INTERIM PRESIDENT'S MESSAGE

Dear Fellow Servant in Christ:

This year you will be engaged in a great adventure. You will be studying in the classroom with outstanding evangelical scholars, attending chapel services where you will hear passionate preaching and inspiring music, and establishing friendships that will last for a lifetime.

As you read this message, you are holding in your hands one of the most informative and valuable resources that you will need during the coming months. The first section provides a picture and name of each member of our administration and staff. These are dedicated individuals who serve our Lord faithfully in their particular areas. This information can be used to gain a better understanding of our various offices and their services.

The second section contains important information about our faculty, those who have been elected, appointed, or serve in an adjunctive or visiting role. You will want to familiarize yourself with these pages in order to know more about our world-class faculty and their teaching disciplines. Following our faculty you will find the picture and names of each member of our Board of Trustees who have been elected by the Southern Baptist Convention.

The remainder of this publication is dedicated to our student body. This section will be an excellent resource as you become better acquainted with your fellow students. Also, it will be an invaluable keepsake as you remember those persons who made a contribution or lasting impression on your life.

May God bless you as we labor together in this special place. I want to encourage you to help us make this year one of the most significant times in the history of our seminary. It is my prayer that we will all work together toward this end.

For His Glory,

A handwritten signature in black ink that reads "Bart C. Neal". The signature is written in a cursive, flowing style.

Bart C. Neal
Interim President

STUDENT BODY PRESIDENT'S MESSAGE

Fellow Servants,

Greetings from the Student Leadership Team of Southeastern Seminary and College. God has called this student body from all corners of the globe to advance the Kingdom of God in a variety of ways. Some of us within this pictorial will be used by God to reach the unfound corners of the globe, while others will be used to pastor local churches. Still others will be future professors, teaching the next generation of ministers. Whatever area of ministry God has called you to, Southeastern provides a praiseworthy balance of academic excellence and spiritual passion that provides a number of opportunities for maturity during your time of preparation.

The first opportunity for growth is your own walk with the Lord. It is all too tempting to believe that our fine chapel services, theological classrooms, and exciting student organizations are sufficient for personal spiritual growth. Nothing can replace your own intimate time with the Lord. Make sure that your personal prayer life and Bible study is a priority. How unfortunate it would be to proclaim Jesus Christ without knowing Him. It is important to remember that the disciplines you set early in your ministry will be the same ones that you will possess later in your life.

The second opportunity for growth is your mind. Southeastern is a widely respected academic institution that produces men and women who are capable of sharing the Gospel with well-educated minds. Within this campus are professors who are some of the most respected scholars in evangelical circles. These professors are not only highly skilled academically, they are also people with hearts for the Lord Jesus and great love for the student body. In your future ministry, you will certainly remember their great wisdom and side-splitting classroom antics. Make it a priority to learn from and know them. You will do well if you remember that the opportunity to learn is a blessing. Take a hold of it and do all to the glory of God (1 Cor. 10:31).

The third opportunity for growth at Southeastern is through the relationships that you form. There is no better place to find lifelong friends than at a school with likeminded individuals. Find accountability partners so that you may sharpen each other and be more useable to the Lord. Use the pages of this directory to pray for people you may not even know. Whether close to you or not, each person at Southeastern is a fellow servant that is pursuing after the same goal: to know God and proclaim His Gospel.

Although the temptations may be great, stay close to the Lord Jesus and there will be a myriad of opportunities for growth throughout the rest of your life. Stay pure so that you may remain useable.

Grace and Peace,

A handwritten signature in cursive script that reads "Ben Brammer". The signature is written in dark ink and is positioned below the typed name.

Ben Brammer
