We were constituted a Church at a two days meeting held at Osborn Hollow now called Sanitarium Springs by the Otigo Church on Oct. 15th & 16th 1886 as the Primitive or Old School Baptist Church at Brookdale Susquehanna Penn. We as a branch of the Otigo Church enjoyed the rich blessing of the preached word by Eld. B. Bundy our much esteemed pastor as often as he could come to us & occasionally by others Elds. Vail, Bogardus, Durand, Campbell, St. John, Eubanks, Reed & possibly others. After we were organized as a Church we called Eld. Bogardus as pastor appointed Wm. M. Bailey & D. D. Turrell deacons & W. J. Luce Clerk — W. J. Luce being incapacitated by reason of a stroke of Paralysis Wm. M. Hart was appointed Church Clerk.

June 3^d. 1902

Eld. Bogardus appointments came each 5th Sunday serving us in this way for some years finally by reason of poor health he failed to fill a number of appointments we on or near the middle of Nov^r ¹⁹⁰⁰ called for his resignation which he recided to us on Apr. 5th 1900

Since that time Eld. Vail has come to us as often as his circumstances would permit

During all our time we have had a conference meeting our Sunday each month (mostly the 3^d Sunday) & but very few have been missed & there on a funeral in the place or some good cause

The Church has seemed to prize these meetings as being enjoyable & profitable

There has been but little to mar our peace as a Church in all these years — with one exception Sister Libbie Turrell withdrew her fellowship from the

Church & stood in that position untill the
Church excluded her - then after a time she
came back to the church and was reinstated & has
since remained a very devoted member
