CONSTITUTION AND FORM OF GOVERNMENT OF THE BLACK CREEK PRIMITIVE BAPTIST ASSOCIATION

From a long series of experiences, we, the church of Jesus Christ, being regularly baptized upon a profession of our faith in Christ, are convinced of the necessity of the constitution of churches in order to perpetuate a union and communion with each other in union. We, therefore, propose to maintain and keep the order and rules of our Association according to the following plan or form of government, viz:

Art. 1. The Association shall be composed of member chosen by the different churches in our union, duly sent to represent them in this Association, who shall be members whom they judge best qualified for the purpose and upon producing letters from the irrelative churches certifying their appointment, they shall be entitled to a seat, provided they shall not violate the rules laid down in this constitution.

Art. 2. In the letters from the different churches shall be expressed, their number in full fellowship, those baptized, received by letter, restored, dismissed by letter, excommunicated, and dead since our last association.

Art. 3. The members thus chosen and convened shall not have any ecclesiastical power of the churches, nor shall they infringe on any of the fraternal rights of any church in this union.

Art. 4. The Association when convened shall be governed and ruled by a regular and proper decorum.

Art 5. The Association shall have a Moderator and Clerk, who shall be chosen by the suffrage for the members present.

Art. 6. New churches may be admitted into this union who shall petition by letter and messages, and upon examination, if found orthodox and orderly, they shall be received by the Association and manifested by the Moderator giving the member the right hand of fellowship.

Art. 7. Every church in the union shall be entitled to representation in this Association by not to exceed three of its members.

Ar.. 8. Every query presented by any member of the Association shall be twice read and if there be a majority for its being debated, it shall be taken into consideration and debated; but if there be a majority against it, it shall be withdrawn.

Art. 9. Every motion made and seconded shall come under the consideration of the Association, except it be withdrawn by the member who made it.

Art. 10. The Association shall endeavor to furnish the churches with the Minutes of this Association. The best method of effecting the purpose shall be at the discretion of the Association.

Art. 11. We think it absolutely necessary that we should have an association fund, for defraying the expenses of the same for the raising and supporting of which we think it the duty of every church in this union to contribute voluntarily such sums as they think proper and send by the hands of their messengers to this association and the money thus contributed by the churches and received by this association, who shall be accountable to the Association.

Art. 12. The Minutes of this Association when printed, shall be read and corrected, if need be, and signed by the Moderator and Clerk before the Association rises.

Art. 13. Amendments of this plan or form of government may be made at any time by a majority of the union, when they may deem it necessary.

Art. 14. The Association shall have power: 1, to provide for the general rule of churches; 2, to preserve inviolably, a chain of communion among the churches; 3, to give the churches all necessary advice in matters of difficulty; 4, to inquire into the cause why the churches fail to represent themselves at any time in this association; 5, to appropriate the monies by the churches contributed for any association fund to any purpose strictly connected with this Association; 6, to appoint any members by and with his or their consent to contract any business which they may see necessary; 7, the Association shall have power to withdraw from any church in the union which violates the rules of this Association or deviates from the orthodox principles of religion; 8, to admit any of the distant brethren in the ministry who may be present at the time of its sitting whom it shall judge necessary; 9, the Association shall have the power to adjourn itself to any future time or place it may think most convenient to the churches in this Union.

Art. 15. We shall not hold in our churches any person who is in the practice of visiting Masonic lodges or the lodges of

any and all secret societies or who on any occasion conforms to their customs or parades nor will we countenance any such individual who may reside or come among us in the character of a preacher. We will not countenance any preacher who shall travel within the bounds of our Association establishing societies for the collecting of money, or who himself be collecting money to support any institution whatever. We will not fellowship any member or members of Missionary, Bible Tract or Sunday School union societies, nor advocate the theological schools, nor any person who does fellowship with them, nor will we hold any such in our churches.
