GENERAL INFORMATION

HISTORY

Southeastern Baptist Theological Seminary had its origin in the feeling of many Southern Baptist people that there was great need for a Seminary in the southeastern section of the Convention. The Seminary, therefore, is a direct result of a thorough study of theological education, first authorized by the Southern Baptist Convention in May, 1947, at St. Louis, Missouri, and concluded in a report to the Convention in May, 1950, at Chicago, Illinois.

The Convention at that time approved the establishment of a seminary at Wake Forest, North Carolina, to be called "The Southeastern Baptist Theological Seminary, Inc.," agreed to purchase Wake Forest College campus as a site, and elected trustees to plan for the opening of the Seminary.

The trustees secured a charter and accepted as the Articles of Faith for the Seminary the doctrinal statement approved by the Southern Baptist Convention in 1858 for the Southern Baptist Theological Seminary. They set up a budget, elected Dr. Sydner L. Stealey as president, and other members of the faculty, and authorized the opening of the Seminary in September, 1951.

The Seminary has now completed its fifth year of operation and graduated three classes. A soundly joyous Christian spirit has characterized faculty, office force and student body from the very first day. The enrollment has been as large as could possibly be handled.

Worthy of exceptional note is the list of men who now constitute the faculty.

PURPOSE

The primary purpose of Southeastern Seminary is to prepare men and women for Christian leadership in various ministries. These include preaching and pastoral care, missionary work at home and abroad, the ministry of religious education, the teaching of religion and other subjects in secondary schools and colleges, religious leadership on college campuses, the chaplaincy, social service, and such other forms of religious work as require specialized techniques.

Vital to all these areas of service is a full understanding of the origins, content, and history of the Christian faith and its special relevance to the needs of the modern world. Courses of study directed toward such an understanding constitute the curriculum and are regarded as the basic training for all prospective Christian workers.

While the Seminary is conscious of its responsibility to the Southern Baptist Convention, its facilities are open on an equal basis to students

of all denominations, and it is the aim of the Seminary to help produce a leadership for the whole Christian movement.

To accomplish these ends, the Seminary proposes to maintain a God-called faculty who are especially qualified by training and experience to offer leadership in maintaining high standards of achievement in the intellectual and spiritual spheres. Appropriate provision is being made for adequate physical facilities and for an excellent library.

In the pursuit of these objectives, the faculty are conscious of certain great emphases which undergird the Seminary program of education: (1) a sound knowledge of the Bible; (2) a wholesome and intelligent evangelism; (3) a challenging vision of the world-wide mission of Christianity; (4) a prevailing spiritual dynamic in the lives of students and faculty; (5) a sense of the significance of the local church—urban and rural; and (6) a consecrated scholarship for providing genuine Christian leadership.

PLANT

The Seminary plant consists of four hundred sixty-nine acres of land and buildings purchased by the Southern Baptist Convention from the trustees of Wake Forest College. On this land there are nineteen buildings used (by the college) for administrative, academic, athletic, hospital, dining, dormitory, heating, and other purposes, including the magnificent new chapel and the President's home; ten residential buildings; an athletic field; five all-weather tennis courts, a nine-hole golf course, and a concrete stadium seating 15,000; and approximately 200 acres of beautifully wooded land.

The campus proper consists of a twenty-five acre plot within a rock wall in the center of the town. It was built originally around a clump of oak trees which existed at the time Wake Forest College was founded in 1834. Successors to these oaks, together with magnolias and other lovely trees, help to make it one of the most beautiful campuses in the United States.

ACADEMIC BUILDINGS

The Chapel. Commanding the center of the campus is the chapel building. Its tall, graceful spire is visible for several miles along every approach to the Seminary. Due to the primary importance of the chapel as the worship center of the campus, a careful study is being undertaken by a joint committee of the faculty and trustees for the completion of the interior of this building.

Wait Hall. In this building are located the administrative and faculty offices.

Religion and Music Building. This building provides classroom facilities and is being used temporarily as a library.

Heck-Williams Library. A new wing has been approved for the library. This unit will house reading rooms and administrative, secretarial, receiving and cataloguing offices. Special study, seminar, recording, and film storage rooms will also be provided. This new wing is expected to be ready for use late in 1957 or early in 1958.

The Lea Student Center Building. The student center building includes assembly rooms, lounge, soda shop, student offices, and the Baptist Bookstore.

The William Amos Johnson Building. This is the main classroom building.

Gore Gymnasium. Gore Gymnasium is one of the finest in the South. The Seminary conducts no athletic program, but students are free to use this building at will for indoor sports such as basketball, volleyball, handball, badminton, etc.

Athletic Field. The athletic field is utilized for intramural sports such as softball, baseball, and touch football.

Infirmery. This building contains private rooms, general wards (one for contagious diseases), consultation offices, and living quarters for a nurse. The Seminary physician maintains a daily schedule of service in the infirmery.

Church Building. Wake Forest Baptist Church is located within the campus enclosure, although this property is owned by the church. The church makes an important contribution to the life of the Seminary.

Heating Plant. This unit furnishes heat to all the Seminary buildings. It contains a modern shop for the use of the buildings and grounds department.

The President's Home. This home is located off the southwest corner of the Seminary campus.

The Cafeteria. This new building, in addition to providing adequate accommodations for the students, also contains space for alumni banquets, and special student and faculty dinners.

RESIDENCE HALLS

For information concerning Southeastern housing facilities see pages 27-29.

LOCATION

Wake Forest, North Carolina, the location of the Seminary, is only sixteen miles north of Raleigh, the capital of the state, and twenty-two miles east of Durham, a city of more than 65,000 population. It is on the Seaboard Air Line Railroad and at the intersection of U. S. Highway Number 1 and North Carolina Highway Number 98. It is also in the heart of the southeastern section of the Convention. It is therefore easily accessible by rail or highway from any part of the southern and eastern sections of the United States.

Wake Forest is a town of two thousand inhabitants in the center of a large area which offers the Seminary a great opportunity for training pastors and leaders for both rural and urban communities.

The near-by cities offer opportunities for employment to students or their wives. Many students may prefer to live in one of them and commute to the Seminary.

CULTURAL ADVANTAGES

This location is within thirty miles of seven outstanding colleges and universities. This particular area is frequently referred to as "the educational center of the South."

SEMINARY LIFE

One of the essentials of a normal Seminary life is an opportunity for faculty and students to worship together. To this end chapel services are held each day Tuesday through Friday.

The Seminary puts special emphasis upon missions. There will be held during the year three days of Missionary Emphasis, with addresses by various speakers on different phases of the missionary enterprise. In this way students will have opportunities to hear secretaries of the boards of the Southern Baptist Convention and of the various states, missionaries, and other outstanding world leaders.

Special lecturers and visitors will be brought to Wake Forest by the Seminary as often as possible, and the students will have opportunities for conferences and forum discussions with these leaders.

The students have organized a Student Co-ordinating Council in co-operation with the faculty. Officers are elected by the students. Student parties are given at various times. The wives of students also have an active organization. A men's chorus, voluntary last year,

will be continued, and will be given co-operation from the administration.

"Family Night" each month brings faculty, students and their families together for a faculty-student forum or student "talent program" and fellowship.

Every student is assigned a faculty adviser and is encouraged to counsel with him on personal problems and academic matters.

SPIRITUAL LIFE

The entire program of the Seminary is designed to encourage the personal spiritual experience of the student preparing for vocational service. Every student will be required to engage upon a study of devotional literature, the specific assignment of which will be made at the time of the student's first matriculation.

FIELD WORK

The Seminary undertakes to achieve for the student a balance of academic study and practical usefulness in the churches. The student is reminded that scholastic work comes first; if he assumes extra-Seminary duties, he has a moral obligation to do both his academic work and his extracurricular work satisfactorily.

In seeking to maintain a church-centered program of training, the Seminary recognizes that students with extracurricular responsibilities should carry a reduced academic load. The faculty recommends that a student engaged in more than half-time church work or as much as thirty hours per week of other employment should not register for more than thirteen semester hours. Any student who is engaged in such outside activity and fails to maintain a "C" average will not be permitted to enroll for more than thirteen hours in any succeeding semester. Every student should examine his academic program and outside work in the light of his Christian stewardship. For help in this matter he should consult with his adviser.

Each student is required to register for Field Work not later than the first week he enters the Seminary. Once each semester he will file a report on field activities. During the Junior year each student is required to participate for two semesters in a weekly Field Work Conference under the guidance of the director. The study is elective for other students.

The Seminary will explore possibilities for student work in the churches and elsewhere, and will introduce students to prospective employers, but the Seminary cannot guarantee employment for any student.

OPPORTUNITIES IN MUSIC

The Men's Chorus meets at 4:00 p.m. Tuesday and Thursday. All men who would like to sing are urged to join this group. The Mixed Chorus is composed of both men and women. Many couples make this Choir a family affair. A limited number of concerts will be given in the immediate area of the Seminary. Private voice and organ lessons are available to a limited number of students. See page 27 for cost.

CERTIFICATION OF TEACHERS

Credit for courses taken at Southeastern Seminary can be applied for the renewal of Class A and Class B Teachers Certificates issued by the State of North Carolina.

For certification for the teaching of Bible and Religion in the public schools of North Carolina twenty-one semester hours of academic work is required in Bible and Religion in addition to the regular professional requirements. Of this twenty-one hours, six hours must be in Old Testament, six in New Testament and nine in elective courses.

AFFILIATION WITH THE AMERICAN SCHOOLS OF ORIENTAL RESEARCH

Southeastern Baptist Theological Seminary is one of the supporting members of the Corporation of the American Schools of Oriental Research. Accordingly, students in Southeastern Seminary have the privilege of attending the American School in Jerusalem or the one in Bagdad without charge for tuition. They may also compete for the financial aids which are offered annually by the Schools. These consist of fellowships, the stipends depending upon available funds. Through the American Schools the Seminary has a part in the work of excavation and exploration in the ancient Near East.

MEMBERSHIP IN AMERICAN ASSOCIATION OF THEOLOGICAL SCHOOLS

Southeastern Baptist Theological Seminary is an Associate Member of the American Association of Theological Schools and is approved by the United States Department of Justice for the training of non-immigrant students.

SUMMER SCHOOL

Summer School is scheduled to run in the summer of 1957 from June 10 to July 5. Four credit hours may be earned in either B.D. courses or certificate courses. For further information write to the Registrar.

ACADEMIC INFORMATION

PRE-SEMINARY STUDIES

The Seminary Faculty advises that students in college shall take courses that will especially prepare them for receiving the highest values from their Seminary courses. To this end, the Seminary concurs in the statement of the American Association of Theological Schools on pre-seminary studies as follows:

I. The Function of Pre-Seminary Studies

College courses prior to theological seminary should provide the cultural and intellectual foundations essential to an effective theological education. They should issue in at least three broad kinds of attainment.

1. The college work of a pre-seminary student should result in the ability to use certain tools of the educated man:

(a) The ability to write and speak English clearly and correctly. English composition should have this as a specific purpose, but this purpose should also be cultivated in all written work.

(b) The ability to think clearly. In some persons this ability is cultivated through courses in philosophy or specifically in logic. In others it is cultivated by the use of scientific method, or by dealing with critical problems in connection with literary and historical documents.

(c) The ability to read at least one foreign language and in some circumstances more than one.

2. The college work of a pre-seminary student should result in increased understanding of the world in which he lives:

(a) The world of men and ideas. This includes knowledge of English literature, philosophy and psychology.

(b) The world of nature. This is provided by knowledge of the natural sciences, including laboratory work.

(c) The world of human affairs. This is aided by knowledge of history and the social sciences.

3. The college work of the pre-seminary student should result in a sense of achievement:

(a) The degree of his mastery of his field of study is more important than the credits and grades which he accumulates.

(b) The sense of achievement may be encouraged through academic concentration, or through "honors" work, or through

other plans for increasingly independent work with as much initiative on the student's part as he is able to use with profit.

II. Subjects in Pre-Seminary Study

The following is regarded by the Association as a minimum list of fields with which it is desirable that a student should have acquaintance before beginning study in seminary. These fields of study are selected because of the probability that they will lead in the direction of such results as have been indicated.

It is desirable that the student's work in these fields of study should be evaluated on the basis of his mastery of these fields rather than in terms of semester hours or credits. That this recommendation may help the student faced with the practical problem of selecting courses, however, it is suggested that he take 30 semesters or 90 semester hours or approximately three-fourths of his college work in the following specific areas:

English—literature, composition, speech and related studies. At least 6 semesters.

History—ancient, modern European, and American. At least 3 semesters.

Philosophy—orientation in history, content and method. At least 3 semesters.

Natural sciences—preferably physics, chemistry and biology. At least 2 semesters.

Social sciences—psychology, sociology, economics, political science and education. At least 6 semesters, including at least 1 semester of psychology.

Foreign languages—one or more of the following linguistic avenues to man's thought and tools of scholarly research: Latin, Greek, Hebrew, German, French. Students who anticipate post-graduate studies are urged to undertake these disciplines early in their training as opportunity offers. At least 4 semesters.

Religion—a thorough knowledge of the content of the Bible as indispensable, together with an introduction to the major religious traditions and theological problems in the context of the principal aspects of human culture outlined above. The pre-seminary student may well seek counsel of the seminary of his choice in order most profitably to use the resources of his college. At least 3 semesters.

Of the various possible areas of concentration, where areas of concentration are required, English, philosophy and history are regarded as the most desirable.

III. The Nature of This Recommendation

The Association wishes to point out two characteristics of the list of pre-seminary studies it is recommending:

First, this is a statement in minimum terms. We make no attempt to list all the work which it would be profitable for a student to do. It is thus possible to include many other elements in one's college courses, while still working in what the Association regards as the first essentials.

Second, the emphasis is on a "liberal arts" program because, in the judgment of the Association, the essential foundations for a minister's later professional studies lie in a broad and comprehensive college education.

ENTRANCE REQUIREMENTS

For those seeking the B.D. degree the standard academic prerequisite is an A.B. degree or its equivalent from a recognized four-year college or university. Seventy-five hours of the content of the work leading to the degree must be in liberal arts subjects, distributed approximately as suggested on the preceding pages. Those seeking enrollment in degree work who have not completed these requirements may be conditionally enrolled for the B.D. degree provided they have earned at least 100 semester hours of college work. Such conditional enrollment may be pursued only in the extent of 32 semester hours, however, before the completion of the prerequisite college requirements.

A transcript of all academic work must be filed with the Registrar's office as a part of one's application for entrance to the Seminary.

CERTIFICATE ENTRANCE

The Seminary receives the applications of persons who have found it impossible to obtain sufficient academic preparation to satisfy the prerequisite requirements for degree study. Although a degree may not be earned for Seminary study under these conditions, a certificate will be awarded upon the satisfactory completion of the prescribed program of work, as shown on page 65.

DATE OF APPLICATION

Applications for admission should be in the Registrar's office at least 30 days prior to matriculation day of the semester in which the student expects to begin his work. *No application will be received for any reason after 15 days before the term begins.*

The matriculation days are September 9-10, 1957, and January

20-21, 1958. Students will not be admitted to classes for credit after the second week of the semester.

COLLEGE STUDENTS' PRE-ENROLLMENT

Under the provisions of Selective Service regulations, pre-theological students pursuing a course of study at the college level may secure pre-enrollment in the seminary and certification to their local Selective Service Board.

Upon request, forms for this purpose will be supplied by the Registrar's office to those who are eligible.

VETERANS' TRAINING

Southeastern Seminary is a fully approved institution for the training of veterans. Veterans who plan to enter the Seminary should communicate with the regional office of the Veterans Administration in their area sufficiently in advance of their proposed entrance to be provided with a certificate of eligibility which they will present at the time of matriculation.

Disabled veterans who are eligible for enrollment under Public Law 16, or Part VII of the training program, must authorize the Veterans Administration to release to the Seminary information concerning the nature and extent of their disability. This authorization must be made when application is made for admission. Applications will not be approved by the Committee on Admissions until the information is in its hands.

ADVANCED STANDING FOR COLLEGE STUDENTS

Students who have achieved proficiency in basic courses in Greek, Hebrew, Old and New Testament survey, church history, and related subjects in college are granted permission to take entrance examinations in order to qualify for advanced standing. Those who pass these examinations will not receive credit for work done in college toward the B.D. degree, but will be required to take advanced electives in lieu of the basic Seminary courses, which will be waived.

Students desiring to take examinations in any subject must make application to the registrar at least 10 days prior to the examination dates indicated in the Seminary calendar.

SYSTEM OF GRADING

- C—The C grade is the instructor's certification that the student has demonstrated the required mastery of the material.
- B—The grade of B signifies that the student has, for any combination of

reasons, gained a significantly more effective command of the material than is generally required in that course.

- A—The A grade may be interpreted to mean that the instructor recognizes exceptional capacities and exceptional performance.
- D—A student is graded D when his grasp of the course is minimal, but when the instructor believes the student would not profit materially by repeating the course.
- F—The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be allowed.
- I—Incomplete. Given in cases in which providential circumstances prevent a student's completing the requirements of a course. This notation must be removed by the end of the sixth week of the next semester of his enrollment. Otherwise the I becomes F.
- E—Conditioned. The professor may give this grade in continuing courses to a student who has not met the minimum requirement but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned the second semester; otherwise the grade becomes F.
- W—Withdrawal. Allowed only after consultation with the professor involved, recorded as WP or WF according to the student's standing at the time of withdrawal. This grade is given only for courses dropped between the third and the eighth week of school. After the eighth week the grade will be F.

Quality-point system to encourage academic achievement:

A 3; B 2; C 1; D 0; F minus 1. A student must maintain a 1.0 average in a minimum of eight semester hours to remain in the Seminary. In order to qualify for the B.D. degree a student must earn a minimum of 94 quality points. Not more than 12 additional semester hours may be taken to make up a deficiency in quality points. Students who fail to earn the required quality points for the B.D. degree will be graduated with a Certificate in Theology.

CLASS ABSENCES

Absences for any reason from as many as one-fourth of the scheduled meetings of the class in any course will preclude the student from taking the examination in that course for that semester. The student will be required to repeat the semester's work before he may take the examination and receive the credit for the semester's work.

FEES AND EXPENSES

CONVENTION SUPPORT

The Seminary is supported by the Southern Baptist Convention through the Co-operative Program. The Convention is responsible for the purchase price of the Wake Forest College plant and provides an operating budget for the Seminary.

These funds are not sufficient to meet all the needs of the Seminary, especially funds for student aid, so that special gifts from interested individuals and groups will always be necessary.

CAFETERIA

STUDENT FINANCIAL ASSISTANCE

STUDENT AID

No financial grants are being offered to students, but a few students may find part-time work with the Seminary. The Seminary will stand ready to help students in real financial emergencies. The Seminary solicits gifts from individuals to help those students who otherwise might be forced to withdraw from school. Some scholarships are now available on the basis of need.

POSSIBILITIES OF SELF-HELP

Wake Forest offers few opportunities for employment of students and/or student wives. Two cities are adjacent: Raleigh, sixteen miles south, and Durham, twenty-two miles west. In these are considerable opportunities for part-time student employment; and students' wives who can do secretarial, stenographic and general office work, or have department store experience, will find little difficulty in finding situations. Men who are skilled mechanics can often fill calls which are made in these communities. Several textile plants are near-by, which usually desire employees who will work a complete eight-hour shift.

STUDENT FINANCIAL ASSISTANCE

There are three ways by which we help our students help themselves:

Church Work—The Seminary encourages students to work in the churches as student pastors, assistant pastors, supply pastors, interim pastors, mission pastors, revival preachers, youth revival preachers, song-leaders for congregations, directors of music, directors of religious education, directors of recreation, organists, pianists, workers in church organizations.

On the Campus—The Seminary furnishes each year a few work scholarships for both students and student wives. This work includes campus maintenance, office work, and special assignments such as news bureau, photography, etc.

Raleigh-Durham and Other Communities—Wake Forest is within 20 minutes' driving distance of Raleigh, the capital city, and within 30 minutes of Durham, a great industrial city. Many students and their wives find employment in these centers.

STUDENT AID FUND

The Student Aid Fund at Southeastern Seminary is made possible through the generosity of individual donors and embraces three distinct divisions: Student Work Scholarships, Student Loan Fund, and Grants-in-Aid. The following loan funds have been set up: S. A. Allen Loan Fund, Althoff Loan Fund, W. R. Cullom Loan Fund, Crudup Duncan Loan Fund, J. R. Eubanks Loan Fund, Goode Loan Fund, Goodwin Loan Fund, J. P. Harris Loan Fund, McAninch Loan Fund, J. E. Spainhour Loan Fund, and H. A. Godby Memorial Loan Fund.

The following student aid funds have been set up: Alumni Fund, Bethea Aid Fund, J. F. Tompkins Missionary Aid Fund, Mitchiner Aid Fund, Norket Aid Fund, J. R. Robinson Memorial Aid Fund.

LOAN SCHOLARSHIPS

The W.M.U. of Tennessee has loan scholarships of \$300 a year available to young women from Tennessee who wish to enroll in the Training Schools of the Seminaries of the Southern Baptist Convention and in Carver School of Missions and Social Work.

LIBRARY

The Seminary Library, temporarily housed in limited quarters, consists of about twenty-five thousand cataloged volumes, two thousand five hundred unbound volumes of periodicals and many pamphlets. The Union system of classification is used. Two hundred thirty-two periodicals and ten daily newspapers are received.

A Recordak microfilm reader and an active collection of microfilms have been acquired. Audio-visual material and equipment are being increased. A 24-inch globe is in the general reference room.

Much effort has been made to lay the foundation for an adequate library. Both present needs and future demands have been kept in mind in the selection and purchase of books. Emphasis has been given to quality in the acquisitions. Out-of-print volumes, relevant to the needs of the Seminary, are constantly sought, while current and modern works essential to good scholarship are constantly added to the shelves.

Funds for the development of the library are provided by the Southern Baptist Convention, but from time to time the Seminary receives gifts of books from friends. Among the valuable collections that have been received are the Cornelius E. Schaible Collection; the W. Hersey Davis Collection; the John W. Inzer Collection; the Herbert W. Virgin Collection; the Joseph R. Robinson Collection; the Arthur R. Gallimore Collection; the J. Allen Easley Collection; the H. D. Gober Collection; the J. Clyde Turner Collection; the Charles E. Maddry

Collection; the F. W. Clonts Collection; the H. D. Parcell Collection; and the Nannie S. Britton Collection. The appeal for source material on the history of Baptists has evoked a generous response.

It is anticipated that a wise expenditure of funds will enable the Seminary to possess a library of books, reference works, journals, documents, and films essential to the instructional and research program of a growing theological school.

A new wing is being added to the old Heck-Williams Library building. It will be a three-story concrete and steel structure, with air conditioning. Adequate space will be provided for reading and reference rooms, for book processing and for book storage.

THE CURRICULUM

EDUCATIONAL OBJECTIVES

Provisions have been made in the curriculum for guidance in the following areas of preparation:

Theory: Each student should have an opportunity to study subjects which are vitally related to the Christian ministry, such as the Bible, the history of the Christian Church, Christian doctrine, and human personality.

Orientation: Each student should receive thorough orientation through a study of the nature, problems, and institutions of society.

Practice: Each student should have an opportunity to develop skill in the practical techniques of the Christian ministry, such as preaching, teaching, counseling, administration and leadership.

The tasks of the Christian ministry for which we anticipate giving guidance through the curriculum are the pastoral, educational, and missionary ministries. Within the framework of these three major fields is the opportunity for specialized training of teachers in Christian colleges, directors of music, chaplains in the armed services or in industries or hospitals, and denominational leaders (such as B.S.U. secretaries).

Persons interested in a teaching ministry should keep in mind that specialization in any one of a number of fields is possible, such as archaeology, Old Testament, New Testament, missions, sociology, ethics, church history, philosophy of religion, pastoral care, theology, preaching, or religious education. Pastors and others, however, may well make a broad selection of electives from many or all of these fields.

STUDENT LOAD

In seeking to maintain a church-centered program of training, we recognize that students with extracurricular responsibilities should carry a reduced academic load. The faculty recommends that a student engaged in more than half-time church work or as much as thirty hours per week of other employment should not register for more than 13 semester hours. Any student who is engaged in such outside activity and fails to maintain a "C" average will not be permitted to enroll for more than thirteen hours in any succeeding semester. Every student should examine his academic program and outside work in the light of his Christian stewardship. For help in this matter he should consult with his adviser.

Students with fewer outside duties may wish to accelerate their program of study and take the three-year plan of work for the B.D. degree. In any event, the maximum load shall be 18 semester hours.

As a minimum, all students are expected to do satisfactory work in at least 8 semester hours each semester. This rule does not apply to student wives or special students.

An A.B. degree or its equivalent from a recognized college. At least 75 semester hours of the content of the work for the degree must have been in the liberal arts subjects. (See Entrance Requirements on page 23.)

ABSTRACT OF PRINCIPLES

ARTICLE VIII OF THE BY-LAWS OF THE SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY, INC., ADOPTED DECEMBER 7, 1950, PROVIDES THAT "All members of the faculty shall be required to subscribe to the Articles of Faith, or Beliefs, as adopted by the Board, and publicly sign these articles at the opening of the session at which they enter upon their duties. . . ." These articles were adopted also by the Southern Baptist Theological Seminary, founded in 1859.

I. THE SCRIPTURES.

The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

II. GOD

There is but one God, the Maker, Preserver and Ruler of all things, having in and of himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. THE TRINITY.

God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

IV. PROVIDENCE.

God from eternity decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be the author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. ELECTION.

Election is God's eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified and glorified.

VI. THE FALL OF MAN.

God originally created man in His own image, and free from sin; but through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. THE MEDIATOR.

Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law, suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

VIII. REGENERATION.

Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins, enlightening their minds spiritually and savingly to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God's free and special grace alone.

IX. REPENTANCE.

Repentance is an evangelical grace, wherein a person being, by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. FAITH.

Saving faith is the belief, on God's authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. JUSTIFICATION.

Justification is God's gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

XII. SANCTIFICATION.

Those who have been regenerated are also sanctified, by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

XIII. PERSEVERANCE OF THE SAINTS.

Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall, through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. THE CHURCH.

The Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. BAPTISM.

Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of his giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

XVI. THE LORD'S SUPPER.

The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

XVII. THE LORD'S DAY.

The Lord's day is a Christian institution for regular observance, and should be employed in exercises of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. LIBERTY OF CONSCIENCE.

God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection in all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. THE RESURRECTION.

The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust will be raised.

XX. THE JUDGMENT.

God hath appointed a day, wherein He will judge the world by Jesus Christ, when everyone shall receive according to his deeds: the wicked shall go into everlasting punishment; the righteous, into everlasting life.
