Register your interest as soon as possible with Mr. Myers, Dr. Richardson or Dr. Hendricks.

MAGIC CIRCLE TRAINING SESSION: This semester there is a new opportunity for volunteer ministry at Wake Forest Elementary School through a human development program called "Magic Circle." Seminary students will lead small groups of children in learning to express their ideas and feelings and to listen to others. The "Magic Circle" program is under the direction of Mrs. Edith Grosch, Guidance Counselor at the school. A training session led by Mrs. Susan Brady, Peer Counselor at Millbrook Senior High, will be held Monday, February 14, 8:30-12:30 in the Bethea Room on the ground floor of Appleby. Students interested in learning more about the "Magic Circle" program are invited to attend. Attending the training session does not commit one to working in the program, but attendance is required for those who are selected as group leaders. Sign up for the training session in the Field Education Office by Friday, February 11.

OPPORTUNITIES AT RIDGECREST AND GLORIETTA: Miss Patsy Driggers will be on campus Wednesday, February 2, to talk with students interested in working in the Preschool Buildings at Glorietta and Ridgecrest this summer. Appointments may be made through the Field Education Office.
