrett Memorial Church for its 100 years of service to the Association and to the community. He described the Baptist people as a people of faith, and in assisting in the taking of the gospel into all the world thus fulfilling the mandate given by Christ.

11. In his report, Reid reviewed some of the mission work being done at the present time by the churches in the Association: namely, the West Virginia project, the Brazil project, Physically Handicapped, Inc., and many other local missions. The churches, he said, are gathered together as a family of churches. He read from the 1987 Annual the resolution that was adopted by the Tuckaseegee Baptist Association at the '87 Annual Meeting, to organize an Associational-wide prayer plan to pray for Spiritual Awakening. The Reverend Dan Ward has been elected as the chairman of this project. Two Associational-wide prayer meetings have been held.

12. Winston Hardman, Baptist Student Director on the Campus of Western Carolina University, spoke of the mission work that was being carried out by the students involved in the BSU. He thanked the several WMU organizations that had provided meals for the students when they were meeting to plan mission work. Students are available to give programs at any church desiring them. Each Thursday night the students hold a prayer for Spiritual Awakening.

13. Bill Dockery, a house parent at Broyhill Home for Children, brought a report on the work and needs of the Baptist Children's Homes. A copy of the report is included in the 1988 Annual.

14. Barnett Harris brought the report for the Retirement Homes in North Carolina. Three additional homes are either under construction or on the planning board for Winston-Salem, Charlotte and Asheville. The influx of over 50,000 people into North Carolina to retire has increased the need for additional facilities.

15. Harry Vance led the singing of "When the Roll is Called Up Yonder."

16. Bobby Stafford, Director of Associational Development, brought the report from the Baptist State Convention. He stressed the need for reaching out to people.

17. Kenneth Crawford was unable to be at the meeting to report on the *Biblical Recorder*. This report may be found in the 1988 Annual.

18. Richard Roberson gave the report on the work being done at the Truett Baptist Camp. Music week attendance was up this year but the boys' and girls' weeks were slightly down. There were 28 professions of faith.

19. The report on Higher Education was presented by Horace Barefoot from Campbell College. He said that all of the Cooperative Program monies received by the college are used for financial aid for those students needing help. The Law School is said to teach more law than any other school in North Carolina. He introduced Calvin Knight as an example of a product produced by Campbell College.

20. Bill Horton, representing the Christian Action League, presented a report pointing out some of the legislature that would be coming up that would need our thoughtful attention.

21. Calvin Knight reported for the Baptist Hospital and the great work that is being done there.

22. The group sang "Leaning on the Everlasting Arms."

23. The Reverend Jack Hinson, Chaplain at the C.J. Harris Hospital, reported on the Chaplaincy program. The Reverend Joe Yelton announced a seminar that would begin soon on the "Clergy and Care of Cancer Patients." This seminar begins on October 30. Hinson spoke of the urgent need for pastors to be prepared to meet and deal with such a situation when it arises.

24. Kenneth Pressley, chairman of the Constitution Committee, passed out copies of the proposed changes in the Constitution. He requested that the messengers take them home and study them and be prepared to vote on them during the second session of the Annual Meeting.

25. The Moderator announced the appointment of Alex Passiti, Lois Farmer and Dennis Burrell to the Resolutions Committee.

26. John Reid announced the Deacons, Pastors, Wives Fellowship for Friday, October 28, at Ochre Hill Church, with a special program for the senior deacons, pastors and wives. Reservations should be made on or before Monday, October 24.

28. The meeting adjourned at 9:00 p.m.

Friday, October 14, 1988

29. The First Baptist Church of Sylva served a delicious meal to 202 visitors, messengers and pastors, representing 34 churches on Friday, October 14, 1988, the second session of the Annual Meeting of the Tuckaseegee Baptist Association. The meal began at 5:00 p.m.

Tommy Lamb.

63. A Commissioning Service for Ila Rae Deitz and Irene Hooper, who will be going to Brazil on a mission journey the last of October, was led by the Moderator, Roy Burnette. This service closed the 159th Annual Session of the Tuckaseegee Baptist Association.

## Program Reports

### 1988 Director of Missions Report

First, I want to thank the people of the Tuckaseegee Baptist Association for the welcome you give me in your churches. I appreciate the prayers, the support and the encouragement that you give me as your Director of Missions. I feel that my first task is to be a servant to the local church and help each church realize its potential before God.

The ministry of the local church has been enhanced this year in many significant ways. I am particularly excited about the Brazil Partnership effort. Twenty-three churches contributed approximately \$4,000 in 1988. Shirley Kool and I went to Sao Paulo, Brazil in March of this year. Our purpose was to meet the local Brazilian Baptists, establish rapport with them, assess their needs and consider future projects.

The Association with which we are paired is the North Baptist Association of the City of Sao Paulo. They are an Association of 23 churches with a population of one and a half million people.

While down there I did some street preaching and saw 18 people make public professions for Christ. During the week we were there I saw over 30 decisions for Christ. Three people from our Association are going to Sao Paulo in late October of 1988. We have a request to send 10 teams comprised of three people in May of 1989. These teams will lead in an evangelistic crusade. The Brazilians request a pastor to lead each team to preach the revival services there.

Another way that the Association has enhanced the ministry of the local church is through its support of the Balsam Lodge project for Physically Challenged, Inc. The Executive Committee voted to recommend to our churches to set aside the third Sunday in October, the 16th, to receive a special offering toward that project. Since then several men, women and youth from different churches have done volunteer work at the Lodge. The goal of the project is to join with others in the community to make a recreation and retreat center accessible to disabled persons on the old Mead Lake Property now owned by the National Forest Service. Helping people with special needs is a worthy ministry for every church.

In December 1987, I went on a mission trip to Skygusty, West Virginia. Several Associational churches have been active in that area taking food, clothing, building materials, and people there to minister. I praise God for the difference we have made there.

In March of 1988, we had a Youth Revival that resulted in several decisions for Christ. Two or three churches baptized youth out of professions made at the "Crusade for Christ." This event is planned again for next year and I hope to see more churches participate.

I am pleased with both the Senior Adult and the Single Adult work as it develops. These programs are now two years old. I hope that many of our smaller churches who do not have programs for Singles and Senior Adults will take advantage of these programs.

I am grateful for the countywide support for the "Tuckaseigee Baptist Half-Hour." While this is not officially supported by the Association in our budget, I do believe it is an excellent means of Bible teaching and outreach. It keeps the activities of our churches and the Sunday School Program and lessons constantly in front of the county. Weekly, I encourage listeners to attend and to support their local church.

There is another way the Association has enhanced the local church. As your Director of Missions, I am called upon often to visit your churches, preach, teach, speak to WMU and Brotherhood groups, and consult with leaders. I have worked with pulpit committees, problem solving groups and been a resource to answer questions about church and community life in general. In respect to the autonomy of the local church, I have given priority time to churches who have needed assistance and asked for it.

Part of my task as Director of Missions is to attend meetings and functions of our Baptist work in the state. I attended our Evangelism Conference in February in Greensboro and the State Convention Staff/Director of Missions Retreat at Caraway in March. In May, I attended the Key Leadership Conference at Ridgecrest along with other Associational leaders. In July, I attended the Annual Meeting of the Directors of Missions Conference here in North Carolina. In August, I attended a skills meeting at Camp Caraway.

This fall, I have been invited to share my testimony of my street preaching in Brazil at the Baptist State Convention meeting in Fayetteville.

I commend Annie Hoyle for the fine work and for the many volunteer hours she contributes to the Association. She donates so many things on a regular basis at the Baptist Center that it is impossible to list them all. We are especially blessed by her gift of hospitality as she prepares refreshments for all of our meetings, large and small. Her ministry touches all of our lives.

I am thankful for the cooperation and financial support among the churches that enable us to do the Lord's work. Even with the corrective measures taken by our Executive Committee in May to reduce our budget, financial support from the churches has strengthened. You ARE to be commended for your increased giving.

We have conducted two Prayer for Spiritual Awakening Meetings here at the Center. I hope to see us grow in our prayer emphasis.

May God grant us His blessings as we work together for His Glory.

John Reid, Director of Missions

## Brotherhood Report

Seven churches reported Brotherhood organizations with a total enrollment of 188. This was slightly less than in 1986. A few churches having Brotherhood organizations failed to have them included in the Church Letter, therefore, there are no reports for them. We would like to encourage all churches having Brotherhood organizations, no matter how small the enrollment, to make sure that they are reported.

Several mission projects have been accomplished in 1988. Perhaps the most noted one is the work done in and for West Virginia. The Brotherhood and WMU have sponsored and sent several loads of food and clothing to help in those areas of West Virginia that are in need.

Visits have been made to the areas and contacts made with the churches to provide help in planning programs.

Some of our Brotherhoods have assisted with and are sponsoring RA groups for the young boys and lads.

We encourage churches to organize Brotherhoods for such organization has a very important part to play in missions and also provides fellowship for the men in the church.

If your church is or becomes interested in organizing and you need help, please contact the Association Brotherhood Director. He will be happy to assist in any way possible to get you off to a good start.

Johnny Watson, Associational Director

## 1988 Church Training Report

"M" Night was held on November 23, 1987, at the East Sylva Baptist Church. Seventeen churches were present with 15 Directors of Church Training in attendance to hear an inspiring message brought by the Reverend Cline Wilkie from the North Carolina Children's Homes.

Awards were presented to the church having the largest number present, and to the church with the highest percentage of attendance.

I attended a meeting for Church Training in November at Ridgecrest. Also, Frankie Shoupe attended this meeting. Mrs. Shoupe is at the present time the Assistant Church Training Director.

"M" Night for this year - 1988 - will be held at the Scotts Creek Baptist Church. The guest speaker will be the Reverend Fred Lunsford from the Truett Association.

Norman Parris  
Associational Church Training Director

## The 1988 Deacons, Pastors, and Spouses Fellowship Report

The Deacons, Pastors and Spouses Fellowship of the Tuckaseigee Baptist Association met four times the past year. The first meeting of the year was in October 1987. We met at Cullowhee Baptist Church with 66 people present. A layman's testimony was presented by Alvin Hoyle.

The second meeting was at Greens Creek Baptist Church in January 1988. Dr. Terry Wanless, Sports Director at Western Carolina University, presented the program with 60 in attendance. Shoal Creek Baptist Church hosted the third meeting in April. There were 62 in attendance with the Jamison Family of Sylva presenting a program of fine gospel singing.

To close out this year, a July meeting was held at Black Mountain Baptist Church. The Associational minutes were dedicated to Miss Mildred Cowan of Webster who left us this past year to be with our Lord. Miss Cowan had worked for many years with the Association and had been beloved by all. In addition to the dedication, slides of a recent mission trip taken by Shirley Kool and John Reid were shared with the 66 in attendance.

The year has been one of good fellowship and growth, and enjoyed by all who have taken part.

Haven R. Ensley, Associational Chairman

## 1988 Missions Committee Annual Report

It has been a significant year for the mission work of the Tuckaseegee Baptist Association. Mission work in our Association has expanded to new horizons in Home and Foreign missions.

Last fall, the Association voted to begin a five-year partnership with an association in the state of Sao Paulo, Brazil. This past spring, John Reid, our Director of Missions, and Mrs. Shirley Kool, WMU Director, went on a fact finding trip to Sao Paulo. They brought back a message of praise for the evangelistic efforts being accomplished in Sao Paulo, along with the need for people in our association to become part of this great outreach. One thing unique about this mission project is that there are no special abilities required to be part of the mission project. Any person who desires the opportunity, and accumulates the financial resources, may be part of this effort.

In July, the Executive Committee voted to participate in the work being done by Physically Challenged, Inc. in Jackson County. This project is an effort to make the old Meade Lodge and property on Bear Lake into a retreat and recreation center, accessible to those who are physically challenged. The Association voted to 1) recommend this project to the churches, and recruit volunteer labor, and 2) ask the churches to designate October 16th for a special offering to help pay for materials for this work.

It has also been a year that the Missions Committee took on a new look. Through the direction of the Home Mission Board and the State Convention, the mission efforts in the local Association have been restructured. The name has been changed to the Associational Missions Development Council. The duties of the AMDC are to lead the Associational Missions Development in the five mission performance tasks: (1) call churches to be on mission; (2) train, develop and encourage church and associational workers; (3) provide resources and services to churches and leaders; (4) provide opportunities for working together in missions, ministry, growth and evangelism; (5) establish and maintain appropriate communications and relationships with the community and the denomination.

The Missions Committee requests your prayers for our committee and our Association during the next year as we carry forward the work of Christ in our community and throughout all the world.

Rev. Tommy Lamb  
Missions Development Director

## 1988 Music Report

The Associational singings were held in March. This seemed to be an off year, for the attendance and interest were down. There were perhaps several reasons for this.

However, the Associational singings are being planned again for 1989. You will be receiving information concerning the dates, the arrangements, etc. at a time in February or March. If you have suggestions on ways to improve this activity, please contact me.

As Music Director, I have led the singing in most of the Associational activities. I helped plan the music for the Youth Crusade, led the singing at the Executive Committee meetings and have served in other capacities when called upon.

Let's keep singing and really get our Association singing.

Harry Vance  
Associational Music Director

## 1988 RA Associational Report

We have had a good year. As Associational Director I have gained two dedicated men in Keith Henry and Bill Mincey to help me on my committee. Keith will be in charge of sports and Bill will be in charge of Campcraft in the Association. This year we have conducted an RA Races Competition at the Associational building which was a success. Plans are being made now to have our second annual competition. Also, the Association had an RA Swimming Party which was also very successful. Four churches and 25 people participated. Last but not least, this year we have begun two new chapters, one in Cullowhee and one at Ochre Hill. We are now gearing up to begin one at the Old Savannah Church where Larry Nations is the pastor. All in all we have had a good year and expect a great year in '89. Please remember we are here to help your church begin an RA program. Just give us a call.

Mike Moses, Associational Director  
Keith Henry, Assistant  
Bill Mincey, Assistant

## Resolutions Committee Report

BE IT RESOLVED, that we express deep appreciation to Annie Hoyle, Clerk for the Tuckaseegee Baptist Association, for the excellent work she has done.

BE IT FURTHER RESOLVED, that the Reverend John Reid, Director of Missions for the Tuckaseegee Baptist Association, be commended for his leadership in the Association.

Resolutions Committee  
Alex Pasetti, Chairman

## Senior Adults Report

We have had a wonderful year with our Senior Adults. Although we have been few in number, we have truly been blessed as we met together. We have only been organized approximately two years but we feel our attendance is and will continue to grow as we become more and more involved.

This year we have had three meetings. Our first one was on October 20 with a covered-dish luncheon. The program theme and program centered around fall colors and Halloween.

On March 29 we met again for a covered-dish luncheon with our theme being centered around Easter. Our third meeting was held July 13. A salad luncheon was enjoyed by all those attending.

We always have a wonderful time as we meet and fellowship together with our Christian friends from our sister churches.

A special thanks to our committee, Kathleen Buchanan, Pauline Cope, Ethel Collins, Mary Bennett, Ina Turpin and Helen Millsaps, who have helped to make this a successful year. To Annie Hoyle and John Reid, our love and appreciation for their help, encouragement and support of our efforts.

Betty Fisher  
Associational Director

## Single Adults Report

In October this group met for the first time with an evening dinner and program format. The program consisted of a devotional period, group singing, homemaker tips for Singles, and a slide presentation of the Grand Canyon.

Other dinner meetings were held in December and April. One field trip to Asheville was made in July. The total of four activities for the past year occurred.

The age group reached has been in the range of 30 and above. Hopefully at a later date a younger group in the 20 age range can be started. Attendance for the present group has been in the 10-15 range with a goal of 25.

A service project is being discussed, possibly in some way to benefit the elderly citizens or shut-in types.

Our next meeting is scheduled for October 1988.

Keith Campbell  
Associational Director

## 1988 Sunday School Report

Sunday School enrollment and average attendance is decreasing. This is an alarming trend across the Southern Baptist Convention. It is also true for Associations. The following table reveals that we are a small Sunday School Association.

Number of People in Sunday School	Average Attendance	Average Attendance
	1986	1987
0- 25	6	5
26- 50	21	25
51-100	17	14
101-200	5	6
201-Plus	1	1

Sunday School serves two purposes in the church. First, it is to reach people. More people are won to Christ and become active in church through the Sunday School than any other church program or organization. Secondly, the Sunday School is the Bible teaching and fellowship arm of the church. The statement is true, "Build a strong Sunday School and you will build a strong church."

Sunday School (and church growth) will come only when the pastor, the Sunday School Director and teachers sit down and develop a plan to facilitate growth. This plan must include (a) a plan to visit in the community; (b) strengthening Bible teaching skills; (c) prayer; (d) support and commitment to growth; and (e) setting goals.

## Vacation Bible School Report

The North Carolina VBS Clinic was held in March at the First Baptist Church in Waynesville. Seven members of the Associational VBS team attended.

The Associational VBS was held in April at the Lovedale Baptist Church. Sixteen churches were represented by 53 people. As of this report, a total of 27 churches have shared their reports with the Associational office. Total enrollment was 1,355 with 30 professions of faith. Total gifts to missions is \$2,201.53, and total gifts to cooperative program is \$1,685.53.

I would like to give special recognition to Cullowhee Baptist Church. This church had an enrollment of 111 with an average attendance of 90 with 17 professions of faith.

Vacation Bible School is a special time of the year. The Bible is taught and people are led to Christ or closer to Christ, and mission education is emphasized.

Respectfully submitted,  
Tom Crowder, Associational Director

## 1988 Woman's Missionary Union Report

THE WOMEN ARE TELLING THEIR AGE. The year 1988 was a year of celebrating their 100th birthday. The theme, "A Century to Celebrate, A Future to Fulfill," let us learn about our past while planning for mission education in our future. Did you know that the women's first organizational meeting was held in the basement of a Methodist church because the SBC men's agenda would not include them? Yet, in just two years the WMU raised enough money to support all women foreign missionaries and four years later gave the Foreign Mission Board \$500.00 and the next year gave \$5,397 to the Home Mission Board... the beginning of the two special offerings. Our watchword, Hebrews 13:7-8, "Remember your leaders..." is as important today as yesterday.

These "hundred year old women" have remained active this year in Jackson County. Our year included a Leadership Training Workshop led by Associational officers; an introduction to the state Brazilian project by George Shore, from our state office; World Day of Prayer observed; an Enlistment and Enlargement Workshop led by state approved worker, Alice Bates; several churches combined for both the Foreign and Home Missions studies, missionary from Brazil, Peggy Smith, was guest speaker for our Spring Annual Meeting; Bylaws were adopted at this Spring Meeting to help keep us informed of activities and opportunities to serve; and a page of "Mission Matters" has been written for the Associational Newsletter.

Mission Action projects encouraged our churches to work together to accomplish those things that would be difficult to do alone. Ladies of the Association contributed to the Baptist Student Union bake sale for earning funds for their spring mission trip to Florida. We hosted an open house at the BSU for international students attending Western Carolina University. Our Christmas gift was \$194 for the eight girls at Moody Farms Ministry. A total of \$395 has been donated for the Prayer Garden to be planted at Truett Baptist Camp in memory of Mildred Cowan and two antiques, belonging to Mildred, purchased for the Baptist Center also in her memory. A juice break was served for 500 North Carolina handicapped persons attending a conference at the Ramsey Center. We participated in the North Carolina Food Lion project, "Karts for Kids." Our summer project was to provide the luncheon for our pastors appreciation day.

Some growth was reported in organizations, but overall our number is down. Twenty-one (+ 4) organizations paid dues for 279 (-27) members. There are 30 (+ 3) Baptist Women organizations with 395 (+ 15) members; one (+ 1) Baptist Young Women groups with 10 members (+ 10) and another group just organized; there are six (-1) Acteen groups with 56 (+ 3) members, one new group starting this fall; there are 12 Girls in Action groups with 83 (-15) members including two newly organized groups; Mission Friends has 10 groups with 50 members.

The enthusiasm for Associational missions has grown this past year because, in part, the churches have given support to our goal of an association working together. The WMU Council provided leadership, support and dedication. Leaders for 1988-1989 are:

Shirley Kool, Director	586-5066
Freida Queen, Baptist Women	586-6819
Virginia Pangle, Baptist Young Women	586-4896
Ginny Middleton, Acteens	586-5920
Sarah Davis, Girls in Action	586-5400
Gearldine Jones, Mission Friends	293-9235
Ida Bryson, Mission Action	586-2745
Linda Brown, Secretary/Treasurer	586-4217
Janice Burnette, Assistant Director	586-6029
Annie Hoyle, Assistant Baptist Women	293-5354
Linda Fish, Assistant Baptist Young Women	586-8855
Mary Barnes, Assistant Acteens	586-5368
Cheryl Aldridge, Assistant Girls in Action	586-6416
Molly Leonard, Assistant Mission Friends	586-9767
Lois Monteith, Enlistment/Enlargement	586-4448

These ladies are trained and ready to serve your church. If you are interested in organizing one of these groups, please call upon them. They will come into your church with literature, ideas, expertise and enthusiasm.

We are looking forward to launching Century 2 with its opportunities to serve and to provide quality mission education in all of our churches.

Shirley Kool, Associational Director

## 1988 Youth Report

The organization meeting of the youth group was held at the Baptist Center with 17 people attending and nine churches represented. The discussions centered around a "lock-in" in January, the January Bible Study, a Youth Rally at the close of Youth Week in March, attendance at the Super Summer program at Greensboro, an Evangelistic Crusade in July, and a swimming event in August. A decision was made to have a Youth Revival in March. A committee composed of Wanda Kidd, chairperson, Ronald Pressley, Ann Hall, Margie Lewis, and Lisa Summer was appointed.

In November Rick Taylor, North Carolina Baptist Youth minister, led a training session at the Baptist Center.

On November 21 letters were sent to churches informing them of the tele-a-conference for all parents of teenagers.

The Youth Crusade Committee held meetings during December, January, February and March planning the Youth Crusade. Letters were sent to the churches requesting that they make contributions to this endeavor. The response was supportive.

On March 19 I attended a one-day workshop on youth ministry in Hendersonville.

The Youth Crusade was held March 23, 24, and 25 in the Ramsey Center on the Western Carolina University campus. Buddy Freeman from Gardner-Webb College was the Evangelist. The Crusade was successful. Twenty-four young people made decisions for Christ in some manner, either by rededication, decisions, seeking guidance, etc.

In April I attended the Evangelist Revival Training Seminar in Asheville. In May I attended the Key Leadership workshop at Ridgecrest.

Work on the Youth Council was started in May. At this time one of the ten zone groups has been organized and is ready to begin functioning. Groundwork has been laid for the other nine.

The August "Splash Down" held at the Sylva Pool was most successful.

A Youth and Leaders Conference has been scheduled for November 11-12 at the Truett Baptist Camp. The conference will be led by Larry McElrath.

I attended the Youth Ministry Council retreat at Mars Hill.

This has been a busy year in Youth work and has produced some good results. There is much to be done in the coming year. We ask for your prayers.

Gearldine Jones  
Associational Director of Youth

## Institutional Reports

### Baptist Children's Homes of North Carolina Report

You took the time, you cared. You gave much when you didn't have to. On behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long-Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving 50 per cent of our daily operating budget. Currently we receive 34 per cent. This can be achieved by increasing church receipts through the Cooperative Program, the Home and Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

### UPDATE FOR THE WESTERN AREA

We here in the West continue to be blessed with mountain top experiences in caring for children. Moody Home in Franklin, Broyhill Home at Waynesville/Clyde, Thermal Belt Youth Shelter in Forest City and Haywood Emergency Care Cottage on the Broyhill Campus all continue to operate at near capacity levels.

While alternative options now open to unwed mothers have caused the demand for residential maternity care to somewhat decrease, the Baptist Maternity Home in Asheville continues to be one of our most blessed ministries.

The vast majority of the young people we serve come from the ranks of the hurt and the hurting. Sadly, very few have had spiritual training prior to their time with us. In order to help fill this vacuum, SONshine Week, a week of special Christian activities, has come to be a vital part of the Broyhill program.

One of the highlights of SONshine '88 was when Kristy, a high school junior, shared her personal testimony in a way that thrilled and amazed us all. Kristy shared how her life was now completely transformed because of Broyhill and because of Jesus Christ who now lives in her heart.

Equally thrilling to the testimony was the response of the troubled children who listened. As Kristy finished her testimony, the Broyhill children spontaneously gave Kristy a rousing, prolonged standing ovation.

## Baptist Colleges Report Council on Christian Higher Education

### WHAT IS A BAPTIST COLLEGE?

**FIRST**, Baptist colleges are colleges, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

**SECOND**, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

**THIRD**, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by committees; March meeting of the General Board's Executive Committee; and more.

**THE GOAL: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.**

## 1988 North Carolina Baptist Hospital Report

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The \$140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods

of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been \$181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, and North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs . . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received \$659,062 through the Cooperative Program and \$290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

## 1988 Chaplaincy Hospital Report

Our Hospital Chaplaincy Committee continues to develop and expand our services in the name of the Lord.

The committee is in the process of writing a Strategic Development Plan. I am including our MISSION STATEMENT in this report.

The mission of the C.J. Harris Community Hospital Chaplaincy report is:

- to offer the presence of God to patients, staff and their families and friends,
- to assist congregations and clergy in ministering to the spiritual needs of the hospital patients, staff, and their friends and families,
- to offer training and support in the field of pastoral care to clergy, their families and staff,
- to increase community awareness of the Chaplaincy Program and to insure appropriate funding from congregations and other sources, so that religious resources and medical resources may be joined in the healing of the whole person.

Our Chaplain Associate Program elected new officers as follows:

President . . . . . Joe Yelton  
 Vice President . . . . . David Webb  
 Secretary . . . . . W.P. Farmer

A workshop, **THE CLERGY AND THE CARE OF CANCER PATIENTS AND THEIR FAMILIES**, will be held at the hospital on October 20, 1988. Pastors and wives are urged to make reservations for the helpful and informative evening. A meal along with presentations by a physician, a psychologist, a nurse, and several cancer victims are planned for the program. Cost is \$3.00 per person and \$5.00 per couple.

Also, **PREACHING AND PASTORAL CARE**, an opportunity to meet with one of America's premier preachers, Dr. W.A. Jones, is scheduled for November 22.

We are grateful for the excellent volunteer work our Chaplain Associates do for the patients, the hospital, and the Kingdom.

Another training course is scheduled for February 1989. It will be expanded to cover current topics such as suicide, depression, alcoholism, time management and, of course, hospital visitation. More information will be ready in December about the Pastoral Care Course that will be sponsored by Southwestern Community College.

Please remember our financial needs. One-third of our budget is met from funds received from churches and individuals from Jackson County. The remaining two-thirds comes from the W.C. Hennessee Foundation.

Pastoral Care Sunday is October 23. Please inform your people about our Chaplaincy Ministry in any way you think will be appropriate such as:

- 1) prayer for the Chaplaincy Ministry,
- 2) receive an offering,
- 3) give out brochures,
- 4) testimonies by patients, staff or family members.

May God bless us all in the healing ministry.

Sincerely,  
Jack Hinson, Hospital Chaplain

## North Carolina Baptist Retirement Homes Report

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believes this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives. The hallmark of the Homes' ministry is the quality of its care.

The Homes operates facilities in locations across the state: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently serves the needs of Older Adults from all over the state.

According to a January 1987 report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 28.9 percent by 1995.

Statistics for the North Carolina Baptist Older Adult Population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50 percent by the year 2000. Attempting to address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

The development of regional continuing care retirement communities. A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

The development of a home health care ministry is another need that is in the planning. In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

The Homes believes that the ability to remain in one's own home as long as possible can benefit Older Adults by enhancing both their quality of life and their life-span. Fixed incomes and meager resources mean that Older Adults are also benefited as they seek to use their funds prudently: There will be NO charge for the Home Health Care services.

A third need being planned for is the development of financial subsidies for retired ministers and ministers' spouses and other older adults with limited financial resources for retirement living.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our state.

## Sunday School Board Report to the Association

With 17 programs of work assigned to the Sunday School Board by the Southern Baptist Convention, it would be easy to see the heart of the church programs and publishing board's work as programs. However, President Lloyd Elder told messengers in the 131st meeting of the Southern Baptist Convention in San Antonio, Texas, that people must always be the focus of all the Board does through its programs.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people," said Elder. "Scriptures must be made available at the lowest possible cost for our Southern Baptist people to share with others who need to hear and respond to the Gospel message. And we must make it as easy as possible for people to obtain literature and other products."

Effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. The advantages of this process are toll-free ordering and reduced response time to the customer. Also, churches may order literature via computer with the EASY Church Order System. Churches using this system either with their own computer or those in Baptist Book Store may receive a five percent discount on their church literature orders.

To illustrate the scope of the work of the Sunday School Board, a total of 208,514 telephone and mail orders and inquiries were received during the first six months of 1987-88.

A major new product to meet the needs of people is the *Disciple's Study Bible* released in June 1988 by the Holman Division in cooperation with the Church Training Department. Study helps focus on 27 great doctrines of Southern Baptists.

Also, for the second consecutive year, the Board provided free to messengers attending the Southern Baptist Convention copies of New Testaments to use in witnessing to people they encountered in San Antonio.

Increasing the evangelistic focus of Southern Baptist Sunday Schools is a continuing focus of the Board's Sunday School Division. By October 1988, the plan of salvation will be included each quarter in all Sunday School lesson periodicals. Sunday School leadership and devotional magazines and Vacation Bible School materials.

Work has begun through the Church Music Department on production of a new Southern Baptist hymnal to be released in 1991.

A reorganization of the Church Administration Department was completed to give increased leadership and support for church growth.

Approximately 6,500 Southern Baptist single adults attended a national convention Memorial Day weekend in Nashville sponsored by the Family Ministry Department.

## 1988 Truett Baptist Camp Report

We are in the midst of our camping program at Truett Baptist Camp. We are off to a pretty good season thus far.

This has been another year of remodeling. We had to do quite a bit of work on the Staff Lodge and we also finished the basement in the dining hall.

We have just completed our third week of girls camp with a good attendance. This was a good spirit-filled camp with 16 souls claiming Christ as Lord of their lives and several rededications.

Music week is going to be big this year. We thank God for that.

Boys weeks' registrations are coming in well, therefore, we anticipate good attendance for this also.

We have had a few more churches to start contributing to the camp this year. This has made it possible to do some much needed maintenance work that has helped to beautify the camp.

Our total professions of faith last year was 42. This is what makes all the hard work of the camp worthwhile.

We wish to thank this association for their continuing support and prayers for Truett Camp. This is your camp and our prayer is that we will continue to minister to the needs of all of our people in the days ahead.

### 1988 American Bible Society Report

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987.

Your support has been of key importance in the success of the many projects undertaken in 1987 in the ongoing task of meeting the Scripture needs of the world - whether expanded distribution in areas where the availability of God's Word is critically low, or through innovative channels of Scripture production, or through new translations of the Scripture.

**Scripture distribution:** As part of the global network of the United Bible Societies, the American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4.0 percent over 1986, and continues the upward trend of the past few years. Of this total, 116,155,119 copies were distributed in the United States, an increase of 15.6 percent over last year's total.

**Scripture production:** One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order for 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January. A ceremony marking the official opening of the plant was held on December 5. This is an answer to prayers of many years that a way would be found to share resources with Christians in China so they could meet their Scripture needs.

The reports from various countries around the world include those from Uganda, Peru, Haiti, Lebanon, Indonesia, as well as many countries in Eastern Europe.

In the United States, the American Bible Society has continued vigorously to pursue its aim of serving the many diverse Scripture needs of the churches in this country. Here are just a few of the ways the ABS has been reaching out with God's Word to people across the nation in 1987: Scripture for youth and children; scripture for evangelism; and scriptures in languages other than English.

Behind the successful completion of each Scripture translation and distribution project is the story of people reached with the Word of God. As new populations are reached, new demands are placed on the resources of the American Bible Society. Tragically, there are times when these resources are completely overtaxed. The Society's unswerving goal is to meet all the Scripture needs that are presented to it, but we cannot do that alone. That is why we must turn for help to our partners in mission, among whom the Southern Baptist Convention ranks above every other denomination in terms of the financial assistance it renders to the Society. In 1987, the churches of the Southern Baptist Convention contributed \$255,073 to the American Bible Society in support of the worldwide Bible cause.

It is truly encouraging to see your fine response to the urgent need for Scriptures that exists in so many countries at this time. Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word to all.

### 1988 Baptist Foundation Report

For several years, Montagress Mercer has provided an example of estate stewardship to which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know." Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefits from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift" that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their WILL provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded." The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record \$14,452,200. Trusts already in place provided \$578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of the Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

Edwin S. Coates, Executive Director

### *The Biblical Recorder* Report

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." *The Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it . . . if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchical form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only \$5.00 per subscription for the year. Special introductory offers are available.

### Christian Action League of North Carolina, Inc. 1988 Annual Report to the Associations

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

**GAMBLING**—The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a statewide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for statewide office in North Carolina that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the North Carolina General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

**DRUNK DRIVING**—Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got by-passed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

**ABORTION**—The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in North Carolina have been met with legislative "footdragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, North Carolina remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

**TOPLESS DANCERS**—There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in North Carolina, we have some bars and taverns near military installations that have been employing *minor* girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our N.C. Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks bleak for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayers and financial support as we join with you in being "salt and light."

Coy C. Privette, Executive Director

## The Gideons International Report

The Jackson County Camp of the Gideons International thanks God for you and the generous support we have received from the local Baptist churches throughout 1988.

The Jackson County Camp has a present enrollment of 23 members, with seven new members added this year. It has been the camp's privilege to present a Gideon report in more than 40 churches during 1988. Members have presented over 2,900 scriptures to all the fifth grade students and to college students at Southwestern Community College and Western Carolina University. Gideons have also kept check to see that Bibles are in all hotel and motel rooms, doctors' offices, and hospital rooms throughout the county. The Jackson County Camp has received approximately \$12,000 during 1988 to be used to purchase scriptures.

With the help of Christian friends like you in many different churches, Gideons have been able to supply more Scriptures for the world.

Prayerfully submitted,  
Tom Collins, Camp President

### Stewardship Report

II Corinthians 9:7, "Every Man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity; for God loveth a cheerful giver."

This Scripture tells us several things. (1) Everyone is to give. No one is exempt. (2) Our giving or failure to give reflects the condition of our heart. (3) Our giving is not to be coerced no more than our lack of giving is to serve as coercion. We give to honor God. (4) God is pleased when we give.

This is true both in our local church and in our association. I believe that every member church can and should give. Giving reflects the heart and vision of the church. Neither church nor the association should coerce the other in the matter of giving. God is pleased with the generous church.

Sometimes it is helpful to compare with what has been done in the past to measure where we are now and where we are headed.

In 1982 we had 48 churches with a resident membership of 6,872 (four churches not reporting). The Budget was \$21,810. Each resident member's share was \$3.18. Thirty-three churches contributed 76 percent of the total budget.

In 1987 we had 50 churches with a resident membership of 6,571 (four churches not reporting). The Budget was \$32,285. Each resident member's share was \$4.91. Thirty-six churches contributed 79 percent of the total budget.

I am pleased with the overall improvement of the stewardship development in the Association. We are headed in the right direction. It takes time and information to the local church to educate as to the value of cooperation. We must always remember that missions is not an option, but the Biblical Mandate.

My challenge is to each church to intentionally develop stewardship responsibility in mission giving and to include the Association in its mission gifts.

Respectfully submitted,  
John Reid

## Brief Historical Notes Sylva First Baptist Church

### CENTENNIAL

In the fall of 1887, the spiritual climate among the people in Sylva evidently was at the right point for organizing a Baptist church. Elder F.M. Jordan, a church planter and revivalist, mentioned Sylva in a diary of his life and work. A native of Montgomery County, North Carolina (near Mt. Gilead), Elder Jordan made a note of his move to Hayesville (Clay County). He traveled by horse and buggy, and his diary entry for October 27, 1887, stated, "I stop at Sylva and preach five nights—good meeting."

Information recorded in the church's first record book, entitled "Sylva Church Book," provides statements on the Church Government, Officers, Duties, and Articles of Faith. These are recorded under the date of November 26, 1887. Page five begins with the same date and gives the organization as follows:

Elds. W.A. Nelson, A.H. Sims, and J.R. Ammons were called upon to act as presbytery. Called Elder W.A. Nelson to act as Moderator and J.R. Ammons to act as Secretary.

Six members presented themselves asking to be constituted into a Baptist Church. The members presented letters of dismission from Scotts Creek and

Webster Churches. Read the articles of faith as copied (sic.) from the Church Book at old Scotts Creek Church to the members. All endorsed it. Read Constitution and Bylaws adopted. Read Church Covenant adopted.

Presbytery gave to the members the hand of fellowship and recognized them as a Church of Jesus Christ. Elder Nelson and Ammons both giving a charge to the Church.

Signed J.R. Ammons, Secretary

In the back of the Sylva Church Book a list of members shows the following "Constitutional Members" or founding members: A.M. Parker, D.J. Allen, C.W. Allen, Kelly Allen, Charles B. Allen, and Sarah Allen (wife of D.J. Allen). During the year additional members joined the fellowship. When the Sylva Baptist Church (the name used until July 1965) was welcomed into the Tuckaseegee Baptist Association on August 16, 1888, there were 13 charter members: D.J. Allen and wife, Sarah Allen, and four of their sons, J.K. Allen, L.P. Allen, Charles Allen, and Lenoir Allen; also Mrs. Rhoda Watson; Alfred Parker; Mrs. Tobitha Dillard; a Mrs. Patterson and two daughters, Mary Patterson and Paralee Patterson; and Miss Alice Reed (who married L.P. Allen).

The Sylva Church Book apparently was lost for more than 60 years. In 1928 when the church celebrated its 40th anniversary, March 1888 had been determined to be the organizing date and that date has been used in subsequent years as the beginning of the church.

The Sunday School was organized on Sunday, January 12, 1890, with the following officers: "A.M. Parker, Supt.; W.C. Allen, Asst. Supt.; F.A. Luck, Secretary. Classes: No. 1—L.C. Hall, Teacher; No. 2—Lela Potts, Teacher; No. 3—Pollie Davis, Teacher; Infants—John Sutton, Teacher." The collection for the pastor totaled \$1.70.

An item in the Tuckaseegee Baptist Association minutes for 1906 reveals that the Sylva Baptist Church "organized the first Woman's Missionary Society on January 13, 1906." Mrs. Etta Walters Allison was President. The time of meeting was stated as Tuesday after the second Sunday of each month. "Dues 10 cents. Number of members, 26. Object: For God, For Home, and Every Land."

Other notations from the Association minutes included the following:

1889—60th Annual Session, August 15-18 at Shoal Creek. Delegates: A.M. Parker, W.C. Allen, and Kelly Allen.

1890—Offerings were: Home Missions, \$16.00; Foreign Missions, \$2.00; Minutes, \$1.50. Notation from the Sunday School Report: "The Sabbath School means work and no grumbling; and we note that workers never grumble and grumblers never work."

1893—Sylva Baptist Church gave \$3.00 for Ministerial Education to Wake Forest College.

1898—C.B. Allen replaced A.M. Parker as Church Clerk, Mr. Parker having served for 10 years. There were 11 additions by baptism and five by letter, making a total membership of 50.

1907—Sunbeam organized on June 21 with nine members, meeting every Sunday afternoon.

1921—Membership: 49 males and 91 females, for a total of 140.

1958—Total membership: 443.

First Baptist Church has had women serving on its Diaconate since 1957, and women have been extremely active in a variety of leadership roles for many years.

Since its organization, First Baptist Church has had a total of 28 different pastors and seven known interim pastors. Early pastors usually were elected annually for a one-year term. Many of them served two or more churches at the same time, with worship services being conducted monthly on Saturday and the following Sunday. Beginning in the 1920s, longer tenures became more the norm.

A significant era in the life of the church began in the early 1950s and continued for approximately 20 years. During that time the church embarked on a building program which included purchasing a new site, constructing a new church plant, and purchasing a parsonage, for a grand total of \$400,000. All indebtedness was retired in 1973.
