BRUCE B. ALEXANDER
1941-1977

On August 10, 1977 Bruce B. Alexander was buried in the Rock Hill Baptist Church Cemetery in South Carolina with many chapters of his life, as man sees them, unwritten. He died too young in the minds of those whom he left behind. However, in the Chapters of Life that he did write, he left an influence that will live on and on. He wrote little, spoke often and counseled untold numbers of men, women and children and stood as a symbol of moral and spiritual strength. His life represents a combination of reverence, frugality and toil. He belongs to the procession of hard working and God-loving servants of God. Bruce Alexander wrote his own funeral services in the kind of life he lived - enthusiastically searching, sharing and caring. Although he is gone he is still with us. His interest and enthusiasm for the work in the Tuckasegee Baptist Association and for the congregations in the churches he pastored will provide a foundation for those who follow. He loved people and had much concern for their welfare whether or not they were members of his "church flock."

Now in an effort to honor and to pay tribute to him to whom God has said: "Well Done," we dedicate these, the 1977 Annual Minutes of the Tuckasegee Baptist Association. God loved him and we loved him, too.

Proceedings

Thursday, August 18, 1977
Shoal Creek Baptist Church

The one hundred forty-eight Annual Session of the Tuckaseige Baptist Association was called to order in the Shoal Creek Baptist Church by the Moderator, Wesley Hooper at 6:30 PM. The Reverend Alvin A. Loiry, Jr., Director of Missions, gave the Devotional using scripture from the Book of Matthew pertaining to missions and the Great Commission. Hooper welcomed the 145 messengers and the six visitors. The messengers represented

26 of the 49 churches in the Association. He then thanked the host church for its hospitality and the delicious meal served just prior to the opening session.

The following business was dispensed:

1. A motion made by John Hyatt that the BOOK OF REPORTS be adopted as presented was passed.

2. The Reverend Douglas McFadin spoke on the Sunday School work. He stressed the importance of teaching the Work of God. The report is contained in these minutes.

3. Doctor Robert Bruhl was introduced by Loiry. Bruhl was a representative of the Baptist State Convention of North Carolina. He brought a report on State Mission work. He challenged the messengers to examine what they were doing for missions as missionary Baptists.

5. Sue Fitzgerald from Mars Hill College gave information concerning a display she had brought. She explained how the materials could be obtained and suggested some ways in which they might be used as "stretched materials" for workers to become better informed. The display contained materials for Seminary Extension, Deaconship and Pastoral Counseling, etc.

6. John Hyatt moved, seconded by Robert Blanton, that the Clerk, Annie Hoyle, be given an honorarium of one hundred dollars as compensation for her work as clerk. Motion passed.

7. The Reverend Clarence Vance who had served as Interim Director of Missions was thanked and recognized for the good work that he had done during his term of office.

8. Annie Hoyle recognized the clerks of the churches and commended them for the cooperation given in the preparation of the Association minutes.

9. The Director of Missions, Alvin Loiry, told of the twenty workers in the Association who would be contacting pastors for permission to go into their churches and explain the Bold Mission Thrust for State Missions. On Sunday, September 18, State Missions Day, churches are asked to call the Associational Office and report the amount received for this purpose. This date is to mark a special in-gathering but contributions will continue to be received after that date. Churches were urged to respond generously to the support of this special appeal.

10. The Reverend C. H. Greene moved that the Minutes of the Tuckaseegee Baptist Association for the 148th Session be dedicated to the memory of the Reverend Bruce Alexander, Pastor of the Hamburg Church. Motion passed. Alexander was killed in a motorcycle accident on August 7th.

11. John Hyatt as Vice Moderator and Robert Blanton, as immediate past Moderator, were recognized and commended for their good work.

12. C. H. Greene spoke briefly on the work of the Christian Action League, explaining that it was now well organized and ready to go to work when called upon.

13. Attention was called to the flowers in front of the pulpit. These had been given by the Ministerial Association in memory of Bruce Alexander.

14. Mrs. Mary Bennett, accompanied by Mrs. Roy Burnett at the piano, led the congregation in singing a hymn. An offering amounting to \$87.68 was taken.

15. The sermon was brought by Douglas McFadin, Pastor of the Shoal Creek Church. He used scripture from Acts for his sermon topic entitled: "Who Art Thou Lord?"

16. The first session of the 148 Annual meeting was adjourned at the close of the sermon and a prayer led by Robert Blanton.

August 19, 1977

Black Mountain Baptist Church

1. The second session was called to order by the Moderator, Wesley Hooper at 9:30 AM on Friday, August 19th in the Black Mountain Baptist Church.

3. Mary Bennett led the congregation in singing, "Amazing Grace."

4. Jack Holcombe, Pastor of Old Savannah Baptist Church and chairman of the Credentials Committee gave the report for that committee. The report is contained in these minutes.

5. E. P. McFarland brought a brief message from the Christian Action League and thanked the congregation for the prayers, the financial support, and the voting support that they were giving the League. He gave each pastor a Resolution to take back to his church. The Resolution read as follows:

A RESOLUTION

Whereas, the citizens of North Carolina voted by a two and one-half to one majority against liquor-by-the-drink in the state-wide referendum on November 6, 1973, and

Whereas, to believe there has been no substantial change in this sentiment, and

Whereas, the State A.B.C. Board has estimated that with liquor-by the drink there could be possibly 4,000 to 5,000 new outlets for the sale of whiskey in North Carolina.

Therefore, be it resolved that we the members of _____, assembled in session on this _____ day of _____ 1977, hereby do heartily commend our elected representatives to the General Assembly for their opposition to this proposal and urge that they vote against such legislation in the 1978 special session.

gave a report of the work being done there. The report is included in these minutes.

7. The report on work accomplished in the association was given by the Director of Missions. He summarized the work done by each of the organizations that make up the association. All of these reports are recorded in these minutes. He said that the Deacons-Pastors organization was the largest and most active of all the groups. A new organization formed to provide fellowship for the Pastors' wives meets simultaneously with the Baptist Ministers Fellowship group.

8. Loiry said that part of his philosophy of life was to meet the people where they are and walk with them seeking gradual improved ways to live for Christ. Loiry has represented the Tuckaseegee Baptist Association in meetings in West Virginia, at Wingate College and in the Area 10 meetings with Luther Osment.

He expressed appreciation for the good spirit shown by the sister churches and some individuals in helping the Big Ridge Church rebuild after a recent fire which destroyed the former building.

He said that the death of Bruce Alexander was a real loss to the Association. He took an active part in the work.

Loiry presented some challenges to the Association. He stated that a U.S. 2er had been assigned by the Home Mission Board to work in the association for a period of 2 years. The major emphasis of this worker will be focused on youth work but music, camp ground ministries, and continued education will also be stressed.

9. Joe David Fore, Baptist Chaplain at Western Carolina University, introduced Marie Norton, as his assistant worker. Fore stated that he wanted, through the students at Western Carolina University, to become actively engaged in the associational work.

10. The Director of Missions, Alvin Loiry, expressed his thanks to the Deacons and Pastors for the new sign at the Associational office.

11. Dr. Carven Williams, President of Gardner Webb College, spoke to the Report on Christian Education. He told of the beginning of Gardner Webb College in 1905 with a gift of two acres of land and the old church building. Thus Gardner Webb started with facts that have meaning and significance as the college grows. He said that the gift of the old church building had meaning and significance in that (1) we meet for religious services regularly, (2) we require some basic courses in religion, (3) we provide counseling and (4) we have rules and regulations. Because Gardner Webb does these things, it is a growing institution without the aid of government funds, which further strengthen our Baptist way of life in that we are self supporting.

12. Hugh Starnes gave the report on the Baptist Childrens Homes. He said that the greatest needs at present was for Foster Homes and Emergency Care Centers in this area. The nearest Emergency Care Center is at Forest City. Approximately 1/5 of the children enrolled at the Broyhill Home are from the Tuckaseegee Baptist Association, he said. He urged the churches to give stronger support and extended an invitation

to all to attend the Area Conference to be held at the Broyhill Home on Thursday, September 8.

13. J. D. Parker read a list of those churches that had increased their giving to the Baptist Hospital for this year. The Report on the Baptist Hospital was given by Calvin Knight. He gave illustrations to supplement the statements made in the Baptist Hospital Report contained in these minutes.

14. The Financial report was given by Robert Blanton. Annie Hoyle gave the Treasurer's Report.

15. At the conclusion of a congregational song "How Firm a Foundation" Glenn Blanton, introduced Alvin A. Loiry who, in the illness of Eddie Stillwell, brought the morning message. Loiry used scripture from 2 Peter and 2 Timothy. The sermon concluded the morning service.

16. A delicious luncheon was served by the members of the Black Mountain Church in their new Fellowship Hall.

17. John Hyatt, Vice Moderator, called the afternoon meeting to order at 1:00 PM.

18. The devotional was given by Max Smith, Pastor of Buff Creek Church. He likened the Tuckaseegee Association to the Bible in that they are "God's people with a great future." He said that if we could just get Jesus in the right place in our lives, then everything else would be right.

19. Hyatt expressed appreciation and thanks to the Black Mountain Church for its warm hospitality and for the good meal.

20. Ralph Cannon brought the report on the Homes for the Aging. He pointed out the dire need not only for the new home under construction in Asheville but for other homes not yet begun. He said that there were over 700,000 people 65 years of age in North Carolina with only seven Baptist Homes for the aging to care for those who needed help. These homes can accommodate only 207 residents. The need is great - here is an opportunity for the people to show their love and respect for aging members who need help.

21. Frank Anderson, Chaplain at the C.J. Harris Hospital, gave a report on his work in the hospital. The report is recorded in the minutes. Anderson requested Dr. John Bunn, Pastor of Sylva First Church, to relate a personal experience he had had recently in helping a patient in Texas receive Christ.

22. Hyatt expressed appreciation and thanks for the Tuckaseegee Baptist Association to Wesley Hooper for his year of leadership and good work as moderator.

23. Glenn Blanton, Chairman of the Time, Place and Preacher Committee gave the report for that committee. The report is recorded in the minutes.

24. Conrad Burrell, Chairman of the Nominating Committee, presented the slate of officers for the Tuckaseegee Baptist Association for the next year. He moved that the slate be adopted as read. Motion passed.

25. The Congregation, led by Harry Vance, sang "Victory for Jesus."

26. The second session was concluded with a memorial service presented by Annie Hoyle and assisted by Lucille Painter, Jerry Carringer, and Jane Beck.

27. The Vice Moderator declared the adjournment of the 148th Annual Session at 2:30 PM. The second session was attended

by 78 messengers and four visitors. Twenty-one of the forty-nine churches were represented.

ANNUITY BOARD REPORT

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid \$17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. A 13th check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to \$830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling \$472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit Section; 1275 in the Age Security Section and 240 in the Variable Benefit section.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council majored on two aspects in 1977, the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, ministers-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved in a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptist for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of North Carolina was approved as an agency of the Baptist State Convention of North Carolina was approved in 1919 and chartered in 1920. The objectives of this agency of the Convention were clearly stated in its charter: "1. To promote the making of gifts..." "2. To receive, own, hold, administer, and distribute gifts of any kind..."

The Foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes decisions relative

to specific or general recipients of trust income.

The growth of assets held was slow in the early years and reflected directly the amount of time given to promotion by lay volunteers interested in the endowment of Christian ministries of the Convention. At no time in its history has the Foundation idea lacked respect of denominational leadership in that it was undergirding the financial support of all Baptist mission endeavors. The total assets held have grown from \$2,000. in 1920 to \$3,696.612. in 1977.

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. Its fifteen member Board of Directors is elected by the Convention, three each year selected for five year terms. The Directors through an Executive Committee has responsibility for reviewing budget needs and recommending its request to the General Board Budget Committee.

The staff consists of the following employees: the Executive Secretary, Edwin S. Coates; Director of Estate Planning, Sara Ann Hobbs; Staff Assistant, Dianne Babb; Treasurer, Leon Spencer; and the Legal Counsel, Tom Dimmock, a Raleigh attorney, who is retained for frequent consultation and for preparation of contracts, agreements and other matters related to the work of the Foundation.

The emphasis of the Foundation is Stewardship.

There are three prime methods now utilized through which gifts of possessions can be transferred to benefit Baptist endeavors. The most frequently used, and the source of most assets now held by the Foundation, is the testamentary gift. A gift in which the transfer from an estate to the charitable cause is done by statement in a will. The second method - the charitable remainder trust has proved to be a valuable instrument to encourage life-time transfers of assets. The third method is through the living charitable trust. An outright gift of assets, where income or principal is immediately available for charitable causes, provides many benefits both to the donor and to the ministry being supported. In some instances, the residual estate to heirs can be increased through this method of giving.

"Through our investment in the Foundation that supports the Cooperative Program permanently, we now ARE the Cooperative Program."

EVANGELISM REPORT

"Bold in Creative Witness" was the theme of the 31st State-wide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many

different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, and vocational guidance.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida are the guest preacher and soloist. All youth who make decisions are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family, Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W.- Win Our World - Has to do with specific witness training for youth in the local churches.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-8, 1978.

Several of the pastors from the Tuckasee Baptist Association attended the Evangelism Conference in Greensboro on February 7-9, 1977. They reported a great conference with challenging messages.

Due to a number of reasons the Ministers Revival was not held as scheduled. However, most of the churches did conduct very successful revivals within their own congregations with excellent results. Some very outstanding persons led some of these revivals. Several of the smaller churches joined hands in holding revivals, moving speakers and congregations from church to church each night throughout the time of revival. This movement resulted in new converts, re-dedications and warm Christian fellowship among the peoples of the several communities involved.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptist is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty

as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His Lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented His disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is their fore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N.C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. Mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BAPTIST MINISTERS FELLOWSHIP REPORT

Regular monthly meetings of the Baptist ministers of the Tuckaseegee Association were held during the year, with the exception of three months. These meetings are scheduled for the second Tuesday of each month. Under the guidance of Program Chairman Bruce Alexander, some interesting programs were presented. Sermon outlines were shared by several of our pastors. Inspirational messages were preached by some local pastors and also by visiting ministers.

Regretfully, attendance has not broken any records. In an effort to stimulate a larger attendance, meetings were held at a central location: Lovedale Church for the first part of the year and Scotts Creek Church the remainder of the year.

One innovation that has been helpful was the decision of the ministers' wives to form a group and have monthly meetings. At several of the meetings, covered dish suppers were enjoyed by the combined groups.

REPORT OF MINISTERS WIVES' FELLOWSHIP

The Ministers' Wives' Fellowship was organized during the past year with the meetings being held simultaneously with the Ministers' Fellowship, thus making it convenient for those who live a good distance or who don't drive. We feel that we need this time of fellowship to get to know and to uplift one another. Our program chairman, Mrs. C.H. Greene, has presented some very interesting programs and discussions. It doesn't take us long to become friendly and find a common ground of conversation.

One common thread binds us together. We love the Lord and we have a special love and concern for one of the Lord's anointed. Our purpose is to try to equip ourselves to be better helpmeets for our husbands.

BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicts an aspect of Christ's ministry: Healing, teaching, and preaching. The window serves as a reminder to the staff that

Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Out-patient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year \$294,324 was received through the Cooperative Program and \$405,947 through the Mother's Day Offering.

REPORT OF THE HOSPITAL CHAPLAIN
1977

The ministry of the Chaplaincy in the C.J. Harris Community Hospital is made possible by the voluntary cooperative effort upon the part of the majority of the Christian denominations in Jackson County. A standing committee of the Jackson County Minister's Association supervises the Chaplaincy Program.

The challenge to the program is seen in the 4,235 patients which passed through the hospital from July, 1976 to June 30, 1977. This is an average of 353 patients per month. Here were 4,235 opportunities to mediate the compassion of a loving heavenly Father.

During the past year 41 churches, 4 individuals, and 2 institutions gave \$4,115.08 for the Chaplaincy. This represents an increase of 17 churches over the preceding year. The increase in gifts was \$1,572.04.

You may support this ministry through your church budget each month or by special and designated offerings. Individuals may participate by memorials or general contributions to Hospital Chaplaincy Program, 59 Hospital Road, Sylva, NC 28779.

BAPTIST CHILDREN'S HOMES

Dr. W. R. Wagoner, president of the North Carolina Baptist Children's Homes states in report for the year that the drastic changes in the life styles of our day are requiring multiple ministries in order to meet the needs of families and children. The American family today is in trouble, but its situation is not hopeless. Positive contributions can be made to strengthen the home as more effective ways are discovered, by this agency, to minister with pastors, churches, and other agencies which have a concern for the well-being of the family.

The purpose of this Agency is the care of dependent, neglected and homeless children, emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The Agency is also dedicated to working with other agencies, institutions and programs, in an effort to strengthen wholesome, Christian family life throughout the state.

In 1976 the lives of more than 4,300 people were affected in

a significant way by the services of the Children's Homes. The Homes provided care and related services for 1,683 children. Of this number 1,217 received continuing services while 466 received casework, counseling, and referral services. Applications for 70 children were in process of evaluation at the end of the year.

Through members of the staff, a close working relationship was maintained with 2,396 adults while working with the children. Consultant services were provided more than 300 other adults through Child Development and Family Education services.

The four centers of operation in the Piedmont Area providing the full range of services to families and children in need are: the Mills Home at Thomasville; the Emergency Home at Burlington, the Emergency Home and Social Work Center at Charlotte; Wall Home at Wallburg.

In the Eastern Area are located the Odum Home, the Emergency Care Home in Henderson and the Kennedy Home. In the Western Area the Broyhill Home has served to strengthen all phases of our work in Western North Carolina. A fifth cottage completed during the past year increases the Broyhill campus capacity to sixty children. The Thermal Belt Youth Shelter, opened last year in Forest City, serves a new and different need for children in crisis situations.

Many girls, facing the problem of the unwed mother, continue to be helped through the Maternity Home in Asheville. It is recognized for its quality of care and Christian concern.

The Child Development Center enlarged its services to offer a day care program for school aged children during the summer and a group of two year old children for year-round participation.

A staff of twenty-two social workers live and work out of eleven centers located across the state. Social work services are available upon request to families any place in the state needing our assistance.

More than forty-two percent of the basic, dependable support of the Homes continues to come from Baptist churches through the Cooperative Program, special gifts, and the Thanksgiving offering. Special gifts from individuals, families, businesses, and industries increased during the past year for forty-four percent.

Interest in our estate planning services is growing. Annuities and charitable trusts are increasing.

Attendance at area conferences and special promotional meetings has been the largest ever.

Tom Clayton of the Tuckaseegee Baptist Association continues to serve on the Board of Trustees as representative from the Western Area. Several churches and mission groups in the Tuckaseegee Association have visited the Broyhill Home and have for special occasions - birthdays, Christmas, etc- adopted children for special attention. The large attendance in September 1976 at the Area Conference at Broyhill testifies to the interest of the people of the Tuckaseegee Association in the work being done at Broyhill.

Tom Clayton

The year 1976-77 found the women of the W M U organization busily involved with missions on all levels. Each year we have become more and more concerned about missions but this year was special since we have been trying to "Grow A-Know-Body" through the Read-A-Thong. The purpose has been to inform and to enlighten members about missions so that they might have a better understanding and knowledge of the work. We believe that if we know we ARE concerned.

On the Associational level we held the annual meeting in May at Sylva First with Frances Snow as speaker. The fall leadership conference was held with the Webster Church with our own directors leading. The regional meeting in Andrews was led by the state workers. Attendance was good at all of these meetings.

At the Annual meeting Sue Fitzgerald brought a beautiful display of all WMU materials which added greatly to our "Grow-A-Know-Body" idea.

The WMU Council composed of the Directors of the age level groups, held quarterly meetings for planning and projection. These meets have resulted in a collection of various materials- maps, film strips, flags of countries having missionaries and a Carousel for the use of the churches in the promotion of mission work and in their own programs.

"Go-Tell" our WMU communications newsletter has gone out at least quarterly plus a few additional issues. So far this means of communicating has been mailed to the directors and officers only in the various organizations on a regular basis. Perhaps in the future this information can be sent to each WMU member.

The Moses Creek women formed our newest organization. This group was given special recognition at the annual meeting. We now have 23 active WMU organizations in the Association.

The Executive Dinner at Christmas was sponsored by the WMU and served at the Cullowhee Church.

Again most of the organizations went over their goals in the Lottie Moon offering for Foreign Missions. The Annie Armstrong Easter Offering for Home missions also received whole hearted support.

Age level directors have been active in their leadership capacities. A Day Camp for Mission Friends and GA's was held at Camp Truett. The B W and B Y W have encouraged prayer retreats in the individual churches. They also guided the programs in connection with the weeks of prayer for special events.

But all of this in now prologue. While it depicts activity and interest and achievement a great challenge lies before us. The Bold Mission Thrust is indeed a challenge and opens many avenues for WMU work. Indeed! "The Field is White Unto the Harvest."

The leadership for 1977-78 on the Associational level is composed of the following: BW: Mildred Cowan, BYW: Alma Pullium, Acteens: Sharon Proctor, G.A.: Virginia Pangle and Mission Friends . We shall be hearing from these dynamic leaders. Let's back them in God's work.

TRUETT BAPTIST CAMP REPORT

We are happy to report that the interest in the Truett Camp from our Association and the region has continued to grow during this past year. There have been 15 churches from this Association participated in some form, and to date 700 boys and girls from the region have attended. Brother Crawford, the Director, reports that they have had 84 conversions. So it has indeed been a great blessing to the lives of young people in our area. This certainly indicates that our dollars and interest to the support of Truett Camp are indeed well spent.

There have been several physical improvements made as new tables, chairs, and mattresses have been added, an outdoor grill, and a very pretty new sign has been erected. The dormitories have been refloored and painted. This past cold winter did considerable damage to the pool, but this has also been repaired in good order. We still have several projects that are badly needed. Two pressing ones are the staff cottage and an outdoor worship center.

The Association expresses its gratitude to Reverend Crawford for the fine job he is doing and to Reverend Douglas McFadin of our Association who is now chairman of the regional Truett Camp Committee.

May we continue to support the Truett Camp with our means, our children, and our prayers.

Respectfully submitted,
John Hyatt, Chairman
Truett Camp Committee

BROTHERHOOD REPORT

While the Brotherhood Department on the associational level did not function actively, the work within the individual churches was active. Several churches organized RA and Pioneer groups which are growing rapidly. It is hoped that these organizations will stimulate new interest in the Brotherhood work. The "Bold Thrust" movement in missions should be a catalyst for the Brotherhood work and its auxiliary groups.

DEACONS - PASTORS

The Deacons and Pastors have held regular quarterly meetings. These are supper meetings with the host church providing the meal.

The program chairman, Lewis Keener, has provided interesting and provocative programs. The October meeting was held at the Webster Baptist Church with Dr. Cecil Ray as speaker. A large

number of persons attended. The January meeting was held at the Jarrett Memorial Church with special music program and the Revs. Ralph Cannon and Cloy Starnes as speakers. They presented a most informative program on the North Carolina Baptist Home for the Aging at present under construction in Asheville. The attendance was good with 19 churches being represented by 104 people. At the Cullowhee Baptist Church, the Rev. Sam O'Neil made a very informative and timely presentation of the Annuity Program. At this meeting 15 churches were represented with a total of 62 members present.

The July meeting is scheduled for the 29th at the Greens Creek Baptist Church.

This has been a good year for the Deacon-Pastors and their wives.

ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions." Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave \$33,584 through the Cooperative Program. Last year our churches gave \$16,226.

WE RECOMMEND THESE GOALS:

1. Every church in the association **BOLDLY ADVANCING THEIR GIVING** through the Cooperative Program for world mission support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year.
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Respectfully submitted,
J. D. Grant, Director
Cooperative Program & Stewardship

SUNDAY SCHOOL REPORT

Training opportunities were given high priority this past associational year.

Our association hosted two such opportunities this year. In October 1976 a workshop for age group workers was held in Sylva with the State Staff leading the sessions. It proved to be a meaningful learning experience for every person involved.

Also, a teaching-learning workshop was held in May 1977 at the First Church in Sylva. Again our state staffers did an excellent job of training people in our region to teach the eternal word of God.

As we look ahead may we continue to train lay persons from every church to effectively teach, whatsoever Jesus has taught us.

Thank you for the privilege of serving you as Sunday School Director this year.

Respectfully submitted,
Douglas McFadin, Director
Sunday School

CAMPGROUND MINISTRY

Eight million tourists passed through our area in the summer of 1977. What an opportunity to touch lives through resort ministries.

To my knowledge there are few churches who are taking advantage of this opportunity. Shoal Creek Baptist Church reached approximately hundred fifty people with worship experiences in Tipton Shoal Creek Camp Ground this year. Campers are not always prepared to come to our sanctuaries, but we can go provide worship experiences for them on the location.

Looking outside Jackson County, T. Gilbert, a State Missionary, conducts resort ministries in Cherokee proper. He trains his youth to go into camping areas and conduct worship services. Also, Brother Gilbert leads an early morning worship for resort employees at the Indian Village.

The Home Mission Board has appointed a U S -2er worker to Jackson and two other counties. This person will seek to organize new youth work and strengthen existing programs. One priority of this youth program in this area will be resort ministries.

May each church lift her eyes to see the multitudes about her and design resort ministries to reach these people who may pass this way once.

Debbie McFadin, Director
Campground Ministries

REPORT OF THE DIRECTOR OF MISSIONS

The association extended the call for this position, effective June 1, 1977. We arrived on the field on the night of May 26. My first opportunity of service was to supply the pulpit on the night of May 29 at Old Savannah Baptist. I was present for a planning meeting for directors of missions with Luther Osmet, Area Missionary, on May 31. My first day in the office was June 1. This report is for only approximately six weeks of the associational year; however, we have found much to do. The Home Mission Board enrolled me in a special school which covered two weeks of study at the University of West Virginia. I was involved in a meeting of Associational Directors of Missions and Convention staff at Wingate College. My wife and I have visited in several of the churches for worship and VBS programs. There are many ministries which claim our attention. As the new associational year begins we will be meeting with churches, committees and associational leaders to assist in these ministries and programs. I want to thank all who helped us to make the transition from our work in Santa Fe, New Mexico to the Tuckaseegee Baptist Association.

INTERIM-DIRECTOR OF MISSIONS REPORT - 1977

MISSION INCOMPLETE BUT NOT IMPOSSIBLE

This is the feeling of my heart as I review my ministry while serving as your interim-director of Missions for a part of this associational year. Marie and I wish to express our appreciation for the privilege of coming back home, renewing so many acquaintances and making new friends. We were delighted with the warm welcome and wonderful spirit with which we have been received everywhere we have been able to minister.

WORKING AMONG THE CHURCHES

In accepting the work the committee said, "Since you will be working on a part time basis, we are not making many suggestions but feel that you should work where you see the greatest needs and seek to keep the churches informed of denominational activities through the Associational Newsletter." This I sought to do and will not make a detailed report of all the work. But my records do show that I ministered directly to 20 churches, assisted in planning, promoting and/or attended 16 associational meetings, attended 7 denominational meetings outside the association, assisted in printing and mailing over 2100 news letters and traveled over 9000 miles.

COOPERATION AND CONCERN

I am grateful for the cooperation shown by most of the pastors and other church leaders who have shown their love, concern and support of all the Associational work. A special word of thanks is offered to Wesley Hooper, Moderator; Annie Hoyle, Clerk & Secretary; John Hyatt and the Search Committee; Douglas McFadin & the Missions Committee; J.D. Wyatt, President of the Pastors' Conference and many, many others.

REGRETS AND SUGGESTIONS

I regret that I was unable to accept every invitation and worship in every church. I regret also that some of the pastors and churches did not find it in their hearts to promote and participate in the programs and meetings of the association. In all my experiences of the past I have observed that the pastors' ministry has been more meaningful and lasting and the growth of the church greatest as they were involved in the work of the associations. I want to suggest that every church encourage and expect their pastors and other leaders to be more involved in the work of the Tuckaseegee Association. I thank God for the association and for all those people who have labored and loved it throughout the years and what they have meant to my life and ministry. May we continue our support and participation as we work together for the glory of God.

AL AND CHRISTINE LOIRY

All of us are delighted that God has led them back to our Association and that Al is now Director of Missions. We are also grateful and pleased at the warm and wonderful Christian spirit which is being extended to them as they return to work among us. We think they are two wonderful servants of the Lord with much training and experience and we know the Lord is going to bless them in this ministry.. Call upon them welcome them to your churches and homes, and allow them to be used in the programs of the association and the churches.

Respectfully submitted,
Clarence O. Vance

ASSOCIATIONAL MISSIONS

With the resignation of Walter Middleton, Director of Missions, in April 1976, the Tuckaseegee Baptist Association was left without a leader for a period of approximately eight months. The 1976 year's work was completed under the capable leadership of Robert Blanton, Moderator. Annie Hoyle carried on the office work. The Annual Session was planned and carried out in a most effective and satisfactory manner. Following the Annual Session Wesley Hooper took the lead as moderator. In his quiet, effective way he visited churches, presided at meetings and took care of business. In his visits to the churches he informed the people of their obligations and responsibilities to their Association. As a result financial contributions were made by some churches that had contributed very little or nothing previously. A new interest was felt.

The Finance Committee, under the leadership of Jack Hinson, Chairman, held a meeting to discuss the possible potentials and the directions to be taken financially. A monthly financial report became a part of the newsletter. Churches were urged to give regularly on a monthly basis and several responded. The Baptist State Convention increased its contribution to the maximum for associational support. Luther Osment's "know how" and enthusiasm played a major part in this. The appropriation which was stopped with the resignation of Walter Middleton was reinstated in December after the coming

of Clarence Vance.

As usual there was some changes made in pulpits. Several of the pastors resigned - some leaving the Association, some taking other churches in the Association while some did not take another pastorate. Those leaving for pastorates outside the association were: John Spencer, Tommy Owens, Lester Sutton, and Delos Blanton, Jr.

In the fall of 1976 the Search Committee, John Hyatt, Chairman presented Rev. C.O. Vance's name to the Executive Committee as a possible Interim Director. Rev. Vance was elected and began his duties on November 1 as a part time Interim Director. His enthusiasm along with his rich, broad background of experiences pushed the Associational work ahead by leaps and bounds. He came as a part time person but his popularity was so great and his information and "know-how" so fluid that very soon he was in such demand both in the association and out that his time was completely filled.

On July 1, 1977 the Rev. Alvin A. Loiry, Jr. returned to Jackson County and the Tuckaseegee Baptist Association as a full time Director. His own report of the work is given in a report by him following this report.

The Association office was moved from the Scotts Creek Baptist Church to a suite of offices in the Ferguson Building in downtown Sylva in March 1976.

Respectfully submitted,
Wesley Hooper, Moderator
Annie K. Hoyle, Clerk

MISSIONS COMMITTEE

Your Missions Committee held its quarterly meetings in an effort to plan and promote associational activities. These meetings were generally well attended this year.

Since each officer is asked to report on the progress in his area I would like to use this report to voice some concerns of your Mission Committee.

It is our hope that more of our churches will actively support and participate in associational concerns.

It is our hope that all of our churches will rally about the common cause of the Great Commission forgetting insignificant differences.

It is our hope that our association will examine the need to become more efficiently organized for the work of Christ.

It is our hope that every church will prayerfully support our new Director of Missions, Rev. Alvin Loiry, Jr.

These are just a few of the concerns of your Missions Committee as we begin a new associational year.

Thank you for the honor and privilege of having served as the chairman of your committee. Many thanks to each committee member for their participation and interest.

Respectfully submitted,
Douglas McFadin, Director
Missions Committee

HOME MISSIONS

Thinking of Home Missions and looking back to the Bicentennial Year; Christians here in America are blessed with freedom as no other nation. We are also reminded of the sacrifices that have been made by those who went on before; so that, this freedom could be ours. Christ gave his life freely that we might have freedom from the bonds of sin. We are reminded to ask ourselves the question: Just how grateful are we? We read the scripture, "Feed My Sheep" (John 21:15-17). Jesus asked this three times. How many more times will he ask us before we respond to His call to our Home Mission needs?

There is such a great need in all phases of our Home Missions work. In Paul's writings we find this request: "Come over to Macedonia and help." (Acts 15:9) Yes, people are in need of love, friendship, kindness and sometimes just a smile. God uses all men and women in different ways, depending on each ones ability and circumstance. Will we answer His call and not let another year go by without the goal being reached for our Annie Armstrong Easter Offering.

If we really appreciate our freedom and what our Saviour did for us, let us stand up and be with those to whom God will say, "You have fought a good fight, you have kept the faith; henceforth there is laid up for you a Crown of Righteousness." (2 Tim. 4: 7-8.)

STATE MISSIONS

1976 HAS BEEN A YEAR OF COOPERATION. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are cherished principles among Baptists. One hundred forty years before the nation's beginning a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together"... to promote missions, evangelism, education, social services." The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for

prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments--Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood--- are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Mission projects in North Carolina re-financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is \$400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows.

\$175,000	Basic State Mission Budget
43,000	Fruitland Classroom Building
72,000	Caraway Conference Center
10,000	Special Mission Projects
100,000	Baptist Assembly (Caswell)

A look at this goal and we realize that this is indeed a Bold Thrust. But we CAN do it if we put our "shoulder to the wheel and push." The Tuckaseegee Baptist Association has a very definite part in this bold outreach. The goal for the Association has been set at \$15,000. In comparison to the total goal this seems a small amount but when we take a look at the amount the Association gave to designated State Missions in 1976 - \$1,654-- we can see our task. In the very near future a representative will be sent to each church in the association explaining the program and perhaps making suggestions as to how our goal can be attained. We do have a CHALLENGE!

On the local level some progress was made in Camp and trailer parks ministries this year. Several of the churches took active part in this with some encouraging results. Most of the work on this level is done by the individual churches. Then, too, much of the work that is done is not reported for the Associational minutes. While we do not have figures to substantiate much of our mission work we know that it is going on and that what is done is a vital part of our mission work.

Respectfully submitted,
Luther Osment
Chairman of State Missions

FOREIGN MISSIONS REPORT

"...for, behold, I bring you good tidings of great joy, which shall be to all people." Luke 2:10b

Sixty percent of the ordained ministers in the world are inside the United States, while ninety-five percent of the world's population are outside the United States. One way the Southern Baptist attempt to balance this scale is with a vigorous foreign missions program. More than 2700 Southern Baptist Foreign Missionaries are now under appointment to 84 countries and territories. Their efforts to proclaim "Good News of Great Joy" are reinforced by Baptist leaders on the mission fields and by our prayers and mission support at home.

Missionary appointments during 1976 exceeded all previous records. In the midst of prevailing tensions in disturbed areas they have continued their work.

Almost half of the financial support for Southern Baptist foreign missions comes from the Lottie Moon Christmas offering and the Cooperative Program. Last year the Cooperative Program showed a 12.52 percent increase in giving and the Lottie Moon Christmas offering increased by 11.35 percent.

In the Tuckaseegee Baptist Association plans were begun for an Associational Missions school to be held Oct. 15-22, 1978. This school will bring both Home and Foreign Missionaries to our churches. These missionaries will share how our mission dollars are used to reach souls for Christ around the states and the world.

All of our churches are urged to participate. Call the Association office for how your church can be a part.

Our association sponsored a meeting with Dale Hooper, a furloughing missionary from Kenya, which proved to be informative and inspirational. Mr. Hooper is originally from this area.

Also, this year, our association hosted a Mission Support hearing with Dr. Cecil Ray and others of our state convention in attendance. The meeting was reasonably attended by representatives of Region 10 counties. Better ways of teaching, promoting, and supporting all of our missionary efforts were discussed. It was a very helpful meeting for all who attended.

Respectfully submitted,
Esther M. Cole, Chairman
Foreign Missions

PROPOSED BUDGET FOR 1977-1978

Last year we adopted the largest budget ever proposed for the Tuckaseegee Baptist Association. Since we did not have a full time Director of Missions until June 1, we did not have the opportunity to test this budget to determine whether it would meet our needs. Now that we do have a Director he will be serving under this budget for only four months - June, July, August and September. The Finance Committee is proposing the same budget with a decrease of \$400 in the Director's Salary and an increase of \$400 in the Housing item. The total remains \$19,125. The Baptist State Convention of North Carolina pays \$2,712 (\$226 monthly) of the total budget.

During the past financial year - 1975-76 - thirty-five

churches gave \$12,745.08 including the \$1,554 contributed by the State Convention. Seven of the thirty-five churches gave on a regular monthly basis. This year - 1976-77 - thirty-two churches have given a total of \$9,639.21 in a nine months period. Thus far twelve churches and the Baptist State Convention have contributed on a regular monthly basis.

While the average giving per month thus far is not as much as that of the previous year some of the churches usually give more during or immediately after the Annual Session. The next four months should show a substantial increase in the amount given for this year. We feel that with a full time Director contributions from all of the churches will increase. We greatly appreciate those churches that give regularly as this helps greatly in keeping our budget operating smoothly. We strongly urge all churches to include a plan for monthly giving in their budgets for the coming year.

Finance Committee,
 Jack Hinson, Chairman
 Robert Blanton Morrison Green
 Alan Garner Jean Keener

STATEMENT OF CONDITION

The fiscal year of the Tuckaseegee Baptist Association begins on October 1 and ends on September 30. This means that the financial statement included in THE BOOK OF REPORTS represents only nine months. As of June 30, 1977 there is a balance of \$4,318.75. Of this amount \$3,680.84 was brought forward from September 1976.

A total of 32 churches have contributed \$7,676.02 to Associational missions with 12 of these churches giving on a regular monthly basis. This represents an increase of five churches giving monthly.

In order to meet our budget needs for 1977-78 we will need a monthly income of approximately \$1370 monthly.
