LEE SCRIPTURE
PRESIDENT
STUDENT COUNCIL

Hi Friends,

Another exciting year is underway - Let's make the most of it as we study and learn, work and play, to make this the best one ever for us, our families, Southeastern and God. Make yourselves aware of the opportunities here - those for growing, for fellowship and for service; they will enrich your life and ministry forever.

Get to know and enjoy the people in this book, their families and the gifts they each bring to their calling to mission and ministry.

Join with our community in a caring-sharing ministry as we seek to serve the risen Lord.

Yours in Christ,

Lee S. Scripture

HEALTH CENTER PROGRAM

In the interest of attaining the highest possible level of health among students, faculty and their families, the Seminary makes available a program of health care and medical services for all members of the Seminary family. The medical services include, among other things, a program of prevention of illness through physical examinations and immunizations, and treatment of illness under the direction of the campus physician.

In order that students may understand the health care program and know their own responsibilities in seeking the services provided, the following statement of policies has been formulated:

General Policy

The Seminary Health Center will be open as follows:

Monday through Friday
8:30 a.m.-12:00 noon
1:00 p.m.-3:00 p.m.

Doctor's Hours—By Appointment
10:00 a.m.-12:00 noon

(Dial the Seminary number, 556-3101, and ask for the Health Center)

Students needing medical care are asked to report to the Health Center for treatment. Appointments to see the physician should be made several days in advance if no acute illness is involved. Students are seen by the physician without charge, but are responsible for cost of drugs prescribed by the physician. All appointments with the physician must be kept punctually.

After the Health Center closes each day, **NO NURSE WILL BE ON CALL**. If medical attention is essential before the Health Center opens the following day, persons must call the office of a physician of choice for an appointment. All services of a physician, other than those rendered at the Health Center will be at the expense of the patient.

Purchase of Medicines

Participants in the Health Center Program may secure general medicines and some medical supplies through the Health Center as prescribed by the campus physician at prices which cover cost plus handling. **The sale of prescription**

drugs is limited to medicine prescribed by the Campus Physician. Drugs prescribed by the Campus Physician and which are not in stock may be ordered at the request of the student. A fee will be charged for injections, suturing, and allergy injections. Individuals having cancer smears made at the Health Center will be billed for a \$5.00 laboratory fee from Wake Memorial Hospital in Raleigh where the smear is examined. The student is asked to pay for all medicines at the time he receives them.
