1. The first part of the paper is devoted to a
discussion of the general principles of
the theory of the subject. It is shown
that the theory is based on the
assumption that the system is
in a state of equilibrium. The
main result of the theory is that
the system is stable if the
eigenvalues of the matrix are
all negative. This result is
proved by using the method of
Lyapunov. The method consists
in finding a function which is
positive definite and whose
derivative is negative definite.

Mean Value

The second part of the paper is devoted to
a discussion of the application of the
theory to the case of a system of
linear differential equations. It is
shown that the theory can be
applied to the case of a system
of linear differential equations
with constant coefficients. The
main result of the theory is that
the system is stable if the
eigenvalues of the matrix are
all negative. This result is
proved by using the method of
Lyapunov. The method consists
in finding a function which is
positive definite and whose
derivative is negative definite.

Dear Brethren,

Hello, I am Elder Wade Littleton, pastor of Friendship Primitive Baptist Church in Denver, Colorado. Please read this letter in a setting where all the folks at your church have an opportunity to respond.

The Nature Of This Letter

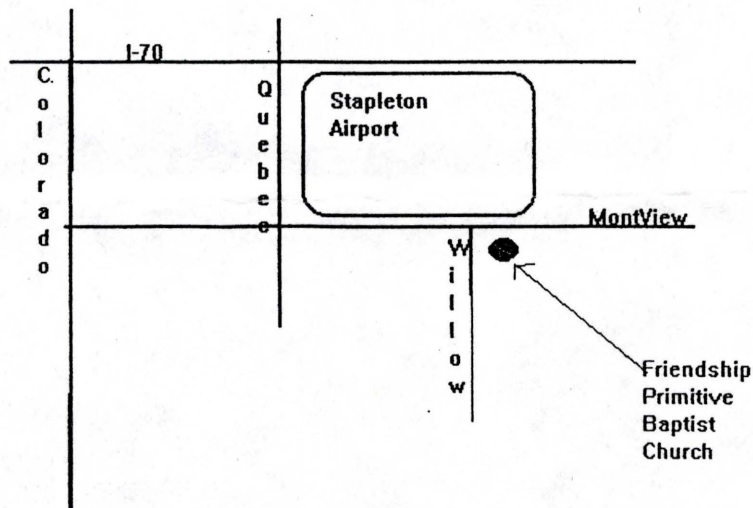

The nature of this letter is two fold. First, I would appreciate an opportunity to meet you. Many people pass through Denver or come to stay for short periods of time. Whether it is for work, school, military, vacation, or just passing through, I want to personally welcome you to worship with us. We meet each Sunday at 10:30 AM. The address is 1990 Willow Street Denver, CO. Our building is near the old Stapleton Airport. Please find a map below. Second, I am concerned for those that are living in this area. Occasionally, I hear of folks that have been here for a while. Sometimes they are unaware of a church in this area. If they are aware of the church, they may only need more details of our location or to be encouraged to come. We want to encourage them.

My Request Of You

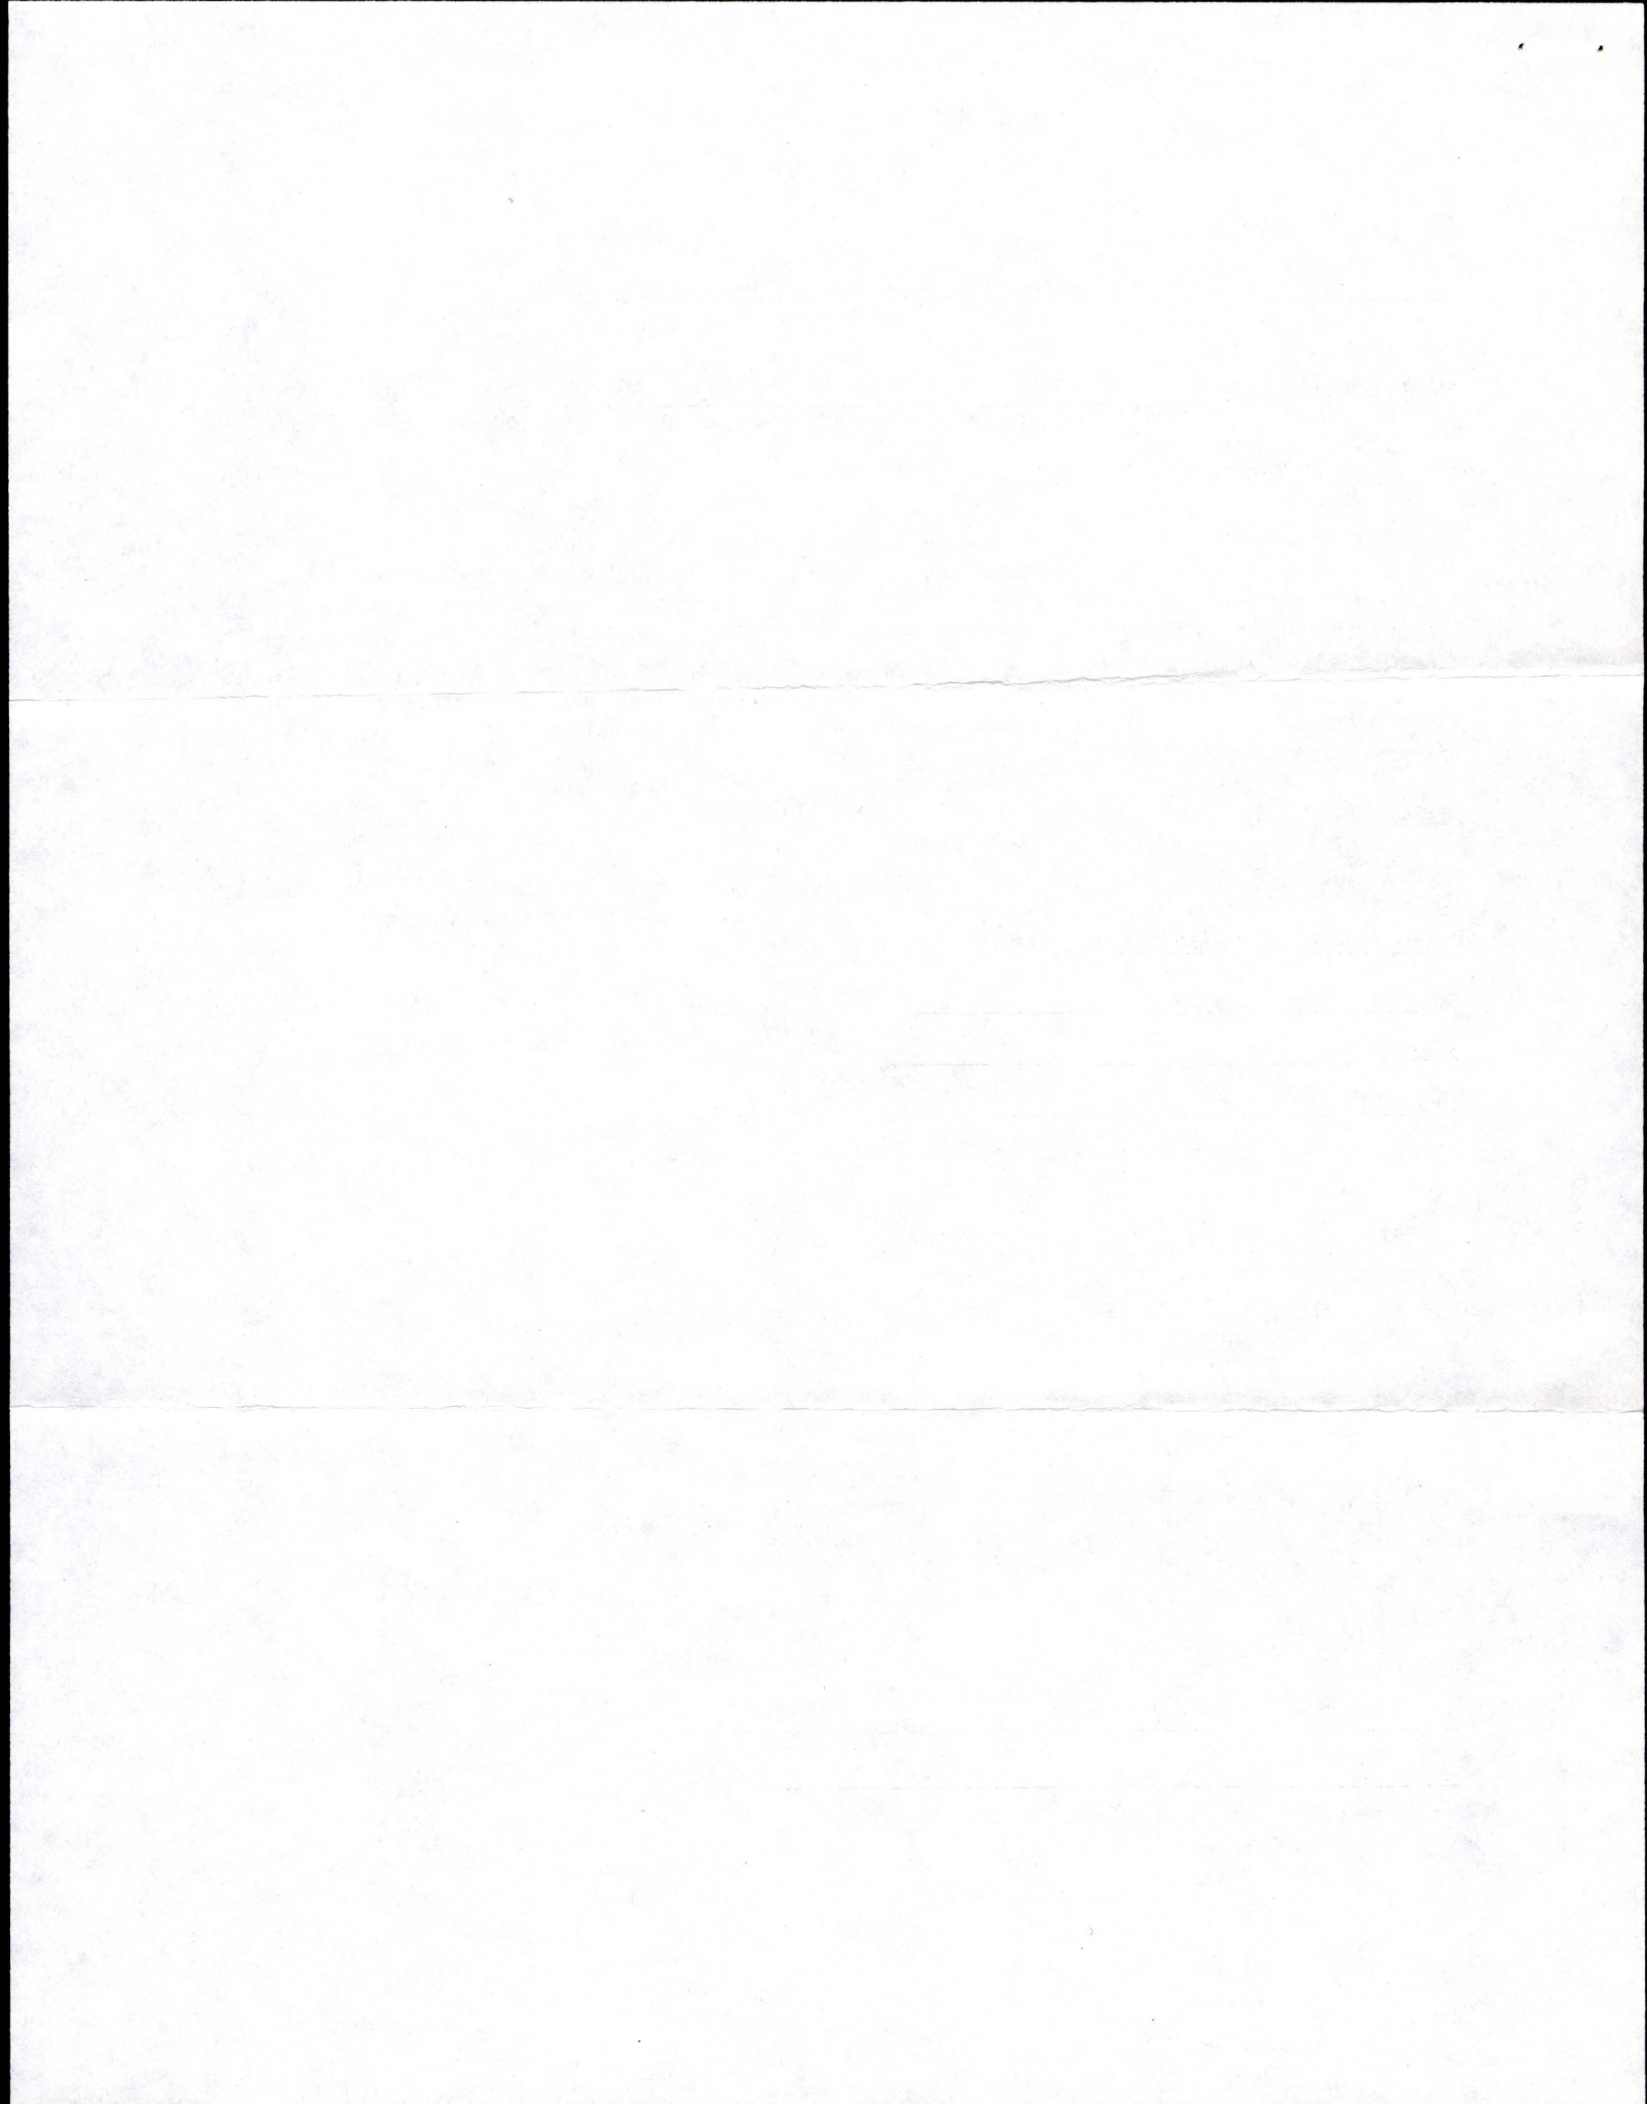

How can you help? I have attached a form for you to fill out. If you are aware of anyone in the Denver area, use the form to print the name and as much information as you can. If no one in your church knows of anyone, please indicate on the form. Either way, I would appreciate your returning the form to me.

Your servant for Jesus' sake,

Elder Wade Littleton
35500 East Colfax
Watkins, CO 80137

Friendship Primitive Baptist Church
1990 Willow Street

Please fill out and return.
Give as much information as possible. Thank you

To Whom it May Concern

We understand it to be wrong, for one of the Church of Christ to set up bars of Nonfellowships against another Church of Christ; we therefore confess that we was very wrong in doing so. Lord forgive us.

This is to certify that we the Church of Christ at Martinsville . Did on ^{Oct 26} Sept 21 1974 while in Conference set up such bars -- against you and other, for which we now confess that we did wrong. We all pray that you can find in your hearts Mercy for us, and will forgive us for this wrong against you. Brethren, we trust from the depth of our heart and soul that fellowships between us can and will be restored. Our prayer to God: Yours and Ours is. Lord help us to be humble, and to love one another and walk in peace with God.

Done by order of the Church
This the 27 day of July 1985

Mod. Eld. L J Cerns
Clerk. Jake Eivins
