Dedication

RAY McCALL

Ray McCall was born the only son of John and Mary McCall of Haywood County on September 5, 1928. He accepted Christ at nine years of age in Cruso.

In 1947 he was blessed by God's gifts of marriage to Bobbie Parris. They have two children, Diane and Timothy and one grandson, Chad. They attended Balsam Baptist Church where he was ordained a deacon at the age of 21 and was called to preach at the age of 26.

Balsam Church demonstrated great confidence in their young preacher by calling him to be their pastor in 1955. He pastored there for four years. In 1959 Old Savannah extended the call to become their pastor. Brother McCall resigned his pastorate at Balsam and began his work in the Savannah Community.

After a prosperous four year ministry at Old Savannah, Webster Baptist Church extended the call to him. He resigned his pastorate at Old Savannah and moved to Webster where he pastored for the next 26 years.

Brother McCall served these churches as a bi-vocational minister. He had one call but two vocations. He provided for his family by working for Wellco Industries and later at Harold's supermarket in Sylva. His primary vocation was Pastor which required preparation for and preaching of the Word of God. Also, the vocation of Pastor required time for funerals, weddings, home and hospital visitation, leadership in the church and work in the Association and denomination.

With obvious demands on his time as husband, father, pastor and employee, Brother McCall had to set priorities and use his time wisely. He gives great credit to his lovely wife Bobby for patience and understanding. "There were times when, because of the job and the pastoral work I didn't see much of her or the children. She kept us all together, though." Truly they labored together.

Brother McCall prepared himself for ministry by extensive home study through the Southern Baptist Seminary Extension program. He took numerous courses through Southern and Southeastern Seminary. Early in his ministry he bought the complete library of Broadas Wall, Pastor of First Baptist Church, Waynesville. To use his own words, "I got my education by the midnight oil."

Brother McCall's leadership ability was recognized early on. He was elected Moderator of the Association and served in that position for three years from 1962-1964. He was elected Moderator again in 1982, demonstrating the continued confidence of the Association. It would not be feasible or practical to list every committee he has served on in his 35 years in this Association.

It is an accepted fact that in modern associational history when the name of Ray McCall is mentioned the words: stability, leadership and statesmanship come to mind.

These accomplishments are the result of a dedicated life to Jesus Christ and to pastoring his church in the Tuckasegee Association. Brother McCall's love for people and his keen ability to relate to them is grounded in his own love for the Lord and his spiritual maturity. He has shared with us his vision of churches cooperating together and we have been challenged and blessed by his ministry.

It is with a grateful heart and a profound respect that the Tuckasegee Baptist Association prayerfully dedicates the 1990 Annual Minutes in honor of the Reverend Ray McCall.

In Memory

GEORGE KENNETH CRAWFORD

1920 - 1990

G. Kenneth Crawford was born August 9, 1920. He was one of five children of George and Margaret Crawford. Kenneth was saved at Ochre Hill Baptist Church as a teen-ager. His parents moved to Washington State where he lived and worked as a lumberman. In 1939 he married Ethel Middleton. They were married 51 years.

In 1964 as a deacon of First Baptist Church, Forks, Washington he responded to the call of God to preach the gospel and returned to the mountains of North Carolina to attend Fruitland Baptist Bible Institute. He graduated in 1966 and had a distinguished career as pastor and camp director. He was ordained at Wilkesdale Baptist Church by the Reverend C.H. Green and the Rev. Walter Middleton. He pastored the following churches in the Tuckaseigee Association: East Fork, Johns Creek, Long Branch and Ochre Hill. He served as interim pastor at Greens Creek, Jarrett Memorial and Lovedale. In Clay County, North Carolina he was pastor of Shiloh and Pine Log Baptist Churches. He pastored the Mt. Baker Baptist Church in Bellenham, Washington for five years. He also served as camp director of Mt. Baker Baptist Assembly, an associational Baptist camp. Later he was camp director of Truett Baptist Camp for eight years. Mrs. Crawford shared in the camp ministry as the camp cook.

Brother Crawford's ministry was for his love for preaching the Gospel, his love for the local church, and his keen interest in youth and children as a Director of Baptist camps on both the East and West coasts of the United States.

His impact for the Lord was great and he influenced a lot of lives in many places. With deep gratitude and profound love, the Tuckaseigee Baptist Association dedicates the 1990 Annual Minutes in memory of G. Kenneth Crawford.

Director of Missions Report

"Now there were in the church that was at Antioch certain prophets and teachers: . . . As they ministered to the Lord, and fasted, the Holy Ghost said, Separate me Barnabas and Saul for the work whereunto I have called them. And when they had fasted and prayed, and laid hands on them, they sent them away." Acts 13:1-3.

This has been a busy year of missions in which the Tuckasegee Baptist Association has sent missionaries from our local churches to Tennessee, South Carolina and to Brazil.

Heavy rains caused extensive flood damage in the Copper Basin area of Tennessee. A small group of men from this Association traveled over in a van one Saturday and worked in some homes cleaning up mud and debris. This was a group from the First Baptist, Sylva Church and the Ochre Hill Church. The people were grateful and deeply touched by those expressions of love. Clyde Vance presented their Director of Missions with a check for FIVE HUNDRED DOLLARS from the Association. Churches that contributed to this project are: Cullowhee Valley, Old Savannah, Scotts Creek, Sylva First and Tuckasegee.

Our next project was one that we thought we would never be able to begin due to so many delays. Through our Baptist Men's Department with our state convention, we learned about the Friendship Baptist Church in Sumter, South Carolina. It had been destroyed by Hurricane Hugo. In early February a large group of men and women from all over the county in the various churches came together to discuss plans to travel to Sumter to help rebuild this church. We are grateful to Kenneth Pressley, Pastor at Cullowhee Valley, and Roy Burnette, Pastor at Little Savannah, for making the initial survey trip and making a video of the needs. Plans were made, people

asked for time off from work, but then the church was not ready for us to come. Other deadlines came and went. The building systems in South Carolina simply could not meet all of the demands of an entire state. Hurricane Hugo had brought such catastrophic damage to the state that it was unbelievable. Finally in May a group of people went down from the Buff Creek, Ochre Hill, Tuckasegee, and Webster Churches under the capable leadership of Rev. Cecil Frady, Pastor of Tuckasegee, to help rebuild the Friendship Baptist Church. Several churches helped financially on that project: East Fork, New Savannah, and Tuckasegee.

During the month of August five men and women, two from this Association, went to Sao Paulo, Brazil to do Sunday School and evangelistic work. Mary Ann Frye of First Baptist, and Rachel Program of the Cullowhee Church, experienced a blessed time in the Lord in their work there. Our Association has sent 14 people in the last two years to Brazil. I encourage each church to invite someone from our Association who has been to Brazil to come to your church and to let them share their testimony.

One major success we celebrate this past year is the paving of our parking lot. This has been a big help both in the appearance and the maintenance of the property. We do need to be reminded that our building fund owes our general fund \$853.76.

I enjoy my visits to the churches. I attend regular services on Sunday morning and evening and Wednesday Prayer services. I try to attend as many homecomings and revivals as possible. I enjoy attending singings. I am called upon to preach, teach, and help ordain preachers and deacons. I especially enjoy singing in the choirs. I do have a commitment to worship with my family at least once a month at Ochre Hill. I have also committed myself to helping churches without a pastor by serving them from four to six Sundays until they can make provisions. My scheduling is on the basis of need and invitation. My greatest frustration is my inability to get around to all the churches more often.

My primary role is to be a servant to the local church. I want to be a resource person upon whom you can call for any need. While it is impossible for me to be everything to everybody, I do want to be able to get someone to help you when I am unable to do this myself. My desire is to help each church realize its potential before God. To do this I am committed to cooperating with each pastor and the lay leadership in each church.

This year we resumed our Celebrate Christ Crusades with the youth in the Association. I was very pleased with the number that accepted Christ and with the other kinds of decisions that were made. This work continues to be of great significance in our county.

Each year there are certain meetings that I attend that have to do with our larger Baptist family. I attended the regional Vacation Bible School Clinic, Key Leadership Conference, our State Evangelism Conference, and our annual Baptist State Convention. I was asked to serve again this past year as chairman of the Preacher, Place and Program Committee. I am pleased that the 1991 Convention meeting site will be in Asheville. I am hoping that a lot of our churches can send messengers to this meeting. I have been asked to serve as a vice president for our state Director of Missions Conference for the coming year.

I attended an Appalachian Regional Baptist meeting in Johnson City, Tennessee and a five year Director of Missions update conference sponsored by the Sunday School Board in Nashville. I attended the Southern Baptist Convention meeting in New Orleans this year. There are other smaller one or two day meetings that I attend that relate to our work such as Camp Truett meetings or SWARM meetings.

Last year I reported that 1989 had been the best year financially for the Association in our history. This year has been even better. This year 91 percent of our budget came from our churches. We have received money from 35 of our churches so far with two months remaining. Some of our churches make an annual gift and we are anticipating that trend to continue and to hear from them before the year is over. Our agreement with the Baptist State Convention is to reduce their Associational support to our general fund over the next five years until they provide no general fund support. This means our churches will be called upon to make up the difference. Currently the state convention provides 14 percent of our budget. The State Convention goal is to move towards a partnership concept in which we do certain projects that both our Association and the State Convention will jointly fund.

God continues to bless the Tuckasegee Baptist Half Hour radio program. It takes a great deal of time and effort each week to prepare and produce the program. I am especially pleased to get the 9:00 a.m. Sunday morning time. Several men in particular have commented that they can now listen as they get ready to go to church. I am grateful to the Calvary and the Locust Field churches for their help in financing the program and to the many individuals who contribute to the program. I continue to need financial assistance. Since I have been on the air for the seven years, the program has never been completely self sufficient. I have always helped finance it out of my personal money. I am grateful to God that I have had the resources to do this and I am grateful for the partnership of all who help in this endeavor.

I am grateful to the WMU for their provision for the meal to celebrate the ministry of the pastor and his family during Pastor Appreciation Sunday. I am coordinating that event with Associational Emphasis Week with the hope that each church will recognize both their pastor and his importance as a key leader in the church and the Association.

I am grateful to Mrs. Annie Hoyle for her fine work that she does here at the office. She is generous beyond many people's knowledge to the Association. This year she donated Venetian blinds to the building and has loaned us a computer which significantly helps our work. Neither time nor space would permit me to tell you everything that she does to make the office a place in which our association can take great pride. Her refreshments for all our meetings, large and small, continue to be evidence of her gift of hospitality.

I am grateful to all the volunteer people, program leaders, officers, committee members and others who make the Tuckasegee Baptist Association the positive witness it is in our county.

May God continue to grant us His Blessings as we work together for His Glory.

Prayerfully Yours,
John Reid, Director of Missions

Biblical Recorder

The Old Testament Prophet Hosea declared: "My people are destroyed for lack of knowledge." (Hosea 4:6). Just as in Old Testament times, a lack of knowledge and communication is one of the most sensitive problems in our churches today. Many of the problems in our churches can be traced to a lack of communication. Too many church members are misled because they are uninformed, poorly informed or misinformed. Churches need to provide accurate information, if they work in the local church, the association and the convention is to show progress.

One of the best ways to keep the churches informed is through the *Biblical Recorder*. Marse Grant, when he was editor, made this statement and I quote: "Last year (1975) 79 of the 80 churches that led their association in per capita mission gifts have a *Recorder Club*." I dare say the same is true today. Our church has a Club. Does yours? If not, I encourage you to get one started.

Margie Messer, Associational Representative

Brotherhood

Brotherhood organizations continue to grow slowly. It is not that men are not interested in missions for they are interested in mission activities such as cutting wood for the needy, helping build churches, assisting in clean-ups after a disaster, etc. At present, according to Church Letters, there are now seven churches that have some level of the organization. The latest Royal Ambassador organization was started in the Greens Creek Baptist Church this summer. Ten boys are busily engaged in Lad and Crusader work. The Rev. Kenneth Pressley has con-

sistently urged churches to consider such organizations that are so beneficial to both men and young boys.

The Deacons, Pastors and Spouses Fellowship Report 1989-1990

The Deacons, Pastors and Spouses Fellowship of the Tuckasegee Baptist Association met four times this past year. The first meeting was held at East Fork Baptist Church in October 1989. This was a special recognition service of our senior deacons and pastors. The Rev. Sterling Melton was presented a gift, honoring him as the oldest ordained minister of the Gospel in the Association. He is 89 years old and has pastored churches in Jackson County for 62 years. Lunie Pangle, age 91, was the oldest deacon present and Norman Hall has been a deacon for 68 years. These along with many more were honored and recognized for various levels of service in their churches.

The second meeting was held January 1990 at Mount Pleasant Baptist Church. Three pastors attended for the first time. They were: Wayne Sorrells, pastor of Buff Creek; Cecil Frady, pastor of the Tuckasegee Baptist and Ed Beddingfield, pastor of Sylva First. The Ambassadors gave a report on their mission trip to Brazil.

Liberty Baptist Church was host for the third meeting held April 20, 1990. Lyndon Casey gave the devotion, "I know God Forgives Sins," taken from the first Psalm. The new Deacons were recognized from Locust Field Church, Jack Shields and Wayne Brooks. The "Happy Melody Quartet" presented a program of gospel singing.

To close out this year, a July meeting was held at Cashiers Baptist Church. The annual minutes were dedicated to Ina Green Turpin, a member of Dicks Creek Baptist Church where she has served as Church Clerk for 44 years. Trooper Fred Davis of Wanesville, Founder and Director of "PATS" (Parents Against Teen Suicide), was guest speaker for the evening. He gave each church a packet of information on ways each person or group can help reduce the growing rate of teen suicide. He lost a daughter to suicide and has dedicated his life to helping others.

This has been a good year of fellowship and growth. Let us all work together to make it even better next year.

Discipleship Training

"M" Night was held November 27, 1990, at the Jarrett Memorial Baptist Church. There were 104 present, 14 churches were represented with 5 pastors and 7 Church Training Directors attending. The banner was won by Old Savannah with 24 present. Zion Hill was next with 17 present. The plaque was won by Ochre Hill with 70.5 percent average attendance for the year.

The sermon was brought by Rev. Morris Cooper, Director Discipleship Training Department of North Carolina. The message was about Baptists, our beliefs and where we go from here.

There was a Key Leadership session at Ridgecrest Assembly, May 14-15. This was attended by Geraldine Jones.

We met at the Jarrett Memorial Church for Discipleship Training to get more interest aroused. Also, we have a new video tape for Discipleship Training entitled: "Present and Accounted For: Keeping Records for Discipleship Training for our Association," to be used by all churches if they will use it.

Norman Parris, Director
Discipleship Training

This Committee considers it both a privilege and a challenge to serve in this all important task. A common bond exists among the churches when we speak of missions. And with God as our Source; all humanity as our Scope; and Redemption as our Purpose; we are fulfilling the Great Commission. (Matthew 28:19,20)

We have been an active Committee this year as we try to do the tasks outlined for us. We have offered support, encouragement and coordination for several mission opportunities.

Our five year Partnership with Sao Paulo, Brazil continues to flourish. In August, Mrs. Mary Ann Frye of First Baptist and Dr. Rachel Grogan from Cullowhee Baptist went to Brazil as part of a five member team. They conducted Sunday School Clinics on weekends and did personal Evangelism during the week. Those of us who have been a part of our efforts there have returned a changed person. Our vision of "Reaching the World for Christ" has been enlarged.

In March 1991, we have been invited to send an Evangelistic Team of laypersons and preachers to assist them in a simultaneous revival effort. A list is now being compiled, if you feel God would have you serve there, please let us know.

As a Committee, we have tried to improve and expand on the Guidelines for traveling to Brazil after consulting with several who have been there.

Early last spring, a small group went to help nearby neighbors in Tennessee to clean up from a flood.

I attended the Key Leadership Training Session, along with other Committee chairpersons, May 14, 15 at Ridgecrest.

After much planning, preparation, disappointment and delays, the following persons went to Sumter, South Carolina to rebuild a church that was destroyed by Hurricane Hugo in September 1989; Rev. Cecil Frady; B. T. Greene, Audrey his wife; Porter and Leroy Hall and the Rev. John Reid. Also joining them was the Greenes' daughter who lives in South Carolina.

The Rev. Bobby Stafford, from the State Convention, came last fall and did an overview of the restructured Mission Committee.

Your Mission Committee desires your prayers and support - that God will use all of us in a mighty way to bring about His Kingdom here on earth. And during this last decade of the century, let's continue to have a vital part in Bold Mission Thrust - "Reach the World with the Message of Christ by year 2000."

Prayerfully submitted,
Irene Hooper, Chairperson
Missions Development Committee

Music

We are happy to report that the interest in Church music is continually growing in our association. We hope to see our churches reach the standard of excellence in church music.

We thank each church for their participation in the associational church sing. Fifteen churches were represented with 700 in attendance. These were held at East Sylva, Tuckasegee and Webster churches.

We appreciate your help with the music in our association.

I had the privilege to attend the Key Leadership Conference at Ridgecrest Baptist Assembly in May.

Ordination Committee Report

The Ordination Committee of the Tuckaseegee Baptist Association met Sunday, August 19, 1990, at the Baptist Center with Brother George McFalls of the Fall Cliff Baptist Church. Rev. Mike Farmer, Vice Moderator, served as chairman, called the meeting to order and led in prayer. After sharing in his salvation experience, his call to the ministry, and satisfactorily completing a thorough examination of his doctrine and polity, the ordination committee unanimously agreed to recommend Brother McFalls for ordination into the Gospel of the Ministry. Rev. John Reid was instructed to notify the Fall Cliff Church of the Ordination Committee's recommendations. There being no further business, the committee was dismissed in prayer.

Royal Ambassadors Report 1990

The Brotherhood organization has made some changes in age level groupings recently. The age levels now run as follows:

Lads	Grades 1 - 3
Crusaders	Grades 4 - 6
Pioneers	Grades 7 - 9
High School Baptist Young Men.....	Grades 10 - 12
College Baptist Young Men	Ages 19 - 23
Baptist Young Men	Ages 24 - 32
Baptist Men	Ages 32 - up

All of these under the umbrella of BROTHERHOOD.

The term Royal Ambassadors (R.A.'s) includes boys from first grade through Grade 12. These boys in the R.A. group have been involved in several activities this year. First, there was the Lad/Crusader Congress held on April 1. The boys particularly enjoyed the events in which they were involved. All did well in each event. However, at this time we have no state winners. Just give us time!

The Associational R.A. Racer event held at the Baptist Center was an especially exciting and fun time. The race cars made by the boys were not only attractive but well constructed. Competition was keen. Those little cars really had a try-out but only two won. These two winners attended the State event and did well but did not win.

A new R.A. chapter was started at the Greens Creek Baptist Church. Ten young boys are presently enrolled and are most enthusiastic about the work. This promises to be a very energetic and enthusiastic group.

Then, too, there was the sleep-in (wake-in) held at the Baptist Student Union in Cullowhee in May. There were lots of cats, much talk but little sleep.

The following events are already scheduled for the 1990-91 year: 1) November 3-9 is designated as Royal Ambassador week in the local church. If your church has a group, please let them know that you appreciate them and do encourage them in every way possible. If your church does not have an R.A. organization, please think seriously about starting one. This is the mission organization for boys and men. If we do not get them interested while they are young, how will they grow into a strong Brotherhood organization? 2) February 1991 - The R.A. Racers events will be held in the local churches. 3) March 1991 will be associational races at the Baptist Center. 4) Men and boys Mission Rally with W/NASCAR Races at Rockingham speedway. Watch for the exact dates on these events and stand behind your boys.

A great year is coming up. There will be many events on the local level. LISTEN, LOOK AND STAND BEHIND YOUR BOYS. I am here to help if you need me.

Mike Moses, Associational
R.A. Director

Single Adults

This past year has been a very interesting one for our group and helpful in many ways.

Last October, our fall meeting was a covered dish supper held at the Baptist Center. The program and decoration centered around fall colors and harvest subjects. Christmas and Spring meetings were similar. Most programs have consisted of a devotional period, group singing, home-maker tips for singles, musical quest and other activities. The age range of the people attending has been 35 and above.

Recently for the summer meeting this group traveled to Cherokee for supper at the Pizzatown. Afterwards we visited Saunooke Village in North Cherokee. Everyone enjoyed their Friday evening and good fellowship was shared.

The next two meetings will be held at the Baptist Center on Fridays at 6:30 p.m. The respective dates for these covered dish suppers are November 2 and December 7. We will have a chair at the supper table for you; therefore, come on out this fall and join us!

Sunday School

Sunday School work on the associational level has been in a building phase this last year with an eye on future growth.

The AssisTeam (Associational Sunday School Improvement Support Team) now exists in basic form with the following persons serving:

Preschool Director.....	Mrs. Sheri Turk
Children's Director.....	Mrs. Maggie Almand
Youth Director.....	Dr. Rachel Grogan
Adult Director.....	Mrs. Irene Hooper
AssisTeam Director.....	Rev. Barry Almand

September 16, 1989, Ochre Hill Church hosted a conference where the team led a study of the book, *Basic Sunday School Work*, for the four age groups and general officers. Twenty-five persons attended representing five churches.

In February 1990, the entire team attended a training session at Ridgecrest.

The team is currently working with Jarrett Memorial Church developing a pilot program for Sunday School growth. The program will involve three basic areas: Outreach, Teacher Recruitment and Training, and the Proper use of Literature.

Future plans include a literature workshop to introduce the improvement in the use of literature selection of the plan best suited for the individual church.

The AssisTeam or any of its members, is available to every church in the Association for consultation or training.

Woman's Missionary Union Report 1990

The WMU emphasis for 1989-1990 was "In His Name... Reach, Teach, Touch." The Tuckaseegee Associational WMU has worked to carry out this theme through various meetings and projects. Council meetings for planning and evaluation were held quarterly.

The workshop for leadership training was held on October 8, 1989, at the Lovedale Baptist Church. At this meeting, participants brought items to pack suitcases for the Brazil project.

In November, the Baptist Student Union of WCU challenged us to a competition, gathering canned food for the United Christian Ministries of Jackson County. We surpassed our goal of 296 cans. Also, some of our churches supported the BSU by providing meals for their mission nights.

The winter mission action project was a baby shower for the Baptist Maternity Home in Asheville. A huge load of items, baby clothing, maternity wear, and \$85 in cash donation were collected at the quarterly meeting at the Baptist Center on Sunday, January 21. A program entitled "You Can't Make a Salad with Just Lettuce" emphasized enlistment, reaching out to women of various life styles.

The spring project centered on the Baptist Retirement Home in Asheville. Twelve flannel-backed vinyl tablecloths were purchased. Since these were bought at wholesale price, the remainder of the allocated \$199 was used to buy 12 bread baskets, 3 fruit trays, 72 placemats, and 12 crystal bud vases. As an ongoing ministry, ladies were encouraged to visit patients in the local rest homes, especially those who do not usually have visitors.

Greens Creek Church was host for the annual meeting on April 12. Following a salad supper, Jim and Lisa Dean, resort missionaries in western North Carolina, presented the program. The following officers were installed to serve for the year 1990-1991:

Director Janice Burnette, 586-6819
Assistant Director Virginia Pangle, 586-4896
Baptist Women Director Annie Hoyle, 294-5354
Assistant Baptist Women Director Freda Queen, 586-2871
Baptist Young Women Director (Ages 18-34) Debbie Hooper, 586-2578

Assistant Baptist Young Women Director Sandra Bryson, 743-2398
Acteens Director (Ages 13-18) June Sisti, 586-4869
Assistant Acteens Director Donna Stallings, 293-5855
Girls in Action Director (Ages 6-12) Sarah Davis, 586-5400
Assistant Girls in Action Director Margaret Morgan, 743-9953
Mission Friends Director (Birth-5) Geraldine Jones, 293-9235
Mission Action/Personal Witnessing Director Ada McCoy, 743-2989
Assistant Mission Action/Personal Witnessing Director Donna Madden, 743-2498

Enlistment and Enlargement Director Aileen Green, 586-4677
Secretary/Treasurer Hazel Monteith, 586-2640

In celebration of Pastors' Appreciation Day, the WMU provided a meal for pastors and their families at the Baptist Center on May 27. The summer mission action project was also conducted at this time; WMU organizations were asked to bring items for a "pounding" for summer missionaries who would be working in our area.

The Prayer Garden at Truett Baptist Camp in Hayesville was completed this year. This has been a two-year project adopted by the WMU as a tribute to our past associational director, Mildred Cowan. Mildred was very dedicated to the camp and its programs, and the prayer garden will ensure that her testimony will be alive for years to come. A dedication of the facility is planned for October of this year.

Nine of the associational WMU council members attended the training workshop at Fruitland on July 21. These leaders were prepared for carrying out the 1990-1991 emphasis, "Empowered!" They are dedicated to helping our churches fulfill the four tasks of WMU:

- 1) Teach missions
- 2) Engage in Mission Action
- 3) Interpret and undergird the work of the church and the denomination
- 4) Personal Witnessing

As we center our thoughts on the theme for the new year, may we be "empowered" to reach new goals in WMU so that our churches will be strengthened to always be on mission for Christ.

Respectfully submitted,
Janice Burnett, Director
Associational WMU

Youth Report

The Youth of the Tuckaseegee Baptist Association have been engaged in a number of activities both on the home church level and on the Associational level. One of the well attended and successful activities was the YOUTH RALLY - HERE'S HOPE. This was held in March after several weeks of hard work spent in planning and organizing. The work of all who participated in any manner is greatly appreciated. For it was the work of these people that made the event what it was. June Sisti and Rachel Grogan are given special THANKS for the work they did. The churches of the Association were divided into zones with zone leaders plus the individual church youth leaders. Everyone worked together beautifully. As the result this was one of the best activities we had.

The Rev. Bernie Dixon was the revival speaker. He gave an illustrated sermon. Seventeen youth made commitments to the Lord as a result of this revival.

Several of the Associational activities planned were interrupted by conflicts and could not be rescheduled at that time.

The "Christ Life Style for Youth" study that was to be held in August was called off. However, the material that was to have been used is still available. This material would

make excellent material for a Discipleship Training group, a Bible Study group, a youth program, etc. If any church wishes to use any of this material, just contact the Baptist Center. We do hope someone will take advantage of this offer. The material is free.

Working with the youth of this association is a joy and a privilege. Thank you for sharing this opportunity with me.

Geraldine Jones, Youth Director

Institutional Reports

Baptist Children's Homes

For 105 years Baptist Children's Homes of North Carolina have been giving children a chance at life. This year we formalized that phrase into our first state-wide and fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses any more.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately \$75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than \$1 million in revenue.

In the change from a Homes and Hospital offering to the Thanksgiving BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of this difficulty, have promised to begin receiving the Thanksgiving offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from the Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program receipts would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home opened in 1971 on 91 hilly acres. It has the capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105 year history. But its history is just the knot that ties it to a boundless unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

THE TRIPOD

Dr. S.L. Stanley, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than 100 years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the convention, by historic Baptist principles.

- 1- The authority of the Scriptures and the Lordship of Christ. Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.
- 2- The competence of the individual and the priesthood of believers. Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.
- 3- The autonomy of the local church and cooperation in Christian service. Each church is congregational in organization, with every member having the right to vote.
- 4- Freedom of religion and a free church, in a free state. Cooperation, not coercion, is the basis of denominational unity.
- 5- Freedom of religion and a free church, in a free state. Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod a balance and a healthy spirit of partnership in the Gospel.

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ is the answer, What is the question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Baptist colleges attempt to confront students with life's most important questions:

- What is the purpose and meaning of the created order?
- How will I spend my one life?
- How should I measure success?
- How much is enough?
- How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Baptist colleges lead students to link learning with faith to produce whole mature men and women equipped for a lifetime of learning and service.

BAPTIST STUDENTS AND BAPTIST COLLEGES BELONG TOGETHER!

Baptist Hospital Report

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this \$190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administration Offices, and other functions. Nearing completion, is the Day Care Center for children of medical employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizotov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman/Gray Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

The Department of Pastoral Care continues to strengthen the reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Baptist Retirement Homes

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state -- in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facilities, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care -- independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit -- to 350 Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding communities and its churches. The Brotherhood, WMU, and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs -- whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

PLEASE PRAY for our MINISTRY.

FROM MOUNTAIN TRACE

The Hospital Chaplaincy Department at C.J. Harris continues to provide a program of chaplaincy services for residents, family members and staff at Mountain Trace Nursing Center. David Webb is assisted by Chaplain Hinson in coordinating the weekly religious activities that are offered at Mountain Trace. Many churches are represented in the services.

David Webb's weekly visits to the nursing center include Bible study, prayer, resident visitation, and informal counseling with the residents and staff.

Webb says thanks for your continued support and prayers.

MISSION GIVING

The C.J. Harris Community Hospital is developing into a regional medical center serving most of Western North Carolina and Northeast Georgia.

October 28 is Hospital Chaplaincy Sunday. Churches around the county are asked to:

- Have testimonies from people who have been helped by the Chaplaincy Ministry.
- To receive an offering in support of the Chaplaincy Ministry.

One half of the budget for Chaplaincy Ministry comes from the W.C. Hennessee trust fund; one half of the budget is received from contributions, memorials and gifts from people who believe in the Chaplaincy Ministry. All churches are urged to include the Chaplaincy program in their budgets.

This year in addition to the regular work the Chaplaincy Program held a Memorial service for the late Reverend Frank Anderson, who served as Hospital Chaplain and was named Chaplain Emeritus upon his retirement.

A Humor & Health Conference, the first of its kind in this area, was held in July and was well received.

A Pastoral Care Class was held in March with certificates being awarded to Clark Sheffield, Jim Dean, and Kendall Cameron. Jim is now a Chaplain Associate.

The Hospital Chaplaincy Program appreciates your support, your giving and your care. They still need and want your support for the coming year.

Truett Baptist Camp

As your camp director I find it a privilege to serve you and God.

We had two weeks of girl's camp this year with 11 girls accepting Jesus as their Saviour and numerous rededications were made. A good time was had by all. Lisa Dean was director and Donna Lakey was her assistant.

We had a very good music week again this year with J. Gilbert as director. Six people were saved and other decisions were made.

We will have two weeks of boy's camp again this year. We are looking forward to this. Aud Brown will be over this camp.

We will be starting our new building this fall. It will be a big challenge to us all to support this project. All of our associations have information on the building.

We are grateful for the churches in Region 10 for your prayers and support for the camp. We hope you will support it through your church budget or by any means that you can.

We are trying to minister to the people in our region and beyond in a spiritual sense as well as physical.

Worship and Bible Study have always been a major part of the camp program.

Please send us your children and make plans for an outing if not a weekend retreat at your camp.

Agency Reports

American Bible Society

What do the churches of America see when they look at the American Bible Society? For those of us responsible for communicating the ABS story, we would like them to see us as an important partner of the churches to make a greater witness for Christ -- a partner on the frontier of world missions and evangelism, and a partner at the local level of day-to-day community outreach and service.

This is the way we see you, the churches. You are our partners, indispensable co-workers with us in the Bible cause! Our global program of Scripture translation, production and distribution is inherently the wise counsel and advice given by denominations and their local congregations. This undergirding is the primary enabler for the Society to develop exciting, relevant and powerful Scripture resources for Christians in our country and for all those around the globe we seek to reach with God's Word.

The Society is privileged to enjoy broad support among Christians in America. Many are ABS volunteers and Church Representatives, Bible-A-Month Club members and Good News for New Readers supporters. In fact, 90 percent of the denominations listed in the Yearbook of America are represented among those who are active in the ABS ministry. People sharing the Bible with other people is a ministry to which all Christians are called and one ABS is eager to help churches in fulfilling.

Representatives from 37 denominations and six church agencies attended the Society's 60th National Advisory Council at Bible House in December last year which met under the banner "Partners in Spreading the Good News."

Because we believe there is no better way of presenting the Bible cause, we have made this theme the central perspective of our report to you this year. We hope what you read here will underscore just how grateful we are to your denomination for being our partner, will reinforce

why your continuing and expanding partnership with us is so vital, and will strengthen your confidence and participation in the work of the American Bible Society which you are so generously supporting.

Annuity Report for North Carolina

There are now 2,162 North Carolina churches and associations contributing to retirement plans. North Carolina has 1,972 signed Cooperative Agreements! More than any other state! The number of churches participating at the old Plan A level of \$33.34 has decreased to less than 100. The average annuitant in North Carolina receives \$276.39 per month. North Carolina has 3,436 members making contributions to Annuity Board retirement plans. There are 1,889 annuitants receiving benefits each month in North Carolina - \$522,109.84 each month. It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still so much to be done!

Consider these facts: Only 64 percent of our churches are participating in our retirement plans - even after all these years of opportunity; of this 64 percent, many do not actually make contributions. The minister does this on his own. Small contributions make the annuitant's benefits small. In North Carolina 175 receive less than \$50; 288 receive less than \$300; 544 receive less than \$250; 288 receive less than \$300: We have 151 churches that have signed the Cooperative Agreement, but still make no contributions: We have 457 that are making contributions but have not signed the Cooperative Agreement. Suffice it to say that there is a great challenge still before us to help ministers to prepare for the future and to help churches be responsible employers.

Jim Lambert, Administrative Associate
for Minister Support

The North Carolina Baptist Foundation

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the convention has only in recent years begun to have an impact on providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over \$13 million through May 1990. This exceeds the asset growth goals set in 1988 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988-89	\$ 1,106,930.
Trust income distributed to individuals with Baptist causes named as charitable gift during 1988-1989	\$ 1,361,836.
Assets held in trust and endowment funds as of December 31, 1988 (audited)	\$18,361,481.

Assets held in trust and endowment funds

as of June 1, 1990 \$28,176,481.

Gifts of appreciated assets, such as stock and real estate can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their life time. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, bypass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of the staff as well as for conferences and meetings.

Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptist.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

The Biblical Recorder

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists, with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League

The last 12 months have been eventful ones in the ministry on applied Christianity.

LEGISLATIVE ISSUES

1. **GAMBLING:** The battle is still on concerning a state-wide lottery. Legislators are constantly barraged by one who says, "Let the people vote."

2. **DRUNK DRIVING:** Some Senate defense attorneys are determined to keep anything of real substance from passing.

The pending legislation calls for:

a. Lowering the breathalyzer blood alcohol level from .10 to .08;

b. Banning open containers of all alcoholic beverages in motor vehicles;

c. Increasing the civil revocation of drivers' licenses from 10 to 30 days (North Carolina is the only state in the nation that requires less than a 30-day loss of driving for registering a .10 or above on the breathalyzer);

d. Increasing the fines for being convicted of drunk driving.

3. **ABORTION:** The reduction of the money for abortions from \$400,000 to \$100,000 is now tied up in a conference committee.

Parental consent proposal appears to be defeated.

4. **MISCELLANEOUS:** Such other legislative proposals such as raising the tax on alcoholic beverages, requiring the teaching in public schools of sexual abstinence outside of marriage to combat teen-age pregnancy were considered but side-tracked by the Senate. The tax on beer has not been increased in North Carolina since 1969.

CHURCH AND COMMUNITY ASSISTANCE

The League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Randleman, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sale.

We have sought to keep the Christian community informed on moral and ethical issues through our publication *Tomorrow*, and through speaking in churches, pastor's conferences, and civic clubs. Thank you for your prayers and financial support in our ministry.

Gideons International

The Gideon organization, known as the Gideons International, is composed of over 102,000 Christian professional and business men in 246 countries. With the help of the local churches here and throughout the 246 countries, the Gideons are placing an average of one million Scriptures every 13 days. Funding comes from three main sources:

(1) Local church love offerings;

(2) the Faith Fund (donations by individual Gideon members); and

(3) the Memorial Bible contributions.

All monies donated to the Gideons go to purchase Scriptures; administration costs of the organization are paid by the individual members.

The Jackson County Camp, one of 5,000 local camps, was founded in 1982. The present membership numbers 28. It has been the camp's pleasure to share a Gideon presentation in

more than 40 churches during the past year. A total of 3,559 Scriptures were distributed by the Jackson County Camp. The Jackson County Camp received \$15,196 to be used for the purchase of Scriptures.

During this past year, Gideon Camps were established in six of the Eastern bloc countries. There are now five camps in Moscow! These camps have been invited to the campus of Moscow University this Fall to give testimonies and distribute Scriptures. There are 50,000 students at this University. They have also been invited to distribute Scriptures to the Red Army. Please pray for these and other Gideons in that area as they witness for Christ. Pray also that funds to buy the Scriptures needed in these areas will be provided.

Yours in His Service,
Harry Griffin, Camp President

Sunday School Board

A year-long celebration of the Sunday School Board's Centennial was launched in June 1990 at the Southern Baptist Convention in New Orleans, Louisiana.

Celebrating "Heritage and Hope" is the theme of the celebration of the Board's 100 years of serving Southern Baptist people and churches.

"It is with gratitude to God for a heritage rooted in Holy Scripture and committed to service among Southern Baptist people that we enter our second century," said President Lloyd Elder. "We move forward buoyed by a spirit of hope and guided by the light of God's truth."

The Board was established amid controversy at the 1891 Southern Baptist Convention meeting in Birmingham, Alabama, where a record 855 messengers registered. J.M. Frost, a 42-year-old Virginia pastor, was the leading proponent of a Southern Baptist publication board, while J.B. Gambrell, editor of the *Baptist Record*, State paper of Mississippi, opposed the idea.

The 13-member committee named to bring a proposal to the convention commissioned a two-man subcommittee, Frost and Gambrell, to prepare the report. Gambrell offered to let Frost write the report and name the Board's location, provided, that Gambrell could write the closing paragraph. Frost agreed, provided that he be allowed to write the closing sentence.

Gambrell recommended "that the fullest freedom of choice be accorded to everyone as to what literature he will use or support." Frost then urged "all brethren to give this Board a fair consideration."

Frost presented his report in a tension-filled room as messengers on both sides waited, speeches in hand. When Frost had finished, John A. Broadus, president of Southern Baptist Theological Seminary, made an impassioned appeal for peace. In silence, the report was then adopted with only 15 dissenting votes.

From its beginnings with one assignment, publishing Sunday School literature to the present with 17 Convention-assigned programs of work, the Sunday School Board has operated from the sale of literature and services. It has never received funds from the Cooperative Program. Instead, almost \$20 million has been contributed to the operating budget of the Southern Baptist Convention through the Cooperative Program. Also, more than \$55.2 million has been funneled to state conventions for the support of Sunday School Board-related programs.

Adjusting the annual contributions to 1990 dollars using the Consumer Price Index, the Board has given almost \$225 million to the work of the Southern Baptist Convention and the state conventions.

In 1991, as the Sunday School Board moves into its second century, its ministry will continue through three major projects.

The Baptist hymnal will be released during a four-day celebration in Nashville, March 11-14. The first volumes of The American Commentary will be released and available at the 1991 Southern Baptist Convention meeting in June. And improved Sunday School literature for all ages will be introduced in October.

Elder said the Board begins its second century with a continuing commitment to the twin principles of autonomy and cooperation espoused in 1891 by Frost and Gambrell. "We appeal for the support and trust of our Southern Baptist people. Our goal is to serve all of the churches of this great denomination."

Stewardship Report

II Corinthians 9:7 says, "Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity; for God loveth a cheerful giver."

Every Stewardship message and report begins with God being the owner and giver of all we have. We are the managers or stewards. Two things are important: (1) our motives and (2) our records. No one can read motives nor should they assign motives. That is God's business. Only He can really see what is in our hearts and minds.

What about the record? Each of our churches individually is on record as well the entire Association. Here is our Associational record of giving comparing August of 1988, 1989 and 1990:

Year	Number of Churches Giving to General Fund	Dollar Amount Given
1988	36	\$23,068.15
1989	35	\$29,033.08
1990	32	\$29,092.74

Thirteen (13) churches increased their giving from 1989-1990. Twelve (12) churches decreased their giving from 1989-1990. Twenty-five (25) churches were unchanged in their giving patterns to the Association. Of this number 11 to 12 churches historically do not contribute to the finances of the Association.

Hurricane Hugo donations were over \$2,100.00. Over \$500 was contributed to the victims of the Tennessee flood. Over \$900 was received for the successful Youth Rally. That is a total of \$3,500. Some churches contributed in these designated offerings that were not included in the above tables.

At 91.67 percent of the budget year we are a little ahead of the amount required to meet the budget for the year. We are grateful for the generosity of the churches in making this possible. Also, we have been careful not to spend more than we have received.

I am particularly grateful to Jesse Flake for the outstanding job he does as our Associational Treasurer. I am equally grateful to Rev. Lloyd Fish for his leadership on the finance committee this year.

At the writing of this report, churches have one month left to make their contribution to Associational work. Every church is challenged to intentionally develop their stewardship responsibility in mission giving and to include the Association in its mission gifts.

Respectfully submitted,
John Reid

Ochre Hill Baptist Church

(A Brief History on its One Hundredth Anniversary)

On November 15, 1890, 14 members from the Mount Pleasant Baptist Church met to organize the Ochre Hill Baptist Church in the next community. The church adopted the Articles of Faith and Church Covenant which made them a church of the Missionary Baptist Faith and order. The new church elected the Reverend W. W. Reed as their first pastor.

The church met in the community schoolhouse until a one room church was built near the schoolhouse. Later other rooms were built and in 1956 the church was completely remodeled and four additional classrooms were added. In 1964 a brick building with 17 classrooms and a large sanctuary was built. The dedication service was held on April 4, 1965. In 1982 the church built a fellowship building and added additional classrooms.

During its history the Ochre Hill Baptist Church, Sylva, North Carolina has had 25 pastors, 36 deacons, 14 men have been licensed to preach the Gospel and several laymen have gone on mission trips to Honduras and Brazil.

It is the Mission of the Ochre Hill Baptist Church to win the lost and disciple Christians for the Glory of the Lord Jesus Christ.

Respectfully submitted,
 Wanda Mills
