## GENERAL INFORMATION

### HISTORY

Southeastern Baptist Theological Seminary had its origin in the feeling of many Southern Baptist people that there was great need for a Seminary in the southeastern section of the Convention. The Seminary, therefore, is a direct result of a thorough study of theological education, first authorized by the Southern Baptist Convention in May, 1947, at St. Louis, Missouri, and concluded in a report to the Convention in May, 1950, at Chicago, Illinois.

The Convention at that time approved the establishment of a seminary at Wake Forest, North Carolina, to be called "The Southeastern Baptist Theological Seminary, Inc.," agreed to purchase Wake Forest College campus as a site, and elected trustees to plan for the opening of the Seminary.

The trustees secured a charter and accepted as the Articles of Faith for the Seminary the doctrinal statement approved by the Southern Baptist Convention in 1858 for the Southern Baptist Theological Seminary. They set up a budget, elected Dr. Sydnor L. Stealey as president, and other members of the faculty, and authorized the opening of the Seminary in September, 1951.

Upon Dr. Stealey's retirement in 1963, Dr. Olin T. Binkley was elected the Seminary's second president. The Seminary now has completed its fourteenth year of operation and has graduated twelve classes.

It has awarded 1813 degrees and certificates to men and women who now are serving as pastors, professors, missionaries, chaplains, and other religious leaders throughout the country and in many parts of the world.

### PURPOSE

The primary purpose of Southeastern Seminary is to prepare men and women for Christian leadership in various ministries. These include preaching and pastoral care, missionary work at home and abroad, the ministry of religious education, the teaching of religion and other subjects in secondary schools and colleges, religious leadership on college campuses, the chaplaincy, social service, and such other forms of religious work as require specialized techniques.

Vital to all these areas of service is a full understanding of the origins, content, and history of the Christian faith and its special relevance to the needs of the modern world. Courses of study directed toward such an understanding constitute the curriculum and are regarded as the basic training for all prospective Christian workers.

*"The fundamental purpose of the Southeastern Baptist Theological Seminary is to seek a deeper knowledge of God as revealed in Jesus Christ and to guide the intellectual and spiritual growth of students for the diversified ministries of the churches and the agencies of the denomination. We are here to confront students with the truth about God and its implications for man and society."*

*President Olin T. Binkley,  
Inaugural Address, October 17, 1963*

While the Seminary is conscious of its responsibility to the Southern Baptist Convention, its facilities are open on an equal basis to students of all denominations, and it is the aim of the Seminary to help produce a leadership for the whole Christian movement.

To accomplish these ends, the Seminary proposes to maintain a God-called faculty who are especially qualified by training and experience to offer leadership in maintaining high standards of achievement in the intellectual and spiritual spheres. Appropriate provision is being made for adequate physical facilities and for an excellent library.

In the pursuit of these objectives, the faculty are conscious of certain great emphases which undergird the Seminary program of education: (1) a sound knowledge of the Bible; (2) a wholesome and intelligent evangelism; (3) a challenging vision of the world-wide mission of Christianity; (4) a prevailing spiritual dynamic in the lives of students and faculty; (5) a sense of the significance of the local church—urban and rural; and (6) a consecrated scholarship for providing genuine Christian leadership.

#### PLANT

The Seminary plant consists of four hundred forty-nine acres of land and buildings purchased by the Southern Baptist Convention from the trustees of Wake Forest College.

The campus proper consists of a twenty-five acre plot within a rock wall in the center of the town. It was built originally around a clump of oak trees which existed at the time Wake Forest College was founded in 1834. Successors to these oaks, together with magnolias and other trees and shrubs, help to make it a beautiful campus. The recent planting of boxwoods and a rose garden makes pleasing additions to the landscape.

*The Chapel.* Commanding the center of the campus is the chapel building. Its tall spire is visible for several miles along every approach to the Seminary.

*Stealey Hall.* In this building are located the administrative and faculty offices.

*Appleby Building.* This building provides classroom facilities, and contains a small chapel.

*The Library.* The library is housed in an air-conditioned three-story building constructed of concrete and steel with brick exterior.

The unit contains reading rooms and administrative, secretarial, receiving and cataloging offices. Special areas for graduate study, seminars, recording, and film storage are also provided. Thirty-two carrels have been provided for graduate study. New equipment and furniture have been provided for more effective library service and more satisfactory study.

*The Student Center Building.* The student center building includes assembly rooms, lounge, soda shop, student offices, and the Baptist Bookstore.

*The William Amos Johnson Building.* This is the main classroom building.

*Gore Gymnasium.* The Seminary conducts no athletic program, but students are free to use this building for indoor sports such as basketball, volleyball, handball, badminton, etc.

*Athletic Field.* The athletic field is utilized for intramural sports such as softball, baseball, and touch football.

*Health Center.* This building contains offices for diagnostic consultation and rooms for treatment. The Seminary physician maintains a daily schedule of service at the Health Center.

*Church Building.* Wake Forest Baptist Church is located within the campus enclosure, although this property is owned by the church. The church makes an important contribution to the life of the Seminary.

*Heating Plant.* This unit furnishes heat to all the Seminary buildings. It contains a modern shop for the use of the buildings and grounds department.

*The President's Home.* This home is located off the southwest corner of the Seminary campus.

*Manor Guest House.* This facility is located on property contiguous to the main campus and provides pleasant accommodations for visitors and guests of the seminary.

#### RESIDENCE HALLS

For information concerning Southeastern housing facilities see pages 24-26.

### LOCATION

Wake Forest, North Carolina, the location of the Seminary, is only sixteen miles north of Raleigh, the capital of the state, and twenty-two miles east of Durham, a city of more than 78,000 population. It is on the Seaboard Air Line Railroad and at the intersection of U. S. Highway Number 1 and North Carolina Highway Number 98. It is twenty-five miles from the Raleigh-Durham airport. It is therefore easily accessible by air, rail or highway from any part of the southern and eastern sections of the United States.

Wake Forest is a town of over 2,600 inhabitants in the center of a large area which offers the Seminary a great opportunity for training pastors and leaders for both rural and urban communities.

The near-by cities offer opportunities for employment to students or their wives. Many students may prefer to live in one of them and commute to the Seminary.

### CULTURAL ADVANTAGES

This location is within thirty miles of seven colleges and universities. This particular area is frequently described as "the educational center of the South."

### SEMINARY LIFE

One of the essentials of a normal Seminary life is an opportunity for faculty and students to worship together. To this end chapel services are held each day Tuesday through Friday. The entire program of the Seminary is designed to encourage the personal spiritual experience of the student preparing for vocational service.

The Seminary puts special emphasis upon missions. There will be held during the year five days of Missionary Emphasis, with addresses by various speakers on different phases of the missionary enterprise. In this way students will have opportunities to hear secretaries of the boards of the Southern Baptist Convention and of the various state conventions, missionaries, and other outstanding world leaders.

Special lecturers and visitors will be brought to Wake Forest by the Seminary as often as possible, and the students will have opportunities for conferences and forum discussions with these leaders.

The students have organized a Student Co-ordinating Council in cooperation with the faculty. Officers are elected by the students. Student parties are given at various times. The wives of students also have an active organization.

Every student is assigned a faculty adviser and is encouraged to counsel with him on personal problems and academic matters.

## FIELD WORK

The Seminary undertakes to achieve for the student a balance of academic study and practical usefulness in the churches. The student is reminded that scholastic work comes first; if he assumes extra-Seminary duties, he has a moral obligation to do both his academic work and his extracurricular work satisfactorily.

In seeking to maintain a church-centered program of training, the Seminary recognizes that students with extracurricular responsibilities should carry a reduced academic load. The faculty recommends that a student engaged in more than half-time church work or as much as thirty hours per week of other employment should not register for more than thirteen semester hours. Any student who fails to maintain a "C" average will not be permitted to enroll for more than thirteen hours in the succeeding semester. Every student should examine his academic program and outside work in the light of his Christian stewardship. For help in this matter he should consult with his adviser.

Each student is required to register for Field Work not later than the first week he enters the Seminary. Once each semester he will file a report on field activities.

The Seminary will explore possibilities for student work in the churches and elsewhere, and will introduce students to prospective employers, but the Seminary cannot guarantee employment for any student.

## CHILD CARE CENTER

Established in 1956, the Child Care Center serves four purposes on the seminary campus: (1) it offers good living experiences in day care for young children of students whose wives are either working or attending classes, or for other students' children who need group experience; (2) it serves as a laboratory for students who desire to explore ways of working with children; (3) it provides a setting in which parents may observe, participate, and discover new ways in which to enrich their family living; (4) it is a resource possibility for observation and counseling to churches (and other child interest groups) in this area.

Since enrollment in the Center must be limited, student-parents who are interested in having their children in the Center should write for further information and application forms prior to the parents' registration in the Seminary. Address: Director, Child Care Center, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina.

## OPPORTUNITIES IN MUSIC

The Men's Chorus meets at 4:00 p.m. Tuesday and Thursday. All men who would like to sing are urged to join this group. The Mixed Chorus is composed of both men and women and meets Tuesday, 7:00-9:00 p.m. Many couples make this Choir a family affair. ## STUDENT FINANCIAL ASSISTANCE

This school believes that theological students should, so far as possible, be self-supporting. It is recognized that many men and women, who give promise of outstanding usefulness in Christian service, require assistance to complete their Seminary course. *Each student, however, should have sufficient funds or income to see him through at least the first semester before he seeks aid from the Seminary.* The Seminary will stand ready to help students in real financial emergencies. The Seminary has a limited fund, provided by gifts from individuals, to help those students who otherwise might be forced to withdraw from school.

### POSSIBILITIES OF SELF-HELP

Wake Forest is offering new opportunities for employment of students and/or students wives with the coming of two large industrial plants to the town. Two cities are adjacent: Raleigh, sixteen miles south, and Durham, twenty-two miles west. In these are considerable opportunities for part-time student employment; and students' wives who can do secretarial, stenographic and general office work, or have department store experience, will find little difficulty in finding situations.

There are three ways by which we help our students to help themselves:

*Church Work*—The Seminary encourages students to work in the churches as student pastors, assistant pastors, supply pastors, interim pastors, mission pastors, revival preachers, youth revival preachers, song leaders for congregations, directors of music, directors of religious education, directors of recreation, organists, pianists, workers in church organizations. All students are urged to seek the counsel of the Field Work Office concerning such employment.

*On the Campus*—The Seminary furnishes each year a few work scholarships for both students and student wives. This work includes campus maintenance, office work, and special assignment such as news bureau, photography, etc.

*Raleigh-Durham and Other Communities*—Students may secure remunerative work in nearby cities and towns. Wake Forest is within 25 minutes' driving distance of Raleigh, the capital city, and within 30 minutes of Durham, a great industrial city. Many students and their wives find employment in these centers. Many wives secure teaching positions in nearby schools. *In no instance can definite employment in the churches or in the adjacent communities be guaranteed by the Seminary.*

## STUDENT AID FUNDS

Student Aid at Southeastern Seminary is made possible through the generosity of individual donors and embraces three distinct divisions: Student Work Scholarship, Student Loan Fund, and Grants-in-Aid. The following loan funds have been set up: S. A. Allen Loan Fund, Althoff Loan Fund, W. R. Cullom Loan Fund, Crudup Duncan Loan Fund, J. R. Eubanks Loan Fund, Goode Loan Fund, Goodwin Loan Fund, J. P. Harris Loan Fund, Tate Loan Fund, Spainhour Loan Fund, H. A. Godby Memorial Loan Fund, Martha J. Guthrie Loan Fund, Virginia G. Kirk Loan Fund, J. Small & P. E. Melvin Student Loan Fund, Senior Class of 1965 Loan Fund, J. B. Currin, Sr., Loan Fund.

The following student aid funds have been set up: Bethea Aid Fund, J. F. Tompkins Missionary Aid Fund, Oriental Student Aid Fund, S. L. Mitchell Student Aid Fund, George T. Noel, III, Memorial Scholarship Aid Fund, Bob McAninch Scholarship Aid Fund, Appleby Trust Fund, R. T. Daniel Old Testament Aid Fund, Norket Student Aid Fund, J. R. Appleby Fund and the Bethea Aid Fund are available as scholarships to students with excellent scholastic records and genuine need.

## SCHOLARSHIPS AND LOANS

In addition to the Student Loan and Aid Funds, there are scholarships and loans made available by various individuals, foundations, and state denominational groups to a limited number of qualified men and women who attend Southeastern. The Seminary will help qualified students to obtain these scholarships.

Information concerning any of these scholarships or loans may be obtained by writing to the Director of Student Activities at Southeastern Baptist Theological Seminary, Wake Forest, North Carolina.

## FELLOWSHIPS AND ASSISTANTSHIPS

Each year modest stipends are available to several students who are qualified for advanced study and who have been chosen by the faculty to assist in definite areas of the academic program of the Seminary.

## ACADEMIC INFORMATION

### PRE-SEMINARY STUDIES

The Seminary Faculty advises that students in college shall take courses that will especially prepare them for receiving the highest values from their Seminary courses. To this end, the Seminary concurs in the statement of the American Association of Theological Schools on pre-seminary studies as follows:

#### I. The Function of Pre-Seminary Studies

College courses prior to theological seminary should provide the cultural and intellectual foundations essential to an effective theological education. They should issue in at least three broad kinds of attainment.

1. The college work of a pre-seminary student should result in the ability to use certain tools of the educated man:

(a) The ability to write and speak English clearly and correctly. English composition should have this as a specific purpose, but this purpose should also be cultivated in all written work.

(b) The ability to think clearly. In some persons this ability is cultivated through courses in philosophy or specifically in logic. In others it is cultivated by the use of scientific method, or by dealing with critical problems in connection with literary and historical documents.

(c) The ability to read at least one foreign language and in some circumstances more than one.

2. The college work of a pre-seminary student should result in increased understanding of the world in which he lives:

(a) The world of men and ideas. This includes knowledge of English literature, philosophy and psychology.

(b) The world of nature. This is provided by knowledge of the natural sciences, including laboratory work.

(c) The world of human affairs. This is aided by knowledge of history and the social sciences.

3. The college work of the pre-seminary student should result in a sense of achievement:

(a) The degree of his mastery of his field of study is more important than the credits and grades which he accumulates.

(b) The sense of achievement may be encouraged through

academic concentration, or through "honors" work, or through other plans for increasingly independent work with as much initiative on the student's part as he is able to use with profit.

## II. Subjects in Pre-Seminary Study

The following is regarded by the Association as a minimum list of fields with which it is desirable that a student should have acquaintance before beginning study in seminary. These fields of study are selected because of the probability that they will lead in the direction of such results as have been indicated.

It is desirable that the student's work in these fields of study should be evaluated on the basis of his mastery of these fields rather than in terms of semester hours or credits. That this recommendation may help the student faced with the practical problem of selecting courses, however, it is suggested that he take 30 semester courses or 90 semester hours or approximately three-fourths of his college work in the following specific areas:

English—literature, composition, speech and related studies. At least 6 semesters.

History—ancient, modern European, and American. At least 3 semesters.

Philosophy—orientation in history, content and method. At least 3 semesters.

Natural sciences—preferably physics, chemistry and biology. At least 2 semesters.

Social sciences—psychology, sociology, economics, political science and education. At least 6 semesters, including at least 1 semester of psychology.

Foreign languages—one or more of the following linguistic avenues to man's thought and tools of scholarly research: Latin, Greek, Hebrew, German, French. Students who anticipate post-graduate studies are urged to undertake these disciplines early in their training as opportunity offers. At least 4 semesters.

Religion—a thorough knowledge of the content of the Bible as indispensable, together with an introduction to the major religious traditions and theological problems in the context of the principal aspects of human culture outlined above. The pre-seminary student may well seek counsel of the seminary of his choice in order most profitably to use the resources of his college. At least 3 semesters.

Of the various possible areas of concentration, where areas of concentration are required, English, philosophy and history are regarded as the most desirable.

### III. The Nature of This Recommendation

The Association wishes to point out two characteristics of the list of pre-seminary studies it is recommending:

First, this is a statement in minimum terms. We make no attempt to list all the work which it would be profitable for a student to do. It is thus possible to include many other elements in one's college courses, while still working in what the Association regards as the first essentials.

Second, the emphasis is on a "liberal arts" program because, in the judgement of the Association, the essential foundations for a minister's later professional studies lie in a broad and comprehensive college education.

#### ENTRANCE REQUIREMENTS

For those seeking the B.D. degree the standard academic prerequisite is an A.B. degree or its equivalent from a recognized four-year college or university. Seventy-five semester hours of the content of the work leading to the degree must be in liberal arts subjects, distributed approximately as suggested in the above statement on Pre-Seminary Studies by the American Association of Theological Schools. Those seeking enrollment in degree work who have not completed these requirements may be conditionally enrolled for the B.D. degree provided they have earned at least 100 semester hours of college work, including 75 semester hours in liberal arts subjects. The student who is so enrolled may take no more than 32 semester hours of Seminary work before completing the college degree.

A transcript of all academic work must be filed with the Registrar's office as a part of one's application for entrance to the Seminary.

#### CERTIFICATE ENTRANCE

The Seminary receives the applications for admission to the Certificate Program of persons who cannot meet the prerequisites for degree study. Although a degree may not be earned for Seminary study under these conditions, a certificate will be awarded upon the satisfactory completion of the prescribed program of work, as shown on pages 75-76.

#### DATE OF APPLICATION

Applications for admission should be in the Registrar's office at least 30 days prior to matriculation day of the semester in which the student expects to begin his work. *No application will be received for any reason after 15 days before the term begins.*

All applications for the course leading to the Th.M. degree must

be made to the Committee on Graduate Study at least 60 days prior to matriculation and must be approved by the faculty.

#### DATE OF MATRICULATION

The matriculation days are September 6-7, 1966, and January 17-18, 1967. Students will not be admitted to classes for credit after the second week of the semester.

#### COLLEGE STUDENTS' PRE-ENROLLMENT

Under the provisions of Selective Service regulations, pre-theological students pursuing a course of study at the college level may secure pre-enrollment in the Seminary and certification to their local Selective Service Board.

Upon request, forms for this purpose will be supplied by the Registrar's office to those who are eligible.

#### ADVANCED STANDING FOR COLLEGE STUDENTS

Students who have achieved proficiency in courses of study which closely parallel courses in the Seminary core curriculum may be granted permission and are urged to take entrance examinations in order to qualify for advanced standing. Such advanced standing examinations must be requested and taken at the beginning of the student's first semester in Seminary. Those who pass these examinations will not receive credit toward the B.D. degree for work done in college but will be required to take advanced electives in lieu of the basic Seminary courses which will be waived.

Students desiring to take examinations in any subject must make application to the Registrar at least 10 days prior to the examination dates indicated in the Seminary calendar.

#### SYSTEM OF GRADING

- C—The C grade is the instructor's certification that the student has demonstrated the required mastery of the material.
- B—The grade of B signifies that the student has, for any combination of reasons, gained a significantly more effective command of the material than is generally required in that course.
- A—The A grade may be interpreted to mean that the instructor recognizes exceptional capacities and exceptional performance.
- D—A student is graded D when his grasp of the course is minimal, but when the instructor believes the student would not profit materially by repeating the course.

- F**—The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be allowed.
- I**—Incomplete. Given in cases in which providential circumstances prevent a student's completing the requirements of a course. This notation must be removed by the end of the sixth week of the next semester whether or not the student registers. Otherwise the I becomes F.
- E**—Conditioned. The professor may give this grade in continuing courses to a student who has not met the minimum requirement but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned the following semester; otherwise the grade becomes F.
- W**—Withdrawal. After the last day for schedule changing, a student may withdraw from a course only for providential reasons and after consultation with the Dean of the Faculty.

*Quality-point system to encourage academic achievement:*

A 3; B 2; C 1; D 0; F minus 1. A student enrolled for the B.D. degree is required to earn a minimum of sixteen quality points per academic year. In order to qualify for the B.D. degree, a student must earn one quality point for each semester hour taken (a C average). A minimum of 94 semester hours is required for graduation. Not more than twelve additional semester hours may be taken to make up a deficiency in quality points. Students who fail to earn the required quality points for the B.D. degree may be graduated with a Certificate in Theology.

#### CLASS ABSENCES

Absences for any reason from as many as one-fourth of the scheduled meetings of the class in any course will preclude the student from receiving credit for the course. The student who fails except for providential reasons to meet this requirement for class attendance will receive a failing grade.

#### DISCIPLINE

Students admitted to the school are expected to order their lives by Christian standards of character and conduct and to respect regulations adopted by the trustees, the administration, and the faculty. Any action contrary to the norms of Christian behavior or inimical to the best interest of the school may lead to probation or dismissal.

## LIBRARY

The Seminary Library consists of more than 67,000 cataloged books, 2,000 cataloged volumes on microfilm, 2,000 cataloged pamphlets, 10,000 volumes of periodicals, 4,000 vertical file items, and an extensive collection of convention annuals and associational minutes. The Library receives 664 periodicals and 10 daily newspapers. The Union system of classification is used.

Three microfilm readers, one microprint reader, ten thousand volumes on microfilm and forty-three thousand titles on microcards have been acquired. Audio-visual material and equipment are being increased.

Much effort has been made to lay the foundation for an adequate library. Both present and future needs have been kept in mind in the selection and purchase of books. Emphasis has been given to quality in the acquisitions. Out-of-print volumes relevant to the needs of the Seminary are constantly sought, while current works essential to good scholarship are constantly added to the shelves.

Funds for the development of the library are provided by the Southern Baptist Convention, but from time to time the Seminary receives gifts of books from friends. Among the valuable collections that have been received are the Cornelius E. Schaible Collection; the W. Hersey Davis Collection; the John W. Inzer Collection; the Herbert R. Virgin Collection; the Joseph R. Robinson Collection; the Arthur R. Gallimore Collection; the J. Allen Easley Collection; the H. D. Gober Collection; the J. Clyde Turner Collection; the Charles E. Maddry Collection; the F. W. Clonts Collection; the H. D. Parcell Collection; the Beecher Lee Rhodes Collection; the Thomas B. Carrick Collection; the L. L. Carpenter Collection; and the Jesse B. Weatherspoon Collection. Numerous volumes and pamphlets have been received from the Wake Forest College Library. The appeal for source material on the history of Baptists has evoked a generous response.

The library is housed in an air-conditioned three-story building constructed of concrete and steel with brick exterior. Adequate space is provided for reading and reference rooms, for book processing and storage and for audiovisual materials. Thirty-two carrels have been provided for graduate study. New equipment and furniture have been provided for more effective library service and more satisfactory study.

## THE CURRICULUM

### EDUCATIONAL OBJECTIVES

The tasks of the Christian ministry for which the school gives guidance through the curriculum are the pastoral, educational, and missionary ministries. Within the framework of these three major fields is the opportunity for specialized training of teachers in Christian colleges, directors of music, chaplains in the armed services or in industries or hospitals, and denominational leaders (such as B.S.U. secretaries).

Persons interested in a teaching ministry should keep in mind that specialization in any one of a number of fields is possible, such as archaeology, Old Testament, New Testament, missions, sociology, ethics, church history, philosophy of religion, pastoral care, theology, preaching, or religious education. Pastors and others, however, may well make a broad selection of electives from many or all of these fields.

### STUDENT LOAD

In seeking to maintain a church-centered program of training, we recognize that students with extra-curricular responsibilities should carry a reduced academic load. The faculty recommends that a student engaged in more than half-time church work or as much as thirty hours per week of other employment should not register for more than thirteen semester hours. Any student who fails to maintain a "C" average will not be permitted to enroll for more than thirteen hours in the succeeding semester. Every student should examine his academic program and outside work in the light of his Christian stewardship. For help in this matter he should consult with his adviser.

Students with fewer outside duties may wish to accelerate their program of study and take the three-year plan of work for the B.D. degree. In any event, the maximum load shall be 18 semester hours.

As a minimum, all students are expected to do satisfactory work in at least 16 semester hours each session. This rule does not apply to special students or candidates for the Th.M. degree.

### BACHELOR OF DIVINITY DEGREE

#### Prerequisite:

An A.B. degree or its equivalent from a recognized college is prerequisite to the course of study leading to the B.D. degree. At least 75 semester hours of the content of the work for the degree must have

been in the liberal arts subjects. (See entrance Requirements on page 31.)

## Requirements:

### I. THE SCRIPTURES.

The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

### II. GOD.

There is but one God, the Maker, Preserver and Ruler of all things, having in and of himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

### III. THE TRINITY.

God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

### IV. PROVIDENCE.

God from eternity decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be the author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

### V. ELECTION.

Election is God's eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified and glorified.

### VI. THE FALL OF MAN.

God originally created man in His own image, and free from sin; but through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

### VII. THE MEDIATOR.

Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law, suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

### VIII. REGENERATION.

Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins, enlightening their minds spiritually and savingly to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God's free and special grace alone.

## IX. REPENTANCE.

Repentance is an evangelical grace, wherein a person being, by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

## X. FAITH.

Saving faith is the belief, on God's authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

## XI. JUSTIFICATION.

Justification is God's gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

## XII. SANCTIFICATION.

Those who have been regenerated are also sanctified, by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

## XIII. PERSEVERANCE OF THE SAINTS.

Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall, through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

## XIV. THE CHURCH.

The Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

## XV. BAPTISM.

Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of his giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

## XVI. THE LORD'S SUPPER.

The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

## XVII. THE LORD'S DAY.

The Lord's day is a Christian institution for regular observance, and should be employed in exercise of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

## XVIII. LIBERTY OF CONSCIENCE.

God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection in all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

## XIX. THE RESURRECTION.

The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust will be raised.

## XX. THE JUDGMENT.

God hath appointed a day, wherein He will judge the world by Jesus Christ, when everyone shall receive according to his deeds: the wicked shall go into everlasting punishment; the righteous, into everlasting life.
