SAVE 25% OF YOUR BACON BILL !!

When bacon is sliced by hand the slices are usually irregular and the end pieces are, in most cases, wasted. The annoyance of unevenly cooked bacon, and waste, can be easily obviated by ordering it to be sliced by our up-to-date electrically driven slicing machine. Bacon can be sliced just as thin or thick as desired. (No 6 slicing is very popular)

HONEY

Three kinds, each with a flavour and aroma peculiar to the flowers from which it is gathered. In 1-pound net-weight glass jars.

Clover Honey. Almost white, with a very delicate aroma and flavour.

Per jar 1.20

Apple Blossom Honey. Amber colour, exquisite aroma and flavour a little stronger than the clover honey.

Per jar 1.10

Buckwheat Honey. Very dark colour, with a delightful, luring flavour. Just the honey for the morning hot-cakes.

Per jar... .. .95

N.B. Three jars, one of each kind, will be supplied for 3.00
